“Subordinate Financing”). Given the need for additional affordable rental units in the County, the high development costs associated with the Project, and the favorable financing terms of the Subordinate Financing, the HFA hereby determines that it is in the public interest to consent to such Subordinate Financing in this instance. Accordingly, the Board (i) authorizes the Chair or the Vice Chair of the HFA to consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Bond Counsel and the County Attorney may deem necessary and appropriate, and (ii) directs the Trustee to, as necessary, consent to such Subordinate Financing and to execute and deliver any agreements that may be necessary in connection with such consent, with the advice of and in such form as Bond Counsel and the County Attorney may deem necessary and appropriate.

However, with respect to the Note, the Board hereby consents to the HFA waiving its prohibition against the Borrower using any of the Subordinate Financing to pay off the Note, if necessary.

Section 18. Waiver of Audit Fee. The Ordinance no longer requires an audit of multifamily developments. Accordingly, the Borrower has requested a waiver of the fee required to be paid by the Borrower for the services of the HFA’s auditor to audit the Project and the Note annually. The Board waives such audit fee in connection with the Project.

Section 19. Further Actions and Ratifications of Prior Actions. The officers,

agents and employees of the HFA and the officers, agents, and employees of the Trustee are hereby authorized and directed to do all acts and things required of them by the provisions of the Note, the Funding Loan Agreement, the Borrower Loan Agreement, the Land Use Restriction Agreement, the Allonge to Project Note, the Fiscal Agent Fee Agreement, and this Resolution (collectively, the “HFA Documents”), and to execute and deliver any and all additional documents necessary or advisable to effectuate the foregoing. All actions heretofore undertaken by the officers, agents, and employees of the HFA with respect to the provisions of the HFA Documents are hereby ratified and approved.

Section 20. Approval of Documents at Conversion. In consultation with the HFA’s Financial Advisor, County Attorney and Bond Counsel, the Board hereby approves and authorizes the execution and delivery of the final Permanent Indenture and Permanent Financing Agreement at Conversion, and such other documents that may be required to satisfy the Conditions to Conversion as set forth in the Construction Phase Finance Agreement; provided, however, that the execution and delivery of said documents, shall not be inconsistent with Resolution No. 2025-004 or the Funding Loan Agreement.

Section 21. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meaning ascribed to such terms in the Funding Loan Agreement.

Section 22. Resolution Effective. This Resolution shall take effect immediately upon its passage.

TERMS; GOVERNMENTAL LENDER NOTE

Section 2.1. Terms.

(a) Principal Amount. The total principal amount of the Funding Loan and the Governmental Lender Note evidencing such Funding Loan is hereby expressly limited to \$[_____].

(b) Draw-Down Funding of Funding Loan.

(i) The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender directly to the Fiscal Agent for payment to or for the benefit of the Borrower for the account of the Governmental Lender for disbursement to the Borrower as and when needed to make each advance in accordance with the provisions of Section 7.6 hereof and of the Borrower Loan Agreement and the Funding Lender Documents. Upon each advance of principal under the Borrower Loan Agreement and the Funding Lender Documents for a Funding Loan, a like amount of the related Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$_____ of the Funding Loan on the Closing Date. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after _____, 202____; provided, however, that such date may be changed to a later date by the Funding Lender with respect to the Funding Loan, with written notice of such change promptly delivered to the Governmental Lender, the Borrower, and the Fiscal Agent; provided further, that such date may only be changed upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender and such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion.

(ii) Notwithstanding any provision herein to the contrary, in the event that either Funding Lender or the Borrower (each an "Interested Party") determines in good faith that it is in its best interest to draw the remaining undrawn Governmental Lender Note in order to ensure that interest on the Governmental Lender Note will remain excludable from gross income for federal income tax purposes, then such Interested Party may provide a written letter of direction (a "Draw-Down Notice") to the Governmental Lender, the Fiscal Agent, and the other Interested Parties, as provided below, to cause the remaining undrawn Governmental Lender Note to be drawn hereunder. The Draw-Down Notice, if given, shall contain the following sentence: "The [Funding Lender/Borrower] hereby elects to

draw the remaining undrawn Governmental Lender Note under the Funding Loan Agreement (\$ _____) effective _____, 20__ (the "Final Draw-Down Date") such date not being less than five days from the date of the Draw-Down Notice" and shall be delivered in the manner provided for in Section 11.1 hereunder. Any funds drawn pursuant to this Section (A) shall be delivered to the Fiscal Agent for deposit into the Note Proceeds Account of the Project Fund, (B) shall remain subject to the Written Requisition and procedures for draw as set forth herein and in the Borrower Loan Agreement, and (C) prior to being disbursed from the Note Proceeds Account of the Project Fund, shall be invested as set forth herein.

(c) Origination Date; Maturity. Each Funding Loan shall be originated on the Closing Date and shall mature on its respective Maturity Date at which time the entire principal amount of such Funding Loan, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable; provided, that in the event the Conversion Date has not occurred prior to the occurrence of the Mandatory Prepayment Date, the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable on the Mandatory Prepayment Date.

(d) Principal.

(i) The outstanding principal amount of each Governmental Lender Note and of each related Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to the Fiscal Agent to or for the account of the Governmental Lender to fund corresponding advances with respect to the related Borrower Note under the Borrower Loan Agreement and the Funding Lender Documents as proceeds of the related Borrower Loan, less any payments of principal of the Governmental Lender Note previously received from payments of corresponding principal amounts under the related Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this Section 2.1(d) and in Sections 2.1(e) and (f).

(ii) The Fiscal Agent shall keep a record of all principal advances and principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender and the Funding Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(iii) Presentation of the Governmental Lender Note is not required for payment; provided however, that the Funding Lender agree to surrender the Governmental Lender Note on or within a reasonable time after final payment (whether by redemption, tender, or otherwise) or its final maturity,

and provided further that the Fiscal Agent assumes no liability to any person in the event that the Funding Lender should fail to return the Governmental Lender Note to the Fiscal Agent upon maturity or after final payment and any such liability shall be borne by the Funding Lender and no obligation will be imposed upon Fiscal Agent to seek the return of the Governmental Lender Note from the Funding Lender.

(e) Interest. Interest shall be paid on the outstanding principal amount of the Governmental Lender Note at the rate or rates set forth in the Borrower Note and otherwise as set forth in the Borrower Loan Agreement; provided that in the event the Conditions to Conversion are satisfied and the Conversion Date occurs, interest on the Permanent Bonds shall be paid at the rate or rates set forth in Section 2.02(b) of the Permanent Indenture.

(f) Corresponding Payments. The payment or prepayment of principal, interest, and Prepayment Premium, if any, due on each Funding Loan and each Governmental Lender Note shall be identical with and shall be made on the same dates, terms, and conditions, as the principal, interest, Prepayment Premiums, late payment fees, and other amounts due on the related Borrower Note. Payments on the Borrower Notes shall be made to the Fiscal Agent by the Borrower, and such payments shall be immediately credited to the account of the applicable Funding Lender as payments on the applicable Governmental Lender Note. Any payment or prepayment made by the Borrower of principal, interest, and Prepayment Premium, if any, due on the Borrower Notes shall be deemed to be like payments or prepayments of principal, interest, and Prepayment Premium, if any, due on the applicable Funding Loan and the applicable Governmental Lender Note.

(g) Usury.

(i) The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Note and all agreements made in the Governmental Lender Note, this Funding Loan Agreement, and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement, or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If under any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be

excessive interest shall be deemed to have been applied, as of the date of receipt by such Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Note, this Funding Loan Agreement, and all other Funding Loan Documents.

(ii) In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the parties hereto intend and agree that (1) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (2) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Note. As evidence of its obligation to repay the Funding Loan, simultaneously with the execution and delivery of this Funding Loan Agreement by the parties hereto, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Note. The Governmental Lender Note shall be substantially in the form set forth in **Exhibit A** attached hereto, with such appropriate insertions, omissions, substitutions, and other variations as are required or permitted by this Funding Loan Agreement or State law.

Section 2.3. Execution and Delivery of Governmental Lender Note. The Governmental Lender Note shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of an Authorized Governmental Lender Representative, and attested by the manual or facsimile signature of an Authorized Attesting Officer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Governmental Lender Note. In case any officer of the Governmental Lender whose manual or facsimile signature shall appear on a Governmental Lender Note shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery, and also the Governmental Lender Note may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution thereof shall be the proper officers to sign the Governmental Lender Note although at the date of the Governmental Lender Note such persons may not have been such officers.

Section 2.4. Authentication. The Governmental Lender Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Funding Loan Agreement unless a certificate of authentication on the Governmental Lender Note, substantially in the form set forth in **Exhibit A** hereto, shall have been manually executed by the Fiscal Agent. The Fiscal Agent shall authenticate the Governmental Lender Note by execution of the certificate of authentication on or attached to the Governmental Lender Note, and the certificate of authentication so executed on or attached to the

Governmental Lender Note shall be conclusive evidence that it has been authenticated and delivered under this Funding Loan Agreement.

(b) The Fiscal Agent, on behalf of the Governmental Lender, shall provide for the registration of the Governmental Lender Note or interests therein and the registration of transfers thereof. In that regard, the Fiscal Agent shall maintain a register which shall contain a record of the Governmental Lender Note at any time authenticated hereunder, together with the name and address of the holder thereof, the date of authentication, the date of transfer or payment, and such other matters as may be deemed appropriate by the Fiscal Agent or the Governmental Lender. The Governmental Lender, the Fiscal Agent, and any agent of the Governmental Lender or the Fiscal Agent shall treat the person in whose name the Governmental Lender Note is registered as of the Record Date as the owner of the Governmental Lender Note or interests therein for the purpose of receiving payment of the Governmental Lender Note or interests therein and for all other purposes whatsoever whether or not the Governmental Lender Note payments are overdue, and, to the extent permitted by law, none of the Governmental Lender, the Fiscal Agent, nor any such agent shall be affected by notice to the contrary.

(c) The transfer of the Governmental Lender Note or interests therein is subject to registration by the holder thereof only upon compliance with the conditions for registration of transfer imposed on the holder under this Section 2.5 and Section 2.6 hereof. Upon surrender of the Governmental Lender Note or interests therein at the designated corporate trust office of the Fiscal Agent, the Governmental Lender shall execute (if necessary), and the Fiscal Agent shall authenticate and deliver, in the name of the designated transferee or transferees (but not registered in blank or to "bearer" or a similar designation), a new Governmental Lender Note of a like principal amount, and having the same stated maturity, tenor and interest rate.

(d) The Governmental Lender Note or interest therein delivered in exchange for or upon transfer of the Governmental Lender Note or interests therein shall be a valid limited obligation of the Governmental Lender evidencing the same debt, and entitled to the same benefits under this Funding Loan Agreement, as the Governmental Lender Note surrendered for such exchange or transfer.

(e) Registration of the transfer of the Governmental Lender Note or interests therein may be made on the Fiscal Agent's register by the holder thereof in person or by such holder's attorney duly authorized in writing; provided, that the

Governmental Lender Note or interests therein presented or surrendered for registration of transfer or exchange shall (i) be accompanied by evidence of compliance with the provisions of Section 2.6 hereof, (ii) be duly endorsed or be accompanied by a written instrument or instruments of transfer, in a form satisfactory to the Governmental Lender and the Fiscal Agent, duly executed and with guaranty of signature of the holder thereof or his, her or its attorney duly authorized in writing, and (iii) includes written instructions as to the details of the transfer of the Governmental Lender Note or interests therein.

(f) No service charge shall be made to the registered holder of the Governmental Lender Note or interests therein for any registration, transfer, or exchange, but the Fiscal Agent and the Governmental Lender may require payment of a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in connection with any transfer or exchange of the Governmental Lender Note or interests therein, and any legal or unusual costs of transfers. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(g) The parties agree that (i) no rating shall be sought from a Rating Agency with respect to the Funding Loan or the Governmental Lender Note and (ii) the Governmental Lender Note shall not be transferred through the services of The Depository Trust Company or any other third-party registrar.

(h) The transferor shall also provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. as **Exhibit B** to the Fiscal Agent and the Governmental Lender. Notwithstanding the preceding sentence, no Required Transferee Representations shall be required for the Funding Lender to (i) transfer the Funding Loan to any Affiliate of the Funding Lender that is an Approved Transferee or (ii) sell or transfer the Funding Loan to a special purpose entity, a trust, or a custodial or similar pooling arrangement from which the Funding Loan or securitized interests therein are to be sold or transferred only to (1) owners or beneficial owners thereof that are Approved Transferees or (2) in circumstances where secondary market credit enhancement is provided for such securitized interests resulting in a rating thereof of at least "A" or better. In connection with any sale, assignment, or transfer of the Funding Loan, or interests therein, the applicable Funding Lender shall give notice of such sale, assignment, or transfer to the Fiscal Agent and the Fiscal Agent shall record such sale, assignment, or transfer on its books or other records maintained for the registration of transfer of the Funding Loan. In connection with any such transfer (A) it shall not be necessary to present, exchange, or re-authenticate the Governmental Lender Note, and (B) the Funding Lender shall provide the Fiscal Agent with the name and date of registration, address, and employer identification number of the assignee or transferee, together with a copy of the endorsement to the Governmental Lender Note or assignment of the Funding Loan, so that the Fiscal Agent may maintain the registration records. Notwithstanding anything to the contrary herein, a holder of the Governmental Lender Note shall not transfer or sell the Governmental Lender Note or interests therein to a party related to or affiliated with the Borrower or any manager or member of the Borrower without the prior written consent of the Governmental Lender.

(c) The Fiscal Agent shall be entitled to rely, without any further inquiry, on any Required Transferee Representations delivered to it and shall be fully protected in registering any transfer or exchange of the Governmental Lender Note in reliance on any such Required Transferee Representations which appear on their face to be correct and of which the Fiscal Agent has no actual knowledge otherwise. Any such holder desiring to effect such transfer shall agree to indemnify the Governmental Lender and the Fiscal Agent from and against any and all liability, cost, or expense (including attorneys' fees) that may result if the transfer is not exempt from registration under the Securities Act or is not made in accordance with such federal and state laws.

Section 2.7. Direct Loan Payments to Fiscal Agent.

(d) Any payment made in accordance with the provisions of this Section 2.7 shall be accompanied by sufficient information to identify the source and proper application of such payment (provided any identification of any such payment as a fee as aforesaid shall be deemed a designation to deposit such moneys in the Expense Fund per Section 6.5 hereof).

Section 2.8. Conversion.

(a) If the Funding Loan converts to the Permanent Phase as confirmed by the Funding Lender, Conversion will occur on the Conversion Date confirmed by the Funding Lender in accordance with the Borrower Note and the Construction Disbursement Agreement. The Borrower shall deliver notice of Conversion to the Governmental Lender, the Fiscal Agent, and the Funding Lender at least 30 days in advance of the proposed Conversion Date.

Neither the faith, revenues, credit nor taxing power of the Governmental Lender, the State or any other political corporation or subdivision or agency thereof shall be pledged to the payment of the principal of, Prepayment Premium, if any, or interest on the Governmental Lender Note or this Funding Loan Agreement.

Section 5.2. Exempt from Individual Liability.

Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such director, member, officer, agent, or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owners of the Governmental Lender Note or otherwise of any sum that may remain due and unpaid upon the Governmental Lender Note secured by this

Funding Loan Agreement or any of them is, by the acceptance of the Governmental Lender Note, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the execution, delivery, and placement of the Governmental Lender Note.

(b) Anything in this Funding Loan Agreement to the contrary notwithstanding, it is expressly understood by the parties to this Funding Loan Agreement that (i) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice, or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Funding Lender, the Borrower, or the owners of the Governmental Lender Note as to the existence of any fact or state of affairs, (ii) the Governmental Lender shall not be under any obligation under this Funding Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent and the Funding Lender, and their respective counsel, as applicable, and (iii) none of the provisions of this Funding Loan Agreement shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Funding Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses, and liability which it may incur as a result of taking such action.

(c) No recourse for the payment of any part of the principal of, premium, if any, or interest on the Governmental Lender Note or for the satisfaction of any liability arising from, founded upon, or existing by reason of the execution, delivery, and placement, purchase or ownership of the Governmental Lender Note shall be had against any director, officer, member, agent, or employee of the Governmental Lender, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Funding Loan Agreement and the execution, delivery, and placement of the Governmental Lender Note. No covenant, stipulation, obligation, or agreement of the Governmental Lender contained in this Funding Loan Agreement shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future director, member, officer, agent, or employee of the Governmental Lender in other than that person's official capacity. No director, member, officer, agent, or employee of the Governmental Lender shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the execution, delivery, and placement of the Governmental Lender Note.

(d) It is recognized that notwithstanding any other provision of this Funding Loan Agreement, none of the Borrower, the Fiscal Agent or any holder of the Governmental Lender Note shall look to the Governmental Lender for damages suffered by the Borrower, the Fiscal Agent or such owner as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Funding Loan Agreement, the Borrower Loan Agreement, the

Governmental Lender Note or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, or for any other reason. Although this Funding Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Funding Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

Neither the issuance of the Funding Loan nor the delivery of this Funding Loan Agreement shall, directly, indirectly, or contingently, obligate the Governmental Lender to make any appropriation for payment of the Funding Loan. No agreements or provisions contained in this Funding Loan Agreement, the Borrower Loan Agreement, any other Funding Loan Document, nor any agreement, covenant, or undertaking by the Governmental Lender contained in any document executed by the Governmental Lender in connection with the Development or the issuance, sale, and delivery of the Governmental Note shall give rise to any pecuniary liability of the Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way. Nothing in the Funding Loan or this Funding Loan Agreement or the proceedings of the Governmental Lender authorizing the Funding Loan or in the Act or the law or in any other related document shall be construed to authorize the Governmental Lender to create a debt of the Governmental Lender within the meaning of constitutional or statutory provision of the State. No covenant, agreement, or obligation contained herein shall be deemed to be a covenant, agreement, or obligation of any present or future director, officer, employee, or agent of the Governmental Lender in his or her individual capacity, and neither any employee or officer of the Governmental

Lender nor any officer thereof executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee, or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to the Borrower Loan Agreement, this Funding Loan Agreement, the Act, or the law. No breach of any pledge, obligation, or agreement of the Governmental Lender hereunder may impose any pecuniary liability upon the Governmental Lender or any charge upon its general credit. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims, or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Funding Loan Agreement, the Funding Loan, or the Borrower Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Funding Loan Agreement.

(b) The Borrower hereby acknowledges that the Governmental Lender's sole source of moneys to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to the Borrower Loan Agreement and the Borrower Note, together with investment income on certain funds and accounts held by the Fiscal Agent under this Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal of, Prepayment Premium, if any, and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration, or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal of, Prepayment Premium, if any, or interest on the Funding Loan, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance, or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender, or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender, or any such third party, as the case may be, therefor.

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE GOVERNMENTAL LENDER, THE STATE, NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF OR THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREPAYMENT PREMIUM, IF ANY, OR INTEREST ON THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE, OR OTHER COSTS INCIDENT THERETO. On the Closing Date, the Governmental Lender shall deliver to the Fiscal Agent the Closing Memorandum and thereafter a Written Requisition, substantially in the form attached hereto as **Exhibit C-2**, executed by the Governmental Lender, specifying in detail the amount which constitutes Costs of Funding to be paid or reserved to be paid under this Section 7.5(b), and the respective firms or persons to whom such payments are to be made. The Borrower shall deliver to the Fiscal Agent the Closing Memorandum and, thereafter, a Written Requisition, substantially in the form attached hereto as **Exhibit C-3**, executed by the Borrower. The Fiscal Agent shall make the payments specified therein concurrently with or as soon as may be practicable after the delivery of the Governmental Note. Any moneys remaining in the Borrower Closing Cost Subaccount 12 months after the Closing Date and not needed to pay still unpaid Costs of Funding will be returned to the Borrower, but only after approval by the Governmental Lender, which approval shall not be unreasonably withheld or delayed. Any moneys remaining in the Borrower Closing

Cost Subaccount six months after the Closing Date and not needed to pay still unpaid Costs of Funding will be returned to the Borrower. Upon final disbursement, the Fiscal Agent shall close the Borrower Closing Cost Subaccount, as applicable.

(c) In addition, any additional fees and expenses of Tax Counsel shall be timely funded by additional deposits by the Borrower into the Closing Cost Account of moneys not derived from the proceeds of the Borrower Loan.

(d) In the event that the amounts on deposit in the Expense Fund or the Closing Cost Account therein (including the subaccounts therein) are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraphs on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Fiscal Agent of the amount of such deficiency.

(e) Written notice of any insufficiency, which results in the Governmental Lender not receiving the Governmental Lender Fee on the applicable due date; or the Fiscal Agent not receiving the Fiscal Agent's Fees on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date. Upon payment by the Borrower to the Fiscal Agent of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Section 7.6. Project Fund.

(a) The Borrower shall deposit, or cause to be deposited, proceeds of the Funding Loan, the Subordinate Debt, the Borrower Equity, and the In Balance Borrower Proceeds in the accounts and subaccounts of the Project Fund, as follows:

(i) all proceeds of the Funding Loan received by the Fiscal Agent from time to time for deposit to the Note Proceeds Account of the Project Fund;

(ii) all proceeds of the Borrower Equity received by the Fiscal Agent from time to time for deposit to the Borrower Equity Account of the Project Fund;

(iii) all proceeds of the Subordinate Debt received by the Fiscal Agent from time to time for deposit into the Subordinate Debt Account; and

(iv) the In Balance Borrower Proceeds for deposit into the In Balance Borrower Proceeds Account of the Project Fund.

(b) Amounts on deposit in the Note Proceeds Account of the Project Fund shall be disbursed in accordance with this Section 7.6 from time to time by the Fiscal Agent for the purpose of paying Qualified Project Costs. In addition, amounts on deposit in the In Balance Borrower Proceeds Account, the Borrower Equity Account, and the Subordinate Debt Account of the Project Fund shall be disbursed in accordance with this Section 7.6 from time to time by the Fiscal Agent for the purpose of paying Qualified Project Costs and/or other costs related to the Development.

(c) Not less than 95% of the moneys deposited in and credited to the Note Proceeds Account of the Project Fund representing the proceeds of the Funding Loan, including investment income thereon, will be expended for Qualified Project Costs (the "95% Requirement"). The amounts on deposit in the Note Proceeds Account of the Project Fund shall not be applied to the payment of Costs of Funding.

(d) On the Delivery Date, the Fiscal Agent shall make disbursements from the respective accounts of the Project Fund for purposes described in this Section 7.6(d) as designated in the Closing Memorandum, and thereafter, only upon the receipt of Written Requisitions, substantially in the form attached hereto as **Exhibit C-1**, signed by the Borrower and countersigned by the applicable Funding Lender Representative. The Fiscal Agent shall have no right or duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions, and provisions of the Funding Lender Documents. The countersignature of the Funding Lender Representative on a Written Requisition shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions, and requirements of the Funding Lender Documents applicable to such disbursement have been fully satisfied or waived.

(e) Notwithstanding anything to the contrary contained herein, during any period in which an Event of Default has occurred and is then continuing under the Funding Loan or any Funding Loan Document (notice of which default has been given in writing by the Funding Lender Representative to the Governmental Lender and the Fiscal Agent and the Governmental Lender and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default), no signature of the Borrower shall be required on the Written Requisitions.

(f) If a Requisition signed by the Borrower and countersigned by the Funding Lender Representative is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Fund.

(g) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to this Funding Loan Agreement, any amount then remaining in the Project Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Funding Loan Payment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Note Proceeds Account of the Project Fund following completion of the construction of the Development in accordance with the Funding Lender Documents, evidenced by an instrument signed by the Funding Lender Representative, shall be transferred to the Funding Loan Payment Fund and used to prepay the Funding Loan in accordance with this Funding Loan Agreement, unless the Fiscal Agent receives an opinion of Tax Counsel (which shall also be addressed to the Governmental Lender and the Funding Lender Representative) to the effect that a use of such money for other than prepayment of the Funding Loan will not adversely affect the tax-exempt status of the Governmental Lender Note; provided, that any amounts in the Note Proceeds Account of the Project Fund in excess of the amount needed to fund the related prepayment of the Funding Loan, as confirmed by the Funding Lender Representative in writing, shall be transferred to the Rebate Fund. In the event that (i) there are funds remaining in the Borrower Equity Account of the Project Fund following completion of the construction of the Development in accordance with the Funding Lender Documents (as evidenced by an instrument signed by the Funding Lender Representative), (ii) the Conversion Date has occurred, and (iii) no default by the Borrower exists under this Funding Loan Agreement or any of the Funding Loan Documents, such funds shall be paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative.

(h) Amounts on deposit in the Project Fund shall be invested as provided in Section 7.2 hereof. All investment income on amounts on deposit in the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Fund, and shall constitute part of any transfers required by subsection (b) or (d) of this Section 7.6.

(i) Notwithstanding anything herein to the contrary, monies in the County Loan Subaccount shall be used solely for costs of the Development. No monies from the County Loan Subaccount shall be disbursed without the written approval of AmeriNat® and receipt by the Fiscal Agent of a Written Requisition in the form attached hereto as Exhibit C-1. Further, notwithstanding anything herein, the Borrower Loan Agreement or in any of the related documents to the contrary, funds disbursed by the Fiscal Agent from the County Loan Subaccount shall be used only for the purposes set forth in the loan agreement between the County and the Borrower. Further, notwithstanding anything herein, the Borrower Loan Agreement or any of the related documents to the contrary, any County Loan funds deposited with the Fiscal Agent and not drawn down within 6 months after the completion of the Development shall be returned to the County upon the written direction of either the County or AmeriNat® to the Fiscal Agent.

Section 7.7. Rebate Fund; Compliance with Tax Certificate.

(a) The Rebate Fund shall be established by the Fiscal Agent and held and applied as provided in this Section 7.7. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the government of the United States of America, and neither the Governmental Lender, the Borrower, nor the Funding Lender shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 7.7 and by the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Governmental Lender, Tax Counsel, or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Governmental Lender, Tax Counsel, or the Rebate Analyst.

(b) Within 55 days of the end of each fifth Rebate Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Rebate Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the "Rebatable Arbitrage"). Pursuant to Section 5.35 of the Borrower Loan Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Governmental Lender. In the event that the Borrower fails to provide such information to the Fiscal Agent and the Governmental Lender within 55 days of the end of each fifth Rebate Year, the Fiscal Agent, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Governmental Lender, and shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage as required herein.

(c) Within 55 days of the end of each fifth Rebate Year, upon the written direction of the Governmental Lender, Tax Counsel, or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Fiscal Agent from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

(d) The Fiscal Agent shall pay, as directed by the Governmental Lender, Tax Counsel, or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

(i) not later than 60 days after the end of (1) the fifth Rebate Year and (2) each applicable fifth Rebate Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Rebate Year; and

(ii) not later than 60 days after the payment in whole of the Funding Loan, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Rebate Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

(e) Each payment required to be made under this Section 4.10 shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due and shall be accompanied by Internal Revenue Service Form 8038 T, which shall be prepared by the Rebate Analyst and provided to the Fiscal Agent.

(f) Notwithstanding any provision of this Funding Loan Agreement to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States of America and to comply with all other requirements of Sections 5.34 and 5.35 of the Borrower Loan Agreement and this Section 7.7, and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Funding Loan .

(g) Any funds remaining in the Rebate Fund after payment in full of the Funding Loan and payment and satisfaction of any rebate requirement, or provision made therefor satisfactory to the Fiscal Agent, shall be withdrawn and remitted to the Borrower.

(h) The Fiscal Agent shall obtain and keep such records of the computations made pursuant to this Section 7.7 as are required under Section 148(f) of the Code to the extent furnished to the Fiscal Agent. The Borrower shall or shall cause the Rebate Analyst to provide to the Governmental Lender and the Fiscal Agent copies of all rebate computations made pursuant to this Section 7.7. The Fiscal Agent shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Funding Loan and the investments of earnings from those investments made by the Fiscal Agent as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(i) Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Tax Counsel, to the effect that

such failure will not adversely affect the exclusion of interest on the Governmental Lender Note from the gross income of the holders thereof for federal income tax purposes, a copy of which shall be provided to the Fiscal Agent and the Funding Lender Representative, at the expense of the Borrower.

Section 7.8 Amounts Remaining in Funds. After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 13.1 hereof) and full payment of the fees, charges, and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender, and other amounts required to be paid hereunder or under any of the Funding Loan Documents (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender, and by the Funding Lender Representative with respect to amounts owed under the Funding Loan Documents, and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), and so long as no Event of Default shall have occurred which is uncured and continuing, any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

Section 7.9 Replacement Reserve Fund.

(a) The Fiscal Agent shall deposit into the Replacement Reserve Fund all moneys paid to the Fiscal Agent for deposit therein pursuant to Section 2.7(b) of the Borrower Loan Agreement. Investment income on the Replacement Reserve Fund shall be retained therein and applied to the purposes of the Replacement Reserve Fund.

(b) The Fiscal Agent shall make disbursements from the Replacement Reserve Fund as follows:

The Fiscal Agent may rely conclusively on the materials delivered pursuant to the preceding sentence to evidence the approval of the Funding Lender Representative of a disbursement from the Replacement Reserve Fund and shall have no other responsibility to ascertain that such disbursements are made in compliance with the terms of this Section 7.9.

(ii) The written requisition from the Borrower shall comply with the terms of the Funding Lender Documents, shall state that such requisitioned work has been performed and also state with respect to each payment to

be made for the Development: (1) the requisition number, (2) the name and address of the person, firm or corporation to whom payment is due, (3) the amount to be paid, (4) that each obligation mentioned therein has been properly incurred, is a proper charge against the Replacement Reserve Fund and has not been the basis of any previous withdrawal, (5) that the amount to be paid is presently due and payable or has previously been paid by the Borrower, and (6) that the Borrower is not, on the date of such requisition, and will not immediately thereafter, be in default of any of the representations, warranties, and covenants of the Borrower contained in the Borrower Loan Agreement, and is not otherwise in default under the Borrower Loan Agreement or any of the other Funding Loan Documents.

(iii) No disbursements from the Replacement Reserve Fund shall be made for any purpose other than for capital expenditures related to the Development in accordance with the Funding Lender Documents. The Fiscal Agent may rely conclusively on the materials delivered pursuant to the preceding paragraph and shall have no other responsibility to ascertain that such disbursements are made in compliance with the terms of this Section 7.9. In addition, the Fiscal Agent shall make disbursements from the Replacement Reserve Fund at the written direction of the Funding Lender in accordance with the Funding Lender Documents.

(iv) "Subject to the provisions of Section 7.8 hereof, which shall be applicable to the Replacement Reserve Fund, (i) upon satisfaction and discharge of this Funding Loan Agreement and payment in full of the Funding Loan and payment of all obligations then outstanding relating thereto or (ii) with the consent of the Funding Lender, the amount remaining in the Replacement Reserve Fund shall be transferred to the Borrower."

Section 7.10 Tax and Insurance Escrow Fund.

(a) The Fiscal Agent shall deposit into the Tax and Insurance Escrow Fund all moneys paid to the Fiscal Agent pursuant to Section 2.7(c) of the Borrower Loan Agreement. Investment income on the Tax and Insurance Escrow Fund shall be retained therein and applied to the purposes of the Tax and Insurance Escrow Fund.

(b) The Fiscal Agent shall make disbursements from the Tax and Insurance Fund as follows:

(i) At the request of the Borrower and with the written approval of the Funding Lender Representative, to make payments when due in connection with real estate taxes, fire, or property insurance for the Development, or other similar payments in the following order of priority: (1) insurance for the Development, (2) real estate taxes for the Development and (3) other similar payments. Each request for a disbursement shall be in

the form of a Written Requisition from the Borrower which shall state the name and address of the entity to whom payment is due, the amount to be paid, that each obligation listed has been properly incurred, is a proper charge against the Tax and Insurance Escrow Fund and has not been the basis of any previous withdrawal, and that the disbursement requested will be used to pay taxes or insurance with respect to the Development. Such written requisition shall be accompanied by a bill, invoice or statement of account for such obligation.

(iii) "Subject to the provisions of Section 7.8 hereof, which shall be applicable to the Tax and Insurance Escrow Fund, (i) upon satisfaction and discharge of this Funding Loan Agreement and payment in full of the Funding Loan and payment of all obligations then outstanding relating thereto or (ii) with the consent of the Funding Lender, the amount remaining in the Tax and Insurance Escrow Fund shall be transferred to the Borrower."

Section 8.7. Tax Covenants.

(a) Governmental Lender's Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender that it will:

(i) neither make or use nor cause to be made or used any investment or other use of the proceeds of the Funding Loan or the money and investments held in the funds and accounts in any manner which would cause the Governmental Lender Note to be an "arbitrage bond" under Section 148 of the Code and the regulations issued under Section 148 of the Code (the "Treasury Regulations") or which would otherwise cause the

interest payable on the Governmental Lender Note to be includable in the gross income of the holders thereof for federal income tax purposes;

(ii) subject to applicable law, and to the extent legally available, enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement subject and pursuant to the terms and conditions of the Regulatory Agreement;

(iii) not knowingly take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Governmental Lender Note to be includable in the gross income of the holders thereof for federal income tax purposes;

(iv) at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Funding Loan will be excluded from the gross income of the holders thereof for federal income tax purposes pursuant to the Code, except in the event where the Funding Lender are a "substantial user" of the facilities financed with the Funding Loan or a "related person" within the meaning of the Code;

(v) not knowingly take any action or permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the regulations issued under Section 149 of the Code; and

(vi) comply with the applicable provisions of the Tax Certificate.

(b) Fiscal Agent's Covenants. The Fiscal Agent agrees that it will invest funds held under this Funding Loan Agreement in accordance with the covenants and terms of this Funding Loan Agreement and the Tax Certificate. This covenant shall extend through the term of the Funding Loan to all funds and accounts created under this Funding Loan Agreement and all money on deposit to the credit of any such fund or account. The Fiscal Agent covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other Funding Loan Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Governmental Lender Note to be includable in the gross income of the holders thereof for federal income tax purposes; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, the Funding Lender Representative, Tax Counsel, or the Rebate Analyst. This covenant shall extend,

throughout the term of the Funding Loan, to all funds created under this Funding Loan Agreement, and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Funding Loan Agreement, the Fiscal Agent obligates itself to comply throughout the term of the Funding Loan with the requirements of Sections 103(b) and 148 of the Code; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, Tax Counsel, or the Rebate Analyst. The Fiscal Agent further covenants that should the Governmental Lender or the Borrower file with the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so file), or should the Fiscal Agent receive, an opinion of Tax Counsel to the effect that any proposed investment or other use of proceeds of the Funding Loan would cause the Governmental Lender Note to become an "arbitrage bond," then the Fiscal Agent will comply with any written instructions of the Governmental Lender, the Borrower, the Funding Lender Representative, or Tax Counsel regarding such investment (which shall, in any event, be a Permitted Investment) or use so as to prevent the Governmental Lender Note from becoming an "arbitrage bond," and the Fiscal Agent will bear no liability to the Governmental Lender, the Borrower, the Funding Lender, or the Funding Lender Representative for investments made in accordance with such instructions.

(c) In furtherance of the covenants in this Section 8.7, the Governmental Lender, the Fiscal Agent, and the Borrower shall execute, deliver, and comply with the provisions of the Tax Certificate, which is by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. By its acceptance of this Funding Loan Agreement the Fiscal Agent acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Funding Loan Agreement by this reference and agrees to comply with the terms specifically applicable.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may (but is under no obligation to) perform any such agreement or covenant, but only with the prior written consent of the Funding Lender and only if no Borrower Loan Agreement Default or Potential Default under (and as such term is defined in) the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT AND REMEDIES; MORTGAGE ASSIGNMENT EVENT

Section 9.1. Events of Default.

(a) Any one or more of the following shall constitute an event of default (an "Event of Default") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, or order of any court or any order, rule, or regulation of any administrative or Governmental Authority):

(i) a default in the payment of any interest upon the Governmental Lender Note when such interest becomes due and payable; or

(ii) a default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or Prepayment Premium becomes due and payable, whether at its stated maturity, by declaration of acceleration, call for mandatory prepayment or otherwise; or

(iii) subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section 9.1 specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given Written Notice, as provided in Section 12.1 hereof, to the Governmental Lender, the Fiscal Agent, and the Borrower by the Funding Lender, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender or the Borrower on its behalf, has commenced to cure such failure to observe or perform within the 30 day cure period and the subject matter of the default is not capable of cure within said 30 day period and the Governmental Lender or the Borrower on its behalf, is diligently pursuing such cure to the satisfaction of the Funding Lender, with the Written Direction or Written Consent of the Funding Lender, then the Governmental Lender or the Borrower on its behalf shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default, and the Equity Investor shall have the right, but not the obligation to cure such default on behalf of the Borrower; or

(iv) a default in the payment of any of the Additional Borrower Payments; or

(v) any other "Default" or "Event of Default" under any of the other Funding Loan Documents to which the Governmental Lender is a party and is an obligor thereunder or, upon the Written Direction of the Funding Lender, under any other Funding Loan Document (taking into account any applicable grace periods therein).

