2.2. Task List

The Provider shall perform all tasks set forth in the Task List, found in **Exhibit C**, in the manner set forth therein.

3.1. Prompt Payment and Vendor Ombudsman

Per §215.422, F.S., the Department has five business days to inspect and approve goods and services, unless the bid specifications, purchase order, or this Contract elsewhere specifies otherwise. Other financial consequences directly related to the deliverables under this Contract are defined in **Exhibit F**. The foregoing does not limit the Department's use of additional financial consequences, including refusing to make payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages to the extent this Contract so provides, or termination of this Contract per **6.2** and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined erroneous, is immediately due as an overpayment in accordance with **3.5**, to the extent of such error.

3.5. Overpayments and Offsets

The Provider shall return erroneous payments, overpayments, or payments disallowed by this Contract (including payments made for services subsequently determined by the Department to not be in full compliance with this Contract's requirements) or law, including interest at a rate established per §55.03(1), F.S., within 40 days after discovery by the Provider, audit, or the Department. The State or the Department may recover against such payments by deduction from subsequent payments under this or any other contract with the Provider, or any other lawful method. If this Contract involves federal or state financial assistance, the following applies: The Provider shall return to the Department unused funds, accrued interest earned, and unmatched grant funds, as detailed in the Final Financial Report, within 60 days of the End Date.

3.6. Rural Opportunities

If the Provider is a county or municipality that is a rural community or rural area of opportunity as those terms are defined in §288.0656(2), F.S., the payment of submitted invoices may be issued for verified and eligible performance that has been completed in accordance with the terms and conditions set forth in this Contract to the extent that federal or state law, rule, or other regulation allows such payments. Upon meeting the criteria, the Provider may elect in writing to exercise this provision as defined in §215.971(1)(h), F.S.

As a condition of receipt of funds for this purpose, if the Provider disposes of the property before the State's interest is vacated, the Provider shall refund the pro-rata share of the State's initial investment [(initial investment) x (length of time from purchase to disposal/the term of the security interest)]; and

4.1.1.6. If the Provider has one or more contracts for services with the Agency for Persons with Disabilities, or the Departments of Health, Elderly Affairs, or Veteran's Affairs, the Provider shall provide the following by Notice on each of those contracts:

4.6. Independent Contractor, Subcontracting and Assignments

4.6.1. In performing its obligations under this Contract, the Provider is an independent contractor

and not an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. The Provider, its agents, employees, subcontractors, or assignees shall not represent to others they are agents of or have the authority to bind by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees due to performing the duties or obligations of this Contract.

4.6.2. The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees are the sole responsibility of the Provider and its subcontractors. No joint employment is intended and regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone are responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.6.3. The Provider shall not assign its responsibilities under this Contract to another party, in whole or in part, without prior written approval of the Department. Such assignment occurring without prior approval of the Department shall be null and void.

4.6.4. The State of Florida may assign, in whole or part, its rights, duties, or obligations under this Contract to another governmental agency in the State of Florida or to a provider of the Department's selection.

4.6.5. Additional Terms if Subcontracting is Permitted

4.6.5.1. The Provider cannot subcontract for any of the work contemplated under this Contract without the Department's prior written approval. The Provider shall take all actions necessary to ensure each subcontractor of the Provider is an independent contractor and not an officer, employee, or agent of the State of Florida.

4.6.5.2. The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.6.5.3. The Provider shall include the substance of all clauses contained in this Contract relevant to subcontractor compliance in all subcontracts and any sub-subcontracts.

4.7. Indemnity

4.7.1. This is the sole term covering indemnification. No other indemnification clause applies to this Contract. The Provider shall indemnify the Department, where indemnification is not limited by law, as follows:

4.7.1.1. Personal Injury and Damage to Real or Tangible Personal Property. The Provider shall be fully liable for, and fully indemnify, defend, and hold harmless the State, the Department, and their officers, agents, and employees, from any suits, actions, damages, attorneys' fees, and costs of every name and description, arising from or relating to personal injury and damage to real or personal tangible property allegedly caused in whole or in part by the Provider, provided however, the Provider need not indemnify, defend and hold harmless the State or the Department for that portion of any loss or damages proximately caused by the negligent act or omission of the State, the Department, and their officers, agents, and employees. However, should conflict arise between the terms of this agreement and §§39.011, 394.9085, and 409.993, F.S., these statutory

provisions control.

