

County Government Grants 2022-2023

Paragraph (a) of Subsection 401.113 (2), Florida Statutes

This announcement authorizes county governments to request now their new amounts of emergency medical services (EMS) county grant funds. The amount of funds for each county this year is in the **Total** Column of the Table at the following link. [County Amounts 2022-2023](#)

To obtain the funds, the county must appropriately complete and send to the state: (1) the two-page application form, (2) the Request for Grant Fund Distribution page, and (3) a resolution described in Item number 4 of the application form.

The application package can be accessed at the following link. [County Grant Application](#)

You may send the completed application, with signatures, by **email attachment** to the following email address EMS@FLHealth.Gov

Alternatively, you may **mail** the completed original application, **and one copy** to: Florida Department of Health, EMS County Grants, 4042 Bald Cypress Way, Mail Bin A 22, Tallahassee, FL 32399-1722.

Deadline: State EMS should receive your completed application by December 16, 2022, or by ten days after the ending date of your prior grant of this same type, whichever is later.