(b) Any cure made or tendered by the Borrower or the Equity Investor hereunder will be accepted or rejected by the Funding Lender on the same basis as if made by directly by the Governmental Lender.

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Article V, Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by Written Notice to the Fiscal Agent, the Governmental Lender, and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to Section 9.2(a) hereof, subject to the terms, the Funding Lender may by Written Notice to the Fiscal Agent, the Borrower, and the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) the Borrower has deposited with the Fiscal Agent a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan and the Governmental Lender Note, (2) the principal of and Prepayment Premium on the Funding Loan and the Governmental Lender Note that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan and the Governmental Lender Note, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan and the Governmental Lender Note, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements, and advances of the Funding Lender, its agents, and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) all Events of Default, other than the nonpayment of the principal of the Funding Loan and the Governmental Lender Note which has become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

(c) No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(d) Notwithstanding the occurrence and continuation of an Event of Default under Sections 9.1(a)(iii) and (v) hereof, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Development if no Borrower Loan Agreement Default has occurred and is continuing. An Event of

Default under Sections 9.1(a)(iii) and (v) hereof shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of Article V, this Section 9.3, Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action, or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute. The Funding Lender acknowledges and agrees that the Governmental Lender shall not be responsible or liable for any fees and expenses incurred by the Funding Lender in connection with pursuing remedies under this Article IX.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions, or proceedings as the Funding Lender, in their sole discretion, shall deem expedient. The Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the UCC applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer, and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Development is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit, or proceeding in equity or at law for the specific performance of any covenant, condition, or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in their absolute and sole discretion, shall have the sole right to waive or forbear from enforcing any term, condition, covenant, or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note, or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may seek specific performance by the Borrower to enforce the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days (or such longer cure period as set forth in the Regulatory Agreement) after the Borrower, the Governmental Lender, the Fiscal Agent, and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14, or 5.15 of the Borrower Loan Agreement for fees, expenses, or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected.

(a) Any money collected by the Funding Lender or the Fiscal Agent pursuant to this Article and any other sums then held by the Funding Lender as

part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender.

(i) First: to the payment of any and all amounts due to the Fiscal Agent under the Funding Loan Documents, and then to payment of any other amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender and the Rebate Analyst;

(ii) Second: to the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan, all such payments payable on a parity based on the then outstanding principal amount of each Governmental Lender Note; provided, however, that partial interests in any portion of the Funding Loan, as evidenced by the Governmental Lender Note, shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in their sole and absolute discretion; and

(iii) Third: the payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(b) [Reserved]

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If the Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other

right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender against the Borrower, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Fiscal Agent, the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10, but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any Event of Default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim, or take the benefit or advantage of, any appraisal, valuation, stay, extension, or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues, and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any enactment, rule, or order of any Governmental Authority that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule, or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or any assignee or designee of the Funding Lender shall become the legal or beneficial owner of the Development by foreclosure or deed in lieu of foreclosure, such party shall have the right, to be exercised in its sole discretion, to succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Funding Loan Documents to which the Borrower is a party. Such an assumption, if elected, would be effective from and after the effective date of such acquisition and would be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower. It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

Section 9.15. Mortgage Assignment.

(a) Notwithstanding anything herein to the contrary, the failure of the Governmental Lender to pay the outstanding amount of the Governmental Lender Note in full on the Maturity Date as a result of a failure by the Borrower to pay the outstanding amount of the Borrower Notes in full on the Maturity Date shall not constitute an Event of Default under the Governmental Lender Note or this Funding Loan Agreement but instead shall constitute a Mortgage Assignment Event.

(b) Upon the occurrence of a Mortgage Assignment Event and receipt by the Fiscal Agent and the Governmental Lender of written notice from the Funding Lender Representative directing that the Funding Loan Documents be assigned to the Funding Lender in accordance with and with the effect expressed in this Section 9.15, (i) the Fiscal Agent and the Governmental Lender shall assign outright to the Funding Lender the Funding Loan Documents to which it is a party and any and all documents relating to the Governmental Lender Note, free and clear of the pledge and lien of this Funding Loan Agreement, (ii) subject to any required application of the earnings on investments to comply with the tax covenants set forth in the Funding Loan Agreement and the Tax Certificate, the Fiscal Agent shall pay over or deliver to the Funding Lender all monies or securities held by it pursuant to this Funding Loan Agreement that are not required for the payment of the Governmental Lender Fee, or the Fiscal Agent's Fee, as directed in writing by the Governmental Lender, and (iii) the Governmental Lender Note shall be deemed paid, cancelled, and no longer outstanding and the Governmental Lender and the Fiscal Agent (with the acknowledgement of the Funding Lender) shall cancel and discharge this Funding Loan Agreement, including, without limitation, the lien created by this Funding Loan Agreement. The satisfaction of the conditions described in clauses (i), (ii), and (iii) being collectively referred to as a "Mortgage Assignment."

(c) The assignment documents to be prepared, executed, and delivered to effect the Mortgage Assignment shall be satisfactory to the Funding Lender in their reasonable discretion. In the event the Governmental Lender or the Fiscal Agent shall fail to comply with the terms of this Section 9.15, damages shall not be an adequate remedy for the Funding Lender and therefore the agreement of the Governmental Lender and Fiscal Agent to comply with the assignment obligations pursuant to this Section 9.15 shall be specifically enforceable by the Funding Lender.

(d) Upon the occurrence of a Mortgage Assignment Event, the Borrower's obligations and the Governmental Lender's and the Funding Lender's rights and remedies under the Borrower Loan Agreement, the Borrower Notes, and other Borrower Loan Documents (including, without limitation, the Regulatory Agreement) shall continue in full force and effect pursuant to the terms thereof. For the avoidance of doubt, a failure of the Borrower to pay the amounts due pursuant to the Borrower Note on the Maturity Date shall constitute an Event of Default under the Borrower Loan Agreement and all remedies thereunder and under the other Borrower Loan Documents will be available to the Funding Lender pursuant to the terms thereof; provided, however, that the exercise of any such remedies under the Borrower Loan Agreement or the other Borrower Loan Documents shall in no event occur prior to the completion of the Mortgage Assignment pursuant to the terms and conditions of this Funding Loan Agreement. Notwithstanding the foregoing, the Funding Lender may, prior to the completion of the Mortgage Assignment, but without exercising any of their rights or remedies under the Borrower Loan Agreement or the other Borrower Loan Documents, make

protective advances or take emergency action commercially reasonable for the purpose of preserving and protecting the Security, or any portion thereof, if and only to the extent that the Borrower has failed to, will not, or cannot meet its related obligations under the Borrower Loan Documents. This Funding Loan Agreement will remain in full force and effect until completion of the Mortgage Assignment as provided in subsection (b) of this Section 9.15.

(e) The Borrower shall be responsible for the payment of all costs, fees, and expenses associated with a Mortgage Assignment Event (provided the payment of any such costs, fees, and expenses by the Borrower shall not be a precondition to the Funding Lender, the Governmental Lender, or Fiscal Agent effecting a Mortgage Assignment under this Section 6.13).

ARTICLE X

AMENDMENT; AMENDMENT OF FUNDING LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender, the Fiscal Agent, and the Governmental Lender; provided, however, no such amendment which materially affects the rights, duties, obligations, or other interests of the Borrower shall be made without the consent of the Borrower and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations, or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender, the Fiscal Agent, or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender and the Fiscal Agent.

Section 10.2. Amendments Require Funding Lender' Consent. Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change, or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document (except the Tax Certificate and the Regulatory Agreement) without the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change, or modification otherwise permitted under this Article X shall become effective unless and until (a) the Funding Lender shall have approved the same in writing in their sole discretion, and (b) the Funding Lender, the Governmental Lender, and the Fiscal Agent shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan

Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency, and equitable principles limitations.

Section 10.4. Conversion Date. On the Conversion Date and upon the execution and delivery of the Permanent Indenture, the Permanent Bonds, and the Permanent Financing Agreement, this Funding Loan Agreement, the Borrower Loan Agreement, and the Governmental Lender Note shall be deemed amended, restated, and replaced in full by the terms thereof. The requirements of this Article X hereof shall not apply to such amendment and restatement.

ARTICLE XI

THE FISCAL AGENT

Section 11.1. Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints The Bank of New York Mellon Trust Company, N.A., as Fiscal Agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2. Certain Duties and Responsibilities of Fiscal Agent.

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) If an event of default exists hereunder or under any Borrower Loan Document of which Fiscal Agent has been provided Written Notice, the Fiscal Agent shall exercise such of the rights and powers vested in it by this Funding Loan Agreement, and subject to Section 11.2(f) hereof, use the same degree of care and skill in its exercise, as a prudent corporate trust officer would exercise or use under the circumstances in the conduct of corporate trust business. The Fiscal Agent, prior to the occurrence of an event of default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations should be read into this Funding Loan Agreement against the Fiscal Agent.

(c) The Fiscal Agent may consult with counsel, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted by the Fiscal Agent hereunder in good faith and in reliance thereon.

(d) The Fiscal Agent shall not be accountable for the use or application by the obligor of the Governmental Lender Note or the proceeds thereof or for the

use or application of any money paid over by the Fiscal Agent in accordance with the provisions of this Funding Loan Agreement or for the use and application of money received by any paying agent.

(e) The Fiscal Agent shall not be liable for any loss, expense, or liability incurred as a result of such investment made in accordance with directions of the Borrower or the Governmental Lender, as applicable.

(f) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, in each case, as finally adjudicated by a court of law, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) the Fiscal Agent shall not be liable for any actions taken or errors of judgment made in good faith by it or any of its officers, employees, or agents, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method, and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any trust or power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) no provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it in its sole discretion.

(g) Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into the Funding Loan Documents to which it is a party and other related documents, solely in its capacity as Fiscal Agent.

(h) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 11.1. All of the provisions of this Funding Loan Agreement related to the duties, obligations, standard of care, protections, and immunities from liability afforded the Fiscal Agent under this Funding Loan

Agreement shall apply to the Fiscal Agent in the performance of its duties and obligations under any of the Funding Loan Documents or other related documents or instruments.

(i) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(j) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(k) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 hereof shall extend to actions taken or omitted in its role as assignee of the Governmental Lender under the Borrower Loan Agreement and the other Funding Loan Documents.

Section 11.3. Notice of Defaults. Upon the occurrence of any default hereunder or under any other Funding Loan Document and provided that a Responsible Officer of the Fiscal Agent is aware of or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Equity Investor, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4. Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon, or other paper or document believed by it to be genuine and to have been signed or presented by the purported proper party or parties

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any of the other Funding Loan Documents, the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any

action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Governmental Lender or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any other Funding Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses, and liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses, and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VIII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon, or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may consult and act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or the Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Direction of such default by the Governmental Lender or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the designated corporate trust office of the Fiscal Agent, and in the absence of such

Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

(h) Notwithstanding anything contained herein or in the Security Instrument to the contrary, upon the occurrence and continuance of an Event of Default, before taking any foreclosure action or any action which may subject the Fiscal Agent to liability under any Environmental Law, the Fiscal Agent may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance shall be furnished for the payment or reimbursement of all expenses to which it may be put and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and expenses which may result from such foreclosure or other action. The term "Environmental Law" shall mean all federal, state and local environmental, land use, zoning, health, chemical use, safety and sanitation laws, statutes, ordinances and codes relating to the protection of the environment or governing the use, storage, treatment, generation, transportation, processing, handling, production or disposal of Hazardous Substances and the rules, regulations, policies, guidelines, interpretations, decisions, orders and directives of federal, state and local governmental agencies and authorities with respect thereto. The term "Hazardous Substances" shall mean any chemical, substance or material classified or designated as hazardous, toxic or radioactive, or other similar term, and now or hereafter regulated under any Environmental Law, including, without limitation, asbestos, petroleum and hydrocarbon products. The Fiscal Agent shall not be required to take any foreclosure action if the approval of a government regulator shall be a condition precedent to taking such action, and such approval cannot be obtained.

Section 11.5. Not Responsible for Recitals.

(a) The recitals contained herein and in the Governmental Lender Note shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Governmental Lender Note.

(b) The Fiscal Agent shall have no responsibility or liability with respect to any information, statement, or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

(c) The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Development. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review, or make any credit decisions with respect to any financial

statements, reports, notices, certificates, or documents received hereunder but shall hold such financial statements reports, notices, certificates, and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement. The Fiscal Agent shall not be deemed to have notice of any information contained therein or event of default which may be disclosed therein in any manner.

(d) The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

Section 11.6. May Hold Governmental Lender Note. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Governmental Lender Note and may otherwise deal with the Governmental Lender, the Funding Lender, and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7. Moneys Held By Fiscal Agent. Moneys held by the Fiscal Agent in trust hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8. Compensation and Reimbursement.

(a) Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, pay and reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements, and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses, and disbursements of its agents and counsel), except any such expense, disbursement, or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct, both as finally adjudicated by a court of law.

(b) When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(c) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(d) As security for the performance of the obligations of the Borrower under this Section 11.8 and for the payment of such compensation, expenses,

reimbursements, and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(e) The Fiscal Agent's rights to compensation and reimbursement shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan, or the release of this Funding Loan Agreement.

Section 11.9. Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation, or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management, and have a combined capital and surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Governmental Lender in its sole and absolute discretion.

Section 11.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 30 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, with the Written Notice to the Funding Lender, (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents, subject to applicable notice and cure periods), with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender with the Written Consent of the Governmental Lender and Written Notice delivered to the Fiscal Agent, and the Borrower.

(d) If the Fiscal Agent shall resign, be removed, or become incapable of acting, or if a vacancy shall occur in the designated corporate trust office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with Written Notice to the Funding Lender. In case all or

substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after such resignation, removal, or incapability or the occurrence of such vacancy, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the designated corporate trust office of the successor Fiscal Agent.

Section 11.11. Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge, and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed, or conveyance, shall become vested with all the estates, properties, rights, powers, trusts, and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute, and deliver an instrument conveying and transferring to such successor Fiscal Agent upon the trusts herein expressed all the estates, properties, rights, powers, and trusts of the retiring Fiscal Agent, and shall duly assign, transfer, and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights, powers, and trusts.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

Section 11.12. Merger, Conversion, Consolidation or Succession to Business. Any corporation or association into which the Fiscal Agent may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, conversion, or consolidation to which the Fiscal Agent shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such corporation or association shall be otherwise qualified and eligible under this Article XI, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Funding Lender within 30 days of such succession.

Section 11.13. Appointment of Co-Fiscal Agent.

(a) It is the purpose of this Funding Loan Agreement that there shall be no violation of any laws of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, or any other Funding Loan Document, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights, or remedies herein granted to the Fiscal Agent or hold title to the properties, in trust, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section 11.13 are adopted to these ends.

(b) The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the Written Consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest, and lien expressed or intended by this Funding Loan Agreement or any Funding Loan Document to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights, and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Section 12.3. Successors and Assigns. All covenants and agreements in this Funding Loan Agreement by the Governmental Lender shall bind its successors and assigns, whether so expressed or not.

Section 12.6. Entire Agreement; Severability. This Funding Loan Agreement, the Governmental Lender Note, and the other Funding Loan Documents constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, between the Governmental Lender and the Funding Lender with respect to the subject matter hereof. If any provision of this Funding Loan Agreement shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining portions shall not in any way be affected or impaired. In case any covenant, stipulation, obligation, or agreement contained in the Governmental Lender Note or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation, or agreement shall be deemed to be the covenant, stipulation, obligation, or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF THE PARTIES HERETO (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS FUNDING LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 12.10. Electronic Transactions.

(a) The transactions described in this Funding Loan Agreement may be conducted and the related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files, and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action, or suit in the appropriate court of law.

(b) The Fiscal Agent shall have the right to accept and act upon instructions including funds transfer instructions ("Instructions") given pursuant to this Funding Loan Agreement and delivered using Electronic Means; provided, however, that Borrower, the Governmental Lender, or such other party giving such instruction (the "Sender") shall provide to the Fiscal Agent an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Sender whenever a person is to be added or deleted from the listing. "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords, and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder. If the Sender elects to give the Fiscal Agent Instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The Borrower, the Governmental Lender, and any other Sender understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. Each Sender shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Fiscal Agent and that the Sender and all Authorized Officers are solely responsible to safeguard the use and

confidentiality of applicable user and authorization codes, passwords, and/or authentication keys upon receipt by the Sender. The Fiscal Agent shall not be liable for any losses, costs, or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Borrower agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Borrower for use by the Borrower, the Governmental Lender, and the other parties who may give instructions to the Fiscal Agent under this Funding Loan Agreement; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

ARTICLE XIII

Section 13.1. Discharge of Lien.

(a) These presents and the estates and rights hereby granted shall cease, determine and be void if the Governmental Lender shall:

(i) pay or cause to be paid to the Funding Lender the principal, interest and Prepayment Premium, if any, to become due with respect to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Lender Note, in any one or more of the following ways:

(A) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan ; or

(B) if the Conversion Date does not occur, after the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement, by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium, if any, and interest to the Maturity Date, or

(C) by the delivery of the Governmental Lender Note by the Funding Lender to the Fiscal Agent for cancellation; and

(ii) cause the Borrower to have paid all amounts due and owing under the other Funding Loan Documents;

(iii) cause the Borrower to have paid all fees and expenses of and any other amounts due to the Fiscal Agent, the Governmental Lender, and the Rebate Analyst; and

(iv) keep, perform, and observe all and singular the covenants and promises in the Governmental Lender Note and in this Funding Loan Agreement expressed as to be kept, performed, and observed by it or on its part.

(b) Upon satisfaction of each of the requirements of Section 13.1(a), the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and Prepayment Premium, if any, on the Governmental Lender Note, and the payment of any amounts owed to the United States of America pursuant to Section 7.7 hereof, amounts held for the fees and expenses of the Fiscal Agent, the Governmental Lender, and any amounts payable to the Borrower pursuant to Section 7.8 hereof.

(c) After the Conversion Date (or, if the Conversion Date does not occur, after the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement), the Funding Loan shall, prior to the Maturity Date, be deemed to have been paid within the meaning and with the effect expressed in Section 13.1(a) based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 13.1(a)(i)(B) if, under circumstances which do not cause interest on the Governmental Lender Note to become includable in the gross income of the holders thereof for federal income tax purposes, each of the following conditions shall have been fulfilled:

(i) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Permitted Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up

to and on the Maturity Date or the date for mandatory or optional redemption;

(ii) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan ;

(iii) the Fiscal Agent and the Funding Lender shall have received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any manager, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code:

(A) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and

(B) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan ;

(iv) the Fiscal Agent and the Funding Lender shall have received an opinion of Tax Counsel to the effect that the defeasance of the Funding Loan is in accordance with the provisions of this Funding Loan Agreement and that such defeasance will not, in and of itself, adversely affect the exclusion of interest on the Governmental Lender Note from the gross income of the holders thereof for federal income tax purposes; and

(v) the Fiscal Agent shall have received written confirmation that all fees, expenses, or reimbursement of any advances due to the Governmental Lender and the Funding Lender under the Financing Documents have been fully paid.

Section 13.2. Discharge of Liability. Upon the deposit with the Fiscal Agent, in trust, on or before the Maturity Date, of money or securities in the necessary amount (as provided in Section 13.1 above) to pay or prepay the Funding Loan (whether upon or prior to the Maturity Date or the prepayment date of the Funding Loan) provided that, if the Funding Loan are to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as provided in Article III or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate, and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 13.3 hereof.

Section 13.3. Payment of Funding Loan after Discharge of Funding Loan Agreement. Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the State, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or Prepayment Premium, if any on the Governmental Lender Note remaining unclaimed for seven years after the maturity or earlier payment date: (a) shall be reported and disposed of by the Fiscal Agent in accordance with applicable unclaimed property laws; or (b) to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 13.3 shall be held uninvested and without liability for interest thereon.

[Remainder of page intentionally left blank]

All Bonds that have been surrendered pursuant to Section 2.03 or Article III for payment upon maturity or redemption prior to maturity or the Bonds which are deemed canceled or are canceled pursuant to Section 4.04(b) will be canceled by the Trustee and will not be reissued. Unless otherwise directed by the Issuer, the Trustee shall treat such Bonds in accordance with its document retention policies or as may be directed by the law of the State.

Section 2.19. Conditions for Effectiveness of Indenture. ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption. The Bonds are subject to redemption prior to maturity only as set forth in this Article III. All redemptions must be in Authorized Denominations.

Section 3.02. Optional Redemption.

(a) **Optional Redemption.** On and after [_____ 1, 20__], the Bonds are subject to optional redemption in whole or in part from optional prepayment of the Loan by the Borrower, at the redemption price of 100% plus accrued interest, if any, to the Redemption Date.

(b) **Available Moneys Requirement.** Optional redemption pursuant to Section 3.02(a) hereof is not permitted unless (a) the redemption is effected solely with Available Moneys or (b) the Credit Provider provides its prior written consent to a redemption with other than Available Moneys. Notwithstanding any other provision of this Indenture to the contrary and regardless of any consent to redemption pursuant to the preceding clause (b), optional redemption of the Bonds shall not be permitted unless, on or before the Redemption Date, the Trustee has on hand Available Moneys in an amount sufficient to pay the premium, if any, payable in connection with the optional redemption of the Bonds other than from an Advance under the Credit Facility. Neither the Issuer, the Trustee, the Credit Provider, nor the Loan Servicer shall have any obligation to provide funds in connection with the optional redemption of the Bonds.

Section 3.03. Mandatory Redemption. The Bonds are subject to mandatory redemption, in whole or in part, as provided in this Section on the earliest practicable Redemption Date for which timely notice of redemption can be given pursuant to Section 3.04 following the occurrence of the event requiring such redemption. The Bonds subject to mandatory redemption in part shall be redeemed in Authorized Denominations or shall be redeemed in such amounts so that the Bonds Outstanding following the redemption are in Authorized Denominations. If the Trustee receives an amount for the mandatory redemption of the Bonds which is not equal to a whole integral multiple of the Authorized Denomination, the Trustee shall redeem the Bonds in an amount equal to the next lowest whole integral multiple of the Authorized Denomination to the amount received by the Trustee and hold any excess amount in the Redemption Account.

(a) **Casualty or Condemnation.** The Bonds shall be redeemed in whole or in part in the event and to the extent that proceeds of insurance from any casualty to, or proceeds of any award from any condemnation of, or any award as part of a settlement in lieu of condemnation of, the Mortgaged Property ("Proceeds") are applied in accordance with the Security Instrument to the prepayment of the Loan.

(b) **After an Event of Default under the Reimbursement Agreement.** The Bonds shall be redeemed in whole or in part in an amount specified by and at the written direction of the Credit Provider requiring that the Bonds be redeemed pursuant to this subsection following any Event of Default under the Reimbursement Agreement. The Redemption Date shall be the earliest practicable date, but in no event shall such redemption occur later than two Business Days prior to the date, if any, that the Credit Facility terminates on account of the Credit

Provider's giving of written direction to the Trustee pursuant to this subsection to redeem all of the Bonds.

(c) ***Sinking Fund Redemption.*** The Bonds are subject to mandatory redemption in part, on each Interest Payment Date, commencing [_____ 1, 20__], in the respective principal amounts set forth in Schedule I to this Indenture, in each case at a Redemption Price of 100% of the principal amount of the portions of the Bonds to be redeemed.

Section 3.04. Notice of Redemption to Registered Owners.

(a) ***Notice Requirement.*** For any redemption of the Bonds pursuant to:

(i) Section 3.02 or 3.03(a), the Trustee shall give notice of redemption by first class mail, postage prepaid, not less than 20 days prior to the specified Redemption Date, to the Registered Owner of each Bond to be redeemed at the address of such Registered Owner as shown on the Bond Register.

(ii) Section 3.03(b), the Trustee shall give immediate notice of redemption.

(iii) Section 3.03(c), the Trustee will give notice of redemption as provided in Section 5.05(c)(3).

(iv) Section 3.02, the notice of redemption shall state that it is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Bonds including Available Moneys to pay any redemption premium in full ("Conditional Redemption"), and such notice and optional redemption shall be of no effect if either (A) by no later than the scheduled Redemption Date, sufficient moneys to redeem the Bonds and sufficient Available Moneys to pay any redemption premium have not been deposited with the Trustee, or if such moneys are deposited, are not available on the Redemption Date or (B) the Trustee at the written direction of the Credit Provider rescinds such notice on or prior to the scheduled Redemption Date. The Trustee shall cause a second notice of redemption to be sent by first class mail, postage prepaid, on or within 10 days after the 30th day after the Redemption Date to any Bondholder who has not submitted its Bond to the Trustee for payment. The Trustee shall provide copies of all notices given under this Section and of all revocations of notices to the Credit Provider and the Loan Servicer at the same time it gives notices to the Bondholders.

(b) ***Content of Notice.*** Each notice of redemption must state: (i) the date of the redemption notice; (ii) the Closing Date and the complete official name of the Bonds, including the series designation; (iii) for each Bond to be redeemed, the interest rate, Maturity Date and in the case of a partial redemption of the Bonds,

the principal amount of each Bond to be redeemed; (iv) the CUSIP numbers of all Bonds being redeemed (if applicable); (v) the place or places where the Bonds to be redeemed must be surrendered for payment and where amounts due upon such redemption will be payable upon surrender of the Bonds to be redeemed; (vi) the Redemption Date and redemption price of each Bond to be redeemed; (vii) the name, address, telephone number, and contact person at the office of the Trustee with respect to such redemption; (viii) that interest on all Bonds to be redeemed will not accrue from and after the Redemption Date; (ix) if a redemption is a Conditional Redemption, (A) that redemption is conditional upon receipt by the Trustee of sufficient moneys to redeem the Bonds including Available Moneys to pay any redemption premium, and (B) that the Credit Provider may direct the Trustee to cancel such redemption upon the occurrence of any Event of Default under the Reimbursement Agreement.

(c) **Validity of Proceedings for the Redemption of Bonds.** If notice is given as stated in subsection (a), failure of any Bondholder to receive such notice, or any defect in the notice, shall not affect the redemption or the validity of the proceedings for the redemption of the Bonds.

(d) **Rescission of Conditional Redemption; Cancellation of Optional Redemption.** The Trustee shall rescind any Conditional Redemption if the requirements of Section 3.02(b) have not been met on or before the Redemption Date or the Trustee has received a written direction to cancel the Conditional Redemption from the Credit Provider. The Trustee shall give notice of rescission by the same means as is provided in this Section for the giving of notice of redemption or by Electronic Means confirmed in writing. The optional redemption shall be canceled once the Trustee has given notice of rescission. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure of funds being made available in part or in whole on or before the Redemption Date shall constitute an Event of Default. Notwithstanding notice having been given in the manner provided above, any optional redemption of the Bonds shall be canceled with the consent of or at the written direction of the Credit Provider if the Credit Provider has notified the Trustee in writing that an Event of Default under the Reimbursement Agreement has occurred.

Section 3.05. Redemption Payments. If notice of redemption has been given and the conditions for such redemption, if applicable, have been met, the Bonds called for redemption shall become due and payable on the Redemption Date, interest on those Bonds will cease to accrue from and after the Redemption Date and the called Bonds will no longer be Outstanding. The holders of the Bonds so called for redemption shall thereafter no longer have any security or benefit under this Indenture except to receive payment of the redemption price for such Bonds upon surrender of such Bonds to the Trustee. All moneys held by or on behalf of the Trustee for the redemption of particular Bonds will be held in trust for the account of the holders of the Bonds to be redeemed. If less than the entire principal amount of a Bond is called for redemption, the Issuer shall

execute, and the Trustee shall authenticate and deliver, upon the surrender of such Bond to the Trustee, without charge by the Issuer or the Trustee to the Bondholder, in exchange for the unredeemed principal amount of such Bond, a new Bond, or Bonds of the same interest rate, maturity, and term, in any Authorized Denomination, in aggregate principal amount equal to the unredeemed balance of the principal amount of the Bond so surrendered.

Section 3.06. Selection of Bonds to be Redeemed Upon Partial Redemption.

If less than all of the Outstanding Bonds are called for redemption, the Trustee shall select by lot, in such manner as it determines in its discretion, the Bonds, or portions of the Bonds in Authorized Denominations, to be redeemed. The portion of any Bond to be redeemed shall be an Authorized Denomination and in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by the minimum Authorized Denomination. For the purposes of this Section, the Bonds which have previously been selected for redemption will not be deemed Outstanding. If for any reason the principal amount of the Bonds called for redemption would result in a redemption of the Bonds less than the Authorized Denomination, the Trustee, to the extent possible within the principal amount of the Bonds to be redeemed, is authorized to adjust the selection of the Bonds for such purpose in order to minimize any such redemption. If a portion of a Bond is called for redemption, then, upon surrender of such Bond, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond in principal amount equal to the unredeemed portion thereof and with the same maturity, interest rate, series and tenor in any Authorized Denomination, without charge to the holder of such Bond.

Section 3.07. Cancellation of Bonds. All Bonds which have been redeemed, paid, retired, or delivered to the Trustee for exchange shall not be reissued but shall be cancelled and destroyed by the Trustee.

Section 5.12. Moneys Held for Particular Bonds. The amounts held by the Trustee for payment of the interest, premium, if any, principal, or redemption price due on any date with respect to particular Bonds, pending such payment, will be set aside and held in trust by the Trustee for the Bondholders entitled to such payment. For the purposes of this Indenture such interest, premium, if any, principal, or redemption price, after the due date of payment, will no longer be considered to be unpaid. All money held by the Trustee for such purpose at any time pursuant to the terms of this Indenture shall be and hereby are assigned, transferred, and set over unto the Trustee in trust for the benefit of the Bondholders and Fannie Mae for the purposes and under the terms and conditions of this Indenture.

Section 5.13. Nonpresentment of Bonds. In the event any Bond is not presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for two years after such principal has become due and payable, such amounts, to the extent amounts are owed to the Credit Provider as set forth in a written statement of the Credit Provider addressed to the Trustee, will be paid to the Credit Provider, with any excess to be paid to the Borrower. Upon such payment, all liability of the Issuer and the Trustee to the holder of any Bond for the payment of such Bond will cease and be completely discharged. The obligation of the Trustee under this Section to pay any such amounts to the Credit Provider or the Borrower will be subject to any provisions of law applicable to the Trustee or to such amounts providing other requirements for disposition of unclaimed property.

Section 5.14. Disposition of Remaining Moneys. Provided that the rebate requirements referenced in the Tax Certificate are first satisfied, any amounts remaining

in the Revenue Fund after payment in full of the principal of, premium, if any, and interest on the Bonds will be applied to pay (a) first, to the Credit Provider any unpaid amounts certified by the Credit Provider to be due and owing to the Credit Provider, (b) second, to the person or persons entitled to be paid, all other unpaid amounts required to be paid under this Indenture or the Financing Agreement, and (c) third, to the Borrower the balance upon the expiration or sooner cancellation or termination of the term of the Financing Agreement as provided in the Financing Agreement.

Section 5.15. Replacement Reserve Fund.

(a) ***Deposits into Replacement Reserve Fund.*** The Trustee shall deposit into the Replacement Reserve Fund all moneys paid to the Trustee pursuant to Section 2.11 of the Financing Agreement. Investment Income on the Replacement Reserve Fund shall be retained therein and applied to the purposes of such Fund.

(b) ***Disbursements from Replacement Reserve Fund.***

(i) The Trustee shall make disbursements from the Replacement Reserve Fund upon receipt of a written requisition executed by the Borrower (unless the Borrower is in default under any of the Borrower Documents), the Loan Servicer, in substantially the form attached hereto as Exhibit D (without attachment). The Trustee may rely conclusively on the materials delivered pursuant to the preceding sentence as evidence of the approval of the Loan Servicer of disbursements from the Replacement Reserve Fund and shall have no other responsibility to ascertain that such disbursements are made in compliance with the terms of this Section. No disbursements from the Replacement Reserve Fund shall be made for any purpose other than for capital expenditures which shall include, without limitation, building structural repairs, roof replacement, kitchen appliance replacement, carpet replacement, major building system replacement (that is, electrical, plumbing, HVAC), major painting, roof repair, or any other uses consented to by the Issuer and the Loan Servicer.

(ii) While Fannie Mae is the Credit Provider, upon the occurrence of and during the continuation of any Event of Default as described in Section 7.1 of the Financing Agreement, the Credit Provider may deliver written directions to the Trustee to transfer moneys in the Replacement Reserve Fund into any other Fund or Account under this Indenture to provide for a shortfall in amounts otherwise due therein; provided, however, that no such transfer pursuant to this paragraph shall satisfy the Borrower's obligations under the Financing Agreement or waive the Trustee's right to pursue any remedy thereunder.

(c) ***Disposition.*** Upon application of moneys in the Funds and Accounts pursuant to Section 5.15 or upon defeasance or payment in full of the Bonds, the

principal amount remaining in the Replacement Reserve Fund shall be applied in accordance with the Replacement Reserve and Security Agreement.

Section 5.16. Tax and Insurance Escrow Fund.

(a) ***Deposits into Tax and Insurance Escrow Fund.*** The Trustee shall deposit into the Tax and Insurance Escrow Fund all moneys paid to the Trustee pursuant to Section 2.12 of the Financing Agreement. Investment Income on the Tax and Insurance Escrow Fund shall be retained therein and applied to the purposes of such Fund.

(b) ***Disbursements from Tax and Insurance Escrow Fund.*** The Trustee shall, at the request of the Borrower with the written approval of the Loan Servicer, disburse moneys from the Tax and Insurance Escrow Fund to make payments when due for amounts required by the Financing Agreement in connection with real estate taxes, fire or property insurance for the Mortgaged Property, or other similar payments in the following order of priority: (i) insurance for the Mortgaged Property; and (ii) real estate taxes for the Mortgaged Property. Each request for a disbursement shall be made in the form of a written requisition from the Borrower which shall state the name and address of the entity to whom payment is due, the amount to be paid, that each obligation listed has been properly incurred, is a proper charge against the Tax and Insurance Escrow Fund, and has not been the basis of any previous withdrawal, and that the disbursement requested will be used to pay taxes or insurance with respect to the Mortgaged Property. Such written requisition shall be accompanied by a bill, invoice, or statement of account for such obligation. Notwithstanding the foregoing, while Fannie Mae is the provider of the Credit Facility, the Trustee shall, at the written direction of the Loan Servicer to be given subject to the applicable terms of the Security Instrument, disburse moneys from the Tax and Insurance Escrow Fund in payment of (A) real property or ad valorem taxes with respect to the Mortgaged Property, and (B) premiums for the insurance policies required to be maintained by the Borrower pursuant to the Security Instrument.

(c) ***Disposition.*** Upon application of moneys in the Funds and Accounts pursuant to Section 5.15 hereof or upon defeasance or payment in full of the Bonds, the amount remaining in the Tax and Insurance Escrow Fund shall be transferred to the Borrower.

ARTICLE VI

INVESTMENTS

Section 6.01. Permitted Investments; Investment Limitations.

(a) ***Permitted Investments Generally.*** Moneys held by the Trustee as part of any Fund or Account shall constitute trust funds for the purposes hereof

and shall be invested or reinvested in Permitted Investments. Permitted Investments shall have maturities corresponding to, or shall be available for withdrawal without penalty no later than, the dates upon which such moneys shall be needed for the purpose for which such moneys are held. Permitted Investments shall be held by or under the control of the Trustee.

(b) ***Certain Limitations on Permitted Investments.*** Moneys on deposit in the:

(i) Interest Account and Principal Account shall be invested only in investments described in paragraphs (a), (b), (c), and (h) of the definition of Permitted Investments;

(ii) Redemption Account shall be invested only in investments described in paragraph (a) of the definition of Permitted Investments, with a term not exceeding the earlier of 30 days from the date of investment of such moneys or the date or dates that such moneys are anticipated to be required for redemption;

(iii) Credit Facility Account shall be held uninvested; and

(iv) Costs of Issuance Fund, until disbursed or returned to the Borrower pursuant to Section 5.07, shall be invested only in investments described in paragraph (h) of the definition of Permitted Investments.

(c) ***Selection of Permitted Investments.*** Subject to paragraphs (a) and (b), the Borrower may select all Permitted Investments by written direction to the Trustee; but if the Borrower fails to provide such direction to the Trustee, the Trustee shall invest such moneys in investments described in paragraph (h) of the definition of Permitted Investments or, in the case of the Redemption Account and the Credit Facility Account, shall hold the moneys uninvested.

