RE: **Litigation Review for RFP PNC2126443P1, Design-Build: Sheridan St. Bridge over the Turnpike (Step Two)**

We reviewed the litigation history between Broward County and the proposing vendors. [check one of the following two boxes below]

- No record of litigation during the last five (5) years between Broward County and any proposing vendor for this solicitation.
- Litigation history with Broward County exists with one or more proposing vendor for this solicitation in last five (5) years. See details below for more information.

In addition, we reviewed the litigation disclosure forms submitted by proposing vendors regarding material case history between vendors and third parties during the last three years. [check one of the following three boxes below]

- No record of material case history between vendors and third parties during the last three years.
- Material case history exists with one or more proposing vendor and third parties for this solicitation in last three (3) years. However, based on our analysis of the applicable litigation, we do not believe it presents a concern regarding responsibility.
- Material case history exists with one or more proposing vendor and third parties for this solicitation in last three (3) years. Based on our analysis, one or more of these disclosed cases presents a concern regarding responsibility that should be considered by the committee.

List vendor name, filing date, applicable court, asserted claims, and status of any applicable litigation:

Structural Technologies, LLC inadvertently failed to disclose a material case in its bid (*Rolando Hernandez Cabrera v. Structural Technologies*). Nevertheless, the case does not present a concern regarding responsibility as the negligence alleged in the case is not related to the similar type of work that Structural Technologies, LLC is seeking to perform for the County under the current solicitation.