4.7.1.2. Intellectual Property Liability. The Provider shall fully indemnify, defend, and hold harmless the State, the Department, and their officers, agents, and employees from any suits, actions, damages, attorney's fees, and costs of every name and description, arising from or relating to violation or infringement of a trademark, copyright, patent, trade dress, trade secret or other intellectual property right. This intellectual property liability indemnification obligation will not apply to the Department's misuse or modification of the Provider's products or the Department's operation or use of the Provider's products in a manner not contemplated by this Contract. If any product is the subject of an infringement suit, or in the Provider's opinion, is likely to become the subject of such a suit, the Provider shall, at its sole expense, procure for the Department the right to continue using the product or to modify it to become non-infringing. If the Provider is not reasonably able to modify or otherwise secure the Department the right to continue using the product, the Provider shall remove the product and refund the Department the amounts paid more than a reasonable rental for past use. The State and the Department will not be liable for any royalties, or licensing fees, not included in this Contract.

4.7.1.3. Actions Related to this Contract. The Provider shall fully indemnify, defend, and hold harmless the State and the Department, and their officers, employees, and agents from any suits, actions, damages, fines, claims, assessments, attorney's fees, and costs of every name and description, arising from or relating to any acts, actions, breaches, neglect, or omissions of the Provider related to this Contract, as well as for any determination arising out of or relating to this Contract that the Provider is not an independent contractor vis-a-vis the Department.

4.7.2. Subcontracts. The Provider shall include in all subcontracts and ensure all resulting contracts include the requirement that such resulting contractors indemnify, defend, and hold harmless the State and the Department, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including any and all attorney's fees, arising from or relating to any alleged act or omission by subcontractors, their officers, employees, agents, partners, subcontractors, assignees, or delegees alleged caused in whole or in part by contracted entities, their agents, employees, partners or subcontractors; provided, however, that contracted entities will not indemnify for that portion of any loss or damages proximately caused by the negligent acts or omissions of the Department. The Provider shall indemnify, defend, and hold harmless the State and the Department from the consequences of such a breach.

4.7.3. The indemnification requirement in **4.7.1** does not apply if the Provider is a governmental entity, prohibited by law, or constrained by lack of legal authority, from indemnifying the State, the Department, or other party. In such instances, the Provider remains liable for the Provider's own actions to the extent such liability exists in the absence of the legally impermissible indemnification.

4.7.4. Nothing in this Contract constitutes a waiver of sovereign immunity or consent by the Department, or the State, or its subdivisions to suit by third parties or an agreement by the Department, the State, or its subdivisions to indemnify any person.

4.8. Insurance

4.8.1. Workers' Compensation Insurance (WCI). To the extent and degree required by law, the Provider shall self-insure or maintain WCI covering its employees connected with the services provided hereby. The Provider shall require subcontractors provide WCI for its employees absent coverage by the Provider's WCI.

4.8.2. General Liability Insurance. The Provider shall secure and maintain, and ensure subcontractors secure and maintain, Commercial General Liability Insurance, including bodily injury, property damage, personal and advertising injury, and products and completed operations. This insurance will provide coverage for all claims that may arise from the services completed under this

Contract, whether such services are by the Provider or anyone employed by it. Such insurance shall include the State as an additional insured for the entire length of this Contract. The Provider shall set the limits of liability necessary to provide reasonable financial protections to the Provider and the State under this Contract.