Section 6.02. Investment Income. All Investment Income from moneys held in all Funds and Accounts other than the Replacement Reserve Fund, the Tax and Insurance Escrow Fund, the Rebate Fund, the respective Accounts of the Costs of Issuance Fund, and the Principal Account, upon receipt, shall be deposited into the Interest Account. Section 6.03. Trustee's Authority and Responsibilities. All Permitted Investments shall be made by the Trustee in its name, as Trustee, and shall be held by or under the control of the Trustee. The Trustee shall take such actions as shall be necessary to assure that Permitted Investments purchased by it under this Indenture are held pursuant to the terms of this Indenture and are subject to the trusts and security

interests created in this Indenture. The Trustee is authorized to sell and reduce to cash a sufficient amount of Permitted Investments whenever the cash balance is or will be insufficient to make a requested or required disbursement. The Trustee shall not be accountable for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale. The Trustee may trade with itself and its Affiliates in the purchase and sale of securities for investments, and may transact purchases and sales through its investment department or through its Affiliates. The Trustee and its Affiliates may act as principal, agent, sponsor, advisor, or depository with respect to any investments. In computing the amount in any Fund or Account, Permitted Investments if purchased at par shall be valued at principal cost plus accrued interest, or, if purchased at other than par, at principal cost plus amortized discount or less amortized premium (amortization to be on a straight-line basis to the date of stated maturity without regard to redemptions or repayments of principal which may occur prior to maturity) plus accrued interest. The Issuer (and the Borrower by its execution of the Financing Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower specifically waive receipt of such confirmations to the extent permitted by law. The parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

ARTICLE VII

REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE ISSUER

Section 7.01. The Issuer's Representations and Warranties. The Issuer represents and warrants that:

(a) The Issuer is duly authorized under the Constitution and laws of the State, including the Act, to (i) issue the Bonds, (ii) execute and deliver this Indenture, the Financing Agreement, the Assignment, and the Regulatory Agreement and to endorse the Note, (iii) assign its interest in the Financing Agreement (except the Reserved Rights), and (iv) pledge and assign the Trust Estate as set forth in this Indenture for the benefit of (A) the Bondholders, to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with the terms and provisions of this Indenture and the Bonds and (B) the Credit Provider to secure the payment of all amounts owing to the Credit Provider under the Credit Facility Documents.

(b) All actions on the part of the Issuer for the issuance, sale, and delivery of the Bonds and for the execution and delivery of this Indenture, the Financing Agreement, the Assignment, and the Regulatory Agreement and the endorsement of the Note have been or will be taken duly and effectively.

(c) The Bonds, together with all other indebtedness of the Issuer, are within all applicable debt limits.

(d) The Bonds will be valid and enforceable special obligations of the Issuer according to their terms, subject to bankruptcy and equitable principles and the limitations of Sections 2.04 and 7.03.

Section 7.02. The Issuer's Covenants. In addition to all other covenants and agreements of the Issuer contained in this Indenture or the Financing Agreement, the Issuer further covenants and agrees with the Bondholders and the Trustee as follows:

(a) Except as provided in Article XII, the Issuer shall not alter, modify, or cancel, or agree to alter, modify, or cancel, any agreement which relates to or affects the Security.

(b) Except as otherwise provided in this Indenture, the Financing Agreement, the Assignment, or the Credit Facility Documents, the Issuer shall not sell, convey, mortgage, encumber, or otherwise dispose of any portion of the Security or create or authorize to be created any debt, lien, or charge thereon.

(c) At the expense of the Borrower, the Issuer shall cooperate with the Borrower in the Borrower's performing the Borrower's obligation to cause this Indenture, or any related instruments or documents relating to the assignment made by the Issuer under this Indenture to secure the Bonds, to be recorded and filed in the manner and in the places which may be required by law in order to preserve and protect fully the security of the holders of the Bonds and the rights of the Trustee hereunder.

Section 7.03. Limitations on Liability. Notwithstanding any other provision of this Indenture to the contrary:

(a) The obligations of the Issuer with respect to the Bonds are not general obligations of the Issuer but are special, limited obligations of the Issuer payable by the Issuer solely from the Security.

(b) Nothing contained in the Bonds or in this Indenture shall be considered as assigning or pledging any funds or assets of the Issuer other than the Trust Estate.

(c) The Bonds are not and will not be a debt of the State, the Issuer, or of any other political subdivision of the State, and neither the State, the Issuer, nor any other political subdivision of the State is or will be liable for the payment of the Bonds. No member, officer, official, agent, employee, or attorney of the Issuer nor any person executing the Bonds shall be liable personally on the Bonds or subject to any personal liability or accountability by reason of its issuance.

(d) Neither the faith and credit of the Issuer, the State, nor of any other political subdivision of the State are pledged to the payment of the principal of and interest and any premium on the Bonds.

(e) No failure of the Issuer to comply with any term, condition, covenant, or agreement in this Indenture or in any document executed by the Issuer in connection with the Mortgaged Property, or the issuance, sale, and delivery of the Bonds shall subject the Issuer to liability for any claim for damages, costs, or other charges except to the extent that the same can be paid or recovered from the Trust Estate.

(f) The Issuer shall not be required to advance any moneys derived from any source other than the Trust Estate for any of the purposes of this Indenture, any of the other Bond Documents, or any of the Loan Documents, whether for the payment of the principal or redemption price of, or interest on, the Bonds, the payment of Third Party Fees, or administrative expenses or otherwise.

Section 7.04. Further Assurances; Security Agreement.

(a) The Issuer, to the extent permitted by law, shall, at the sole expense of the Borrower, execute, acknowledge, and deliver such supplemental indentures and other instruments and documents, and perform such further acts, as the Trustee or the Credit Provider may reasonably require to perfect, and maintain perfected, the security interest in the Trust Estate or to better assure, transfer, convey, pledge, assign, and confirm to the Trustee or the Credit Provider all of its respective interest in the property described in this Indenture and the revenues, receipts, and other amounts pledged by this Indenture. the Issuer shall cooperate to the extent necessary with the Borrower, the Trustee, and the Credit Provider in their defenses of the Trust Estate and the Security against the claims and demands of all Persons. In addition to the assignment by the Issuer of its rights in the Trust Estate to the Trustee, the Issuer hereby acknowledges that in order to more fully protect, perfect, and preserve the rights of the Trustee, the Borrower, and the Credit Provider in the Trust Estate, the Issuer grants to the Trustee a security interest in the Trust Estate and the proceeds thereof. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment, or act on the part of the Issuer or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer under this Section of this Indenture. The Issuer covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber, or otherwise dispose of any part of its interest in the Trust Estate or the revenues or receipts therefrom.

(b) The Issuer will promptly notify the Trustee and, so long as Fannie Mae is the Credit Provider, the Loan Servicer in writing of the occurrence of any of the following:

(i) the submission of any claim or the initiation of any legal process, litigation, or administrative or judicial investigation against the Issuer with respect to the Bonds;

(ii) the occurrence of any default or Event of Default of which the Issuer has actual knowledge;

(iii) the commencement of any proceedings or any proceedings instituted by or against the Issuer in any federal, state, or local court or before any governmental body or agency, or before any arbitration board, relating to the Bonds; or

(iv) the commencement of any proceedings by or against the Issuer under any applicable bankruptcy, reorganization, liquidation, rehabilitation, insolvency, or other similar law now or hereafter in effect or of any proceeding in which a receiver, liquidator, conservator, trustee, or similar official shall have been, or may be, appointed or requested for the Issuer or any of its assets relating to the Bonds.

Section 7.05. Enforcement. The Issuer agrees that the Trustee and, so long as a Credit Facility provided by the Credit Provider continues in effect, the Credit Provider, in its name or in the name of the Issuer, may enforce against the Borrower or any other Person any rights of the Issuer under the Bond Documents (other than the Reserved Rights) whether or not the Issuer is in default under this Indenture or under the Financing Agreement, but neither the Trustee nor the Credit Provider will be deemed to have assumed any of the obligations of the Issuer under the Bond Documents. The Issuer, at the expense of the Borrower, shall fully cooperate with the Trustee or the Credit Provider in the enforcement by the Trustee or the Credit Provider of any such rights. At the request of the Trustee or the Credit Provider, the Issuer, upon being indemnified to its reasonable satisfaction against all liability, costs, and expenses which may be incurred in connection with such enforcement, shall in its name commence legal action or take such other actions as the Trustee or the Credit Provider reasonably requests to enforce the rights of the Issuer, the Trustee, or the Credit Provider under or arising from the Bonds or the Bond Documents.

Section 7.06. Tax Covenants.

(a) The Issuer *Covenants*. The Issuer covenants:

(i) it shall not knowingly make or direct the Trustee to make any investment or other use of the proceeds of the Bonds that would cause the Bonds to be "arbitrage bonds" as that term is defined in Section 148(a) of the Code and that it shall comply with the requirements of the Code throughout the term of the Bonds.

(ii) it (A) shall take, or use its best efforts to require to be taken, all actions of which it has knowledge that may be required of the Issuer for the interest on the Bonds to be and remain not included in gross income for federal income tax purposes and (B) shall not take or authorize to be taken any actions within its control that would adversely affect that status under the provisions of the Code.

(iii) it shall enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement of which it has knowledge within a reasonable period after it first discovers or becomes aware of any such violation.

(iv) not knowingly take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations, taking into account the exceptions of Section 149(b)(3)(C).

(b) In furtherance of the covenants in this Section, the Issuer and the Borrower shall execute, deliver, and comply with the provisions of the Tax Certificate, which is by this reference incorporated into this Indenture and made a part of this Indenture, and by its acceptance of this Indenture the Trustee acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this Indenture by this reference and agrees to comply with the terms specifically applicable to it. The Trustee agrees that in those instances where it exercises discretion over the investment of funds, it shall not knowingly make any investment inconsistent with subsection (a).

(c) *Trustee's Covenants.* The Trustee agrees that it will invest funds held under this Indenture in accordance with the covenants and terms of this Indenture and the Tax Certificate (this covenant shall extend through the term of the Bonds, to all Funds and Accounts created under this Indenture, and all money on deposit to the credit of any such Fund or Account). The Trustee covenants to and for the benefit of the Bondholders that, notwithstanding any other provisions of this Indenture or of any other Transaction Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Bonds to be classified as "arbitrage bonds" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Bonds to be includable in gross income for federal income tax purposes; provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Issuer, Bond Counsel, or the Rebate Analyst. This covenant shall extend, throughout the term of the Bonds, to all Funds created under this Indenture and all money on deposit to the credit of any such Fund. Pursuant to this covenant, with respect to the investments of the Funds and

Accounts under this Indenture, the Trustee obligates itself to comply throughout the term of the issue of the Bonds with the requirements of Sections 103(b) and 148 of the Code; provided that the Trustee shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Issuer, Bond Counsel, or the Rebate Analyst. The Trustee further covenants that should the Issuer or the Borrower file written instructions with the Trustee (it being understood that neither the Issuer nor the Borrower has an obligation to so file), or should the Trustee receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Bonds would cause the Bonds to become "arbitrage bonds," then the Trustee will comply with any written instructions of the Issuer, the Borrower, or Bond Counsel regarding such investment (which shall, in any event, be a Permitted Investment) or use so as to prevent the Bonds from becoming "arbitrage bonds," and the Trustee will bear no liability to the Issuer, the Borrower, the Bondholders, or the Credit Provider for investments made in accordance with such instructions.

ARTICLE VIII

CREDIT FACILITY

Section 8.01. Acceptance of the Credit Facility. The Trustee shall hold the Credit Facility and shall enforce in its name all rights of the Trustee and all obligations of the Credit Provider under the Credit Facility for the benefit of the Bondholders. The Trustee shall not assign or transfer the Credit Facility except to a successor Trustee under this Indenture. The Issuer and the Trustee acknowledge that the obligations of Fannie Mae as the Credit Provider under the Credit Facility are not backed by the full faith and credit of the United States of America, but by the credit of Fannie Mae, a federally-chartered corporation.

Section 8.02. Requests for Advances Under Credit Facility. The Trustee shall request Advances under the Credit Facility in accordance with its terms and cause the proceeds of each Advance to be applied so that full and timely payments are made on each date on which payment of principal or interest is due on any Bond or any payment of the Issuer Fee is due and not paid by the Borrower pursuant to the Financing Agreement, or in connection with any Bankruptcy-Related Advance. The Trustee shall, in accordance with this Indenture and the Credit Facility, first apply any amounts then on deposit in the Funds and Accounts (other than the Replacement Reserve Fund, the Tax and Insurance Escrow Fund, the Costs of Issuance Fund, and the Rebate Fund) for such purposes. The Trustee shall determine whether it has sufficient available funds in the Funds and Accounts to make such payment in full at the close of business on the Business Day prior to the day on which it must request an Advance under the Credit Facility in order to have money available to it under the Credit Facility on the day such money is needed as required by this Indenture. The Trustee shall not request, and shall not apply the proceeds of, any Advance to pay (a) principal of, interest on any Bond known by the Trustee to be held by the Borrower or any Affiliate of the Borrower, (b) premium that may be payable upon the redemption of any of the Bonds, or (c) interest that may

accrue on any of the Bonds on or after the maturity of such Bond. Prior to requesting an Advance to pay principal of or interest on the Bonds on an Interest Payment Date, the Trustee shall determine the amount necessary to make such payment of principal or interest.

Section 8.03. Replacement Credit Facility. At the request of the Credit Provider, the Trustee shall exchange the Credit Facility with the Credit Provider for a new Credit Facility (a "Replacement Credit Facility") issued by the Credit Provider, provided that there is delivered to the Trustee a written opinion of Bond Counsel to the effect that such exchange will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes. No such exchange shall require the approval of the Issuer, the Trustee, or any of the Bondholders or constitute or require a modification or supplement to this Indenture.

Section 8.04. [Reserved].

Section 8.05. [Reserved].

Section 8.06. Limitations on Rights of Credit Provider. Notwithstanding anything contained in this Indenture to the contrary, all provisions in this Indenture regarding consents, approvals, directions, waivers, appointments, requests, or other actions by the Credit Provider shall be deemed not to require or permit such consents, approvals, directions, waivers, appointments, requests, or other actions and shall be read as if the Credit Provider were not mentioned in such provisions (a) if a Wrongful Dishonor has occurred and is continuing, or (b) after the Credit Facility ceases to be valid and binding on the Credit Provider for any reason, or is declared to be null and void by final judgment of a court of competent jurisdiction; provided, however, that the Credit Provider's right to notices and the payment of amounts due to the Credit Provider shall continue in full force and effect. The foregoing shall not affect any other rights of the Credit Provider.

Section 8.07. References to Credit Provider When No Credit Facility Is in Effect. All provisions of this Indenture relating to the rights of the Credit Provider shall be of no force and effect if both: (a) there is no Credit Facility in effect; and (b) all amounts owing to the Credit Provider under the Credit Facility Documents have been paid. In such event, all references to the Credit Provider shall have no force or effect.

Section 8.08. Certain Notices to the Credit Provider and the Loan Servicer. The Trustee and the Issuer shall promptly notify the Credit Provider and the Loan Servicer of any of the following as to which it has actual knowledge: (a) the occurrence of any Event of Default under this Indenture or under any of the other Transaction Documents, or any event which, with the passage of time or service of notice, or both, would constitute such an Event of Default, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect to such event, (b) an Act of Bankruptcy or a bankruptcy filing by or against the Borrower, and (c) the making of any

claim in connection with seeking the avoidance as a preferential transfer ("Preference Claim") of any payment of principal of, or interest on, the Loan.

Section 8.09. Credit Provider To Control Insolvency Proceedings. Each Bondholder, by its purchase of the Bonds, the Trustee, and the Issuer agree that the Credit Provider may at any time during the continuation of an insolvency proceeding of the Issuer or the Borrower ("Insolvency Proceeding") direct all matters relating to the Bonds in any such Insolvency Proceeding, including, without limitation, (a) all matters relating to any Preference Claim, (b) the direction of any appeal of any order relating to any Preference Claim, and (c) the posting of any surety, supersedeas, or performance bond pending any such appeal. In addition, and without limitation of the foregoing, the Credit Provider shall be subrogated to the rights of the Issuer, the Trustee, and the Bondholders in any Insolvency Proceeding to the extent it has performed its payment obligations under the Credit Facility, including any rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Insolvency Proceeding and rights pertaining to the filing of a proof of claim, voting on a reorganization plan, and rights to payment thereunder.

Section 8.10. Limitation on Bankruptcy-Related Advances. If the principal of and interest on the Bonds have been paid as of any Interest Payment Date and there is a subsequent Preference Claim relating to such payment, the amount of the Bankruptcy-Related Advance shall be limited to the amount of the Preference Claim and shall not include interest after said Interest Payment Date. If the principal of and interest on the Bonds is prevented from being paid to the Bondholders as the result of the imposition of the automatic stay pursuant to the Bankruptcy Code, the amount of the Bankruptcy-Related Advance shall be limited to the amount of principal and interest otherwise payable on the applicable Interest Payment Date and shall not include interest after said Interest Payment Date.

ARTICLE IX

The Trustee shall in no event cause the Bonds to be optionally redeemed from money deposited pursuant to this Article VIII unless the requirements of Article IX have been met with respect to such redemption, including the requirements of Sections 3.02 and 3.05 hereof.

(c) **Survival of Rights and Powers.** The Reserved Rights of the Issuer and the rights and powers granted to the Trustee with respect to the payment, transfer, and exchange of the Bonds shall survive the cancellation and discharge of this Indenture.

Section 9.02. Payment of Outstanding Amounts. If the Bonds are paid in full, but any one or more of the other conditions precedent set out in Section 9.01(b) are not satisfied because an amount has not been paid, the Trustee, prior to cancellation and discharge of this Indenture, shall pay to the persons listed below, in the strict order set out below, the amounts required to satisfy those conditions precedent:

(a) **Trustee's Annual Fee and Ordinary Costs and Expenses.** If any portion of the Trustee's Annual Fee accrued to the date of discharge of this Indenture or ordinary costs and expenses of the Trustee remain unpaid, the Trustee shall pay to itself so much of the Trust Estate as will fully pay such unpaid amounts. Section 9.04. Defeasance.

(a) **Provision for Payment of Bonds.** Any Bond will be deemed paid within the meaning of Section 9.01 if each of the conditions set out in this Section is satisfied. The conditions are:

(i) the Issuer or the Borrower deposits with the Trustee (A) Available Moneys or (B) Government Obligations which are not subject to early redemption and which are purchased with Available Moneys, of such maturities and interest payment dates and bearing such interest as will be sufficient, without further investment or reinvestment of either the principal amount of such Government Obligations or the interest earnings on Government Obligations (the earnings to be held in trust also), together with any Available Moneys, for the payment on their respective Maturity Dates, or Redemption Dates prior to maturity, of the principal of such Bonds and premium, if any, and interest to accrue on such Bonds to such Maturity Dates or Redemption Dates.

(ii) The Trustee receives, at the expense of the Borrower, and may rely upon: (A) a verification report of an independent certified public accountant or other firm nationally recognized in the certification of cash flow analyses; and (B) an Opinion of Bond Counsel to the effect that such deposit with the Trustee and consequent defeasance of the Bonds does not

adversely affect the excludability from gross income for federal income tax purposes of the interest payable on the Bonds.

(iii) All Third Party Fees due or to become due have been paid or sufficient additional moneys to make the required payments have been irrevocably deposited with the Trustee.

(iv) For any such Bonds to be redeemed on any date prior to their maturity, the Trustee has received in form satisfactory to it, irrevocable instructions to redeem such Bonds on a date on which the Bonds are subject to redemption, and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices. The Trustee shall redeem the Bonds specified by such irrevocable instructions on the date specified by such irrevocable instructions.

(b) ***Defeased Bonds No Longer Outstanding.*** At such times as a Bond is deemed to be paid under this Indenture, it will no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of payment in accordance with this Indenture.

(c) ***Release of Certain Income.*** All income from all Government Obligations in the hands of the Trustee pursuant to this Section which is identified by an independent certified public accountant or other firm nationally recognized in the certification of cash flow analyses as not required for the payment of the Bonds and interest on such income with respect to which such moneys have been so deposited will be deposited with the Trustee as and when realized and collected for use and application as are other moneys deposited with the Trustee.

(d) ***Particular Bonds.*** Notwithstanding any other provision of this Indenture to the contrary, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article IX for the payment of the Bonds (including accrued interest on such Bonds) shall be applied to and used solely for the payment of the particular Bonds (including interest on such Bonds) with respect to which such moneys or Government Obligations have been so set aside in trust.

ARTICLE X

DEFAULT PROVISIONS AND REMEDIES

Section 10.01. Events of Default; Preliminary Notice.

(a) ***Events of Default.*** Each of the following constitutes an Event of Default under this Indenture:

(i) default in the payment when due and payable of any interest due on any Bond;

(ii) default in the payment when due and payable of the principal of or any redemption premium on any Bond at maturity or upon any redemption;

(iii) written notice to the Trustee from the Credit Provider of a default by the Issuer in the observance or performance of any covenant, agreement, warranty, or representation on the part of the Issuer included in this Indenture or in the Bonds (other than an Event of Default set forth in paragraph (i) or (ii) above) and the continuance of such default for a period of 30 days after the Trustee receives such notice;

(iv) written notice to the Trustee from the Credit Provider of an Event of Default under the Reimbursement Agreement;

(v) written notice to the Trustee from the Credit Provider of an Act of Bankruptcy; or

(vi) a Wrongful Dishonor.

(b) **Preliminary Notice.** The Trustee shall immediately notify the Issuer, the Loan Servicer, the Bondholder if the bonds are held in certificated form by a single holder, the Borrower, the Equity Investor, and the Credit Provider after the Trustee obtains knowledge or receives notice of the occurrence of an Event of Default under this Indenture or an event which would become such an Event of Default with the passage of time, the giving of notice or both, identifying the paragraph in Section 10.01(a) under which the Event of Default has occurred or may occur.

(c) **Non-Default and Prohibition of Mandatory Redemption Upon Tax Event.** The occurrence of any event ("Tax Event") which results in the interest payable on the Bonds being includable, for federal income tax purposes, in the gross income of the Bondholders, including any violation of any provision of the Regulatory Agreement or any of the other Bond Documents, shall not (i) directly or indirectly constitute an Event of Default under this Indenture or permit any party (other than the Credit Provider) to accelerate, or require acceleration of, the Loan or the Bonds, unless the Credit Provider provides written notice to the Trustee that such Tax Event constitutes a default under the Reimbursement Agreement, or (ii) give rise to a mandatory redemption of the Bonds, or (iii) give rise to the payment to the Bondholders of any amount, denoted as "supplemental interest," "additional interest," "penalty interest," "liquidated damages," "damages," or otherwise, in addition to the amounts payable to the owners of the Bonds prior to the occurrence of the Tax Event. Nothing contained in this subsection will be deemed to amend or supplement the terms of the Loan Documents. Promptly upon determining that

a Tax Event has occurred, the Issuer or the Trustee, by notice in writing to the Credit Provider, the Equity Investor, the Loan Servicer, and all Registered Owners of the Bonds, shall state that a Tax Event has occurred and whether the Tax Event is cured, curable within a reasonable period, or incurable. Notwithstanding the availability of the remedy of specific performance to cure a Tax Event that is curable within a reasonable period, neither the Issuer nor the Trustee shall have, upon the occurrence of a Tax Event, any right or obligation to cause or direct acceleration of the Bonds or the Loan, to enforce the Note or to foreclose the Security Instrument, to accept a deed to the Mortgaged Property in lieu of foreclosure, or to effect any other comparable conversion of the Mortgaged Property.

Section 10.02. Acceleration; Redemption. The Bonds shall be subject to acceleration and redemption as set out in this Section.

(a) **Acceleration.** Upon:

(i) the occurrence and during the continuance of a Wrongful Dishonor, the Trustee may, and, upon the written request of the Bondholders owning not less than 51% in aggregate principal amount of the Bonds then Outstanding, must, by written notice to the Issuer, the Borrower, the Credit Provider, and the Loan Servicer, declare the principal of all Bonds and the interest accrued, and to accrue, on the Bonds to the date of payment immediately due and payable; or

(ii) the occurrence of any other Event of Default under this Indenture, the Trustee may, upon receiving the prior written consent of the Credit Provider, and must upon the written direction of the Credit Provider requiring that the Bonds be accelerated pursuant to this subsection, by written notice to the Issuer, the Borrower, the Bondholder if the bonds are held in certificated form by a single holder, the Credit Provider, and the Loan Servicer, declare the principal of all Bonds and the interest accrued, and to accrue, on the Bonds to the date of declaration immediately due and payable.

(b) **Redemption.** Upon the occurrence of an Event of Default under Section 10.01(a)(iv) of this Indenture, if the Credit Provider so directs pursuant to Section 3.03(b), the Bonds shall be redeemed in whole or in part in the amount specified by and at the written direction of the Credit Provider. Notwithstanding anything to the contrary in this Indenture, if the Credit Provider directs that the Bonds be redeemed in part pursuant to Section 3.03(b), the Credit Provider may further direct on one or more other occasions under this subsection that the Bonds be redeemed in whole or in part.

(c) **Notice.**

(i) *Acceleration.* Upon any decision to accelerate payment of the Bonds, the Trustee shall notify the Bondholders of the declaration of acceleration, that, in the event of acceleration pursuant to Section 10.02(a)(ii), interest on the Bonds will cease to accrue upon such declaration, and payment of the Bonds will be made upon presentment of the Bonds at the Designated Office of the Trustee. Such notice shall be sent by registered mail or overnight delivery service, postage prepaid, or, at the Trustee's option, may be given by Electronic Means to each Registered Owner of Bonds at such Registered Owner's last address appearing in the Bond Register. Any defect in or failure to give notice of such declaration will not affect the validity of such declaration.

(ii) *Redemption.* Upon the written direction of the Credit Provider to redeem the Bonds in whole or in part pursuant Section 3.03(b) and as provided in Section 3.04(a), immediate notice of redemption will be given.

(d) *Draw on Credit Facility.* Immediately upon acceleration or mandatory redemption of the Bonds, the Trustee shall request an Advance under the Credit Facility in accordance with its terms.

Section 10.03. Other Remedies.

(a) Upon the occurrence and continuance of an Event of Default under this Indenture, the Trustee may, with or without taking action under Section 10.02, but only with the prior written consent of the Credit Provider, and must at the written direction of the Credit Provider if the Event of Default occurs under Section 10.01(a)(iii), (iv), or (v), pursue any of the following remedies:

(i) an action in mandamus or other suit, action or proceeding at law or in equity (A) to enforce the payment of the principal of and interest and any premium on the Bonds, (B) for the specific performance of any covenant or agreement contained in this Indenture, the Financing Agreement, or the Regulatory Agreement, or (C) to require the Issuer to carry out any other covenant or agreement with the Bondholders and to perform its duties under the Act;

(ii) the liquidation of the Trust Estate; or

(iii) an action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

(b) Subject to the provisions of Section 10.07 and the requirement, if any, that the Credit Provider consent in writing to the exercise by the Trustee of any remedy, upon the occurrence and continuance of an Event of Default under this Indenture, the Trustee shall exercise such of the rights and powers conferred by this Section as the Trustee, being advised by counsel, deems most effective to enforce and protect the interests of the Bondholders and, unless a Wrongful Dishonor has occurred and is continuing, the Credit Provider.

Section 10.04. Preservation of Security and Remedies if Payment Under Credit Facility Is Not Made or Is Insufficient; Rights of Bondholders. Upon the occurrence and during the continuance of a Wrongful Dishonor, the Trustee may proceed, and upon the written request of the holders of not less than 25% of the aggregate principal amount of the Bonds Outstanding and the receipt of security or indemnity reasonably satisfactory to the Trustee in its sole and absolute discretion shall proceed, to protect and enforce its rights and the rights of the Bondholders under this Indenture by such suits, actions, or special proceedings in equity or at law, whether for the specific performance of any covenant or agreement, or in aid of the execution of any power granted in this Indenture or by the Act, or for the enforcement of any legal or equitable right or remedy, as the Trustee, being advised by counsel, deems most effective to protect and enforce such rights or to perform any of its duties under this Indenture.

Section 10.05. Remedies Not Exclusive; Delay or Omission. No right or remedy conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right and remedy will be cumulative and in addition to any other right or remedy given to the Trustee or to the Bondholders under this Indenture or under the Financing Agreement, the Regulatory Agreement, or the Credit Facility or now or later existing at law or in equity. No delay or omission to exercise any right or remedy provided in this Indenture will impair any such right or remedy or be construed to be a waiver of any Event of Default or acquiescence in it. Every such right and remedy may be exercised from time to time as often as may be deemed expedient.

Section 10.06. Waiver.

(a) Subject to the conditions precedent set out in (b), (i) the Trustee may waive, (ii) the Trustee shall waive if directed to do so by the Credit Provider in writing, and (ii) the Bondholders owning not less than 51% in aggregate principal amount of the Bonds then Outstanding may waive, by written notice to the Trustee, any Event of Default under this Indenture and its consequences and rescind any declaration of acceleration of maturity of principal.

(b) The conditions precedent to any waiver are:

(i) unless waiver is directed by the Credit Provider, the Credit Provider consents to such waiver in writing;

(ii) the principal and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate or rates of interest borne by the Bonds has been paid or provided for by the Borrower in Available Moneys or by the Credit Provider and all fees and expenses of the Trustee have been paid or provided for by the Borrower or the Credit Provider;

(iii) after the waiver, the Credit Facility remains in effect in an amount equal to the aggregate principal amount of the Bonds Outstanding, plus the Interest Requirement; provided, however, that such waiver will be permitted without the Credit Facility remaining in effect if (a) the Issuer consents to the waiver, and (b) 100% of the Bondholders consent to the waiver; and

(iv) With respect to any Event of Default referenced in Section 10.1(a)(iii), (iv), or (v), receipt by the Trustee of written notice from the Credit Provider rescinding the prior notice of default.

(c) Upon any such waiver, the default or Event of Default shall be deemed cured and shall cease to exist for all purposes and the Issuer, the Borrower, the Trustee and the Bondholders will be restored to their former positions and rights under this Indenture. No waiver of any default or Event of Default shall extend to or affect any subsequent default or Event of Default or shall impair any right or remedy consequent thereto.

Section 10.07. Rights of the Credit Provider and the Bondholders To Direct Proceedings; Rights and Limitations Applicable to Bondholders, the Issuer and Trustee.

(a) ***Rights to Direct Proceedings.*** Notwithstanding anything contained in this Indenture to the contrary, the Credit Provider itself or the Bondholders owning not less than 51% in aggregate principal amount of the Bonds then Outstanding, but only with the prior written consent of the Credit Provider, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or any other proceedings under this Indenture; provided, however, that such direction will not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee will be indemnified to its sole and absolute reasonable satisfaction (except for actions required under Section 10.02(c) and (d)).

(b) ***Limitations on Bondholders' Rights.*** No Bondholder has or shall have the right to enforce the provisions of this Indenture, the Financing Agreement, the Regulatory Agreement, or any other Transaction Document, or to institute any proceeding in equity or at law for the enforcement of this Indenture, the Financing

Agreement, the Regulatory Agreement, or any other Transaction Document, or to take any action with respect to an Event of Default under, and as respectively defined in, this Indenture, the Financing Agreement, the Regulatory Agreement, or any other Transaction Document, or to institute, appear in, or defend any suit or other proceeding with respect to this Indenture, the Financing Agreement, the Regulatory Agreement, or any other Transaction Document upon any default or Event of Default unless (i) such Event of Default is a Wrongful Dishonor, (ii) such Bondholder has given the Trustee, the Issuer, the Credit Provider, the Loan Servicer, and the Borrower written notice of the Event of Default, (iii) the holders of not less than 51% in aggregate principal amount of the Bonds then Outstanding have requested the Trustee in writing to institute such proceeding, (iv) the Trustee has been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, (v) the Trustee has been offered satisfactory indemnity, where required, and (vi) the Trustee has thereafter failed or refused to exercise such powers or to institute such proceeding within a reasonable period of time. No Bondholder has or shall have any right in any manner whatever to affect, disturb, or prejudice the pledge of revenues or of any other moneys, Funds, Accounts, or securities under this Indenture. Except as provided in this subsection, no Bondholder has or shall have the right, directly or indirectly, individually or as a group, to seek to enforce, collect amounts available under, or otherwise realize on, the Credit Facility.

Section 10.08. Discontinuance of Proceedings. If the Trustee or any Bondholder has instituted any proceeding or remedy under this Indenture, and such proceedings have been discontinued or abandoned for any reason, or have been determined adversely, then and in every such case the Issuer, the Credit Provider, and the Trustee will be restored to their former positions and rights under this Indenture, and all rights, remedies, powers, duties, and obligations of the Issuer, the Trustee, and the Credit Provider shall continue as if no such proceedings had been taken, subject to the limits of any adverse determination.

Section 10.09. Possession of Bonds. All rights under this Indenture or upon any of the Bonds enforceable by the Trustee may be enforced by the Trustee without the possession of any of the Bonds, or the production of the Bonds at trial or other proceedings. Any suit, action, or proceeding instituted by the Trustee may be brought in its name for itself or as representative of the Bondholders without the necessity of joining the Bondholders as parties, and any recovery resulting from such proceedings shall, subject to Section 10.10, be for the ratable benefit of the Bondholders.

Section 10.10. Application of Moneys. Amounts derived from payments under the Credit Facility (other than amounts derived from an Advance to pay the the Issuer Fee) shall be deposited into the Credit Facility Account and applied solely to pay the principal of and interest on the Bonds. All other moneys received by the Trustee pursuant to any action taken under this Article X shall be deposited into the Interest Account, the Principal Account, and the Redemption Account, as applicable, after payment of the ordinary fees, costs, and expenses of the Trustee. The balance of such moneys, less

such amounts as the Trustee determines may be needed for possible use in paying future fees and expenses and for the preservation and management of the Mortgaged Property (as identified by the Credit Provider), shall be applied as set out in the following subsections.

(a) ***Principal on Bonds Not Declared Due and Payable.*** Unless the principal on all Bonds has become or been declared due and payable, all such moneys will be applied:

First - to the payment of all interest then due on the Bonds, in the order of the maturity of such interest and, if the amount available shall not be sufficient to pay in full said amount, then to the payment ratably, of the amounts due, without any discrimination or privilege;

Second - to the payment of the unpaid principal of any of the Bonds which have become due (other than the Bonds matured or called for redemption for the payment of which moneys are held pursuant to this Indenture), in the order of due dates, with interest upon the principal amount of the Bonds from the respective dates upon which they become due at the rate or rates borne by the Bonds, to the extent permitted by law, and, if the amount available shall not be sufficient to pay in full the principal of such Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled to such payment without any discrimination or privilege;

Third – TO THE PAYMENT TO the Issuer of all reasonable fees, costs, and expenses of the Issuer and its counsel or representatives in connection with taking any action or enforcing any rights and remedies hereunder or under the Bond Documents or Loan Documents, then to the payment of amounts owed to the Credit Provider under the Credit Facility Documents and the Loan Documents, and then to any amounts due to the Issuer, the Trustee, and their respective counsel (including Bond Counsel) for the Issuer Fee, the Trustee Fee that have not otherwise been paid for, for this purpose including the costs and expenses of any proceedings resulting in the collection of such moneys and of advances incurred or made by the Trustee.

(b) ***Principal of Bonds Declared Due and Payable.*** If the principal of all the Bonds has become or been declared due and payable, all such moneys shall be applied first, to the payment of all reasonable fees, costs, and expenses of the Issuer, the Trustee, and their respective counsel or representatives in connection with taking any action or enforcing any rights and remedies under the Bond Documents or the Loan Documents; second, to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably

according to the amounts due respectively for principal and interest to the persons entitled to payment, until all such principal and interest has been paid; third, to pay the Credit Provider amounts owed to it under the Credit Facility Documents and the Loan Documents; fourth, to pay the Issuer Fee, the Trustee Fee (without duplication); and fifth, to any other amounts due and payable under this Indenture.

(c) **General.** Whenever moneys are to be applied pursuant to this Section, such moneys shall be applied at such times, and from time to time, as the Trustee determines, having due regard for the amount of such moneys available for application, the likelihood of additional moneys becoming available for such application in the future, and potential expenses relating to the exercise of any remedy or right conferred on the Trustee by this Indenture. Whenever the Trustee applies such moneys, it shall fix the date (which will be an Interest Payment Date unless it deems an earlier date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue, unless interest has already ceased to accrue in accordance with Section 10.02(b). The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any Bond until such Bond is presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 10.12. Mortgage Assignment Event and Mortgage Assignment.

(a) Upon the occurrence of a Mortgage Assignment Event, and receipt by the Trustee and the Issuer of written notice from the Loan Servicer directing that the Loan Documents be assigned to the Initial Bondholder or its designee in accordance with and with the effect expressed in this Section, (i) the Trustee and the Issuer shall assign outright to the Initial Bondholder, or its designee, for the benefit of all of the Bondholders, the Loan Documents, any related UCC financing statements, and any and all other Documents relating to the Bonds, free and clear of the pledge and lien of this Indenture, (ii) subject to any required application of the earnings on investments to comply with the tax covenants set forth in this Indenture and the Tax Certificate, the Trustee shall pay over or deliver to the Initial Bondholder or its designee, for the benefit of all of the Bondholders, all monies or securities held by it pursuant to this Indenture that are not required for (A) the payment or redemption of the Bonds theretofore surrendered for payment or redemption or (B) the payment of the Issuer Fee, or the Trustee Fee, and (iii) the Bonds shall be deemed paid, cancelled, and no longer Outstanding and the Trustee shall cancel and discharge this Indenture and the security interests created by this Indenture; the satisfaction of the conditions described in clauses (i), (ii), and (iii) being collectively referred to as a "Mortgage Assignment." In such event, subject to any required application of the earnings on investments to comply with the tax covenants set forth in this Indenture and the Tax Certificate and the Reserved Rights, the Trustee shall, upon request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence the release

and discharge of the covenants, agreements, and other obligations of the Issuer to the Bondholders. The Borrower shall be responsible for the payment of all costs, fees, and expenses associated with the Mortgage Assignment, with the transferee of the Loan Documents being responsible for the payment of any unpaid amounts due to the Trustee for any Trustee Extraordinary Items.

(b) The assignment documents to be prepared, executed, and delivered to effect the Mortgage Assignment shall be satisfactory to the Initial Bondholder in its reasonable discretion. In the event the Issuer or the Trustee shall fail to comply with the terms of this Section, damages shall not be an adequate remedy for the Initial Bondholder or its designee and therefore the agreement of the Issuer and the Trustee to comply with the assignment obligations pursuant to this Section shall be specifically enforceable by the Initial Bondholder or its designee.

ARTICLE XI

THE TRUSTEE

Section 11.01. Appointment of Trustee; Duties. The Trustee is appointed and agrees to act in such capacity and to perform the duties of the Trustee under this Indenture, the Financing Agreement, the Assignment, and the Regulatory Agreement upon the specific and express terms and conditions of this Indenture.

(a) **Attorneys, Agents, or Receivers.** The Trustee may execute any of its trusts or powers under this Indenture and perform any of its duties by or through attorneys, agents, employees, or receivers. The Trustee shall be entitled to advice of counsel concerning all matters of trust under this Indenture and its duties under this Indenture. The Trustee may in all cases pay such reasonable compensation to such attorneys, agents, employees, and receivers and shall be entitled to reimbursement from the Borrower for all such compensation paid. The Trustee may act upon the opinion or advice of counsel, accountants, or such other professionals as the Trustee deems necessary and selected by it in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice which is not contrary to the express terms of this Indenture, any of the other Bond Documents or the Loan Documents.

(b) **Limitation of Responsibility.** The Trustee shall not be responsible for any recital in this Indenture or in the Bonds (other than in the certificates of authentication on the Bonds), or for insuring the Mortgaged Property, or for the sufficiency of any insurance, or for collecting any insurance moneys, or for the validity of this Indenture or of any supplements to this Indenture or instruments of further assurance, or for the sufficiency of the security for the Bonds issued under this Indenture or intended to be secured by this Indenture, or for the value or condition of or title to the Mortgaged Property or the Security. The Trustee may require (but shall be under no duty to require) of the Borrower full information and

advice as to the performance of the covenants, conditions, and agreements aforesaid as to the condition of the Mortgaged Property. The Trustee is not accountable for the use (i) of any Bonds delivered in accordance with instructions of the Issuer, (ii) by the Borrower of the proceeds of the Loan, or (iii) for the use or application of any moneys paid out by the Trustee in accordance with this Indenture.

(c) **Reliance.** The Trustee shall be protected in acting upon any Opinion of Counsel, notice, request, consent, direction, requisition, certificate, order, judgment, decree, affidavit, letter, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons and which is not contrary to the express terms of this Indenture, the other Bond Documents, or the Loan Documents. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond as shown on the Bond Register will be conclusive and binding upon all future owners or holders of the same Bonds and upon the Bonds issued in exchange therefor or in place of such Bonds.

(d) **Right Not Duty Until Undertaken.** The permissive right of the Trustee to do things enumerated in this Indenture or in the other Bond Documents to which the Trustee is a party shall not be construed as duties until specifically undertaken by the Trustee. Prior to an Event of Default under this Indenture, the Trustee shall only be responsible for the performance of the duties expressly set forth in this Indenture and in the other Bond Documents to which it is a party and shall not be answerable for other than its negligence or willful misconduct in the performance of those express duties.

(e) **No Personal Liability.** The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts, relating to the Mortgaged Property.

(f) **No Bond or Surety Required.** The Trustee shall not be required to give any bond or surety in respect of the execution of its trusts and powers or otherwise in respect of the premises.

(g) **Security or Indemnity Bond.** Before taking any action requested by the Bondholders under Article X (except for acceleration of the Bonds), the Trustee may require reasonably satisfactory security or an indemnity (satisfactory to the Trustee in its sole and absolute discretion) from such Bondholders for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is finally adjudicated by a court of competent jurisdiction to have resulted from its own negligence or willful misconduct by reason of any such action so taken.

(h) **Not Bound To Inquire.** The Trustee is not required to take notice or deemed to have notice of any default or Event of Default under this Indenture, except Events of Default under Section 10.01(a)(i), (ii), or (vi), unless the Trustee has actual knowledge thereof or has received notice in writing of such default or Event of Default from the Issuer, the Borrower, the Credit Provider, the Loan Servicer, or the holders of at least 25% in aggregate principal amount of the Outstanding Bonds, and in the absence of any such notice, the Trustee may conclusively assume that no such default or Event of Default exists. The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their respective obligations under the Financing Agreement, the Regulatory Agreement, and this Indenture, but is not obligated to do so.

(i) **Standard of Care.** The Trustee, during the existence and continuation of any Event of Default under this Indenture, shall exercise such of the rights vested in it by this Indenture, the Financing Agreement, and the Regulatory Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. The foregoing will not limit the Trustee's obligations under Article VIII or Section 10.02(a).

(j) **Notice of Non-Payment of Third Party Fees.** The Trustee shall give prompt written notice of the non-payment of any Third Party Fee or Fees.

(k) **Notice to Loan Servicer.** The Trustee shall give prompt written notice to the Loan Servicer of the non-payment of any fee, cost, or expense payable under the Financing Agreement.

(l) **Authority to Execute.** The Trustee is authorized and directed by the Issuer to execute or accept and acknowledge and to perform its obligations under, as applicable, in its capacity as Trustee, the Financing Agreement, the Assignment, the Regulatory Agreement, and any financing statements.

(m) **No Disclosure Responsibility.** The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum, or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee.

(n) **No Financial Obligation.** No provision of this Indenture or any other Bond Document or any Loan Document shall require the Trustee to risk or advance its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of its rights under this Indenture.

(o) **No Liability for Directions.** The Trustee will not be liable for any action taken or not taken by it in accordance with the direction of the Credit

Provider or the Bondholders pursuant to this Indenture except for the Trustee's own negligent action, its own negligent failure to act, or its own willful misconduct.

(p) **No Liability for Loan Servicer.** The Trustee shall not be responsible for the actions or omissions of the Loan Servicer and shall have no duty or responsibility to monitor the performance of the Loan Servicer.

(q) **Books, Records and Accounts.** The Trustee, on behalf of the Issuer, shall keep and maintain, or cause to be kept and maintained, proper books, records, and accounts in which complete and accurate entries shall be made of all of its transactions relating to the Bonds, this Indenture, the Financing Agreement, the Regulatory Agreement, the Loan, the Credit Facility, the Funds and Accounts, Permitted Investments, and Investment Income, all of which, at all reasonable times, and upon reasonable prior notice, will be subject to the inspection and audit by the Issuer, the Credit Provider, the Borrower, the Loan Servicer, and the Bondholders owning not less than 25% in aggregate principal amount of the Bonds then Outstanding or any of their accountants or agents duly authorized in writing, each of whom will have the right, at its expense, to make copies of any such books of record and accounts.

(r) **List of Bondholders.** The Trustee shall keep the Bond Register available for inspection by any Bondholder or its attorney duly authorized in writing during normal business hours upon reasonable prior notice.

Section 11.02. Qualification. The Trustee and any successor Trustee shall at all times be a bank or trust company organized under the laws of the United States of America or any state, authorized under such laws to exercise corporate trust powers, having a combined capital stock, surplus, and undivided profits of at least \$50,000,000 (or an affiliate of a corporation or banking association meeting that requirement which guarantees the obligations and liabilities of the Trustee) and subject to supervision or examination by federal or state banking authority.

Section 11.03. Fees; Expenses. The Trustee is entitled to payment and reimbursement from the Borrower, or from the Trust Estate to the extent otherwise permitted in this Indenture, for reasonable fees for its ordinary services rendered under this Indenture and the other Bond Documents and its ordinary costs and expenses reasonably incurred in connection with its services under this Indenture and the other Bond Documents (including counsel fees and expenses). In the event that it should become necessary that the Trustee perform extraordinary services, it shall be entitled to the Trustee Extraordinary Items; provided however, that if such Trustee Extraordinary Items are incurred as a result of the negligence or willful misconduct of the Trustee, it will not be entitled to compensation or reimbursement for such services or expenses. The Borrower's failure to pay amounts owed to the Trustee shall not excuse the performance of its obligations. The Trustee recognizes that all fees, charges, and other compensation to which it may be entitled under this Indenture are required to be paid by the Borrower under the Financing Agreement, and, accordingly, the Trustee agrees that except for

moneys that the Issuer may derive from the Borrower for purposes of the foregoing, the Issuer shall not be liable for any such fees, charges, and other compensation.

Section 11.04. Merger; Consolidation. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, merger, or consolidation, provided such corporation or association otherwise qualifies under Section 11.02, shall be and become the successor Trustee under this Indenture with all the estates, properties, rights, powers, and duties of the predecessor Trustee without the execution or filing of any instrument or any further act, deed, or conveyance (other than the provision of notice to the Issuer, the Credit Provider, and the Loan Servicer).

Section 11.05. Resignation or Removal of Trustee. The Trustee may resign only upon giving 60 calendar days' prior written notice to the Issuer, the Credit Provider, the Loan Servicer, the Borrower, and to each Registered Owner of the Bonds then Outstanding as shown on the Bond Register (which notice may be by electronic means). The Trustee may be removed at any time upon 30 calendar days' prior written notice to the Trustee, (a) by the Issuer, with the prior written consent of the Credit Provider, (b) by the owners of not less than 51% in aggregate principal amount of the Bonds then Outstanding, which written instrument shall designate a successor Trustee approved by the Credit Provider, or (c) by the Credit Provider. Such resignation or removal shall not be effective until a successor Trustee satisfying the requirements of Section 11.02 is appointed and has accepted its appointment.

Section 11.06. Appointment of Successor Trustee. Upon the resignation or removal of the Trustee, a successor Trustee, satisfying the requirements of Section 11.02, shall be appointed by the Issuer with the prior written consent of the Credit Provider (unless appointed by the Bondholders as provided in Section 11.05). If, in the case of resignation or removal of the Trustee, no successor is appointed within 30 calendar days after the notice of resignation or within 30 calendar days after removal, as the case may be, then, in the case of a resignation, the resigning Trustee shall appoint a successor with the prior written consent of the Issuer and the Credit Provider or apply to a court of competent jurisdiction for the appointment of a successor Trustee and for other related relief (at the sole expense of the Borrower), and, in the case of a removal, the Credit Provider shall have the right to appoint a successor Trustee or to apply to a court of competent jurisdiction for the appointment of a successor Trustee. The successor Trustee must accept in writing its duties and responsibilities under this Indenture, the Financing Agreement, the Assignment, the Regulatory Agreement, and the other Bond Documents. The successor Trustee shall give notice of such succession by first-class mail, postage prepaid, to each Bondholder, the Issuer, the Credit Provider, the Loan Servicer and the Borrower.

Section 11.07. Transfer of Rights and Mortgaged Property to Successor Trustee. The successor Trustee, without any further act, deed, or conveyance, shall

become fully vested with all moneys, estates, properties, rights, powers, duties, and obligations of the predecessor Trustee, but the former Trustee shall nevertheless, on the written request of the Issuer, the Credit Provider, or the successor Trustee, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may be reasonably required for more fully and certainly vesting and confirming in the successor Trustee all the right, title, and interest of the predecessor Trustee in and to any properties held by it under this Indenture, and shall pay over, assign, and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this Indenture. The former Trustee shall execute and deliver a certificate of transfer or such other certificate or document as may be required by the Credit Facility for its transfer to a successor Trustee and do such other things as may be reasonably required to transfer all of its right, title, and interest in and to the Credit Facility to the successor Trustee. Should any deed, conveyance, or instrument in writing from the Issuer be required by the successor Trustee for more fully and certainly vesting in and confirming to the successor Trustee any such moneys, estates, properties, rights, powers, and duties, any and all such deeds, conveyances, and instruments in writing, shall, on request, and as may be authorized by law, be executed, acknowledged, and delivered by the Issuer .

Section 11.08. Power To Appoint Co-Trustees and Separate Trustees.

(a) ***Appointment of Co-Trustees.*** At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Mortgaged Property is located, the Issuer (at the request of the Borrower, unless the Borrower is then in default under any Bond Document or any Loan Document or if an event has occurred and is continuing which, with notice or the passage of time or both, would constitute such a default) shall have the power, subject to the approval of the Credit Provider, to appoint one or more persons approved by the Trustee either to act as co-trustee jointly with the Trustee or as separate trustee of all or any part of the Mortgaged Property, and to vest in such person, in such capacity, such title to the Mortgaged Property or any part of it, and/or such rights, powers, duties, trusts, or obligations as the Issuer and the Trustee may consider necessary or desirable. If the Issuer is in default under this Indenture, the Trustee alone will have the power to make such appointment with the prior written consent of the Credit Provider. the Issuer shall execute, acknowledge, and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties, and obligations to such co-trustee or separate trustee. Any co-trustee shall give prompt written notice of such appointment to the Loan Servicer.

(b) ***Effect of Death, Incapacity, Resignation, or Removal of Co-Trustee or Separate Trustee.*** In case any co-trustee or separate trustee dies, becomes incapable of acting, resigns, or is removed, the pledge and assignment of the Security and all rights, powers, trusts, duties, and obligations of the co-trustee or separate trustee, so far as permitted by law, shall vest in and be

exercised by the Trustee unless and until a successor co-trustee or separate trustee is appointed in the same manner as provided in subsection (a).

(c) **Approval of the Issuer.** No co-trustee or separate trustee may assume its duties under this Indenture without the prior written approval of the Issuer, unless the Issuer is in default under this Indenture or has failed to respond timely as otherwise provided in this Article XI.

Section 11.10. Resignation or Removal of Tender Agent. At the sole expense of the Borrower, the Trustee shall file or record or cause to be filed or recorded all continuation statements (but not initial financing statements) which are required to be filed or recorded in order to continue in force and effect interests relating to and the priority of (a) the Trust Estate and the Security, (b) at the direction of the Credit Provider or the Loan Servicer, the Loan, and (c) the rights and powers of the Issuer, the Trustee, and the Credit Provider in connection with such security interests, including, but not limited to, all continuation statements for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed at or prior to the Closing Date in connection with the security for the Bonds pursuant to the authority of the UCC, and any previously filed continuation statements which have been filed as required by this Indenture; provided, however, that if the Credit Provider or the Loan Servicer gives written notice to the Trustee that it has filed or recorded all applicable financing and/or continuation statements, the Trustee shall be entitled to rely on such written notice. the Issuer shall sign, and the Trustee shall obtain from the Borrower, the Loan Servicer, or the Credit Provider, all such continuation statements as may be required for such purposes. Any financing statement delivered to the Trustee by the Loan Servicer or the Credit Provider for filing shall be accompanied by a notice from the Loan Servicer or the Credit Provider instructing the Trustee to file such financing statement in all appropriate places, which places shall be designated in such notice. Upon the filing of any such continuation statement the Trustee shall immediately notify the Issuer, the Borrower, the Credit Provider, and the Loan Servicer that the same has been done. If direction is given by the Loan Servicer or the Credit Provider, the Trustee shall file all continuation statements in accordance with such directions.

ARTICLE XII

SUPPLEMENTAL INDENTURES; AMENDMENTS

Section 12.01. Supplemental Indentures Not Requiring Bondholder Consent.

(a) the Issuer and the Trustee, without the consent of or notice to any Bondholder, may enter into an indenture or indentures supplemental to this Indenture for one or more of the following purposes:

(i) to cure any ambiguity or to correct or supplement any provision contained in this Indenture or in any supplemental indenture which

may be defective or inconsistent with any other provision contained in this Indenture or in any supplemental indenture;

(ii) to amend, modify, or supplement this Indenture in any respect if such amendment, modification, or supplement is not materially adverse to the interests of the Bondholders;

(iii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to grant or pledge to the Trustee for the benefit of the Bondholders any additional security other than that granted or pledged under this Indenture;

(iv) to modify, amend, or supplement this Indenture in such manner as to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute then in effect, or to permit the qualification of the Bonds for sale under the securities laws of any of the States of the United States;

(v) to appoint a successor trustee, separate trustee, or co-trustee, or a separate Bond Registrar;

(vi) to make any change requested or consented to by the Credit Provider which is not materially adverse to the interests of the Bondholders, including, but not limited to, provision of a Credit Facility other than or in substitution for the initial Credit Facility, provided that the provision of such other Credit Facility does not adversely affect the rating then in effect for the Bonds;

(vii) [Reserved];

(viii) to comply with the Code and the regulations and rulings issued with respect to the Code, to the extent determined as necessary in the Opinion of Bond Counsel; or

(ix) to subject to the lien and pledge of this Indenture additional revenues, properties, or collateral;

(x) to make such additions, deletions, or modifications as may be, in the opinion of Bond Counsel delivered to the Issuer, the Trustee, and the Credit Provider, necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;

(xi) to implement or modify any secondary market disclosure requirements; and

(xii) to modify, amend, or supplement this Indenture in any other respect, which is not materially adverse to the Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change described in Section 12.02.

(b) If all conditions precedent in this Section 12.01 and in Sections 12.05 and 12.06 have been satisfied, the Trustee shall join the Issuer in the execution of any such supplemental indenture. The Trustee promptly shall furnish a copy of any such supplemental indenture to the Credit Provider, the Loan Servicer, and the Borrower.

Section 12.02. Supplemental Indentures Requiring Bondholder Consent.

(a) the Issuer and the Trustee may, with the consent of the Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, from time to time, execute indentures supplemental to this Indenture for the purpose of modifying or amending any of the provisions of this Indenture; provided, however, that nothing in this Section 12.02 permits, or shall be construed as permitting:

(i) an extension of the maturity of the principal of or interest on, or the mandatory Redemption Date of, any Bond, without the consent of the owner of such Bond;

(ii) a reduction in the principal amount of, or the rate of interest on, any Bond, without the consent of the owner of such Bond;

(iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, without the consent of the owners of all such Bonds;

(iv) the creation of a lien prior to or on parity with the lien of this Indenture, without the consent of the owners of all of the Bonds then Outstanding;

(v) a change in the percentage of Bondholders necessary to waive an Event of Default under this Indenture or otherwise approve matters requiring Bondholder approval under this Indenture, including consent to any supplemental indenture, without the consent of the owners of all the Bonds then Outstanding;

(vi) a transfer, assignment, or release of the Credit Facility (or modification of the provisions of this Indenture governing such transfer, assignment, or release), other than as permitted by this Indenture or the Credit Facility, without the consent of the owners of all of the Bonds then Outstanding;

(vii) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture, without the consent of the holders of all of the Bonds then Outstanding;

(viii) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding under this Indenture, without the consent of the holders of all of the Bonds then Outstanding; or

(ix) the amendment of this Section 12.02, without the consent of the holders of all of the Bonds then Outstanding.

(b) The Trustee shall promptly furnish a copy of any such supplemental indenture to the Credit Provider, the Loan Servicer, and the Borrower. Notice of any amendment pursuant to this Section shall be given to the Bondholders promptly following the execution thereof.

Section 12.03. No Bondholder Consent Required for Amendment to Loan Documents. Unless a Wrongful Dishonor has occurred and is continuing, the Credit Provider alone may consent to any amendment to the Loan Documents and no consent of the Bondholders is required.

Section 12.04. Amendments to the Credit Facility. The Credit Facility may only be amended, supplemented or otherwise changed in accordance with the following:

(a) ***Replacement Credit Facility.*** At the request of the Credit Provider, the Trustee shall exchange the Credit Facility with the Credit Provider for a new Credit Facility issued by the Credit Provider, provided that there is delivered to the Trustee a written opinion of Bond Counsel to the effect that such exchange will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes. No such exchange shall require the approval of the Issuer, the Trustee, or any of the Bondholders or constitute or require a modification or supplement to this Indenture.

(b) ***Amendment of the Credit Facility.*** The Trustee may consent, without the consent of the owners of the Bonds, to any amendment of the Credit Facility not addressed in subsection (a) which does not prejudice in any material respect the interests of the Bondholders.

(c) ***Other Amendments of the Credit Facility.*** Except as provided in subsections (a) and (b), the Credit Facility may be amended only with the consent of the Trustee and the owners of a majority of the owners of all Outstanding Bonds. No amendment may be made to the Credit Facility which would reduce the amounts required to be paid under the Credit Facility or change the time for payment of such amounts; provided, however, that any such amounts may be reduced without such consent solely to the extent that such reduction represents a reduction in any fees payable from such amounts.

Section 12.05. Notice to and Consent of Bondholders. If consent of the Bondholders is required for any supplement, amendment, or modification to this Indenture or for any other similar purpose, the Trustee shall give notice of the proposed supplement, amendment, or modification by first class mail, postage prepaid, to the Bondholders. Such notice will be conclusively presumed to have been duly given and received when given in such manner, whether or not any holder actually receives the notice. Such notice shall briefly set forth the nature of the proposed supplement, amendment, or modification, and shall state that copies of any such supplement, amendment, or modification are on file at the Designated Office of the Trustee for inspection by the Bondholders. The consent of the holder of any Bond will be binding on any transferee and successor transferees of such Bond.

Section 12.06. Required Approvals. Subject to the provisions of Section 8.06, no amendment, supplement, or modification may be made to any Transaction Document without the prior written consent of the Credit Provider. Anything in this Indenture to the contrary notwithstanding, a supplement or amendment or other document described under this Article XII which materially and adversely affects any rights or obligations of the Borrower will not become effective unless and until the Borrower (if the Borrower is not then in default under any Bond Document or any Loan Document and if no event which, with notice or the passage of time or both, would constitute such a default has occurred and is continuing) has consented in writing to the execution of such supplement, amendment, or other document. The Trustee shall not be required to enter into any supplement or amendment which adversely affects the Trustee's rights and duties under this Indenture.

Section 12.07. Opinions of Counsel. Subject to the provisions of Section 11.01, the Trustee may obtain and will be fully protected in relying upon an Opinion of Counsel as conclusive evidence that any supplement or amendment to this Indenture is authorized and permitted by this Indenture and, if applicable, is not materially adverse to the interests of the Bondholders. No supplement or amendment with respect to this Indenture will be effective until the Issuer and the Trustee have received an opinion of Bond Counsel to the effect that such supplement or amendment will not adversely affect the exclusion from gross income, for federal income tax purposes, of the interest payable on the Bonds.

Section 12.08. Notation of Modification on Bonds; Preparation of New Bonds. The Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article may bear a notation, in form approved by the Trustee and the Issuer as to any matter provided for in such supplemental indenture, and if such supplemental indenture so provides, new Bonds, so modified as to conform, in the opinion of the Trustee and the Issuer, to any modification of this Indenture contained in any such supplemental indenture, may be prepared by the Issuer, authenticated by the Trustee and delivered without cost to the Bondholders, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

ARTICLE XIII

MISCELLANEOUS

Section 13.01. Consents, Etc., of Bondholders. Any consent, request, direction, or other instrument required to be signed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed by any Bondholder in person or by an authorized agent appointed in writing. The fact and date of the execution by any person of any such request, consent, direction, approval, objection, or other instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before such officer its execution, or by an affidavit of any witness to such execution. Such proof of execution or of the writing appointing any agent will be sufficient for any of the purposes of this Indenture and will be conclusive in favor of the Trustee with regard to any action taken by it under such consent, request, direction, or other instrument. In the event that the Trustee receives conflicting directions from two groups of Bondholders, each with combined holdings of not less than 25% in aggregate principal amount of all Bonds then Outstanding, the directions given by the group of Bondholders which hold the largest percentage of Bonds Outstanding will be controlling and the Trustee shall follow such directions as elsewhere required in this Indenture.

Section 13.02. Limitation of Rights. With the exception of rights expressly conferred in this Indenture, nothing expressed in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the Issuer, the Trustee, the Bondholders, the Credit Provider, the Loan Servicer, and the Borrower any legal or equitable right, remedy, or claim under or in respect of this Indenture. This Indenture and all of the covenants, conditions, and provisions in this Indenture are intended to be for the sole and exclusive benefit of the parties to this Indenture, the Bondholders, the Credit Provider, the Loan Servicer, and the Borrower as provided in this Indenture. The Credit Provider is a third-party beneficiary of this Indenture with the right to enforce its provisions.

Section 13.03. Entire Agreement; Severability. This Indenture and the exhibits hereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written. This Indenture supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof. If any provision of this Indenture is held to be in conflict with any applicable constitution or statute or rule of law, or is otherwise held to be unenforceable for any reason, such circumstance shall not have the effect of rendering the provision in question inoperative or unenforceable in any other part or circumstance, or of rendering any other provision or provisions contained in this Indenture invalid, inoperative, or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or Sections of this Indenture will not affect the remaining portions of this Indenture.

Section 13.05. Notices.

This Bond is one of the duly authorized bonds of the Issuer designated as "Housing Finance Authority of Broward County, Florida Multifamily Mortgage Revenue Bonds, Series 2025 (Pine Island Park)" (the "Bonds"), limited in aggregate principal amount to \$_____ issued pursuant to the Florida Housing Finance Law, Section 159.601, Florida Statutes, *et seq.*, as amended (the "Act"), and pursuant to a Trust Indenture, dated as of _____ 1, 20__ (the "Indenture"), by and between the Issuer and the Trustee, and resolutions duly adopted by the governing body of the Issuer. The Bonds are limited obligations of the Issuer payable from and all equally secured by the lien of the Indenture, and the other security pledged thereby, including certain funds and accounts created pursuant thereto. The Bonds were issued to provide funds to fund a loan (the "Loan") to finance the acquisition, construction, and equipping of a multifamily rental housing development known as Pine Island Park (the "Development"). The Loan was made to Pine Island Park LLC, a Florida limited liability company (the "Borrower"), pursuant to a Financing Agreement, dated as of _____ 1, 2025 (the "Financing Agreement"), among the Issuer, the Trustee, and the Borrower.

The Bonds are secured by the pledge under the Indenture, including payments under the Loan. In addition, Fannie Mae has delivered to the Trustee a Stand-by Irrevocable Transferable Credit Enhancement Instrument (the "Credit Facility"), which provides credit enhancement and liquidity support for the Bonds.

Reference is hereby made to the Act and to the Indenture and any and all amendments thereof and supplements thereto for a description of the terms on which the Bonds are issued, the rights of the registered owners of the Bonds, the security for payment of the Bonds, remedies upon default and limitations thereon, and amendment of the Indenture (with or without consent of the registered owners of the Bonds); and all the terms of the Indenture are hereby incorporated herein and constitute a contract between the Issuer and the registered owner of this Bond, to all the provisions of which the registered owner of this Bond, by acceptance hereof, agrees and consents. Defined

terms used in this Bond and not defined in this Bond shall have the meanings assigned to them in the Indenture.

NONE OF THE ISSUER, THE STATE, OR ANY POLITICAL SUBDIVISION THEREOF SHALL BE OBLIGATED TO PAY THE BONDS OR THE INTEREST THEREON EXCEPT FROM THE REVENUES AND ASSETS PLEDGED BY THE ISSUER FOR THE PAYMENT THEREOF AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE ISSUER, THE STATE, OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL THEREOF OR THE INTEREST THEREON. THE BONDS SHALL BE SOLELY THE OBLIGATIONS OF THE ISSUER AND NOT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE BONDS SHALL BE PAYABLE SOLELY OUT OF THE INCOME, REVENUES, AND RECEIPTS DERIVED OR TO BE DERIVED FROM THE FUNDS AND ACCOUNTS HELD UNDER AND PURSUANT TO THE INDENTURE AND SUCH OTHER PROPERTY CONSTITUTING THE TRUST ESTATE PLEDGED UNDER THE INDENTURE. THE BONDS SHALL BE LIMITED OBLIGATIONS OF THE ISSUER AND DO NOT CONSTITUTE AN OBLIGATION, EITHER GENERAL OR SPECIAL, OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER.

NO RECOURSE FOR THE PAYMENT OF ANY PART OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR FOR THE SATISFACTION OF ANY LIABILITY ARISING FROM, FOUNDED UPON, OR EXISTING BY REASON OF THE EXECUTION, DELIVERY, AND PLACEMENT, PURCHASE, OR OWNERSHIP OF THIS BOND SHALL BE HAD AGAINST ANY DIRECTOR, OFFICER, MEMBER, AGENT, OR EMPLOYEE OF THE ISSUER, AS SUCH, ALL SUCH LIABILITY BEING EXPRESSLY RELEASED AND WAIVED AS A CONDITION OF AND AS A PART OF THE CONSIDERATION FOR THE EXECUTION, DELIVERY, AND PLACEMENT OF THIS BOND. NO DIRECTOR, MEMBER, OFFICER, AGENT, OR EMPLOYEE OF THE ISSUER SHALL BE INDIVIDUALLY OR PERSONALLY LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR BE SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THE EXECUTION, DELIVERY, AND PLACEMENT OF THIS BOND.

FANNIE MAE'S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT FACILITY. THE OBLIGATIONS OF FANNIE MAE UNDER THE CREDIT FACILITY WILL BE OBLIGATIONS SOLELY OF FANNIE MAE, A FEDERALLY CHARTERED STOCKHOLDER-OWNED CORPORATION. FANNIE MAE'S OBLIGATIONS ARE NOT BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY THEREOF, OR OF FANNIE MAE, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF OR FANNIE MAE.

The Bonds are issuable only as fully registered bonds in Authorized Denominations. This Bond, upon surrender at the Designated Office of the Trustee together with a written instrument of transfer (in substantially the form of the assignment, including a signature guarantee, attached to this Bond) satisfactory to the Trustee, executed by the registered owner of this Bond or its attorney duly authorized in writing, may, subject to certain limitations contained in the Indenture, at the option of the registered owner of this Bond, be exchanged for an equal aggregate principal amount of Bonds of any other Authorized Denomination. This Bond is transferable as provided in the Indenture, subject to certain limitations contained in the Indenture, only upon the Bond Register kept by the Trustee, and only upon surrender of this Bond for transfer to the Trustee at its Principal Office together with a written instrument of transfer (in substantially the form of the assignment, including a signature guarantee, attached to this Bond) executed by the registered owner of this Bond or its attorney duly authorized in writing. Thereupon, one or more new Bonds of Authorized Denominations and in the same aggregate principal amount and maturity will be issued to the designated transferee or transferees.

THE BONDS ARE SUBJECT TO OPTIONAL AND MANDATORY REDEMPTION PRIOR TO THEIR STATED MATURITY, ON THE DATES, IN THE AMOUNTS, AT THE REDEMPTION PRICES AND UPON NOTICE AS PROVIDED IN THE INDENTURE.

If an Event of Default shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner, and with the effect provided in the Indenture; except that in certain events such declaration and its consequences may be rescinded under the circumstances and as provided in the Indenture.

The Issuer, the Trustee, and any agent of the Issuer or the Trustee shall treat the person in whose name this Bond is registered as the absolute owner of this Bond for all purposes, and payment of any principal, premium, if any, and interest will be made only to or upon the order of such person or its attorney duly authorized in writing, but such registration may be changed as provided in the Indenture.

In any case where any Interest Payment Date, any other date fixed for the payment of interest on or principal of the Bonds, any maturity date or any date fixed for redemption of any Bonds, or any date on which action is to be taken shall be a day other than a Business Day, then any payment of interest or principal (and premium, if any) required to be made on such date and/or action to be taken on such date need not be taken or made on such date but may be taken or made on the following Business Day with the same force and effect as if made or taken on the date herein otherwise provided and, in the case of any payment date, no interest shall accrue for the period from and after such date.

Neither the members of the governing body of the Issuer nor any member, director, officer, agent, employee, or attorney, past, present or future, of the Issuer nor any person executing this Bond shall be subject to any personal liability or accountability by reason of the issuance hereof, whether by virtue of any Constitution, statute, or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being

expressly waived as a condition of and in consideration for the execution of the Indenture and the issuance of the Bonds.

This Bond shall not be entitled to any benefit, protection, or security, under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been executed and dated by the Trustee.

It is hereby certified and recited there have been performed and have happened in regular and due form, as required by law, all acts and conditions necessary to be done or performed by the Issuer or to have happened precedent to and in the issuing of the Bonds in order to make them legal, valid, and binding special obligations of the Issuer.

(the "Trustee").

The undersigned acknowledges that the Bonds were issued for the purpose of financing a portion of the costs of acquiring, constructing, and equipping the Mortgaged Property (as defined in the Indenture).

In connection with the purchase of the Bonds by the undersigned, the undersigned hereby makes the following representations upon which you may rely:

1. The undersigned has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the undersigned in connection with the acquisition of the Bonds.

2. The undersigned is a "qualified institutional buyer" under Rule 144A of the Securities Act of 1933, as amended, and under Section 67-21.002(91) of the Florida Administrative Code, as amended, and the undersigned has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other taxable and tax exempt obligations, to be able to evaluate the risks and merits in connection with the purchase of the Bonds.

3. The undersigned understands that (a) the Bonds are not secured by any pledge of any monies received or to be received from taxation by the Issuer, the State of

The undersigned understands that the Issuer has no taxing power.

4. The Bonds are being acquired by the undersigned for its own account and not with a view to, or for resale in connection with, any distribution of the Bonds. The undersigned acknowledges that it has not relied upon the Issuer for any information in connection with the undersigned's acquisition of the Bonds. In addition, the undersigned acknowledges the transaction summary related to the Bonds was prepared for the purpose of setting forth information in connection with the issuance of the Bonds for the Issuer's internal use only and is not an official statement, private placement memorandum, or any other disclosure document and, therefore, the undersigned has not relied upon, or otherwise reviewed, the transaction summary with regards to its decision to purchase the Bonds.

7. In entering into this transaction the undersigned has not relied upon any representations or opinions made by the Issuer relating to the legal consequences or other aspects of the transactions, nor has it looked to, nor expected, the Issuer to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Mortgaged Property (including the financing, operation, or management thereof), or any other matter pertaining to the merits or risks of the transaction, or the adequacy of any collateral pledged to secure repayment of the Bonds.

8. The undersigned has made its own inquiry and analysis with respect to the Bonds and the security therefor, and other material factors affecting the security and

payment of the Bonds. The undersigned is aware that the business of the Borrower involves certain economic variables and risks that could adversely affect the security for the Bonds.

9. Subject to Section 2.16(b) of the Indenture, the undersigned acknowledges that it has the right to sell and transfer the Bonds, in accordance with the terms of the Indenture, subject to the delivery to the Issuer and the Trustee of a purchaser's letter from the transferee in the same form as this letter, with no revisions except as may be approved in writing by the Issuer.

Any material submitted to the Issuer that the Borrower contends constitutes or contains trade secrets or is otherwise exempt from production under Florida public records laws (including Chapter 119, Florida Statutes) ("Trade Secret Materials") must be separately submitted and conspicuously labeled "EXEMPT FROM PUBLIC RECORD PRODUCTION – TRADE SECRET." In addition, the Borrower must, simultaneous with the submission of any Trade Secret Materials, provide a sworn affidavit from a person with personal knowledge attesting that the Trade Secret Materials constitute trade secrets under Section 688.002, Florida Statutes, and stating the factual basis for same. If a third party submits a request to the Issuer for records designated by the Borrower as Trade Secret Materials, the Issuer shall refrain from disclosing the Trade Secret Materials, unless otherwise ordered by a court of competent jurisdiction or authorized in writing by the Borrower. The Borrower shall indemnify and defend the Issuer and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys' fees, litigation expenses, and court costs, relating to the nondisclosure of any Trade Secret Materials in response to a records request by a third party.