4.8.3. Cyber/Network Security and Privacy Liability Insurance. The Provider will, for itself if providing Cyber/Network solutions or handling confidential information, secure and maintain, and ensure any subcontractor providing Cyber/Network solutions or handling confidential information, secure and maintain liability insurance, written on an occurrence basis, covering civil, regulatory, and statutory damages; contractual damages; data breach management exposure; and any loss of income or extra expense as a result of actual or alleged breach, violation or infringement of right to privacy, consumer data protection law, confidentiality or other legal protection for personal information with minimum limits. The Provider shall set the limits of liability necessary to provide reasonable financial protections to the Provider and the State under this Contract.

4.8.4. Authorized Insurers and Documentation. All insurance policies will be with insurers authorized, and through insurance agents licensed, to transact business in the State, as required by chapter 624, F.S., or upon approval of the Department with a commercial self-insurance trust fund authorized under §624.462, F.S. The Provider shall provide thirty (30) calendar days written notice of cancellation of any insurance required by **4.8** to the Department. The Provider shall submit certificates of insurance coverage, or other evidence of insurance coverage acceptable to the Department, prior to this Contract execution, and provide the Department 10 days prior Notice of any cancellation or nonrenewal.

4.9. Notice of Legal Actions

The Provider shall Notice the Department within 10 days after becoming aware of potential legal actions or immediately upon notice of actual legal actions against the Provider related to services provided by this Contract, that may impact deliverables or the Department.

4.10. Intellectual Property

4.10.1. Intellectual property rights to all property created or otherwise developed as part of this Contract by the Provider (either directly or through a subcontractor) for the Department as a work made for hire will be owned by the State. The Provider's title to intellectual property not developed as a work made for hire is unaffected. If software is being created as a work for hire the Provider shall deliver to the Department at no additional cost the decompiled source code, data libraries, manuals, documentation, and any other data or material necessary for the software to function as intended and be replicated and modified. If software or other intellectual property is not a work for hire, but is developed through performance of services under this Contract, the State of Florida is granted a perpetual, non-exclusive, non-assignable, royalty-free license to use, copy and modify such intellectual property for state business by any of the State of Florida's departments, subdivisions, or agents.

4.10.2. A thing capable of being trademarked developed in anticipation, or as a result, of this Contract will be trademarked by or on behalf of the Department. Only after the Department declines, by Notice, to hold such trademark, may the Provider trademark such a thing in its own name.

4.10.3. Any website developed in anticipation, or as a result, of this Contract will be placed in a domain of the Department's choice, copyrighted in the Department's name. Only if the Department declines, by Notice, such placement or copyright, may the Provider copyright such a thing in its own name.

6.1.1. In accordance with the provisions of §402.73(1), F.S., and Rule 65-29.001, F.A.C., should the Department require a corrective action to address noncompliance under this Contract, incremental penalties listed in **6.1.2** through **6.1.3** shall be imposed for the Provider's failure to achieve the corrective action. These penalties are cumulative and may be assessed upon each separate failure to comply with instructions from the Department to complete corrective action, but shall not exceed 10% of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. These penalties do not limit or restrict the Department's application of any other remedy available to it under law or this Contract.

6.1.2. The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan, in accordance with the following standards.

6.1.2.1. Noncompliance that is determined by the Department to have a direct effect on client health and safety shall result in the imposition of a 10% penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.2.2. Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a 5% penalty.

6.1.2.3. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a 2% penalty.

6.2. Termination

In the event the Provider fails to fully comply with the terms and conditions of this Contract, the Department may terminate this Contract upon no less than 24 hours' Notice to the Provider, excluding Saturday, Sunday, and Holidays. Such Notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, Notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a Notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract is not a waiver of any other breach and neither event is a modification of the terms and conditions of this Contract. **6.2** does not limit the Department's right to legal or equitable remedies.

6.2.5. Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. Termination shall be upon no less than 24 hours' Notice to the Provider and only if the Provider:

6.2.5.1. Previously failed to satisfactorily perform in a contract with the Department, was notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or

6.2.5.2. Had any other contract terminated by the Department for cause.

6.2.6. In the event of termination under **6.2.1** or **6.2.3**, the Provider shall be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work.

6.2.7. If this Contract is for an amount of \$1 million or more, the Department may terminate this Contract at any time the Provider is found to have falsely certified under §287.135, F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.