Section 5.05. Reports and Information. The Borrower will file such certificates and other reports with the Issuer and the Trustee as are required by the Transaction Documents. The Borrower will provide to the Issuer all information necessary to enable the Issuer to complete and file all forms and reports required by the laws of the State and the Code in connection with the Mortgaged Property and the Bonds.

Section 5.06. Tax Covenants.

(a) The Borrower covenants that it will comply with the requirements and conditions of the Tax Certificate and the Regulatory Agreement. Without limiting the foregoing and notwithstanding anything to the contrary in this Agreement, the Borrower has not taken, will not take, or permit to be taken on its behalf, any action which would cause interest on the Bonds to be included in gross income for federal income tax purposes and will take such reasonable action as may be necessary to continue such exclusion from gross income, including:

(i) the Borrower has not used, and will not use, the proceeds of the Bonds, or any other funds which may be deemed to be proceeds of the Bonds pursuant to Section 148 of the Code, which will cause the Bonds to be "arbitrage bonds" within the meaning of such Section, and will comply with the requirements of such Section throughout the term of the Bonds;

(ii) the Borrower has prepared, and will prepare, and file any statements required to be filed by it in order to maintain such exclusion; and

(iii) the Borrower will pay to the United States any amount required to be paid by the Issuer or the Borrower pursuant to Section 148(f) of the Code, at the times, in the amounts and at the places required in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes.

(b) The Borrower irrevocably authorizes and directs the Issuer, the Trustee, and any other agent designated by the Issuer to make payment of such amounts from funds of the Borrower, if any, held by the Issuer, the Trustee, or any agent of the Issuer or the Trustee. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase Bonds in an amount related to the amount of the Loan.

Section 5.07. Notice of Certain Events. The Borrower will advise the Issuer, the Trustee, and any Bondholder owning 100% of the aggregate principal amount of Bonds then outstanding promptly in writing of the occurrence of any default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty, or obligation of the Borrower set forth in this Agreement or in any of the other Transaction Documents, or of any Event of Default or Potential Default under this Agreement known to it or of which it has received notice, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect to such default. Such notice shall be given promptly, and in no event less than 10 Business Days after the Borrower receives notice or has knowledge of the occurrence of any such event. The Borrower further agrees that it will give prompt written notice to the Trustee and any Bondholder owning 100% of the aggregate principal amount of Bonds then outstanding if insurance proceeds or condemnation awards are received with respect to the Mortgaged Property.

Section 5.08. Continuing Disclosure. The Borrower hereby covenants and agrees that it will comply with and carry out all of the provisions of the Disclosure Agreement. Notwithstanding any other provision of this Agreement, failure of the Borrower to comply with the Disclosure Agreement shall not be considered an Event of Default; provided, however, the Trustee may (and, at the request of any Bondholder of at least 25% aggregate principal amount in Outstanding Bonds, shall) or any Bondholder may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower to comply with its obligations under this Section.

Section 5.09. Financial Statements and Financial Information. The Borrower shall provide at its expense to the Issuer, the Trustee, the Credit Provider, and the Loan Servicer certified annual audited financial statements of the Mortgaged Property and unaudited semiannual income statements, balance sheets, and cash flows of operations

of the Mortgaged Property. Commencing with the Borrower's fiscal year ending December 31, 2025, the annual financial statements shall be prepared in accordance with generally accepted accounting principles applied on a basis consistent with prior years (except as otherwise specified in such report) and delivered within 120 days after the end of each fiscal year of the Borrower and prepared by an independent certified public accounting firm selected by the Borrower; provided, however, that an annual compiled or reviewed financial statement prepared by a licensed certified public accountant may be submitted in lieu of an audited financial statement for any fiscal year ending prior to the issuance of a certificate of occupancy for any unit in the Mortgaged Property, so long as the subsequent audited financial statement shall include all operations of the Borrower since its organization. The Borrower also shall provide, at its expense, to the Issuer and at least 30 days prior to the beginning of each fiscal year, the Borrower's proposed mid-year and annual budgets for the Mortgaged Property in a form provided by the Issuer and within 60 days after the end of each such mid-year and fiscal year, respectively, the Borrower shall provide the Issuer semiannual and annual operating results. The Trustee shall provide all such information which it is required to maintain hereunder to Bondholders at their expense upon request.

Section 5.10. Annual Review of Management. The Borrower hereby authorizes the Issuer to conduct a review annually of the management and operation of the Mortgaged Property. the Issuer shall document its findings from such review and provide a copy of its findings to the Borrower and the Trustee, and the Borrower shall have 30 days after receipt of such findings to respond to the Issuer with respect thereto. If the Issuer shall find that any aspect of the management or operation of the Mortgaged Property may cause interest on the Bonds to be subject to federal income taxation or may constitute a violation of the Act, the Issuer shall so notify the other, the Borrower, the Credit Provider, the Loan Servicer, and the Trustee and require remedy from the Borrower of such condition. the Issuer may require the Borrower to remove any management agent from responsibility for the Mortgaged Property, subject to and in accordance with the applicable terms and conditions of the Regulatory Agreement. Any successor management agent must be acceptable to the Issuer and the Credit Provider and must successfully complete training by the Issuer before it undertakes to manage the Mortgaged Property. The Credit Provider or the Loan Servicer may require the Borrower to remove the management agent for the Mortgaged Property, subject to and in accordance with the applicable terms and conditions of the Regulatory Agreement.

Section 5.11. Mortgage Taxes. The Borrower shall pay any and all taxes (other than income and franchise taxes), assessments, charges, filing, registration, and recording fees, excises, and levies imposed upon the Issuer and/or the Credit Provider by reason of its interest in, or measured by amounts payable under, the Note, this Agreement, the Security Instrument, or any other Loan Document, and shall pay all stamp taxes and other taxes required to be paid on the Note, this Agreement, the Security Instrument, or the other Loan Documents. If the Borrower fails to make such payment within five days after notice thereof from the Issuer, the Issuer may (but shall not be obligated to) pay the amount due, and the Borrower shall reimburse the Issuer on demand for all such advances. the Issuer may direct the Trustee to advance such amount due

from amounts on deposit in any Fund or Account (other than the Rebate Fund, the Fees Account, the Replacement Reserve Fund, and the Tax and Insurance Escrow Fund) under the Indenture that is not part of the Trust Estate; provided, however, no payment by the Issuer of any amounts due under this Section shall be deemed to extinguish the Borrower's obligation with respect thereto and such amounts shall remain due and owing by the Borrower until paid by the Borrower. Upon request, the Borrower shall furnish to the Issuer, the Trustee, and the Loan Servicer proof of the payment of any such tax, assessment, or other governmental or similar charge or fee, or any other charge which is payable by the Borrower as set forth above. Notwithstanding the foregoing, the Borrower shall have the right to contest any mortgage tax which may be imposed on the Security Instrument or other Loan Documents provided Borrower uses counsel reasonably acceptable to the Issuer and holds the Issuer and its assigns including the Trustee and the Credit Provider harmless for any loss or expense which the Issuer and the Trustee may incur with respect to such tax and the delay associated with Borrower's contesting of same.

ARTICLE VI

(a) This indemnification shall not be affected by any investigation by or on behalf of the Issuer, the Trustee, or by any information the Issuer, the Trustee, may have or obtain. This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses, and liabilities incurred in connection with any such claim, or proceeding brought with respect to such claim, to the fullest extent permitted by law, except:

(i) in the case of the foregoing indemnification of the Trustee or any of their Indemnified Parties only, to the extent such damages are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the negligence or willful misconduct of such Indemnified Party;

Notwithstanding any transfer of the Mortgaged Property to another owner in accordance with the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Article VI for all matters arising prior to such transfer, and, as a condition to the release of the transferor on and after the transfer date, the transferee must assume the obligations of the Borrower under this Agreement and the other Borrower Documents on and after the transfer date and indemnify each Indemnified Party pursuant to this Article VI for all matters arising on or after the date of such transfer. Each Indemnified Party's rights under this Article VI shall survive the termination of this Agreement, the payment of the Loan and the payment or defeasance of the Bonds.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 7.01. Events of Default. The occurrence of any one or more of the following events shall constitute an Event of Default under this Agreement:

(a) The Borrower fails to pay when due any amount payable by the Borrower under this Agreement.

(b) The Borrower fails to observe or perform any covenant or obligation in this Agreement on its part to be observed or performed for a period of 30 days after receipt of written notice from the Trustee specifying such failure and requesting that it be remedied; provided, however, that if the failure cannot be corrected within such period, it shall not constitute an Event of Default if the failure is correctable without material adverse effect on the validity or enforceability of the Bonds or on the exclusion from gross income, for federal income tax purposes, of

the interest on the Bonds, and if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within 90 days of receipt of notice of such failure.

(c) The Credit Provider provides written notice to the Trustee of an Event of Default under this Agreement by reason of the occurrence of an Event of Default under the Reimbursement Agreement. No Event of Default under the Reimbursement Agreement shall constitute a default under this Agreement unless specifically declared to be so by the Credit Provider. The Credit Provider shall make such declaration by written notice to the Trustee and any Bondholder owning 100% of the aggregate principal amount of Bonds then outstanding.

Section 7.02. Remedies Upon an Event of Default. Subject to the Assignment, whenever any Event of Default occurs and is continuing under this Agreement, the Issuer may take one or any combination of the following remedial steps:

(a) by written notice to the Borrower, declare all amounts then due and payable on the Note to be immediately due and payable;

(b) exercise any of the rights and remedies provided in the Loan Documents; and

(c) take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and afterward to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Borrower under this Agreement.

Section 7.03. No Levy or Other Execution Against Mortgaged Property. Neither the Issuer nor the Trustee shall have any right to levy, execute, or enforce any judgment in respect of the Borrower's obligations under this Agreement, including the Reserved Rights, against the Mortgaged Property or any other property of the Borrower which secures the obligations of the Borrower under the Loan or to the Credit Provider under any of the Credit Facility Documents.

Section 7.04. Waiver and Annulment. Unless the Credit Provider otherwise consents in writing, neither the Issuer nor the Trustee may waive or annul any Event of Default under this Agreement unless (a) all amounts which would then be payable under this Agreement by the Borrower if such Event of Default had not occurred and was not continuing are paid by or on behalf of the Borrower, and (b) the Borrower also performs all other obligations in respect of which it is then in default under this Agreement and pays the reasonable charges and expenses of the Issuer and the Trustee, including reasonable attorneys' fees and expenses paid or incurred in connection with such default. No waiver or annulment shall extend to or affect any subsequent Event of Default or impair any right or remedy consequent on such Event of Default.

Section 7.05. No Remedy Exclusive. All rights and remedies provided in this Agreement are cumulative, nonexclusive, and in addition to any and all rights and remedies that the Issuer and the Trustee may have or may be given by reason of any law, statute, ordinance, or otherwise.

Section 7.06. No Waiver. No delay or omission to exercise any right or power accruing upon any Event of Default under this Agreement shall impair any such right or power or shall be construed to be a waiver of such Event of Default, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

Section 7.07. No Notices. In order to entitle the Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Article or by any Bond Document.

Section 7.08. Expenses. In the event the Borrower should default under this Agreement and the Issuer employ's attorneys or incurs other expenses for the collection of payments under, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in, this Agreement, the Borrower agrees that it will pay, on demand, to the Issuer the reasonable fees of such attorneys and such other expenses so incurred by the Issuer.

ARTICLE VIII

All notices, certificates, or other communications provided in this Agreement shall be given in writing, and shall be sufficiently given and shall be deemed given if given in the manner provided in Section 13.04 of the Indenture. Copies of each notice, certificate, or other communication given under this Agreement by any party shall be given to the other parties. By notice given under this Agreement, any party may designate further or different addresses to which subsequent notices, certificates, or other communications are to be sent. A duplicate copy of each notice, certificate, request, or other communication given under this Agreement to the Issuer, the Borrower, or the Trustee shall also be given to the Credit Provider, and the Loan Servicer.

Section 8.02. Amendment. No amendment to this Agreement shall be binding upon the parties to this Agreement until such amendment is reduced to writing and executed by such parties; provided, however, that no amendment, supplement, or other modification to this Agreement or any other Bond Document shall be effective without the prior written consent of the Credit Provider, subject to the provisions of Section 8.12.

Section 8.03. Entire Agreement. This Agreement is one agreement in a set of agreements, documents, and instruments representing an integrated transaction. The agreements, documents, and instruments are the Transaction Documents. The Transaction Documents contain all agreements between the parties to the integrated

transaction, and there are no other representations, warranties, promises, agreements, or understandings, oral, written, or implied, among them, unless reference is made in a Transaction Document. Nothing in this Agreement shall relieve the Borrower of its obligations under the Loan Documents and the Credit Facility Documents.

Section 8.04. Binding Effect. This Agreement is a continuing obligation and shall (a) be binding upon each of the parties to this Agreement and their successors and assigns and (b) inure to the benefit of and be enforceable by such parties and their respective successors, transferees, and assigns; provided, however, that the Borrower may not assign all or any part of this Agreement without the prior written consent of the Issuer.

Section 8.05. Further Assurances and Corrective Instruments. The parties agree that they will, from time to time, execute, acknowledge, and deliver, or cause to be executed, acknowledged, and delivered, such amendments to this Agreement and to the other Transaction Documents contemplated by this Agreement as reasonably may be required to carry out the intention of, or to facilitate the performance of this Agreement, or to perfect or give further assurances of any of the rights granted or provided for in this Agreement.

Section 8.06. Severability. Should one or more of the provisions of this Agreement be held to be invalid, illegal, or unenforceable in any jurisdiction, such provision shall be severable from the remainder as to such jurisdiction and the validity, legality, and enforceability of the remaining provisions will not in any way be affected or impaired in any jurisdiction.

Section 8.07. Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 8.08. Governing Law. This Financing Agreement shall be construed, and the obligations, rights, and remedies of the parties under this Agreement shall be determined in accordance with the laws of the State without regard to conflicts of laws principles, except to the extent that the laws of the United States of America may prevail.

Section 8.09. Waiver of Jury Trial. THE BORROWER, THE ISSUER, AND THE TRUSTEE (A) COVENANT AND AGREE NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING UNDER THIS AGREEMENT TRIABLE BY A JURY AND (B) WAIVE ANY RIGHT TO TRIAL BY JURY TO THE EXTENT THAT ANY SUCH RIGHT NOW EXISTS OR SHALL LATER EXIST. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL BY THE BORROWER, AND THIS WAIVER IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A JURY TRIAL WOULD OTHERWISE ACCRUE. FURTHER, THE BORROWER CERTIFIES THAT NO REPRESENTATIVE OR AGENT OF THE ISSUER (INCLUDING, BUT NOT LIMITED TO, THE ISSUER'S

COUNSEL) HAS REPRESENTED, EXPRESSLY OR OTHERWISE, TO THE BORROWER THAT THE ISSUER WILL NOT SEEK TO ENFORCE THE PROVISIONS OF THIS SECTION.

Section 8.10. Limited Liability of the Issuer.

(a) All obligations of the Issuer under this Agreement, the Regulatory Agreement, and the Indenture shall be limited obligations of the Issuer, payable solely and only from the Trust Estate. No owner or owners of any of the Bonds shall ever have the right to compel any exercise of the taxing power of the State or any political subdivision or other public body for the payment of the Bonds, nor to enforce the payment of the Bonds against any property of the State or any such political subdivision or other public body, including the Issuer except as to the Trust Estate to the extent provided in the Indenture. No member, officer, agent, employee, or attorney of the Issuer, including any person executing this Agreement on behalf of the Issuer, shall be liable personally under this Agreement. No recourse shall be had for the payment of the principal of or the interest on the Bonds, for any claim based on or in respect of the Bonds or based on or in respect of this Agreement, against any member, officer, employee, or agent, as such, of the Issuer or any successor whether by virtue of any constitution, statute, or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance of this Agreement and as part of the consideration for the issuance of the Bonds, expressly waived and released.

(b) The Borrower hereby acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the Trust Estate, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or Redemption Price) of, premium, if any, and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration, or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Redemption Price) of, premium, if any, or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance, or malfeasance on the part of the Trustee, the Borrower, the Issuer, or any third party, subject to any right of reimbursement from the Trustee, the Issuer, or any such third party, as the case may be, therefor.

Section 8.11. Term of this Agreement. This Agreement shall be in full force and effect from its date to and including such date as all of the Bonds are fully paid or retired (or provision for such payment shall have been made as provided in the Indenture); provided, however, that Sections 2.05 and 5.05 and Articles III and VI shall survive the termination of this Agreement.

Section 8.12. References to the Credit Provider. All provisions in this Agreement regarding consents, approvals, directions, waivers, appointments, requests, or other actions by the Credit Provider shall be deemed not to require or permit such consents,

approvals, directions, waivers, appointments, requests, or other actions and shall be read as if the Credit Provider were not mentioned (a) if a Wrongful Dishonor has occurred and is continuing, or (b) from and after the date on which the Credit Facility is declared to be null and void by final judgment of a court of competent jurisdiction; provided, however, that the payment of any amounts due to the Credit Provider pursuant to this Agreement shall continue in full force and effect. The foregoing shall not affect any other rights of the Credit Provider. All provisions in this Agreement relating to the rights of the Credit Provider shall be of no force and effect if the Credit Facility has terminated or expired in accordance with its terms and there are no Bonds in which the Credit Provider has a security interest and all amounts owing to the Credit Provider under the Reimbursement Agreement have been paid.

Section 8.13. Expenses. The Borrower shall pay and indemnify the Issuer and the Trustee against all reasonable fees, costs, and charges, including reasonable fees and expenses of attorneys, accountants, consultants, and other experts, incurred in good faith (and with respect to the Trustee, without negligence) and arising out of or in connection with the Bonds or the Transaction Documents. These obligations and those in Section 6.01 hereof shall remain valid and in effect notwithstanding repayment of the Loan hereunder or termination of the Financing Agreement or the Indenture.

Section 8.14. Waiver of Personal Liability.

(a) No recourse shall be had for the payment of the principal (or Redemption Price) of, premium, if any, and interest on the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Agreement contained, against any past, present, or future member of the Issuer, its respective governing body, officers, attorneys, accountants, financial advisors, agents, or staff or the officers, attorneys, accountants, financial advisors, agents, or staff of any successor public entity, as such, either directly or through the Issuer, or any successor public entity, under any rule of law or penalty of otherwise, and all such liability of any member of the Issuer, its governing body and its officers, attorneys, accountants, financial advisors, agents, and staff is hereby, and by the acceptance of the Funding Loans, expressly waived and released as a condition of, and in consideration for, the execution of this Borrower Loan Agreement and the issuance of the Funding Loans. It is recognized that notwithstanding any other provision of this Borrower Loan Agreement, neither the Borrower, the Funding Lender, nor the Fiscal Agent shall look to the members of the Issuer or its officers, program participants, attorneys, accountants, financial advisors, agents, or staff, past, present, or future, for damages suffered by the Borrower, the holders, or the Fiscal Agent as a result of the failure of the Issuer to perform any covenant, undertaking, or obligation under this Borrower Loan Agreement, the Funding Loans, the Regulatory Agreement, any of the other Financing Documents, or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason except for representations made by the Issuer in any certificate of the Issuer and the opinion of counsel to the Issuer delivered on the date of origination

of the Funding Loans. Although this Borrower Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Issuer, nothing contained in this Borrower Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Issuer) in any court or before any governmental body, agency, or instrumentality or otherwise against the Issuer or any of its officers or employees to enforce the provisions of any of such documents which the Issuer is obligated to perform and the performance of which the Issuer has not assigned to the Fiscal Agent or any other person.

(b) No recourse under or upon any obligation, covenant, or agreement or in the Bonds, or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent, or officer, as such, past, present, or future, of the Issuer, either directly or through the Issuer, or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Issuer upon the Funding Loans. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent, or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loans, is hereby expressly waived and released as a condition of and consideration for the execution of this Borrower Loan Agreement and the issuance of the Bonds.

Section 8.15. Debtor-Creditor Relationship. (a) Subject to Section 2.1(b) of the Funding Loan Agreement, the Funding Loan shall be funded in one or more installments not to exceed, in the aggregate, the Borrower Loan Amount, directly to the Fiscal Agent by the Funding Lender for disbursement by the Fiscal Agent to the Borrower upon satisfaction of

the conditions set forth in the Funding Lender Documents and the Funding Loan Agreement. Notwithstanding anything herein to the contrary, the funding of each installment of the Funding Loan shall be made pro rata based on the principal amounts of such Funding Loan then outstanding. Upon funding of each installment of the Funding Loan, the Governmental Lender shall be deemed to have made the Borrower Loan to the Borrower in a like principal amount. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note. The proceeds of the Borrower Loan shall be used by the Borrower to pay costs of the acquisition, construction, installation, and equipping of the Development. The Borrower hereby accepts the Borrower Loan and acknowledges that the Governmental Lender shall cause the Funding Lender to fund the Borrower Loan in the manner set forth herein, in the Funding Lender Documents, the Funding Loan Agreement, and the Mortgage Servicing Agreement. The Governmental Lender acknowledges that the Borrower Loan shall be funded by the Funding Lender to the Fiscal Agent for the account of the Governmental Lender.

(b) Proceeds of the Borrower Loan will be funded by the Funding Lender to the Fiscal Agent and deposited by the Fiscal Agent in the Note Proceeds Account of the Project Fund all to be held by the Fiscal Agent under the Funding Loan Agreement for disbursement, from time to time, by the Fiscal Agent to the Borrower upon receipt of a Written Requisition in accordance with the terms of the Funding Loan Agreement and, the Funding Lender Documents, and approved by Funding Lender.

The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note, and, following the Conversion Date, as required under the terms hereof and of the Borrower Note as such documents are amended and restated in connection with the Construction Phase Financing Agreement. The Governmental Lender shall assign the Borrower Note to the Fiscal Agent on the Closing Date as a condition to closing of the Borrower Loan and the Funding Loan.

(d) Closing of the Borrower Loan on the Closing Date shall be conditioned upon satisfaction or waiver by the Governmental Lender and the Funding Lender in their sole discretion of each of the conditions precedent to closing set forth in the Funding Loan Agreement, the Funding Lender Documents, and this Borrower Loan Agreement, including but not limited to the following:

(i) evidence of proper recordation of the Security Instrument, an assignment of the Security Instrument from the Governmental Lender to the Fiscal Agent, the Regulatory Agreement, and each of the other documents

specified for recording in instructions delivered to the Title Company by counsel to the Funding Lender and/or special counsel to the Governmental Lender (or that such documents have been delivered to an authorized agent of the Title Company for recordation under binding recording instructions from Funding Lender's counsel, special counsel to the Governmental Lender, or such other counsel as may be acceptable to the Funding Lender or the Governmental Lender, as applicable);

(ii) delivery to the Fiscal Agent or into escrow with the Title Company of all amounts required to be paid in connection with the origination of the Borrower Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Funding Deposit and the Borrower Required Equity, all as specified in written instructions delivered to the Title Company by counsel to the Funding Lender (or such other counsel as may be acceptable to the Funding Lender) and/or as specified in the Closing Memorandum;

Each Borrower Loan Payment made by the Borrower shall be made in funds immediately available to the Fiscal Agent by 11:00 a.m., New York City time, on the date that is two Business Days prior to the Borrower Loan Payment Date. Each such payment shall be made to the Fiscal Agent by deposit to the Loan Payment Account in the Funding Loan Payment Fund. Payments made on the Borrower Note shall be passed through to the Funding Lender by the Fiscal Agent on the same date and in the same amount as a like payment on the corresponding Governmental Lender Note. Whenever any Borrower Loan Payment shall be stated to be due on a day that is not a Business Day, such payment shall be due on the first Business Day immediately thereafter. In addition, the Borrower shall make the Borrower Loan Payments in accordance with the Borrower Note in the amounts and at the times necessary to enable the Governmental Lender to make all payments due and payable on the Funding Loan. All payments made by the Borrower hereunder or by the Borrower under the other

Borrower Loan Documents, shall be made irrespective of, and without any deduction for, any setoffs or counterclaims, but such payment shall not constitute a waiver of any such set offs or counterclaims.

(ii) All disbursements from the Replacement Reserve Fund shall be subject to the prior written consent of the Funding Lender to the extent required in the Funding Loan Agreement. At such time as the Borrower shall desire to obtain a disbursement from the Replacement Reserve Fund, the Borrower shall deliver a request for disbursement, in the form required by the Governmental Lender, and deliver said request to the Funding Lender.

(iii) Notwithstanding anything contained herein, the funds on deposit in the Replacement Reserve Fund shall be used by the Borrower for capital expenditures only, and not for normal maintenance and repairs.

(iv) Amounts deposited to the Replacement Reserve Fund shall be administered by the Fiscal Agent in accordance with the Funding Loan Agreement and this Borrower Loan Agreement.

(c) Deposits to the Tax and Insurance Escrow Fund. The Borrower shall provide to the Fiscal Agent, and the Funding Lender, promptly following the Borrower's receipt thereof, copies of all bills received by the Borrower for real property taxes for the Development and for the premiums on the insurance policies required to be maintained pursuant to the Financing Documents. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions, and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Funding Lender, and grants to the Funding Lender, a security interest in, all the Borrower's right, title, and interest in and to all payments to or moneys held in the funds and accounts (other than the Rebate Fund and the Expense Fund) created and held by the Fiscal Agent or the Funding Lender for the Development. The Borrower also grants to the Funding Lender a continuing security interest in all rents in its possession prior to the payment of rents or any portion thereof to the Fiscal Agent or the Funding Lender (to the extent that the Borrower is required to pay such rents to the Fiscal Agent or the Funding Lender). The Borrower shall not, without obtaining the prior Written Consent of the Funding Lender and the Governmental Lender, further pledge, assign, or grant any security interest in the rents, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming the Funding Lender as the secured party, to be filed with respect thereto and except with respect to the Subordinate Loans. The Funding Lender consent to the security interests created in favor of the Subordinate Lenders under the Subordinate Debt Documents to the extent those security interests are at all times subject and subordinate to the Borrower Loan Documents. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default hereunder, the Fiscal Agent and the Funding Lender shall apply or cause to be applied any sums held by the Fiscal Agent (other than sums held in the Rebate Fund and the Expense Fund) and the Funding Lender with respect to the Development in any manner and in any order determined by the Funding Lender, in the Funding Lender's sole and absolute discretion.

Section 2.9. Marshalling; Payments Set Aside. The Governmental Lender, the Fiscal Agent, and the Funding Lender shall be under no obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that the Borrower makes a payment or payments or transfers any assets to the Governmental Lender, the Fiscal Agent, or the Funding Lender, or the Governmental Lender, the Fiscal Agent, or the Funding Lender enforce their liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside,

or required to be repaid to a trustee, receiver, or any other party in connection with any insolvency proceeding, or otherwise, then: (a) any and all obligations owed to the Governmental Lender, the Fiscal Agent, or the Funding Lender and any and all remedies available to the Governmental Lender, the Fiscal Agent, or the Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against the Borrower, the Guarantors, or the Manager and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (b) below; and (b) the Governmental Lender, the Fiscal Agent, and the Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership, or fraudulent conveyance or fraudulent transfer proceeding) either: (i) the amount of payments or the value of the transfer or (ii) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by the Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender, the Fiscal Agent, or the Funding Lender in any bankruptcy, insolvency, receivership, or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender, the Fiscal Agent, or the Funding Lender in connection with the exercise by the Governmental Lender, the Fiscal Agent, or the Funding Lender of its rights under this Section 2.9.

Section 2.10. Borrower Loan Disbursements. The Borrower Loan shall be disbursed by the Funding Lender, as agent for the Governmental Lender, pursuant to the Funding Lender Documents, the Funding Loan Agreement, and the Mortgage Servicing Agreement by depositing the proceeds of the Funding Loan with the Fiscal Agent for further disbursement to the Borrower, or directly to the person, firm, or entity to be paid, as directed by and upon receipt of the Closing Memorandum or the Written Requisitions approved in accordance with the terms of the Funding Loan Agreement and subject to satisfaction of the conditions set forth in the Funding Lender Documents and the Mortgage Servicing Agreement.

Section 2.11. Optional and Mandatory Prepayment of the Borrower Note. The Borrower Note shall be subject to prepayment to the extent and in the manner set forth in the Borrower Note.

ARTICLE III

CONVERSION

Section 3.1. Conversion Date and Extension of Mandatory Prepayment Date. The Borrower shall satisfy each of the Conditions to Conversion and cause the Conversion Date to occur on or before the Mandatory Prepayment Date, as further provided in the Construction Phase Financing Agreement. The failure to satisfy each of

the Conditions to Conversion on or before the Mandatory Prepayment Date shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2. Notice from Funding Lender's Calculation Final.

(a) Following satisfaction of all of the Conditions to Conversion, the Funding Lender shall deliver Written Notice to the Borrower, the Governmental Lender, and the Fiscal Agent of: (i) the Conversion Date, (ii) the amount of the Permanent Period Amount, (iii) any required prepayment of the Borrower Note (as described below in Section 3.3), and (iv) the amortization schedule to be attached as Schedule 1 to the Permanent Indenture, as applicable.

(b) The Funding Lender's calculation of the Permanent Period Amount and the amortization of the Borrower Loan shall be, in the absence of manifest error, conclusive and binding on all parties.

Section 3.3. Mandatory Prepayment of the Borrower Loan.

(a) If and to the extent provided in the Construction Funding Agreement, the Construction Phase Financing Agreement, or the Borrower Note, if the Permanent Period Amount is less than the Construction Phase Amount, the Funding Lender may in its sole discretion require the Borrower to make a partial prepayment of the Borrower Loan in an amount equal to the difference between the Construction Phase Amount and the Permanent Period Amount (a "Pre-Conversion Loan Equalization Payment").

(b) Any prepayment of the Borrower Loan required pursuant to Section 3.3(a) above shall be subject to a Prepayment Premium under certain circumstances as more particularly set forth in the Borrower Note.

Section 3.4. Release of Remaining Loan Proceeds. If and to the extent that the Permanent Period Amount is greater than the principal amount of the Borrower Loan which has previously been disbursed to the Borrower, the Funding Lender shall deliver Written Notice thereof to the Borrower on or before the Conversion Date. Within 10 Business Days after delivery of such notice, but in no event later than the Mandatory Prepayment Date, the Funding Lender shall disburse the proceeds of the Funding Loan to the Fiscal Agent for disbursement to the Borrower so that the aggregate principal amount of the Borrower Loan disbursed equals the Permanent Period Amount. Amounts so disbursed shall be applied to pay or reimburse previously incurred Qualified Project Costs in accordance with the Funding Loan Agreement and this Borrower Loan Agreement. At Conversion any Borrower Loan proceeds previously disbursed to the

Borrower in excess of the Permanent Period Amount shall be paid by the Borrower to the Fiscal Agent and applied as a partial prepayment of the Borrower Loan.

Section 3.5. Conversion; Funding Loan Documents and Permanent Bond Documents.

(a) Provided all Conditions to Conversion are satisfied, on the Conversion Date, (i) the outstanding Governmental Lender Note shall be amended and restated in its entirety by the Permanent Bonds, which will continue to be owned by Funding Lender; (ii) the outstanding Borrower Note shall be amended and restated in its entirety by the Permanent Borrower Note, (iii) the Funding Loan Agreement shall be amended and restated in its entirety by the Permanent Indenture; (iv) the Permanent Bonds shall be secured by the pledge under the Permanent Indenture, including payments under the Loan (as defined in the Permanent Indenture), together with the Permanent Credit Facility, which provides credit enhancement and liquidity support for the Permanent Bonds, delivered to The Bank of New York Mellon Trust Company, N.A., as trustee, by Fannie Mae, pursuant to the terms of a commitment between Fannie Mae and the Series Funding Lender, dated _____, 2025, and (vi) this Borrower Loan Agreement shall be amended and restated in its entirety by the Permanent Financing Agreement.

(b) The Governmental Lender and the Fiscal Agent agree to execute and deliver the Permanent Indenture, the Permanent Bonds, the Permanent Financing Agreement, and any other Permanent Bond Documents to be executed, assigned, or otherwise assumed as security for the Permanent Bonds in connection with the Conversion.

(c) On and after the Conversion Date, the Permanent Bonds shall mature on the Maturity Date, subject to earlier redemption as provided in the Permanent Indenture. The unpaid principal balance of the Permanent Bonds shall be paid on the dates and in the amounts set forth in Schedule 1 of the Permanent Indenture and the Permanent Borrower Note.

(d) In addition to satisfaction of the Conditions to Conversion, the Conversion shall be conditioned upon the delivery of the items set forth in Section 2.18 of the Permanent Indenture.

Section 3.6. No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change, or supersede the terms and provisions of the Borrower Note, the Security Instrument, the Funding Lender Documents, the Construction Phase Financing Agreement, or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Note, the Security Instrument, the Funding Lender Documents, the Construction Phase Financing Agreement, or the other Borrower Loan Documents, then the terms and provisions of the Borrower Note, the Security Instrument, the Funding Lender Documents,

the Construction Phase Financing Agreement, and the other Borrower Loan Documents shall control; provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.7. Determinations by the Funding Lender. In any instance where the Written Consent or the Written Approval of the Funding Lender may be given or is required, or where any determination, judgment, or decision is to be rendered by the Funding Lender under this Article III, including in connection with the Funding Lender Documents, the granting, withholding, or denial of such consent or approval and the rendering of such determination, judgment, or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion, except as otherwise provided herein or in any Borrower Loan Document.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. Borrower Representations. To induce the Governmental Lender, the Fiscal Agent and the Funding Lender to execute this Borrower Loan Agreement and to induce the Funding Lender to make Disbursements, the Borrower represents and warrants for the benefit of the Governmental Lender, the Fiscal Agent, and the Funding Lender, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and, subject to Section 4.2, shall survive the making of the Borrower Loan and will be complete and accurate, and deemed remade, except as otherwise noted through notice to the Funding Lender and approved by the Funding Lender Representative, as of the date of each Disbursement, and as of the Conversion Date in accordance with the terms and conditions of the Borrower Note.

Section 4.1.1. Organization; Special Purpose. The Borrower is a Florida limited liability company duly organized and in good standing under the laws of the State; has full legal right, power, and authority to enter into the Financing Documents to which it is a party; and to carry out and consummate all transactions contemplated by the Financing Documents to which it is a party, and by proper limited liability company action has duly authorized the execution, delivery, and performance of the Financing Documents to which it is a party. The Person executing the Financing Documents to which the Borrower is a party, in the name of and on behalf of the Manager, is fully authorized to execute the same. The Financing Documents to which the Borrower is a party have been duly authorized, executed, and delivered by the Borrower. The sole business of the Borrower is the ownership, management, and operation of the Development.

Section 4.1.2. Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Financing Documents to which the Borrower is a party will constitute the legal, valid, and binding

agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency, or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3. No Conflicts. The execution and delivery of the Financing Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated, and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Operating Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract, or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge, or encumbrance of any nature whatsoever (other than any lien created by the Borrower Loan Documents, including but not limited to the lien of the Security Instrument, and the Subordinate Debt Documents) upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge, or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Financing Documents, or the financial condition, assets, properties, or operations of the Borrower.

Section 4.1.4. Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to the Borrower for any Legal Action, before or by any court or federal, state, municipal, or other Governmental Authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened in writing, against or affecting the Borrower, the Manager, or the Guarantors, or their respective assets, properties, or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Financing Documents, upon the ability of each of the Borrower, Manager, and the Guarantors to perform their respective obligations under the Financing Documents to which it is a party, or upon the financial condition, assets (including the Development), properties, or operations of the Borrower, the Manager, or the Guarantors. None of the Borrower, the Manager, or the Guarantors are in default (and to the Borrower's knowledge no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation, or demand of any federal, state, municipal, or other Governmental Authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Financing Documents, the ability of each of the Borrower, the Manager, and the Guarantors to perform their respective obligations under the Financing Documents to which it is a party, or the financial

condition, assets, properties, or operations of the Borrower, the Manager, or the Guarantors. None of the Borrower, the Manager, or the Guarantors are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Development), condition (financial or otherwise), or prospects of the Borrower, the Manager, or the Guarantors, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Development), condition (financial or otherwise), or prospects of the Borrower, the Manager, or the Guarantors, as applicable; or (c) in default with respect to any agreement to which the Borrower, the Manager, or the Guarantors, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Development), condition (financial or otherwise), or prospects of the Borrower, the Manager, or the Guarantors, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting the Borrower, the Manager, or the Guarantors questioning the validity or the enforceability of the Financing Documents. All tax returns (federal, state, and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities, subject to any Permitted Encumbrances and the rights of tenants under the Permitted Leases.

Section 4.1.5. Agreements; Consents; Approvals.

(a) Except as contemplated by the Financing Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Development, or the Borrower's business, properties, operations, financial condition, or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance, or fulfillment of any of the obligations, covenants, or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Development is bound.

(b) No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Financing Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or

compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6. Title. The Borrower shall have marketable fee simple title to the Development free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the fee simple interest in the Land and Improvements constituting the Development and (b) perfected security interests in and to, and perfected collateral assignments of all personalty included in the Development (including the Permitted Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Development, nor are there any claims for payment for work, labor, or materials affecting the Development which are or may become a Lien prior to, or of equal priority with, the Liens created by the Financing Documents.

Section 4.1.7. Survey. To the best knowledge of the Borrower, the survey for the Development delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Development or the title thereto.

Section 4.1.8. No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "Bankruptcy Proceeding"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9. Full and Accurate Disclosure. No statement of fact made by the Borrower in any Financing Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Development or the business, operations, financial condition, or business prospects of the Borrower or the Borrower's ability to meet its obligations under the Financing Documents to which it is a party in a timely manner.

Section 4.1.10. No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101.

Section 4.1.11. Compliance. The Borrower, the Development, and the use thereof will comply, to the extent required, in all material respects, with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree, or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or the business prospects or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Development any act or omission affording any Governmental Authority the right of forfeiture as against the Development or any part thereof or any moneys paid in performance of the Borrower's obligations under any Financing Documents.

Section 4.1.12. Contracts. All service, maintenance, or repair contracts affecting the Development have been entered into at arm's length (except for such contracts between the Borrower and any Borrower Affiliate) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13. Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Development by or on behalf of the Borrower, to the best knowledge of the Borrower, (a) are accurate and complete in all material respects, as of their respective dates, (b) accurately represent the financial condition of the Development as of the date of such reports, and (c) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Financing Documents or the Operating Agreement, the Borrower has no contingent liabilities, unusual forward or long-term commitments, or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations, or business of the Borrower from that set forth in said financial statements.

Section 4.1.14. Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened, or pending with respect to all or part of the Development or for the relocation of roadways providing access to the Development.

Section 4.1.15. Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Financing Document.

Section 4.1.16. Utilities and Public Access. To the best of the Borrower's knowledge, the Development is or will be served by water, sewer, sanitary sewer, and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Development are or will be located in the public right-of-way abutting the Development, and all such utilities are or will be connected so as to serve the Development without passing over other property absent a valid easement. All roads necessary for the use of the Development for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Development does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Development and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (a) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (b) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (c) the Borrower's responsibilities and share of expenses are specified, and (d) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17. Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of Section 1445(f)(3) of the Code.

Section 4.1.18. Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19. Assessments. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Development, or any contemplated improvements to the Development that may result in such special or other assessments.

Section 4.1.20. Enforceability. The Financing Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim, or defense, including the defense of usury.

Section 4.1.21. Insurance. The Borrower has obtained the insurance required by the Financing Documents and has delivered to the Funding Lender copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in the Financing Documents.

Section 4.1.22. Use of Property; Licenses. The Development will be used exclusively as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the

Development. All certifications, permits, licenses, and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Development (collectively, the "Licenses") required at this time for the construction, as appropriate, and equipping of the Development have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Development and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer, or other disposition of the Development, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Development does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Development.

Section 4.1.23. Flood Zone. At Closing, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994, as amended, or as required by the Funding Lender pursuant to their respective underwriting guidelines.

Section 4.1.24. Physical Condition. The Development, including all Improvements, parking facilities, systems, fixtures, Equipment, and landscaping, are, or after completion of the construction, as appropriate, will be, in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Development, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Development is not in material violation of the ADA, if required under applicable law.

Section 4.1.25. Encroachments. All of the Improvements included in determining the appraised value of the Development will lie wholly within the boundaries and building restriction lines of the Development, and no improvement on an adjoining property encroaches upon the Development, and no easement or other encumbrance upon the Development encroaches upon any of the Improvements, so as to affect the value or marketability of the Development,

except those insured against by the Title Insurance Policy or disclosed in the survey of the Development as approved by the Funding Lender.

Section 4.1.26. State Law Requirements. The Borrower hereby represents, covenants, and agrees to comply with the provisions of all applicable State laws relating to the Borrower Loan , the Funding Loan , and the Development.

Section 4.1.27. Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes, or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Development to the Borrower have been or will be timely paid prior to becoming delinquent (or deposited with the Title Company for payment). All mortgage, mortgage recording, stamp, intangible, or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection, or enforcement of any of the Financing Documents have been or will be paid.

Section 4.1.28. Investment Company Act. The Borrower is not (a) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (b) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29. Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Financing Document with the actual intent to hinder, delay, or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Financing Documents. Giving effect to the transactions contemplated by the Financing Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Financing Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed, or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Financing Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Financing Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30. Ownership of the Borrower. Except as set forth in the Operating Agreement, the Borrower has no obligation to any Person to purchase, repurchase, or issue any ownership interest in the Borrower.

Except as otherwise disclosed in the Environmental Report, to the best of the Borrower's knowledge, the Development is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination, or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Environmental Indemnity and the Agreement of Environmental Indemnification on the Closing Date.

Section 4.1.32. Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender and the Governmental Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Development and such principal place of business.

Section 4.1.33. Subordinate Debt. There is no secured or unsecured indebtedness with respect to the Development or any residual interest therein, other than Permitted Encumbrances, the Subordinate Debt, the deferred Developer Fee, and any unsecured loans advanced by any partner of the Borrower, which are payable solely from cash flow as permitted in the Operating Agreement.

Section 4.1.34. Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state, and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state, and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35. General Tax. All representations, warranties, and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein. In the event of any conflict between the terms of this Borrower Loan Agreement and the requirements of the Tax Certificate, the Tax Certificate shall control.

Section 4.1.36. Approval of the Financing Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Financing Documents and agrees to carry out the responsibilities and duties specified in the Financing Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature

and structure of the transactions relating to the financing of the Development, (b) it is familiar with the provisions of all of the Financing Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Development, and (d) it has not relied on the Governmental Lender, the Fiscal Agent, or the Funding Lender for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Financing Documents or otherwise relied on the Governmental Lender, the Fiscal Agent, or the Funding Lender in any manner.

Section 4.1.37. Funding Loan Agreement. The Funding Loan Agreement has been submitted to the Borrower for its examination and the Borrower acknowledges, by execution of this Borrower Loan Agreement that it has reviewed the Funding Loan Agreement and it hereby approves and agrees to the bound by the Funding Loan Agreement to the extent applicable to the Borrower.

Section 4.1.38. Americans with Disabilities Act. The Development, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Development, including, but not limited to, the Americans with Disabilities Act of 1990 ("ADA"), to the extent required (as evidenced by an architect's certificate to such effect).

Section 4.1.39. Requirements of Act, Code, and Regulations. The Development satisfies all requirements of the Act, the Code, and the Regulations applicable to the Development.

Section 4.1.40. Regulatory Agreement. The Development is, as of the date of origination of the Borrower Loan , in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Development to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act, the Code, and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41. Intention to Hold Development. Except for any purchase option or right of first refusal rights set forth in the Operating Agreement, the Borrower intends to hold the Development for its own account and has no current plans, and has not entered into any agreement, to sell the Development or any part of it; and the Borrower intends to occupy the Development or cause the Development to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Development will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42. Concerning Manager.

(a) The Manager has all requisite power and authority, rights, and franchises to enter into and perform its obligations under the Financing Documents to be executed by the Manager for its own account and on behalf of the Borrower, as manager of the Borrower, under the Financing Documents.

(b) The Manager has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) of Manager.

(c) The Manager is a [_____], duly organized and validly existing under the laws of the State.

(d) The execution, delivery, and performance by the Borrower of the Financing Documents have been duly authorized by all necessary action of the Manager on behalf of Borrower, and by all necessary action on behalf of the Manager.

(e) The execution, delivery, and performance by the Manager, on behalf of Borrower, of the Financing Documents will not violate (i) the Manager's organizational documents; (ii) any other Legal Requirement affecting the Manager or any of its properties; or (iii) any agreement to which the Manager is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral, or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43. Government and Private Approvals. All such orders, consents, permits, authorizations, and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations, or approvals are required, and, once obtained, such orders, consents, permits, authorizations, and

approvals will be maintained in full force and effect at all times during the construction of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings, or registrations with respect to the Improvements, and no approvals, authorizations, or consents of any trustee or holder of any indebtedness or obligation of the Borrower, are required for the due execution, delivery, and performance by the Borrower or the Manager of any of the Financing Documents executed by the Borrower or the Manager, as applicable. All required zoning approvals have been obtained, and the zoning of the Development is not conditional upon the happening of any further event.

Section 4.1.44. Concerning Guarantors. The Financing Documents to which the Guarantors are a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by the Guarantors and are legally valid and binding obligations of the Guarantors, enforceable against the Guarantors in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting creditors' rights generally and by general principles of equity.

The Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses, except as pledged in the Financing Documents and the Subordinate Debt Documents. Section 5.12. Estoppel Statement. The Borrower shall furnish to the Fiscal Agent or the Funding Lender within 10 days after written request by the Funding Lender, with a statement, duly acknowledged and certified, setting forth, as applicable with respect to the Borrower Note, (a) the unpaid principal of the Borrower Note, (b) the applicable Interest Rate, (c) the date installments of interest and/or principal were last

paid, (d) any offsets or defenses to the payment of the Borrower Payment Obligations, and (e) that the Financing Documents to which the Borrower is a party are valid, legal, and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Fiscal Agent, within 30 days of a request by the Funding Lender or the Fiscal Agent, tenant estoppel certificates from each commercial tenant at the Development in form and substance reasonably satisfactory to the Funding Lender and the Fiscal Agent; provided that the Funding Lender and the Fiscal Agent shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Financing Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Financing Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Development or any part thereof, including eminent domain, code enforcement, or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums, and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Development to make repairs or take other action to protect the security of the Development, and payment, purchase, contest, or compromise of any encumbrance, charge, or lien which in the judgment of Funding Lender appears to be prior or superior to the Financing Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Financing Documents. In the event (a) that the Security Instrument is foreclosed in whole or in part or that any Financing Document is put into the hands of an attorney for collection, suit, action, or foreclosure, or (b) of the foreclosure of any mortgage, deed of trust, or deed to secure debt prior to or subsequent to the Security Instrument or any Financing Document in which proceeding the Funding Lender is made a party, or (c) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all expenses incurred by the Governmental Lender, the Fiscal Agent, and the Funding Lender in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, and the Funding Lender's attorneys,

environmental, engineering, and other consultants, and fees, charges, or taxes for the recording or filing of the Financing Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Fiscal Agent, and the Funding Lender in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Fiscal Agent, and the Funding Lender for all reasonable amounts expended, advanced, or incurred by the Governmental Lender, the Fiscal Agent, and the Funding Lender to collect the Borrower Note, or to enforce the rights of the Governmental Lender, the Fiscal Agent, the Fiscal Agent and the Funding Lender under this Borrower Loan Agreement or any other Financing Document, or to defend or assert the rights and claims of the Governmental Lender, the Fiscal Agent, and the Funding Lender under the Borrower Loan Documents and the Financing Documents arising out of an Event of Default or with respect to the Development (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Fiscal Agent, and the Funding Lender in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Fiscal Agent, and the Funding Lender, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Financing Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Fiscal Agent, or the Funding Lender, as the case may be, of any of its rights or remedies under the Financing Documents, including the acquisition of the Development by foreclosure or a conveyance in lieu of foreclosure. Any obligations of the Borrower to pay for environmental inspections or audits will be governed by the Security Instrument.

Section 5.15. Indemnity.

(a) The Borrower and the Manager (the "Indemnitors") each hereby releases the Governmental Lender, the Fiscal Agent, the Funding Lender, and their respective officers, directors, agents, officials, employees (and as to the Governmental Lender, members of its Board) and any person who controls the Governmental Lender, the Fiscal Agent (only in its capacity as Fiscal Agent and not for the benefit of the Governmental Lender), the Funding Lender, and covenants and agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Funding Lender, and their respective officers, governing commissioners, members, directors, officials, employees, attorneys and agents (collectively, the agents, officials (and as to the Governmental Lender, members of its Board), and any person who controls such party within the meaning of the Securities Act and employees and each of them (each an "Indemnified Party") from and against, any and all losses, claims, damages, demands, liabilities, and expenses (including, but not limited to, consequential and punitive damages),

(v) the carrying out by the Borrower of any of the transactions provided for in the Financing Documents;

(vi) the Fiscal Agent's acceptance or administration of the trusts created by the Funding Loan Agreement or the exercise of its powers or duties under the Funding Loan Agreement or under this Borrower Loan Agreement, the Regulatory Agreement, or any other agreements to which it is a party or otherwise in connection with the transactions provided for in the Financing Documents;

(vii) any and all claims arising in connection with the execution and delivery of the Funding Loan, including any participation therein as described in the Funding Loan Agreement, or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by the Borrower with respect to the Borrower or the Development in any offering document or materials regarding the Funding Loan, the Development, or the Borrower or the Tax Certificate which, at the time made, is misleading, untrue or incorrect in any material respect and

any untrue statement or alleged untrue statement of a material fact relating to the Borrower or the Development contained in any offering material relating to the sale of the Funding Loan , as from time to time amended or supplemented, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to the Borrower or the Development required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Funding Loan , or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Funding Loan could be sold and the carrying out by the Borrower of any of the transactions contemplated by the Financing Documents;

(viii) the Borrower's failure to comply with any requirement of this Borrower Loan Agreement, the Borrower Note, the Security Instrument, the Tax Certificate, or the Regulatory Agreement;

(ix) any act or omission of the Borrower or any of its agents, servants, employees, or licensees in connection with the Borrower Loan or the Development, including violation of any law, ordinance, court order, or regulation affecting the Development or any part of it or the ownership, occupancy, or use of it;

(x) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Development or arising out of any action or inaction of the Borrower, whether or not related to the Development, or resulting from or in any way connected with specified events, including the construction or management of the Development, the Funding Loan , or otherwise in connection with transactions contemplated or otherwise in connection with the Development or the execution or amendment of any document relating to the Development or the Funding Loan ;

(xi) the condition of the Development (environmental or otherwise) or any violation of law, ordinance, court order, or regulation affecting the Development or any part of it, or any environmental law, rule, or regulation with respect to, or the release of any hazardous materials from the Development or any part thereof;

(xii) taxes, charges, assessments, fees, excises, and levies imposed upon the Governmental Lender by reason of its interest in, or measured by amounts payable under, or the payment of which is a condition to the enforceability of, the Borrower Note, this Borrower Loan Agreement, the Security Instrument, or any other Financing Document, and any and all stamp taxes and other taxes required to be paid hereon or thereon;

(xiii) any and all claims arising in connection with the operation of the Development, or the conditions, environmental or otherwise, occupancy, use, possession, conduct, or management of work done in or about, or from the planning, design, acquisition, construction, or equipping of, the Development or any part of it, including, but not limited to, the American with Disabilities Act (as evidenced by an architect's certificate to such effect); and

(xiv) to the extent not mentioned in any of the preceding subsections of this Section 5.15(a), any cause whatsoever in connection with transactions provided for in this Borrower Loan Agreement and the other Financing Documents or otherwise in connection with the Development, the Funding Loan, or the execution or amendment of any document relating to the Development or the Funding Loan.

(b) This indemnification shall not be affected by any investigation by or on behalf of the Governmental Lender, the Fiscal Agent, the Funding Lender, or by any information the Governmental Lender, the Fiscal Agent, the Funding Lender, may have or obtain with respect thereto. This indemnification survives the closing of the Funding Loan on the Closing Date. This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses, or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim to the fullest extent permitted by law, except:

(i) in the case of the indemnification of the Funding Lender, the Fiscal Agent, or any of its Indemnified Parties, to the extent such damages are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the negligence or willful misconduct of such Indemnified Party; and

(ii) in the case of the foregoing indemnification of the Governmental Lender, indemnification shall be notwithstanding negligence on the part of the Governmental Lender, as the case may be, or their respective members, officers, agents, employees, and their successors and assigns.

(c) If any claim shall be made or any action shall be brought against the Indemnified Party in respect of which indemnity can be sought against the Borrower pursuant to this Section 5.15 or otherwise, the Indemnified Party shall promptly notify the Borrower in writing, and the Borrower shall promptly assume the defense of such claim or action, including the employment of counsel chosen by the Borrower and approved by the Indemnified Party, the payment of all expenses, and the right to negotiate a settlement with the consent and approval of the Indemnified Party; if the Borrower shall have failed to assume the defense of such action or to retain counsel reasonably satisfactory to the Indemnified Party

within a reasonable time after notice of the commencement of such action, the Borrower shall pay the reasonable fees and expenses of counsel retained by the Indemnified Party. If the Indemnified Party is advised in a written opinion of counsel that there may be legal defenses available to the Indemnified Party which are adverse to or in conflict with those available to the Borrower or that the defense of the Indemnified Party should be handled by separate counsel, the Borrower shall not have the right to assume the defense of the Indemnified Party, but shall be responsible for the reasonable fees and expenses of counsel retained by the Indemnified Party in assuming its own defense. Notwithstanding the foregoing, the Indemnified Party shall have the right to employ separate counsel with respect to any such claim or in any such action and to participate in the defense thereof, but the Indemnified Party shall pay the fees and expenses of such counsel unless the employment of such counsel has been specifically authorized by the Borrower or unless the provisions of the immediately preceding sentence are applicable. The Borrower shall not be liable for any settlement of any such action effected without the consent of the Borrower, but if such claim or action is settled with the consent of the Borrower, or if there is a final judgment for the plaintiff in any such action with or without consent, the Borrower agrees to indemnify and hold harmless the Indemnified Party from and against any loss, liability or expense by reason of such settlement or judgment.

(d) The Borrower shall also indemnify the Governmental Lender for all reasonable costs and expenses, including reasonable counsel fees, incurred in: (i) enforcing any obligation of the Borrower under this Borrower Loan Agreement or any related agreement, (ii) taking any action requested by the Borrower, (iii) taking any action required by this Borrower Loan Agreement or any related agreement, or (iv) taking any action considered necessary by the Governmental Lender and which is authorized by this Borrower Loan Agreement or any related agreement. If the Governmental Lender is to take any action under this Borrower Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, it will do so if and only if (1) the Governmental Lender is a necessary party to any such action or proceeding, and (2) the Governmental Lender has received specific written direction from the Borrower, as required under this Borrower Loan Agreement or under any other instrument executed in connection with this Borrower Loan Agreement, as to the action to be taken by the Governmental Lender.

(e) All amounts payable to the Governmental Lender under this Borrower Loan Agreement shall be deemed to be fees and expenses payable to the Governmental Lender for the purposes of the provisions of this Borrower Loan Agreement, and of the Funding Loan Agreement dealing with assignment of the Governmental Lender's rights under this Borrower Loan Agreement. The Governmental Lender's members, officers, agents, employees, and their successors and assigns shall not be liable to the Borrower for any reason.

(f) Any provision of this Borrower Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Governmental Lender retains the right to (i) enforce any applicable federal or State law or regulation or resolution of the Governmental Lender, and (ii) enforce any rights accorded to the Governmental Lender by federal or State law or regulation of the Governmental Lender, and nothing in this Borrower Loan Agreement shall be construed as an express or implied waiver thereof. The obligations of the Indemnitors under this Section 5.15 are joint and several, and the indemnifications provided by the Indemnitors shall survive the termination of this Borrower Loan Agreement and the satisfaction of the Borrower Note, and the resignation or removal of the Fiscal Agent.

(g) Notwithstanding any transfer of the Development to another owner, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Borrower Loan Agreement, the Regulatory Agreement, the Security Instrument, and the other Financing Documents for all matters occurring prior to the date of such transfer, and, as a condition to the release of the transferor on and after the transfer date, the transferee must assume the obligations of the Borrower under the Financing Documents, unless the Borrower Loan and all amounts due hereunder and under the other Financing Documents are paid before or contemporaneously with such transfer, on and after such transfer date and indemnify each Indemnified Party pursuant to this Section 5.15 for all matters arising on and after the date of such transfer. The Indemnified Party's rights under this Section 5.15 shall survive the payment or prepayment of the Funding Loan and the termination of this Borrower Loan Agreement.

(h) The indemnification provided in this Section 5.15 shall survive the termination of this Borrower Loan Agreement or in any other documents executed and delivered in connection with the Funding Loan and the making of the Borrower Loan .

(i) Notwithstanding any transfer of the Development to another owner in accordance with the provisions of this Borrower Loan Agreement and the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer unless (i) such subsequent owner assumed in writing at the time of such transfer all obligations of Borrower under this Section 5.15 (including obligations under this Section 5.15 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer) and (ii) any such transfer is in compliance with the requirements of the Financing Documents.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. None of the Governmental Lender and the

Funding Lender makes any warranty, either express or implied, as to the condition of the Development or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Development. The Borrower agrees that the Governmental Lender, the Fiscal Agent, the Funding Lender, and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable prior written notice and subject to the rights of residential tenants to enter onto the Land (a) to examine, test, and inspect the Development without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Development made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Fiscal Agent, the Funding Lender, the Construction Consultant, and their duly authorized agents, attorneys, accountants, and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable prior written notice during business hours, to examine the books and records of the Borrower with respect to the Development. Such examination, absent and Event of Default existing hereunder, shall not be requested more than once annually, subject in all respects to the terms and conditions of the Financing Documents.

Section 5.18. Notice of Default. The Borrower will advise the Governmental Lender, the Fiscal Agent, the Governmental Lender Servicer, and the Funding Lender promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being take or proposed to be taken with respect thereto.

Section 5.19. Covenant With Governmental Lender, Fiscal Agent, and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Borrower Note or the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Fiscal Agent, the Funding Lender, and any lawful owner, holder, or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

Section 5.20. Obligation of the Borrower to Construct the Development. The Borrower shall proceed with reasonable dispatch to construct, as appropriate, and equip the Development. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower and Deferred Developer Fees are not sufficient to pay the costs of such construction, as the case may be, and equipping of the Development, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, or the Funding Lender in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent, or the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Development is not completed or if the

proceeds of the Borrower Loan are insufficient to pay all costs of the Development. The Governmental Lender, the Fiscal Agent, and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Development, and the Governmental Lender, the Fiscal Agent, and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Development is not completed.

Section 5.21. Maintenance of Insurance. The Borrower will obtain and maintain insurance with respect to the Development and the operations of the Borrower as set forth in the Security Instrument.

Section 5.22. Information; Statements and Reports. The Borrower shall furnish or cause to be furnished to the Funding Lender and, upon written request, the Governmental Lender:

(e) **Notices; Certificates or Communications.** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Development or to the Borrower or the Manager

(i) Pursuant to Florida Statutes, Section 119.0701(2), the Borrower may be required to comply with public records laws, and if required to, specifically:

- (a) Keep and maintain public records (as defined in Florida Statutes, Section 119.011) that ordinarily and necessarily would be required by the Governmental Lender in order to perform the service.
- (b) Provide the public with access to public records on the same terms and conditions that the Governmental Lender would provide the records and at a cost that does not

exceed the cost provided by Florida Statutes, Chapter 119, or as otherwise provided by law.

The Borrower will provide any requested records to the Governmental Lender to enable the Governmental Lender to respond to the public records request.

Any material submitted to the Governmental Lender that the Borrower contends constitutes or contains trade secrets or is otherwise exempt from production under Florida public records laws (including Chapter 119, Florida Statutes) ("Trade Secret Materials") must be separately submitted and conspicuously labeled "EXEMPT FROM PUBLIC RECORD PRODUCTION – TRADE SECRET." In addition, the Borrower must, simultaneous with the submission of any Trade Secret Materials, provide a sworn affidavit from a person with personal knowledge attesting that the Trade Secret Materials constitute trade secrets under Section 688.002, Florida Statutes, and stating the factual basis for same. If a third party submits a request to the Governmental Lender for records designated by the Borrower as Trade Secret Materials, the Governmental Lender shall refrain from disclosing the Trade Secret Materials, unless otherwise ordered by a court of competent jurisdiction or authorized in writing by the Borrower. The Borrower shall indemnify and defend the Governmental Lender and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys' fees, litigation expenses, and court costs, relating to the nondisclosure of any Trade Secret Materials in response to a records request by a third party.

(i) The Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without the Funding Lender's prior Written Consent if:

(1) the lease is a Permitted Lease;

(2) the Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

the lease reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, the Funding Lender may make written demand on the Borrower to submit all future leases for the Funding Lender's approval prior to

execution. The Borrower shall comply with any such demand by the Funding Lender.

(iii) No approval of any lease by the Funding Lender shall be for any purpose other than to protect the Funding Lender's security for the Borrower Loan and to preserve the Funding Lender's rights under the Financing Documents. No approval by the Funding Lender shall result in a waiver of any default of the Borrower. In no event shall any approval by the Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) Landlord's Obligations. The Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Development or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with the Property Manager, the Borrower shall not without the approval of the Funding Lender enter into any leasing or marketing agreement and the Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to the Funding Lender, the Borrower will furnish to the Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to the Funding Lender and consents to such assignments where required by the Funding Lender, all in form and substance acceptable to the Funding Lender. Neither the Borrower nor the Manager has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to the Funding Lender and the lenders of the Subordinate Debt.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Note, the Borrower will (a) duly and punctually pay or cause to be paid all principal of and interest on any Debt of the Borrower as and when the same become due on or before the due date; (b) comply with and perform all conditions, terms, and obligations of other instruments or agreements evidencing or securing such Debt; (c) promptly inform the Funding Lender of any default, or anticipated default, under any such note, agreement, or instrument; and (iv) forward to the Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, or instrument, including Liens encumbering the Development, or any portion

thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. The Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32. Patriot Act Compliance.

(a) The Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of the Governmental Authorities having jurisdiction over the Borrower and/or the Development, including those relating to money laundering and terrorism. The Funding Lender shall have the right to audit the Borrower's compliance with the Patriot Act and all applicable requirements of the Governmental Authorities having jurisdiction over the Borrower and/or the Development, including those relating to money laundering and terrorism. In the event that the Borrower fails to comply with the Patriot Act or any such requirements of the Governmental Authorities, then the Funding Lender may, at its option, cause the Borrower to comply therewith and any and all costs and expenses incurred by the Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

(b) The Borrower covenants that it shall comply with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos, and economic sanctions, now or hereafter in effect. Without limiting the foregoing, the Borrower shall not take any action, or permit any action to be taken, that would cause the Borrower's representations and warranties in Section 4.1.48 and this Section 5.32 to become untrue or inaccurate at any time during the term of the Funding Loan . Upon any Beneficiary Party's request from time to time during the term of the Funding Loan , the Borrower shall certify in writing to such Beneficiary Party that the Borrower's representations, warranties, and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, the Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos, and economic sanctions, now or hereafter in effect, during the term of the Funding Loan . The Borrower shall immediately notify the Funding Lender in writing of (i) the Borrower's actual knowledge that any of such representations, warranties, or covenants are no longer true and have been breached, (ii) the Borrower has a reasonable basis to believe that they may no longer be true and have been breached, or (iii) the Borrower becomes the subject of an investigation by the Governmental Authorities related to money laundering, anti-terrorism, trade embargos, and economic sanctions. The Borrower shall also reimburse the Funding Lender for any expense incurred by the Funding Lender in evaluating the effect of an investigation by the Governmental Authorities on the

Funding Loan and the Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from the Governmental Authorities as may be necessary for the Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of the Funding Lender relating to money laundering, anti-terrorism, trade embargos, and economic sanctions, now or hereafter in effect applicable to the Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon the Funding Lender as a result thereof.

Section 5.33. Funds from Equity Investor. The Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Operating Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants, and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument, and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations, or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan, or affecting the Development. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or Tax Certificate. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will be solely for the Development and at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended

shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of 2% of the proceeds of the Funding Loan , within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan .

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than 25% of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land by an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land by an interest therein to be used for farming purposes.

(v) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan .

(vi) Limitation of Project Expenditures. No obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction, as the case may be, or equipping of the Development was paid or incurred prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Development on September 16, 2022, except for permissible "preliminary expenditures" not in excess of 20% of the aggregate issue price of the Funding Loan , which include architectural, engineering surveying, soil testing, reimbursement bond issuance, and similar costs (other than land acquisition, site preparation, and similar costs incident to commencement of construction) incurred prior to the commencement of acquisition or construction or acquisition of the Development.

(vii) Qualified Costs. The Borrower hereby represents, covenants, and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (1) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (2) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Tax-Exempt Funding Loan shall be deemed allocated on a pro rata basis to each building in the Development and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Tax-Exempt Funding Loan for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant, and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other Borrower Affiliate, or the holders or payees of the Funding Loan and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant, and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Note does not exceed 120% of the average reasonably expected economic life of the Development to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the net proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the Closing Date for the Funding Loan or (ii) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Funding Loan, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the payment date of an equal principal amount of the Funding Loan,

unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of Section 148 of the Code and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than 45 days after the fifth anniversary of the Closing Date and each five years thereafter and not later than 45 days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments, and written information requested by Tax Counsel, and all such documents, instruments, and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Development will be operated as a "qualified residential rental project" within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously

during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) Funding Loan Not a Hedge Bond. The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section 5.34, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used in a manner that deviates in any substantial degree from the Development described in the written notice of a public hearing regarding the Governmental Lender Note.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Development. The Borrower hereby represents, covenants, and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 may not be amended, changed, modified, altered, or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender, the Fiscal Agent, and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Note to remain excludable from

gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion to the effect that such proposed amendment will not adversely impact the excludability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender, and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver, and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver, and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34. The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that after the Conversion Date, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase or own interests in the Funding Loan in an amount related to the amount of the tax-exempt Borrower Loan .

(n) Compliance With Tax Certificate. In furtherance of the covenants in this Section 5.34, the Borrower shall execute, deliver, and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Borrower Loan Agreement and made a part of this Borrower Loan Agreement as if set forth in this Borrower Loan Agreement in full. In the event of a conflict between the terms of this Borrower Loan Agreement and the Tax Certificate, the terms of the Tax Certificate shall control.

Section 5.35. Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Fiscal Agent, with a copy to the Governmental Lender and the Funding Lender, within 55 days after each Computation Date:

(1) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(2) (A) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (B) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(3) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(1) or (2) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender, or the Funding Lender), the Borrower shall (1) pay to the Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Fiscal Agent an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Tax-Exempt Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under the Funding Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Tax-Exempt Funding Loan are retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant, and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender, or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Fiscal Agent shall establish under the Funding Loan Agreement and hold a separate fund designated as the "Rebate Fund." The Fiscal Agent shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund, and the Fiscal Agent shall advise the Governmental Lender and the Funding Lender in writing of the date and amount of any payment so made.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue

Service forms (such forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms, and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Fiscal Agent, the Funding Lender, or the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender, the Fiscal Agent, and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender, the Fiscal Agent, and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender and the Fiscal Agent.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Subordinate Debt Loan. The Borrower shall comply in all respects with all of the covenants contained in the Subordinate Debt Documents. The Borrower shall deliver to Funding Lender for its prior written approval all requests for proceeds of the Subordinate Debt, together with copies of any other forms for construction-related or non-construction-related disbursements submitted by Borrower in

connection with the Subordinate Debt. Under no circumstances shall a Subordinate Lender's consent or approval be required as a condition to a Disbursement.

ARTICLE VI

Maintain, sponsor, contribute to, or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.12. No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for, or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap, or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13. Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of the Funding Lender in each instance, the Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) other than as contemplated in the Operating Agreement, repurchase, redeem, or otherwise acquire any interest in the Borrower, any Borrower Affiliate, or any other Person owning an interest, directly or indirectly, in the Borrower, or make any distribution, in cash or in kind, in respect of interests in the Borrower, any Borrower Affiliate, or any other Person owning an interest, directly or indirectly, in the Borrower (except to the extent permitted by the Security Instrument and subject to the limitations set forth in Section 5.27 hereof).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction, as the case may be, of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retention. Except as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any "deferred Developer Fees" shall be made prior to the Conversion Date other than in accordance with the Funding Lender Documents.

Section 6.14. Amendment of Related Documents or CC&R's. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Funding Lender Documents, the Borrower shall not enter into or consent to any

material amendment, termination, material modification, or other alteration of any of the Related Documents or the CC&R's (including, without limitation, those contained in this Borrower Loan Agreement, any Architect's Agreement or Engineer's Contract, any Construction Contract, and any Management Agreement, but excluding the Operating Agreement, which is covered by Section 6.10 hereof), or any assignment, transfer, pledge, or hypothecation of any of its rights thereunder, if any.

Section 6.15. Personal Property. The Borrower shall not install materials, personal property, equipment, or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than the Borrower to remove or repossess any such materials, equipment, or fixtures, or whereby title to any of the same is not completely vested in the Borrower at the time of installation, without the Funding Lender's prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16. Fiscal Year. Without the Funding Lender' Written Consent, which shall not be unreasonably withheld, neither the Borrower nor the Manager shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

Section 6.17. Publicity. Neither the Borrower nor the Manager shall issue any publicity release or other communication to any print, broadcast, or on-line media, post any sign or in any other way identify the Funding Lender or any of its Affiliates as the source of the financing provided for herein, without the prior written approval of the Funding Lender in each instance (provided that nothing herein shall prevent the Borrower or the Manager from identifying the Funding Lender or its Affiliates as the source of such financing to the extent that the Borrower or the Manager are required to do so by disclosure requirements applicable to publicly held companies). The Borrower and the Manager agree that no sign shall be posted on the Development in connection with the construction, as the case may be, of the Improvements unless such sign identifies Chase, as applicable, and their respective affiliates as the source of the financing provided for herein or Chase as applicable, consent to not being identified on any such sign.

Section 6.18. Subordinate Debt Documents. Without the Funding Lender' prior Written Consent, the Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge, or hypothecate any of its rights or remedies under the Subordinate Debt Documents.

(o) the construction of the Improvements is abandoned or halted prior to completion for any period of 30 consecutive days, provided that such cessation of construction, as the case may be, shall not constitute an Event of Default if (i) such cessation of construction, as the case may be, shall have been caused by conditions beyond the control of the Borrower, including, without limitation, acts of God or the elements, fire, strikes, and disruption of shipping; (ii) the Borrower shall have made adequate provision, reasonably acceptable to the Funding Lender, for the protection of materials stored on-site or off-site and for the protection of the Improvements to the extent then constructed against deterioration and against

other loss or damage or theft; (iii) the Borrower shall furnish to the Funding Lender satisfactory evidence that such cessation of construction will not adversely affect or interfere with the rights of the Borrower under labor and materials contracts or subcontracts relating to the construction or operation of the Improvements; and (iv) the Borrower shall furnish to the Funding Lender satisfactory evidence that the completion of the construction of the Improvements can be accomplished by the Completion Date;

(p) the Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Development orders or requires that construction, as the case may be, of the Improvements be stopped, in whole or in part, or that any required approval, license, or permit be withdrawn or suspended, and the order, requirement, withdrawal, or suspension remains in effect for a period of 30 days;

(q) failure by the Borrower to complete the construction, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the completion of the Project;

(r) failure by the Borrower to satisfy the Conditions to Conversion on or before the Mandatory Prepayment Date;

(s) failure by any Subordinate Lender to disburse the proceeds of its Subordinate Debt in approximately such amounts and at approximately such times as set forth in the Cost Breakdown and in the Subordinate Debt Documents or as otherwise requested by Borrower and approved by Funding Lender;

(t) an "Event of Default" or "Default" (as defined in the applicable agreement) shall occur under any of the Subordinate Debt Documents, after the expiration of all applicable notice and cure periods set forth therein;

(u) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, which continues for a period of 30 days after written notice of such failure by Funding Lender to the Borrower (with a copy to the Governmental Lender and Equity Investor); provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such 30 day period, and the Borrower shall have commenced to cure such failure within such 30 day period and thereafter diligently and expeditiously proceeds to cure the same, such 30 day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed 90 days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of

the Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1. Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f), or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Financing Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Development, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Note pro rata based on the principal amount then outstanding of each Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender' sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f), or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Financing Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2. Remedies Cumulative.

(a) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges, and other remedies available to the Funding Lender or the Fiscal Agent against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender or the Fiscal Agent, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together, or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity, or contract or as set forth in the Borrower Loan Documents. Without limiting the generality

of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies, or privileges provided to the Funding Lender shall remain in full force and effect until it has exhausted all of its remedies, the Security Instrument has been foreclosed, the Development has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations have been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Development for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Development or any part thereof, in its absolute discretion.

(b) Notwithstanding any provision herein to the contrary or in any other Financing document, the Governmental Lender, the Fiscal Agent, and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3. **Delay.** No delay or omission to exercise any remedy, right, or power, accruing upon an Event of Default, or the granting of any indulgence or compromise by the Governmental Lender, the Funding Lender, or the Fiscal Agent shall impair any such remedy, right, or power hereunder or be construed as a waiver thereof, but any such remedy, right, or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right, or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender, and the Fiscal Agent reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Development, the rents, the funds, or any other collateral.

Section 8.2.4. **Set Off; Waiver of Set Off.** Upon the occurrence of an Event of Default, the Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender, the Governmental Lender, or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other Financing Documents, irrespective of whether or not the Funding Lender or the Fiscal Agent shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and the Borrower hereby grants to the Governmental Lender, the Fiscal Agent, and the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt

evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of the Borrower.

Section 8.2.5. Assumption of Obligations. In the event that the Funding Lender, the Fiscal Agent, or the assignee or designee of either shall become the legal or beneficial owner of the Development by foreclosure or deed in lieu of foreclosure, such party may, at its election, succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Financing Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6. Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes, and other documents evidencing the Borrower's accounts, accounts receivable, and other claims for payment of money, arising in connection with the Development, and to make direct collections on such accounts, accounts receivable, and claims for the benefit of Funding Lender.

Section 8.2.7. Defaults under Other Documents. The Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Debt Documents, but shall have no obligation to do so.

Section 8.2.8. Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Financing Documents, the Funding Lender's obligation to make further Disbursements shall abate (a) during the continuance of any Potential Default, (ii) after any disclosure to the Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of the Borrower to fail to be true and correct in all material respects, unless and until the Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance, and (iii) upon the occurrence of any Event of Default.

Section 8.2.9. Completion of Improvements. Upon the occurrence of any Event of Default, the Funding Lender shall have the right to cause an independent contractor selected by the Funding Lender to enter into possession of the Development and to perform any and all work and labor necessary for the completion of the Development substantially in accordance with the Plans and Specifications, if any, and to perform the Borrower's obligations under this Borrower Loan Agreement. All sums expended by the Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by the Borrower and shall be secured by the Security Documents.

Section 8.2.10. Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms, and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11. Power of Attorney.

(a) Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, the Borrower hereby constitutes and appoints the Funding Lender, or an independent contractor selected by the Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Development and performance of the Borrower's obligations under this Borrower Loan Agreement in the name of the Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(i) to use any of the funds of the Borrower or the Manager, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for the Borrower (including all funds in all deposit accounts in which the Borrower has granted to the Funding Lender a security interest), for the purpose of effecting completion of the construction, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(ii) to make such additions, changes, and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Development in substantially the manner contemplated by the Plans and Specifications;

(iii) to employ any contractors, subcontractors, agents, architects, and inspectors required for said purposes;

(iv) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(v) to pay, settle, or compromise all existing bills and claims which are or may be liens against the Development or the Improvements, or may be necessary or desirable for the completion of the construction as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(vi) to execute all applications and certificates in the name of the Borrower, which may be required by any other construction contract;

(vii) to prosecute and defend all actions or proceedings in connection with the Development and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction, as the case may be, of the Improvements, which the Borrower might do on its own behalf;

(viii) to let new or additional contracts to the extent not prohibited by their existing contracts;

(ix) to employ watchmen and erect security fences to protect the Development from injury; and

(x) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

(b) It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Development and assume the obligations identified above, and the Borrower Note, the Borrower Loan, and the other Financing Documents remain outstanding.

Section 8.3. Mortgage Assignment Event and Mortgage Assignment.

(a) Notwithstanding anything herein to the contrary, the failure of the Governmental Lender to pay the outstanding amount of the Governmental Notes in full on the Maturity Date as a result of a failure by the Borrower to pay the outstanding amount of the Borrower Note in full on the Maturity Date shall not

constitute an Event of Default under the Governmental Notes or the Funding Loan Agreement but instead shall constitute a Mortgage Assignment Event.

(b) Upon the occurrence of a Mortgage Assignment Event, the Borrower's obligations and the Governmental Lender's and the Funding Lender's rights and remedies under this Borrower Loan Agreement, the Borrower Note, and other Financing Documents (including, without limitation, the Regulatory Agreement) shall continue in full force and effect pursuant to the terms hereof and thereof, respectively. For the avoidance of doubt, a failure of the Borrower to pay the amounts due pursuant to the Borrower Note on the Maturity Date shall constitute an Event of Default hereunder and all remedies hereunder and under the other Financing Documents will be available to the Funding Lender pursuant to the terms hereof and thereof, respectively; provided, however, that, the exercise of any such remedies under this Borrower Loan Agreement or any of the other Financing Documents shall in no event occur prior to the completion of the Mortgage Assignment pursuant to the terms and conditions of the Funding Loan Agreement. Notwithstanding the foregoing, the Funding Lender may, prior to the completion of the Mortgage Assignment, but without exercising any of its rights or remedies under this Borrower Loan Agreement or the other Financing Documents, make protective advances or take emergency action commercially reasonable for the purpose of preserving and protecting the Security, or any portion thereof, if and only to the extent that the Borrower has failed to, will not or cannot meet its related obligations under the Financing Documents.

(c) Notwithstanding anything to the contrary contained herein, upon the occurrence of a Mortgage Assignment, all rights of the Governmental Lender and Fiscal Agent will be vested in the Funding Lender by virtue of the Mortgage Assignment; provided, however, terms defined in the Funding Loan Agreement that are not otherwise defined herein shall continue to have the meaning assigned to such terms in the Funding Loan Agreement.

Section 10.1. Notices.

(a) All notices, consents, approvals, and requests required or permitted hereunder or under any other Financing Documents (a "Notice") shall be deemed to be given and made when delivered by hand, by recognized overnight delivery service, confirmed facsimile transmission (provided any telecopy or other electronic transmission received by any party after 4:00 p.m., local time, as evidenced by the time shown on such transmission, shall be deemed to have been

received the following Business Day), or five calendar days after deposited in the United States mail, registered or certified, postage prepaid, with return receipt requested, addressed to the appropriate party at the addresses set forth in Section 12.1 of the Funding Loan Agreement.

(b) Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties as provided herein.

(c) The Fiscal Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Borrower Loan Agreement and delivered using Electronic Means; provided, however, that Borrower, the Governmental Lender or and such other party giving such instruction (the "Sender") shall provide to the Fiscal Agent an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Sender whenever a person is to be added or deleted from the listing. "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords, and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder. If the Sender elects to give the Fiscal Agent Instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The Borrower, the Governmental Lender, and any other Sender understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. Each Sender shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Fiscal Agent and that the Sender and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Sender. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Sender agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Sender for use by the Borrower, the Governmental Lender, and any other Sender; (iii) that the security procedures (if any) to be

followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents, or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs, and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations, and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the assignment of the Borrower Note to the Fiscal Agent and the further assignment of the Borrower Note to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors, and assigns of the Governmental Lender, the Fiscal Agent, and the Funding Lender.

Section 10.4. Preferences. The Governmental Lender, acting solely at the direction of Funding Lender, shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender, the Fiscal Agent, or the Funding Lender, or the Governmental Lender, the Fiscal Agent, or the Funding Lender receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver, or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Funding Lender.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Fiscal Agent except with respect to matters for which this Borrower Loan Agreement or any other Financing Document specifically and expressly provides for the giving of notice by the Funding Lender or the Fiscal Agent, as the case may be, to the Borrower and except with respect

to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Fiscal Agent or the Funding Lender, as the case may be, with respect to any matter for which no Financing Document specifically and expressly provides for the giving of notice by the Fiscal Agent or the Funding Lender to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender, the Fiscal Agent, or the Governmental Lender with respect to a Borrower Loan Payment. Any assignee of Funding Lender', the Governmental Lender's, or the Fiscal Agent's interest in and to the Financing Documents shall take the same free and clear of all offsets, counterclaims, or defenses that are unrelated to the Financing Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim, or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim, or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender' participation in the making of the Borrower Loan. All news releases, publicity or advertising by the Borrower or the Borrower Affiliates through any media intended to reach the general public, which refers to the Financing Documents, the Borrower Loan or the Funding Lender, shall be subject to the prior Written Consent of the Funding Lender.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Financing Documents and that the Financing Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Financing Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent, and the Borrower and nothing contained in any Financing Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, and the other Financing Documents and all the Funding Lender' or Fiscal Agent's rights, title, obligations, and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in their sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, subject in any event to the provisions of Section 2.5 and Section 2.6 of the Funding Loan Agreement.

Upon such assignment, all references to Funding Lender or the Fiscal Agent, as appropriate, in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of the Funding Lender or the Fiscal Agent, as appropriate, in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by the Funding Lender or the Fiscal Agent, as appropriate, before such assignment. In connection with any proposed assignment, the Funding Lender or the Fiscal Agent, as appropriate, may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to the Funding Lender or the Fiscal Agent, as appropriate, with reference to the Borrower, the Manager, the Guarantors, or any Borrower Affiliate, or the Development, including information that the Borrower is required to deliver to the Funding Lender or the Fiscal Agent, as appropriate, pursuant to this Borrower Loan Agreement. The Borrower may not assign its rights, interests, or obligations under this Borrower Loan Agreement or under any of the Financing Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted under the Borrower Loan Documents.

Section 10.11. Governmental Lender, Fiscal Agent, and Funding Lender Not in Control of Borrower; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Fiscal Agent, or the Funding Lender the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Fiscal Agent, and the Funding Lender being limited to the rights to exercise the remedies referred to in the Financing Documents. The relationship between the Borrower and the Governmental Lender, the Fiscal Agent, and the Funding Lender is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Financing Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency, or common interest in profits or income between the Borrower and the Governmental Lender, the Fiscal Agent, or the Funding Lender or to create an equity interest in the Development in the Governmental Lender, the Fiscal Agent, or the Funding Lender. Neither the Governmental Lender, the Fiscal Agent, nor the Funding Lender undertake or assume any responsibility or duty to the Borrower or to any other person with respect to the Development or the Borrower Loan , except as expressly provided in the Financing Documents; and notwithstanding any other provision of the Financing Documents: (a) the Governmental Lender, the Fiscal Agent, and the Funding Lender are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person, or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Fiscal Agent, and the Funding Lender do not intend to ever assume such status; (b) the Governmental Lender, the Fiscal Agent, and the Funding Lender shall in no event be liable for any of the Borrower Payment Obligations, expenses, or losses incurred or sustained by the Borrower; and (c) the Governmental Lender, the Fiscal Agent, and the Funding Lender shall not be deemed responsible for or a participant in

any acts, omissions, or decisions of the Borrower, the Borrower Controlling Entities, or its stockholders, members, or partners. The Governmental Lender, the Fiscal Agent, and the Funding Lender and the Borrower disclaim any intention to create any partnership, joint venture, agency, or common interest in profits or income between the Governmental Lender, the Funding Lender, the Fiscal Agent, and the Borrower, or to create an equity interest in the Development in the Governmental Lender, the Fiscal Agent, or the Funding Lender, or any sharing of liabilities, losses, costs, or expenses.

Section 10.12. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Financing Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.13. Term of the Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full, the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11, 5.14, 5.15, 9.1.4, 9.1.5, 9.1.6, and 10.14 hereof, Section 7.03 of the Construction Disbursement and Permanent Loan Covenant Agreement, and Section 14.1 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.14. Reimbursement of Expenses.

(a) If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Fiscal Agent, or the Funding Lender shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Fiscal Agent, and the Funding Lender for fees of such attorneys and such other expenses so incurred.

(b) The Borrower's obligation to pay the amounts required to be paid under this Section 10.14 shall be subordinate to its obligations to make payments under the Borrower Note.

Section 10.15. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, the Borrower shall have the right to contest or object in good faith to any claim, demand, levy, or assessment (other than in respect of Debt or Contractual Obligations of the Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to the rights of the Governmental Lender, the Funding Lender, or the Fiscal Agent, but this shall not be deemed or construed as in any way relieving, modifying, or providing any extension of time with respect to the Borrower's covenant to pay and comply with any such claim, demand, levy, or assessment, unless the Borrower shall have given prior

Written Notice to the Governmental Lender and the Funding Lender of the Borrower's intent to so contest or object thereto, and unless (a) the Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (b) the Borrower pays when due any portion of the claim, demand, levy, or assessment to which the Borrower does not object, (c) the Borrower demonstrates to the Funding Lender' reasonable satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (d) the Borrower furnishes such bond, surety, undertaking, or other security in connection therewith as required by law, or as requested by and satisfactory to the Funding Lender, to stay such proceeding, which bond, surety, undertaking, or other security shall be issued by a bonding company, insurer, or surety company reasonably satisfactory to the Funding Lender and shall be sufficient to cause the claim, demand, levy, or assessment to be insured against by the Title Company or removed as a lien against the Development, (e) the Borrower at all times prosecutes the contest with due diligence, and (f) the Borrower pays, promptly following a determination of the amount of such claim, demand, levy, or assessment due and owing by the Borrower, the amount so determined to be due and owing by the Borrower. In the event that the Borrower does not make, promptly following a nonappealable determination of the amount of such claim, demand, levy, or assessment due and owing by the Borrower, any payment required to be made pursuant to clause (d) of the preceding sentence, an Event of Default shall have occurred, and the Funding Lender may draw or realize upon any bond or other security delivered to the Funding Lender in connection with the contest by the Borrower, in order to make such payment.

Section 10.16. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals, and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to Written Approval by the Funding Lender. The Funding Lender's Written Approval of any matter in connection with the Development shall be for the sole purpose of protecting the security and rights of the Funding Lender. No such Written Approval shall result in a waiver of any default of the Borrower. In no event shall the Funding Lender' Written Approval be a representation of any kind with regard to the matter being approved.

Section 10.17. Funding Lender or Governmental Lender Determination of Facts. The Funding Lender or the Governmental Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.18. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th, or 31st day of any Calendar Month, if the Calendar Month

in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.19. Determinations by Governmental Lender and/or Funding Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the Written Consent or Written Approval of the Governmental Lender and the Funding Lender or the Funding Lender Representative may be given or is required, or where any determination, judgment, or decision is to be rendered by the Governmental Lender and the Funding Lender or the Funding Lender Representative under this Borrower Loan Agreement, the granting, withholding, or denial of such consent or approval and the rendering of such determination, judgment, or decision shall be made or exercised by the Governmental Lender and the Funding Lender or the Funding Lender Representative, as applicable (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion.

Section 10.20. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.21. Consent to Jurisdiction and Venue. The Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement or the Borrower Note shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. The Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence, or otherwise. However, nothing herein is intended to limit the Beneficiary Parties' right to bring any suit, action, or proceeding relating to matters arising under this Borrower Loan Agreement against the Borrower or any of the Borrower's assets in any court of any other jurisdiction.

Section 10.22. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest, and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest, and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.23. Severability. The invalidity, illegality, or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality, or

enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.24. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified, or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event the Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.25. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.26. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.27. Servicer. The Borrower hereby acknowledges and agrees that, pursuant to the terms of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to give and to receive notices under the Borrower Note, this Borrower Loan Agreement, or the other Financing Documents, and to otherwise service the Borrower Loan and (b) unless the Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.28. Beneficiary Parties as Third-Party Beneficiary. Each of the Beneficiary Parties shall be a third-party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.29. Waiver of Trial by Jury. IF AND TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER, THE FISCAL AGENT, AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO

TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL. IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, ALL DISPUTES WILL BE RESOLVED BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

Section 10.30. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.31. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of June 1, 2025, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

Section 11.2. Limitation on Liability of Governmental Lender.

(a) The Governmental Lender shall not be obligated to pay the principal of, Prepayment Premium, if any, or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent or the Funding Lender on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement. Any obligation or liability of the Governmental Lender created by or arising out of this Borrower Loan Agreement (including, without limitation, any liability created by or arising out of the representations, warranties, or covenants set forth herein or otherwise) shall not impose a debt or pecuniary liability upon the Governmental Lender or a charge upon its general credit, but shall be payable solely out of the moneys due and to become due under the Financing Documents (and not from any moneys due or to become due to the Governmental Lender pursuant to the Unassigned Rights). Neither the issuance of the Funding Loan nor the delivery of this Borrower Loan Agreement shall, directly or indirectly or contingently, obligate the Governmental Lender to make any appropriation for payment of the Funding Loan. No agreements or provisions contained in this Borrower Loan Agreement, the Funding Loan Agreement, any other Financing Document, nor any agreement, covenant, or undertaking by the Governmental Lender contained in any document executed by the Governmental Lender in connection with the Development or the execution, delivery, and sale of the Governmental Lender Note shall give rise to any pecuniary liability of the

Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way. Nothing in the Funding Loan Agreement or this Borrower Loan Agreement or the proceedings of the Governmental Lender authorizing the Funding Loan, or in the Act in any other related document shall be construed to authorize the Governmental Lender to create a debt of the Governmental Lender within the meaning of constitutional or statutory provision of the State. No covenant, agreement, or obligation contained herein shall be deemed to be a covenant, agreement, or obligation of any present or future director, officer, employee, or agent of the Governmental Lender in his or her individual capacity, and neither any employee or officer of the Governmental Lender nor any officer thereof executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee, or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to this Borrower Loan Agreement, the Funding Loan Agreement, or the Act. No breach of any pledge, obligation, or agreement of the Governmental Lender hereunder may impose any pecuniary liability upon the Governmental Lender or any charge upon its general credit. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims, or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement, Funding Loan, or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.

(b) The Borrower hereby acknowledges that the Governmental Lender's sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Borrower Loan Agreement and the Borrower Note, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal of, Prepayment Premium, if any, and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration, or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal of, Prepayment Premium), if any, or interest on the Funding Loan, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance, or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender, or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender, or any such third party, as the case may be, therefor.

(c) THE FUNDING LOAN IS ORIGINATED PURSUANT TO APPLICABLE LAW AND IN ACCORDANCE WITH THE ACT AND IS A LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER. NONE OF THE GOVERNMENTAL LENDER, ANY OFFICIAL OR EMPLOYEE OF THE

GOVERNMENTAL LENDER, OR ANY PERSON EXECUTING THE FUNDING LOAN, SHALL BE LIABLE PERSONALLY ON THE FUNDING LOAN OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF ITS ISSUANCE. THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE, AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE GOVERNMENTAL LENDER, PAYABLE ONLY FROM THE SOURCES DESCRIBED IN THE FUNDING LOAN AGREEMENT. NONE OF THE GOVERNMENTAL LENDER, THE STATE, OR ANY OTHER POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF SUCH FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE, OR THE INTEREST THEREON OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE MONEY PLEDGED THEREFOR. THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE, AND THE INTEREST THEREON DO NOT AND SHALL NEVER CONSTITUTE A DEBT OF INDEBTEDNESS OR A GENERAL OBLIGATION OF THE GOVERNMENTAL LENDER, THE STATE, OR ANY MUNICIPAL OR POLITICAL CORPORATION OR SUBDIVISION OF THE STATE. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE GOVERNMENTAL LENDER, THE STATE, NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF OR THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREPAYMENT PREMIUM, IF ANY, OR INTEREST ON THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE, OR OTHER COSTS INCIDENT THERETO. THE FUNDING LOAN AND GOVERNMENTAL LENDER NOTE ARE NOT DEBTS OF THE UNITED STATES OF AMERICA. THE GOVERNMENTAL LENDER HAS NO TAXING POWER.

Section 11.3. Waiver of Personal Liability.

(a) No recourse shall be had for the payment of the principal of, Prepayment Premium, if any, or interest on the Funding Loan or for any claim based thereon or upon any obligation, covenant or agreement in this Borrower Loan Agreement contained, against any past, present, or future member of the Governmental Lender, its respective governing body, officers, attorneys, accountants, financial advisors, agents, or staff or the officers, attorneys, accountants, financial advisors, agents, or staff of any successor public entity, as such, either directly or through the Governmental Lender, or any successor public entity, under any rule of law or penalty of otherwise, and all such liability of any member of the Governmental Lender, its governing body and its officers, attorneys, accountants, financial advisors, agents, and staff is hereby, and by the acceptance of the Funding Loan, expressly waived and released as a condition of, and in consideration for, the execution of this Borrower Loan Agreement and the issuance of the Funding Loan. It is recognized that notwithstanding any other provision of this Borrower Loan Agreement, neither the Borrower, the Funding Lender, nor the Fiscal Agent shall look to the members of the Governmental Lender or its officers, program participants, attorneys, accountants, financial advisors, agents, or staff,

past, present, or future, for damages suffered by the Borrower, the holders, or the Fiscal Agent as a result of the failure of the Governmental Lender to perform any covenant, undertaking, or obligation under this Borrower Loan Agreement, the Funding Loan, the Regulatory Agreement, any of the other Financing Documents, or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, nor for any other reason except for representations made by the Governmental Lender in any certificate of the Governmental Lender and the opinion of counsel to the Governmental Lender delivered on the date of origination of the Funding Loan. Although this Borrower Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Borrower Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency, or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

(b) No recourse under or upon any obligation, covenant, or agreement or in the Governmental Lender Note, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent, or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent, or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Borrower Loan Agreement and the issuance of the Governmental Lender Note.

Section 11.4. Limitation on Liability of Governmental Lender's and Funding Lender's Commissioners, Officers, Employees, Etc.

(a) The Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender; provided, however, this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and

the Funding Lender at law or under any other agreement. None of Governmental Lender, the Fiscal Agent, and the Funding Lender, nor the other Beneficiary Parties or their respective commissioners, officers, directors, employees, or agents shall be liable or responsible for (i) for any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency, or genuineness of any documents or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent, or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Governmental Lender or the Funding Lender.

(b) None of the Governmental Lender, the Fiscal Agent, the Funding Lender, the other Beneficiary Parties or any of their respective commissioners, officers, directors, employees, or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer, or any other party for services performed or materials supplied in connection with the Development. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Development. The Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Development, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third-party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Financing Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Development or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, commissioners, officers, employees, or agents, regardless of whether such obligation or liability is in the nature of contract, tort, or otherwise.

Section 11.5. Delivery of Reports, Etc. The delivery of reports, information, and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender' receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

Section 2. Residential Rental Property. The Owner hereby represents, covenants, warrants and agrees that:

(a) (1) The Owner will acquire, construct, equip, own and operate the Project for the purpose of providing a “qualified residential rental project” as such phrase is used in Sections 142(a)(7) and 142(d)(1) of the Code, (2) the Owner shall own the entire Project for federal tax purposes, and (3) the Project shall be owned, managed and operated as multifamily residential rental property, comprised of a building or structure or several buildings or structures containing similarly constructed units, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Sections 1.103-8(b)(4) and 1.103-8(a)(3) of the Regulations, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) Each residential unit in the Project shall be contained in one or more buildings or structures located on the Land and shall be similarly designed, furnished and constructed (except as to number of bedrooms), each of which will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for an individual or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range or microwave oven, refrigerator and sink, all of which are separate and distinct from the other units.

(c) None of the units in the Project will at any time be (1) utilized on a transient basis, (2) used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, nursing home, hospital, sanitarium, rest home, trailer court or park, or (3) rented for initial lease periods of less than six (6) months. No part of the Project will, at any time, be owned or used by a cooperative housing corporation or converted to condominiums.

(d) All of the units will be rented or available for rent on a continuous basis to members of the general public (other than units for a resident manager or maintenance personnel), and the Owner will not give preference to any particular class or group of persons in renting the units in the Project, except to the extent that units are required to be leased or rented to Lower-Income Persons or Eligible Persons. Lower-Income Persons and Eligible Persons who are residents of the Project will have equal access to and enjoyment of all common facilities of the Project at all times. The Owner will not discriminate against children of any age when renting the units in the Project.

(e) The Land consists of a parcel of real property or parcels of real property that are contiguous except for the interposition of a road, street, stream or similar property, and the Project comprises buildings, structures and facilities that are geographically contiguous and functionally related. Any common facilities financed with proceeds of the Note (such as swimming pools, recreational facilities, parking areas and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment or units for resident managers or maintenance or security personnel) are functionally related and subordinate to the Project and are commensurate with its size and intended use.

(f) The Owner or an Affiliated Party of the Owner shall not occupy any of the units in the Project; provided, however, that the Owner or an Affiliated Party of the Owner may occupy a unit in a building or structure in the Project that contains five or more units if the Owner or an Affiliated Party of the Owner is a resident manager or other necessary employee (e.g., maintenance and security personnel). No more than two units in the Project shall be occupied by resident managers or maintenance or security personnel.

(g) None of the proceeds of the Note (including investment earnings) may be used to provide a skybox or any other private luxury box, an airplane, or a store the principal business of which is the sale of alcoholic beverages for consumption off premises or a facility used primarily for gambling.

The requirements of this Section 2 shall remain in effect during the term of this Agreement (as defined in Section 13 below).

Section 3. Lower-Income Persons and Eligible Persons. The Owner hereby represents, warrants and covenants as follows:

(a) At all times during the Qualified Project Period, not less than forty percent (40%) of the residential units in the Project shall be occupied (or held available for occupancy) on a continuous basis by persons or families who at the time of their initial occupancy of such units are Lower-Income Persons. This occupancy requirement is referred to herein as the "Lower-Income Requirement."

(b) At all times during the term of this Agreement (as defined in Section 13 below), at least twenty percent (40%) of the completed units in the Project shall be rented to or be available for rent by Eligible Persons.

(c) For purposes of paragraphs (a) and (b) of this Section 3, a unit occupied by an individual or family who at the commencement of the occupancy of such unit is a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) during such individual's or family's tenancy in such unit, even though such individual or family ceases to be a Lower-Income Person (or Eligible Person). However, a Lower-Income Person whose income as of the most recent Income Certification (as described in Section 4(a) below) exceeds one hundred forty percent (140%) of the Applicable Income Limit shall not continue to be treated as a Lower-Income Person if after delivery of such Income Certification, but before the delivery of the next Income Certification, any residential unit in the Project of comparable or smaller size is occupied by a new resident who is not a Lower-Income Person. In addition, a unit that was occupied by a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) until it is reoccupied other than for a temporary period of not more than thirty-one (31) days, at which time the unit shall be considered to be occupied by a Lower-Income Person (or Eligible Person) only if the individual or family then occupying the unit satisfies the definition of a Lower-Income Person (or Eligible Person).

Section 4. Reporting Requirements; Payment of Issuer's Compliance Fee and Late Reporting Fee; Maintenance.

(a) The Owner shall obtain and maintain on file an Income Certification from each Lower-Income Person and Eligible Person dated immediately prior to the initial occupancy of such tenant in the Project in the form and containing such information as may be required by Section 142(d) of the Code, as the same may be from time to time amended by the Issuer on the advice of Bond Counsel in the exercise of its opinion that any such amendment is necessary, or in such other form and manner as may be required by applicable rules, rulings, procedures, official statements, regulations or policies now or hereafter promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. Photocopies of each such Income Certification and any verifications of

such income, to the extent requested by the Issuer, shall be submitted to the Issuer (i) within 10 days following the end of the calendar month during which the tenant first occupies a unit in the Project, (ii) within 10 days following the end of the calendar month thereafter in which the lease is renewed or extended, and (iii) as reasonably requested by the Issuer or the Fiscal Agent, which may be as often as may be necessary, in the opinion of Bond Counsel, to comply with the provisions of Section 142(d) of the Code. To the extent permitted by the Issuer, such submissions may be made electronically.

(b) The Owner shall file with the Issuer, on the tenth business day of each month, copies of the Income Certifications specified in Section 4(a) hereof obtained by the Owner during the previous month.

(c) At all times during the term of this Agreement, the Owner will obtain and maintain on file from each Lower-Income Person residing in the Project the information demonstrating each tenant's income eligibility.

(d) The Owner shall maintain complete and accurate records pertaining to the incomes of (as of the date of initial occupancy of each tenant) and rentals charged to Lower Income Persons and Eligible Persons residing in the Project, and shall permit, upon 5 business days' notice to the Owner, any duly authorized representative of the Issuer or the Fiscal Agent to inspect the books and records of the Owner pertaining to the incomes of and rentals charged to all tenants residing in the Project.

(e) The Owner shall prepare and submit to the Issuer at the beginning of the Qualified Project Period, and on the 10th day of each month thereafter, rent rolls and to the Issuer a Certificate of Continuing Program Compliance in the form and content approved by the Issuer, executed by the Owner stating (i) the percentage of residential units that were occupied by Lower-Income Persons and Eligible Persons as of the 20th day of the previous month, (ii) that at all times during the previous month 40% of the residential units, were occupied (or held available for occupancy) by Eligible Persons (as determined in accordance with Section 3 of this Agreement), (iii) that at all times during the previous month at least 40% of the residential units were occupied (or held available for occupancy) by Lower- Income Persons (as determined in accordance with Section 3 of this Agreement), and (iv) that no default has occurred under this Agreement or, if such a default has occurred, the nature of such default and the steps, if any, the Owner has taken or proposes to take to correct such default.

(f) The Owner shall render a yearly report to the Secretary of the Treasury as required by Section 142(d)(7) of the Code and shall provide such report (IRS Form 8703) to the Issuer no later than January 31 of each year.

(g) In the event the Issuer transfers responsibility for compliance monitoring to a newly designated Compliance Agent under Section 23 hereof, the Issuer may direct the Owner to provide and the Owner shall provide to the newly designated Compliance Agent copies of all of the reports, documents and certificates required under this Section. The Owner shall pay all reasonable fees and expenses of the newly designated Compliance Agent in connection with such responsibilities. Upon the

designation of the Compliance Agent as the compliance monitor under this Agreement, all references herein to the Issuer as the recipient of reports and filings shall be deemed to be the Compliance Agent.

(h) The Owner shall immediately notify the Fiscal Agent and the Issuer of any change in the management of the Project.

(i) If at any time during the term of this Agreement there is no Note Outstanding (as provided in the Funding Loan Agreement), the Owner shall pay the Issuer's Compliance Fee.

(j) The Owner will keep the buildings, parking areas, roads and walkways, recreational facilities, landscaping and all other improvements of any kind now or hereafter erected as part of the Project, in good condition and repair (normal wear and tear excepted), will not commit or suffer any waste and will not do or suffer to be done anything which would or could increase the risk of fire or other hazard to the Project or any part thereof. In order to ensure the Owner's compliance with this covenant, the Issuer or its representatives are hereby authorized to enter upon and inspect the Project at any time during normal business hours upon reasonable notice and subject to the rights of tenants. Notwithstanding the foregoing, the Issuer has no affirmative duty to make such inspection.

(k) The Owner will construct and operate the Project so that it conforms in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990.

(l) The Owner hereby agrees to pay a late fee in the amount of \$100 per day (including weekends) for each day that the Owner fails to timely submit (in the sole, reasonable opinion of the Issuer) any of the information, Income Certifications, rent rolls, Certificates of Continuing Program Compliance, reports, documents and/or certificates (collectively, the "Compliance Reporting Information") required by this Section 4, as may be amended from time to time (the "Late Reporting Fee"). The Owner acknowledges and hereby agrees that, notwithstanding anything in this Agreement to the contrary, a Late Reporting Fee shall apply to and be payable in connection with each separate instance in which any of the Compliance Reporting Information (including individual components thereof) is not timely submitted pursuant to this Section 4, as may be amended from time to time.

Section 5. Indemnification. The Owner hereby covenants and agrees that it shall indemnify and hold harmless the Issuer, the County and the Fiscal Agent and their respective officers, directors, officials, employees and agents from and against any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Agreement, the Loan, the Project or the sale of the Note to finance the Project, any and all claims arising from any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees in connection with the Project or the sale of the Note to finance the Project, and all costs, reasonable counsel fees,

expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Owner shall not be required to indemnify any person for damages caused by the negligence or willful misconduct or breach of contract of such person or for losses relating to principal and interest. In the event that any action or proceeding is brought against the Issuer, the County the Fiscal Agent or any of their respective officers, directors, officials, employees or agents, with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the indemnified party (which notice shall be given in a timely manner so as not to impair Owner's rights to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably acceptable to the indemnified party and the payment of all expenses. The indemnified party shall have the right to employ separate counsel in any such action or proceedings and to participate in the defense thereof, but, unless such separate counsel is employed with the approval and consent of the Owner, or because of a conflict of interest between the Owner and the indemnified party, the Owner shall not be required to pay the fees and expenses of such separate counsel. The Owner agrees to execute any additional documents deemed necessary by the Issuer, the County or the Fiscal Agent to evidence the indemnification provided for in this Section 5. At the request of the Issuer or County, Owner agrees, in addition to the above indemnification, to pay the reasonable costs and expenses of the County Attorney of Broward County in connection with the action or proceeding giving rise to the indemnification.

While the Owner has possession of the Project, the Owner also shall pay and discharge and shall indemnify and hold harmless the Issuer and the Fiscal Agent from (a) any lien or charge upon payments by the Owner to the Issuer and the Fiscal Agent hereunder, and (b) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges other than income and other similar taxes in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges other than income and other similar taxes, are sought to be imposed, the Issuer or the Fiscal Agent shall give prompt notice to the Owner and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

In addition thereto, the Owner will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the Issuer in enforcing the provisions hereof.

Section 6. Reliance. The Issuer and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by the owners from time to time of the Note, the County, Bond Counsel and the other parties to transactions involving the issuance, sale or remarketing of the Note and their respective counsel. In performing their duties and obligations hereunder, the Issuer and the Fiscal Agent may rely upon statements and certificates of the Owner, Lower-Income Persons and Eligible Persons reasonably believed by the Owner, its agents and employees to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Owner pertaining to occupancy of the Project. In

addition, the Issuer and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the Issuer or the Fiscal Agent hereunder in good faith and in conformity with the opinion of such counsel. In performing its duties and obligations hereunder, the Owner may rely upon certificates of Lower-Income Persons and Eligible Persons reasonably believed to be genuine and to have been executed by the proper person or persons.

Section 7. Fair Housing Laws.

The Owner will comply with all fair housing laws, rules, regulations or orders applicable to the Project and shall not discriminate on the basis of race, creed, color, sex, age or national origin in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project. All advertising and promotional material used in connection with the Project shall contain the phrase "Fair Housing Opportunity."

Section 8. Tenant Lists. All tenants lists, applications, and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Owner which is unrelated to the Project, and shall be maintained, as required by the Issuer or the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, from time to time, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Issuer, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the Issuer, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date or Fiscal Agent after written request therefor will be a default hereunder.

Section 9. Tenant Lease Restrictions. All tenant leases shall be expressly subordinate to the Security Instrument, and shall contain clauses, among others, wherein each individual lessee:

- (a) Certifies the accuracy of the statements made in the Income Certification;
- (b) Agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of such lessee's tenancy; that such lessee will comply promptly with all requests for information with respect thereto from the Owner, the Fiscal Agent, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, or the Issuer, and that such lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of such lessee's tenancy; and
- (c) Agrees not to sublease to any person or family who does not execute and deliver an Income Certification.

Section 10. Sale and Conversion of Project. The Owner shall not sell, assign, convey or transfer any material portion of the land, fixtures or improvements constituting a part of the Land or Project, or any material portion of the personal property constituting a portion of the Project during the term of this Agreement without (i) the prior written consent of the Issuer, which consent shall not be unreasonably withheld, (ii) the Fiscal Agent and the Issuer having received an opinion of Bond Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, conveyance, transfer, or assignment will not result, under then-existing law, in interest on the Note, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes, and (iii) upon receipt by the Issuer of a fee from the Owner upon transfer of ownership in excess of fifty percent (50%) interest in the Project or the Owner (which fee shall be refunded by the Issuer to the Owner in the event the Issuer does not approve the transfer of the Project to the proposed purchaser or assignee thereof, or in the event such transfer is not consummated) as follows:

(a) Ten percent (10%) of the amount of Note outstanding if up to ten percent (10%) of the units are rented.

(b) Two percent (2%) of the amount of Note outstanding if eleven percent (11%) to sixty percent (60%) of the units are rented.

(c) One percent (1%) of the amount of Note outstanding if over sixty percent (60%) of the units are rented.

(d) One-half percent (.5%) of the amount of Note outstanding after one (1) year from the date of completion of construction, regardless of occupancy.

Items (a) through (d) above are referred to herein as the "Transfer Fee" on the date of the written transfer request. Provided that the above conditions have been satisfied, the Issuer will provide to the Owner and the purchaser or transferee on request its written consent to any transfer in accordance with this Section an estoppel certificate. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Agreement. Nothing contained in this Section 10 shall affect any provision of the Security Instrument or any other document or instrument to which the Owner is a party which requires the Owner to obtain the consent of the holder of the Note or any other person as a precondition to sale, transfer or other disposition of the Project. The Transfer Fee will apply if a material portion of the Project financed with proceeds from the Loan is sold during the term hereof and such material portion of such Project consisted of personal property or equipment, the proceeds from the sale thereof may be used by the Owner to purchase property of similar function to be used in connection with the Project, otherwise, the proceeds from such sale shall be applied in accordance with the Security Instrument. If such material portion of such Project consists of real property and improvements, the purchaser thereof must execute and deliver to the Owner and the Fiscal Agent a document in form

and substance reasonably satisfactory to the Issuer and the Funding prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, Lender pursuant to which such purchaser shall agree to operate such property in compliance with the terms and conditions of this Agreement. If the Note has been paid at the time of such transfer, no Transfer Fee will apply.

The Owner shall not sell or otherwise transfer the Project in whole, nor shall there be substituted a new developing member of the Owner or a change in the controlling ownership in the developing member of the Owner, or other merger, transfer or consolidation of the Owner, unless (a) the Owner has received the prior written consent of the Issuer (which shall respond within a reasonable period of time and shall not unreasonably withhold such consent), (b) the fees and expenses of the Issuer and its professionals have been paid, including the Transfer Fee, (c) the Owner shall not be in default hereunder, (d) it is reasonably expected that continued operation of the Project will comply with the requirements of this Agreement, (e) the subsequent purchaser or assignee shall execute any document reasonably requested by the Issuer and the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, with respect to assuming the obligations of the Owner under this Agreement, (f) the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, and the Issuer shall not have any reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee relating to the Project, (g) the purchaser or assignee shall have satisfied such other conditions as may be reasonable under the circumstances, (h) the purchaser or assignee shall have first executed a document in recordable form addressed to the Issuer, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, and the Fiscal Agent to the effect that such purchaser or assignee will comply with the terms and conditions of this Agreement, the Borrower Loan Agreement and the other Borrower Loan Documents, (i) the Fiscal Agent, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, and the Issuer shall receive an opinion of counsel reasonably acceptable to the Issuer to the effect that the purchaser's or assignee's obligations under this Agreement, the Borrower Loan Agreement and other Borrower Loan Documents relating to the Note is enforceable against such purchaser or assignee in accordance with their terms, and (j) the Fiscal Agent, the Funding Lender prior to the Conversion Date and the Permanent Bondholder after the Conversion Date, and the Issuer shall have received an opinion of Bond Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, transfer, disposition or assignment will not result, under then-existing law, in interest on the Note, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section shall be ineffective to relieve the Owner of its obligations under this Agreement or the Borrower Loan Agreement. In the event that the purchaser or assignee shall assume the obligations of the Owner under

the Security Instrument, the Borrower Loan Agreement and this Agreement, the Owner shall be released from its obligations thereunder and hereunder, other than its obligations hereunder and under the Borrower Loan Agreement arising prior to such date of assumption (unless such obligations are assumed by the purchaser or transferee).

Notwithstanding the foregoing, ownership of the Project may be transferred in connection with a foreclosure thereof under the Security Instrument, or the acceptance of the Project by the mortgagee or its designee in lieu of foreclosure under the Security Instrument, without complying with this Section 10; provided, however, that this sentence shall cease to apply if, at any time during that part of the Qualified Project Period subsequent to such transfer, the Owner or an Affiliated Party with respect to any of such parties obtains an ownership interest in the Project for federal tax purposes.

Notwithstanding anything in this Section 10 to the contrary, the restrictions set forth above on the sale, transfer or other disposition or encumbrance of the Project or any portion thereof shall not be applicable to any of the following: (i) leases of apartment units as contemplated by this Agreement, (ii) grants of utility related easements and service or concession related leases or easements, including, without limitation, coin-operated laundry service leases and/or television cable easements on the Project, providing same are granted in connection with the operation of the Project as contemplated by this Agreement, (iii) any sale or conveyance to a condemning governmental authority as a direct result of the condemnation or a governmental taking or a threat thereof, (iv) the placing of a subordinate mortgage lien, assignment of leases and/or rents or security interest on or pertaining to the Project which is made expressly subject and subordinate hereto and to the Security Instrument, or (v) subject to the provisions of the Security Instrument, any transfer of membership interests in the Owner or in the entities which are members in the Owner.

Section 11. Negative Covenants. During the term of this Agreement, the Owner shall not:

(a) Except pursuant to the provisions of this Agreement, the Borrower Loan Agreement and the other Borrower Loan Documents, or except upon a sale or transfer of the Project in accordance with the terms of this Agreement, the Borrower Loan Agreement and the Security Instrument, encumber any of the mortgaged property, including the grant of commercial leases (other than for vending machines, coin operated laundry facilities and similar amenities functionally related and subordinate to the Project and granted in connection with the day to day operation of an apartment complex), or permit the conveyance, transfer or encumbrance of such property (except for such leases and for apartment leases) for the Qualified Project Period. Nothing in this paragraph shall prohibit the granting of easements for the purpose of providing utility services (including cable television or private satellite television) to the Project.

(b) Demolish any part of the Project necessary for the operation thereof for its intended purposes or substantially subtract from any real or personal property of the Project; or

(c) Permit the use of the dwelling accommodations of the Project for any purpose except rental residences in compliance with Section 142(d) of the Code.

Section 12. Covenants to Run with the Land. This Agreement and the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 13 hereof, shall pass to and be binding upon the Owner's assigns and successors and all subsequent owners of the Land or the Project or any interest therein; provided, however, that upon the termination of this Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Except as provided in Section 13 hereof, each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Project or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Land or the Project are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Land or the Project.

Section 13. Term. This Agreement shall remain in full force and effect until the expiration of the Qualified Project Period; provided, however, that this Agreement shall automatically terminate in the event of involuntary noncompliance with the provisions of this Agreement caused by fire or other casualty, seizure, requisition, foreclosure or transfer by deed in lieu of foreclosure, change in a federal law or an action of a federal agency that prevents the Issuer from enforcing the provisions hereof, or condemnation or a similar event (as determined by Bond Counsel), but only if within a reasonable period thereafter (i) the Note is retired in full or (ii) the proceeds received as a result of such event are used to finance a project that complies with the provisions hereof and any other applicable requirements of the Code and the Regulations. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event (as determined by Bond Counsel), such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period following such event, the Owner or an Affiliated Party to the Owner, obtains an ownership interest in the Project for federal tax purposes.

Upon the termination of the Qualified Project Period, and the satisfaction by the Owner of all obligations under this Agreement, the Issuer, the Fiscal Agent and the Owner shall, upon the written request of the Owner, and at Owner's sole expense, execute and record a Notice of Termination of Land Use Restriction Agreement (the "Termination"), the form of which is attached hereto as Exhibit "B". The Chair or Vice-Chair of the Issuer is authorized to execute the Termination.

Section 14. Correction of Noncompliance. The failure of the Owner to comply with any of the provisions of this Agreement shall not be deemed a default hereunder unless such failure has not been corrected within a period of 60 days following the date that the Owner, or with respect to the requirements of Sections 2 or 3 hereof, any of the parties hereto, learned of such failure or should have learned of such failure by the exercise of reasonable diligence (which 60-day period may be extended if (i) such

failure cannot reasonably be corrected within such 60-day period, (ii) diligent action to correct such failure commences within such 60-day period, (iii) such action is diligently pursued until such failure is corrected, and (iv) with respect to a failure to comply with any of the requirements of Sections 2 or 3 hereof, the Owner delivers to the Issuer and the Fiscal Agent an opinion of Bond Counsel to the effect that such longer cure period will not adversely affect the exclusion of interest on the Note from gross income for federal income tax purposes). After the Fiscal Agent learns of such failure, the Fiscal Agent shall attempt with reasonable diligence to notify the Owner and the Issuer of such failure by telephonic and written communication.

Section 15. Modification of Tax Covenants. Notwithstanding the provisions of Section 22(b) hereof, to the extent any amendments, modifications or changes to the Regulations or the Code shall, in the written opinion of Bond Counsel addressed to the Issuer, the Owner and the Fiscal Agent, impose requirements upon the ownership, occupancy or operation of the Project different than those imposed by the Regulations or the Code and stated herein, and the Owner's failure to comply with such different requirements would produce a material and substantial risk that interest on the Note will become subject to federal income taxation, then this Agreement shall be amended and modified in accordance with such requirements. The parties hereto agree to execute, deliver, and record, if applicable, any and all documents or instruments necessary in the opinion of and in the form approved by Bond Counsel to effectuate the intent of this Section 15.

Section 16. Burden and Benefit. The Issuer, the Fiscal Agent and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Fiscal Agent, the Issuer and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and the Project by Lower-Income Persons and Eligible Persons, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued. The Owner hereby expressly acknowledges that this Agreement is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Note issued by the Issuer to finance the Loan and covenants and agrees that in connection with the acquisition, construction, ownership and operation of the Project, it shall, and shall require any subsequent purchaser of the Project to, fully comply with all terms and conditions of this Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project.

Section 18. Application of Insurance and Condemnation Proceeds. If during the Qualified Project Period, the Project is damaged or destroyed or if all or a portion of the Land or Project is taken through eminent domain proceedings, or under the threat thereof, proceeds from insurance on the Project or any condemnation awards pertaining

to such eminent domain proceedings shall be applied as provided in the Security Instrument.

Section 19. Remedies; Enforceability. The benefits of this Agreement shall inure to, and may be enforced by, respectively, the Issuer and the Fiscal Agent and its successors, the holder of the Note and their successors and assigns to the extent permitted by the Funding Loan Agreement, and solely as to Sections 2, 3 and 7 of this Agreement, the Lower-Income Persons and Eligible Persons and their successors who shall reside or be eligible to reside in units set aside for their occupancy pursuant to Section 3 of this Agreement for the period set forth in Section 13 hereof, whether or not the Security Instrument or Loan may be paid in full, and whether or not the Note is Outstanding. If a material violation of any of the provisions hereof occurs and is not cured within the period provided by Section 14 hereof, any or all of such parties may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation, or to compel specific performance hereunder, it being recognized that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of the Owner's default. The remedies of the beneficiaries of this Agreement other than the Issuer shall be limited to those described in the preceding sentence. In addition to such other remedies as may be provided for herein, if a violation of any of the provisions hereof occurs which is not corrected during the period provided in Section 14 hereof, the Issuer shall have the right (but not the obligation), and is specifically authorized by the Owner, to terminate the manager and appoint a new manager of the Project to operate the Project in accordance with this Agreement and the Borrower Loan Agreement and take all actions necessary, in the reasonable judgment of the Issuer, to cure any default by the Owner hereunder, and such new manager assuming such management hereunder shall be paid by or on behalf of the Owner, from the rents, revenues, profits and income from the Project, a management fee not to exceed the prevailing management fee paid to managers of similar housing projects in the area of Broward County, Florida. Subject to Section 13 hereof, the provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times. All rights and remedies provided in this Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the parties and beneficiaries hereof may otherwise have.

The Owner hereby agrees that the appointment of a new manager may be necessary to serve the public purpose for which the Note was issued and to preserve the exclusion from gross income for federal income tax purposes of interest on the Note following a violation of the provisions of this Agreement which is not cured within the period provided in Section 14 hereof. The Owner hereby expressly consents to, and agrees not to contest, the appointment of a new manager to operate the Project following a violation by the Owner of the provisions of this Agreement which is not cured

as provided in Section 14 hereof and hereby waives any and all defenses and objections that might otherwise be raised to any such appointment of a new manager in accordance with the terms hereof. The Owner further agrees that the Issuer shall have the right to require the Owner to remove any manager or managing agent whose actions or inactions present a material risk of a breach of the agreements of the Owner herein, including, without limitation, a material risk of an adverse impact on the excludability from gross income for federal income tax purposes of interest on the Note and which action or inaction is not being corrected as provided in Section 14 hereof, upon such manager or managing agent being given thirty (30) days' written notice of any violation hereof, and such right shall be expressly acknowledged in any contract between the Owner and any such manager or managing agent.

Notwithstanding the foregoing, the Issuer shall not exercise its right under this Section 19 to change the property manager without obtaining the prior written consent of JPMorgan Chase Bank, N.A, as lender, which such consent shall be governed by the terms and conditions of the Borrower Loan Documents.

Section 20. Filing. Upon execution and delivery by the parties hereto, the Owner shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public deed records of Broward County, Florida, and in such manner and in such other places as the Issuer or the Fiscal Agent may reasonably request, and shall pay all fees and charges incurred in connection therewith.

Section 21. Governing Law. This Agreement shall be governed by the laws of the State. The venue for any proceeding hereunder shall be a court of appropriate jurisdiction in Broward County, Florida.

Section 22. Amendments.

(a) The Owner shall not assign its interest hereunder, except by writing and in accordance with the provisions of Section 10 hereof.

(b) This Agreement shall not be amended, revised, or terminated except by a written instrument, executed by the parties hereto (or their successors in title), and duly recorded in the official public records for Broward County, Florida. Anything to the contrary notwithstanding, the parties hereby agree to amend this Agreement to the extent required in the opinion of Bond Counsel, in order for interest on the Note to remain exempt from federal income taxation under Section 103 of the Code. The Owner agrees, from time to time, to take such other actions and steps necessary to comply, and to cause the Project to comply, with the requirements of Section 142(d) of the Code and to enter into modifications and amendments to this Agreement to the extent required by federal law, by any amendment to the Code or by any Regulation promulgated thereunder, in each case so that interest on the Note remains exempt from federal income taxes. Any such amendment, revision or termination shall be effected only in accordance with the Funding Loan Agreement.

Section 23. Fiscal Agent or Compliance Agent to Monitor Compliance Upon Request of Issuer. The Compliance Agent shall deliver to the Issuer on or prior to the 20th day of each month a statement as to whether the Compliance Agent has received the Certificate of Continuing Program Compliance required to be delivered by the Owner on the 10th day of such month. Additionally, if the Issuer requests in writing that the Compliance Agent assume the role of compliance monitoring, the Compliance Agent shall receive and examine all other reports, certifications and other documents required to be delivered to the Issuer or Compliance Agent hereunder and shall notify the Issuer promptly of non-compliance with this Agreement. In such event the Compliance Agent shall include in its monthly statement described above a statement as to whether it has received the rent rolls and whether any of the information in any such documents received by the Compliance Agent indicates the Owner has failed to comply with any of the requirements contained in this Agreement. The Compliance Agent shall be authorized to charge reasonable fees and expenses to the Owner if it assumes such role.

Section 24. Notice. All notices and other communications required or permitted under this Agreement must be in writing and shall be deemed to have been duly given (i) when delivered, if sent by registered or certified mail (return receipt requested), (ii) when delivered, if delivered personally, (iii) when transmitted, if sent by facsimile if a confirmation of transmission is produced by the sending machine (and a copy of each facsimile promptly shall be sent by first class United States mail, postage fully prepaid) or (iv) when delivered, if sent by overnight mail or overnight courier, in each case to the parties at the addresses listed in the first paragraph of this Agreement. A duplicate copy of each notice, certificate or other communication given hereunder by either the Issuer or the Owner to the others, shall also be given to the Fiscal Agent.

Section 25. Severability. If any provision hereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 26. Multiple Counterparts. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 27. Release of Fiscal Agent. Notwithstanding anything in this Agreement to the contrary, on and after the date the Bonds are no longer outstanding, the Fiscal Agent shall be released as a party to this Agreement and discharged from any duties or obligations hereunder, and all provisions throughout this Agreement related to the duties of, or notice to or from, the Fiscal Agent shall be of no further force and effect. If any approval or consent of the Fiscal Agent is required, such approval or consent shall be obtained from the Issuer; however, multiple notices need not be provided. Notwithstanding the foregoing, any such references shall remain in effect when needed to construe land use restriction obligations under this Agreement or to provide definitions. The Fiscal Agent's rights to indemnification provided for in the Funding Loan Agreement, the Borrower Loan Agreement and this Agreement shall survive such release and discharge.

EXHIBIT “D”

FORM OF PLACEMENT AGENT AGREEMENT

PLACEMENT AGENT AGREEMENT

THIS PLACEMENT AGENT AGREEMENT dated as of [_____] 1, 2025 (herein, the “Agreement”), is by and between the HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA, a public body corporate and politic organized under Part IV of Chapter 159, Florida Statutes, as amended and supplemented (together with its permitted successors and assigns, the “Issuer”), and RBC CAPITAL MARKETS, LLC, as Placement Agent (the “Agent”), in connection with the issuance of the Note (as defined below) and consented to by PINE ISLAND PARK LLC, a Florida limited liability company (together with its successors and permitted assigns, the “Borrower”) with respect to the Note.

A. Background.

The Issuer proposes to issue its \$[_____] Housing Finance Authority of Broward County, Florida Multifamily Housing Mortgage Revenue Note, Series 2025 (Pine Island Park) (the “Note”) to provide financing to the Borrower for the acquisition, construction, and equipping of a multi-family residential housing development in Sunrise, Broward County, Florida (the “County”) known as Pine Island Park (the “Project”).

The Note will initially be acquired directly by JPMorgan Chase Bank, N.A., a national banking association (the “Funding Lender”) pursuant to the requirements of the Issuer’s administrative code and policies (herein, collectively the “Issuer’s Requirements”). The Note will initially be held as a loan in the Funding Lender’s portfolio. The Agent had no role in the solicitation of the Funding Lender or negotiations between the Borrower and Funding Lender concerning the terms or structure of the Note.

Upon satisfaction of certain conditions subsequent and in compliance with the Issuer’s Requirements, future investment banking services may be required in connection with the Note (herein, the “Future Services”).

B. Role of Agent.

In connection with the initial issuance of the Note, the Agent has performed, at the request of and on behalf of the Issuer, the following services on or before the closing of the Note:

1. Assisted in the determination of the readiness to proceed of the Note issuance with regard to the granting of private activity allocation to the financing which is to be issued on a tax-exempt basis.

2. Created a distribution list for the financing participants and financing timetable and coordinated the processing of the transaction.

3. Continuously consulted with the financing participants to ensure that the timetable was being met, and scheduled and hosted conference calls.

4. Consulted with the Issuer's staff regarding policy issues that arose in connection with the financing.

On a limited basis, reviewed and commented on the financing documents to ensure that the Issuer's Requirements were reflected therein and to improve the structure of the transaction.

Assisted in the coordination of all aspects of the financing as it relates to the Issuer or the County.

The foregoing is hereby collectively referred to as the "Agent's Services".

C. Limitations of Agent's Role; No Liability. The Issuer and Borrower acknowledge and agree that: (i) the Agent's Services contemplated by this Agreement are an arm's length, commercial transaction between the Issuer and the Agent in which the Agent is not acting as a municipal advisor, financial advisor or fiduciary to the Borrower or Issuer; (ii) the Agent has not assumed any advisory or fiduciary responsibility to the Borrower or Issuer with respect to the services contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Agent has provided other services or are currently providing other services to the Borrower or Issuer on other matters); (iii) the only obligations the Agent has to the Issuer or Borrower with respect to the services contemplated hereby expressly are set forth in this Agreement; and (iv) the Issuer and Borrower have consulted their respective legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate.

Notwithstanding the Agent's Services described above, the Agent has not done any of the following nor do they assume any responsibility or liability for such actions:

1. Advised the Funding Lender on the financial feasibility of the Project.
2. Prepared or disseminated any offering materials.
3. Investigated or determined the credit worthiness or accreditation of the Funding Lender. In that regard the Issuer will receive an accredited investor letter.
4. Provided any advice regarding obtaining a rating or credit enhancement for the transaction.
5. Taken any action in connection with the issuance of the Note to effect a financial transaction as contemplated by the USA Patriot Act.

3. Continuously consulted with the financing participants to ensure that the timetable was being met, and scheduled and hosted conference calls.

4. Consulted with the Issuer's staff regarding policy issues that arose in connection with the financing.

On a limited basis, reviewed and commented on the financing documents to ensure that the Issuer's Requirements were reflected therein and to improve the structure of the transaction.

(ii) Borrower shall notify Holder and Funding Lender by electronic communication as provided in Section 5 of any prepayment not later than 11:00 a.m. Central time, three (3) Business Days before the date of prepayment. Each such notice shall specify the prepayment date and the principal amount of the Project Loan to be prepaid. No amounts prepaid may be readvanced or reborrowed.

(iii) Borrower expressly waives any right to prepay this Note except as herein provided. If the maturity of this Note is accelerated for any reason, including, without limitation, the occurrence of any Default, then any subsequent tender of payment of this Note, including any redemption following foreclosure of the Security Instrument, shall constitute an evasion of the restrictions on prepayment set forth herein and shall be deemed a voluntary prepayment. Accordingly, Funding Lender may impose as a condition to accepting any such tender or prepayment not otherwise permitted hereunder, and may or may cause the Fiscal Agent to bid at any sheriff's or trustee's sale under the Security Instrument, and/or include in any complaint for judicial foreclosure or any claim in bankruptcy, as part of the indebtedness evidenced by this Note and secured by the Security Instrument, a prepayment premium reasonably calculated by Funding Lender. The prepayment premium shall be payable with respect to any other prepayment made from any collateral for this Note. Acceptance by Funding Lender on behalf of Holder of any one or more prepayments without concurrent payment of any applicable prepayment premium or other amount provided for above will not constitute a waiver of Funding Lender's or Holder's right to require payment of any prepayment premium or other amount provided for above.

(e) Late Fee. If any payment required under this Note is not paid within ten (10) days after such payment is due, then, at the direction of Funding Lender,

25925/036/02832064.DOCXv1

Borrower shall pay a late charge equal to five percent (5.0%) of the amount of such payment, to compensate Holder for administrative expenses and other costs of delinquent payments, except for the unpaid principal amount of the Project Loan on the Maturity Date. This late charge may be assessed without notice, shall be immediately due and payable and shall be in addition to all other rights and remedies available to Holder.

(f) Application of Funds. Funding Lender shall have the right to direct the application of payments, repayments and proceeds of Collateral to the Liabilities in any order, in its sole discretion. The amount of the Principal Balance as shown on the records of the Holder shall be conclusive absent manifest error as to such amount.

(g) Statements. Funding Lender may from time to time provide Borrower with account statements or invoices with respect to any of the Debt, which if provided, will be solely for Borrower's convenience (the "**Statements**"). Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other debts. If Borrower pays the full amount indicated on a Statement on or before the due date indicated on such Statement, Borrower shall not be in default of payment with respect to the billing period indicated on such Statement; provided, acceptance by Holder of any payment that is less than the total amount actually due at that time (including any past due amounts) shall not constitute a waiver of Funding Lender's or Holder's right to receive payment in full as provided by the terms of this Note and the other Facility Documents.

4. Extension Option(s). Borrower shall have the option to extend the Construction Phase Maturity Date to the six month anniversary of the Construction Phase Maturity Date the "**First Extended Maturity Date**" provided the following conditions are satisfied:

(a) Borrower shall provide Holder and Funding Lender with written notice of Borrower's request to exercise an extension option at least thirty (30) days but not more than ninety (90) days prior to the Maturity Date in effect prior to such extension;

(b) An extension fee of 0.125% of the sum of the then Principal Balance of the Project Loan and the then remaining unfunded amount of the original commitment is paid to Funding Lender, together with Funding Lender's and Holder's legal expenses;

(c) The Improvements have been substantially completed as evidenced by a temporary certificate of occupancy, and receipt of a Certificate of Substantial Completion from the Architect and concurrence from Funding Lender's Inspecting Professional;

(d) No default has occurred and is continuing under the Facility Documents;

(e) Sources for the payment of interest and fees are not less than "Estimated Debt Service" (described below). Sources for the payment of interest and fees can be any combination of (i) remaining balances in the budget for interest and, if applicable, letter of credit fees; (ii) cash deposited with Holder or Funding Lender on or before commencement of the extension period for payment of interest and fees; or (iii) Project net operating income for the extension period (calculated using net operating income in the most recent three months). Estimated Debt Service is the sum of interest (for floating rate loans, this shall be deemed to be the then current interest rate plus a cushion of 25 bps) and, if applicable, letter of credit fees, each calculated for the entire extension period;

(f) The Fannie Mae Commitment, the Fannie Mae Seller/Servicer Commitment and all additional loan or other commitments related to the Project remain in full force and effect without default thereunder through any extension period;

(g) All equity required as of the date of such extension has been contributed and remains in the Project or has been used to pay developer fees as permitted under the Facility Documents;

(h) All representations and warranties made under this Note or under any other Facility Documents shall be true and correct in all material respects as of the Maturity Date in effect prior to such extension, except to the extent any such representation and warranty is made as of a specified date, in which case such representation and warranty shall have been true and correct as of such specified date;

(i) Execution of such documentation and such Guarantors' and investors' reaffirmations as Holder may require;

(j) No material adverse change has occurred in the financial or other condition of Borrower, any Guarantor or the Project; and

(k) Any other required conditions set forth in the Facility Documents.

5. Electronic Notices. Holder, Funding Lender or Borrower may, in its discretion, agree to accept notices and other communications to it under this Note by using electronic communications pursuant to procedures approved by them; provided that approval of such procedures may be limited to particular notices or communications. Notices of prepayments under this Note may be made by electronic communication (including email and internet or intranet websites) pursuant to procedures approved by Funding Lender. Unless Holder and Funding Lender otherwise prescribes, (i) notices and other communications sent to an e-mail address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an internet or intranet website will be deemed received upon the "receipt" by the intended recipient, at its e-mail

address as described in clause (i), of notification that such notice or communication is available and identifying the website address, provided, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication will be deemed to have been sent at the opening of business on the next Business Day.

Borrower, Holder and Funding Lender may change its address or email address for notices and other communications under this Note by notice to the other parties. All notices and other communications given to any party in accordance with the provisions of this Note shall be deemed to have been given on the date of receipt.

6. Indemnity. Anything in any of the Facility Documents to the contrary notwithstanding, but subject to the broader indemnification provisions in the other Facility Documents, Borrower will indemnify and hold Holder and Funding Lender harmless and defend Holder and Funding Lender at Borrower's sole cost and expense against any loss or liability, cost or expense (including, reasonable attorneys' fees and disbursements of Holder's and Funding Lender's counsel, whether in-house staff, retained firms or otherwise), and all claims, actions, procedures and suits arising out of or in connection with any of the following, except to the extent that such loss, liability, cost or expense is found by a final non-appealable judgement of a court of competent jurisdiction to be the direct result of the Holder's gross negligence or willful misconduct:

(a) any ongoing matters arising out of the Facility Documents or the transaction contemplated hereby or thereby, including all costs of appraisal or reappraisal of all or any portion of any Collateral or of the granting by Holder, in its sole and absolute discretion, of any lease non-disturbance agreements,

(b) any amendment to, or restructuring of, the Debt, or any of the Facility Documents,

(c) any and all lawful action that may be taken by Holder in connection with the enforcement of the provisions of any of the Facility Documents, whether or not suit is filed in connection with the same, or in connection with Borrower, any Guarantor of all or any portion of the Debt and/or any partner, joint venturer or shareholder thereof becoming a subject of a voluntary or involuntary federal or state bankruptcy, insolvency or similar proceeding, and

(d) any liability to brokers, finders or similar persons and/or under any applicable securities or blue sky laws.

All sums expended by Holder and/or Funding Lender on account of any of the foregoing shall be reimbursable on demand, and until reimbursed by Borrower shall be deemed additional principal evidenced hereby and shall bear interest at the Default Rate. The obligations of Borrower under this Section shall, notwithstanding any exculpatory or other provisions of any nature in this Note or in the other Facility Documents, constitute the

25925/036/02832064.DOCXv1

personal recourse undertakings, obligations and liabilities of Borrower and shall be secured by the Security Instrument.

7. Secured Note. This Note is secured by the Security Instrument and the Other Facility Documents and the collateral mortgaged, pledged, encumbered or assigned pursuant thereto (the "**Collateral**"). Borrower agrees to perform and comply with each of the terms, covenants and provisions contained in the Facility Documents on the part of Borrower to be observed or performed and which are made part of this Note to the same extent and with the same force and effect as if they were fully set forth herein. All sums which shall or may become payable by Borrower in accordance with the provisions of this Note shall under all circumstances be deemed to constitute additional interest on, and shall be evidenced by this Note, shall be secured by the Security Instrument and the Other Facility Documents and shall constitute part of the Debt.

8. Transfer. Upon the transfer of this Note, Holder may deliver all the Collateral, or any part thereof, to the transferee who shall thereupon become vested with all the rights in this Note or under applicable law given to Holder and Holder shall after that forever be relieved and fully discharged from any liability or responsibility in the matter; but Holder shall retain all rights given to it with respect to any Liabilities and such Collateral not so transferred. Holder will provide Borrower with notice of any such transfer.

9. Maximum Permissible Rate. This Note is subject to the express condition that at no time shall Borrower be obligated or be required to pay interest on the Principal Balance at a rate which could subject Holder to liability as a result of being in excess of the maximum rate which Borrower is permitted by law to contract or agree to pay. If by the terms of this Note Borrower is at any time required or obligated to pay interest on the Principal Balance at a rate in excess of such maximum rate, then the rate of interest under this Note shall be deemed to be immediately reduced to such maximum rate, interest payable under this Note shall be computed at such maximum rate and any prior interest payments made in excess of such maximum rate shall be applied and shall be deemed to have been payments made in reduction of the Principal Balance.

10. Set Off. If a Default has occurred and is continuing, Holder is hereby authorized at any time and from time to time, to the full extent permitted by law, to set off and apply any deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by Holder to or for the credit or the account of Borrower against any of the Liabilities, irrespective of whether or not Holder has made any demand under the Facility Documents and although such obligations of Borrower may be unmatured. The rights of Holder under this Section are in addition to other rights and remedies (including other rights of setoff) which Holder may have.

11. Default. It is hereby expressly agreed that the entire Debt shall become immediately due and payable at the direction of Funding Lender (constituting a mandatory prepayment under Section 3.01(b) of the Funding Loan Agreement) in the event any

25925/036/02832064.DOCXv1

portion of the Debt is not paid within ten (10) days after the same is due and payable or on the happening of any Default or any event by which, under the terms of the Facility Documents, after the expiration of any applicable notice or grace period specifically set forth therein, the Debt may or shall become due and payable and that all of the terms, covenants and provisions contained in the Security Instrument, the Project Loan Agreement, the Disbursement Agreement and the Other Facility Documents which are to be kept and performed by Borrower are hereby made part of this Note to the same extent with the same force and effect as if they were fully set forth in this Note.

12. Authority. Borrower (and the undersigned representative(s) of Borrower, if any) represents that Borrower has full power, authority and legal right to execute and deliver this Note and that this Note constitutes a valid and binding obligation of Borrower.

13. Joint and Several Obligations. If Borrower consists of more than one party, the obligations and liabilities of each such party hereunder shall be joint and several.

14. Defined Terms. Whenever used, the singular number shall include the plural, the plural the singular, and the words "**Holder**" and "**Borrower**" shall include their respective successors and assigns, provided, however, that Borrower shall not have the right, without obtaining the prior written consent of Holder, to assign or transfer its obligations under any of the Facility Documents, in whole or in part, to any other person, party or entity.

15. Headings. The headings and captions of the numbered paragraphs of this Note are for convenience of reference only and are not to be construed as defining or limiting the scope or intent of the provisions of this Note.

16. Enforceability. Each Facility Document executed by Borrower constitutes a legal and binding obligation of, and is valid and enforceable against, Borrower, in accordance with the terms of such Facility Document (subject to Debtor Relief Laws and general equitable principles) and is not subject to any right of rescission, set-off, counterclaim or defense. During the Construction Phase, this Note and the obligations hereunder are recourse obligations of the Borrower, and the Funding Lender shall have full recourse against the Borrower for the full payment of the Debt.

17. Waiver. Borrower waives presentment, demand for payment, notice of dishonor and any or all notices or demands in connection with the delivery, acceptance, performance, default or enforcement of this Note (notice that the Holder has specifically agreed to provide pursuant to the terms of the Facility Documents) and consents to any or all delays, extensions of time, renewals, release of any party to any of the Facility Documents and of any available security therefor, to any party to the Facility Documents or to the actual holder thereof and any and all waivers or modifications that may be granted or consented to by Holder with regard to the time of payment or with respect to any other provisions of the Facility Documents and agrees that no such action, delay or failure to act on the part of Holder shall be construed as a waiver by Holder of, or otherwise

affect, in whole or in part, its right to avail itself of any remedy. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower or of the right of Holder to take further action without further notice or demand as provided in any of the Facility Documents. If Borrower is a partnership, the agreements contained in this Note shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership, and the term "Borrower", as used in this Note, shall include any alternate or successor partnerships, but any predecessor partnership and their partners shall not thereby be released from any liability. (Nothing in the previous sentence shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership which may be set forth in the Facility Documents.)

18. Amendments. This Note may not be modified, amended, changed or terminated except by an agreement in writing signed by Borrower and Holder. No waiver of any term, covenant or provision of this Note will be effective unless given in writing by Holder and, if so given by Holder, will only be effective in the specific instance in which given.

19. Governing Law. This Note is and will be deemed entered into in the State and will be governed by and construed in accordance with the laws of the State without regard to principles of conflicts of laws, and no defense given or allowed by the laws of any state or country will be interposed in any action or proceeding hereon unless such defense is either given or allowed by the laws of the State.

20. Jurisdiction and Venue.

(a) Consent to Jurisdiction. Borrower hereby submits, for itself and its property, to the nonexclusive jurisdiction of any United States Federal or State court sitting in Broward County, and any appellate court in such jurisdiction, in any action or proceeding arising out of or relating to this Note, or for recognition or enforcement of any judgment, and each of the parties agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims against Funding Lender or Holder may only) be heard and determined in such State or, to the extent permitted by law, in such Federal court. Borrower agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Note will affect any right that Holder may otherwise have to bring any action or proceeding relating to this Note against Borrower or its properties in the courts of any jurisdiction.

(b) Waiver of Objection to Venue. Borrower waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the venue of any suit, action or proceeding arising out of or relating to this Note in any court referred to in Section 20(a). Borrower hereby waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

25925/036/02832064.DOCXv1

(c) Service of Process. Borrower consents to service of process in the manner provided for notices in the Project Loan Agreement. Nothing in this Note will affect the right of Holder to serve process in any other manner permitted by law.

21. **Waiver of Special Damages.** To the extent permitted by applicable law, Borrower shall not assert, and hereby waives, any claim against Holder or Funding Lender, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Note or any agreement or instrument contemplated hereby, the transactions, the Project Loan or the use of the proceeds thereof.

22. **WAIVER OF JURY TRIAL.** BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING, DIRECTLY OR INDIRECTLY, ARISING OUT OF OR RELATING TO THIS NOTE OR THE TRANSACTIONS CONTEMPLATED BY THIS NOTE (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). BORROWER HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF HOLDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT HOLDER WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THIS WAIVER AND (B) ACKNOWLEDGES THAT IT AND HOLDER HAVE BEEN INDUCED TO ENTER INTO THE LOAN TRANSACTION BY, AMONG OTHER THINGS, THE WAIVER AND CERTIFICATIONS IN THIS SECTION.

**Re: Pine Island Park

Dear Lewis:

JPMorgan Chase Bank, N.A. ("JPMorgan Chase" or "Lender") is excited to present this proposal for a forward-starting Fannie Mae DUS permanent loan (the "Permanent Loan") for the above-reference property. This permanent financing option is being offered in connection with JPMorgan Chase providing the construction loan, the proposed terms of which are set forth and being provided to you in a separate letter.

We have completed a preliminary review of the materials you have submitted, and the following is an outline of the terms that we propose to underwrite for credit approval. This letter is for discussion purposes only and does not represent a commitment by JPMorgan Chase or Fannie Mae to provide financing for the project nor an offer to commit, but is rather intended to serve as a basis for further discussion and negotiation should you wish to pursue the proposed transaction. Our interest and preliminary terms are subject to change as our due diligence and discussions with you continue. Such a commitment can only be made after due diligence materials are received, reviewed and approved and credit approval has been obtained.

Note Interest Rate:	5.54% per annum (est). This rate assumes tax-exempt and is determined using a spread of 1.65% over an assumed 10-year SOFR Swap Rate of 3.89%. This estimated rate is subject to fluctuation until rate lock, which will be approximately one week prior to construction loan closing. Fannie Mae guarantee and servicing fees are included in this spread. Ongoing bond issuer fees are not included herein. Should the Project qualify for the Fannie Mae Green Building Certification and/or Healthy Housing Rewards the above rate may be reduced.

Any such costs in excess of the amount collected at application, will be due at closing, if not otherwise collected. To save costs, third parties ordered by JPMorgan Chase in connection with the construction loan will be shared. Accordingly, only one lender application deposit will be collected between the construction lender and permanent lender.
