Re: Request for Comments – Historical Resource Review
Plat No. 007-MP-23/Sea View Two
Broward County property folio(s): 504235000210 (805 E Dania Beach Blvd, Dania Beach, FL 33004)

Christian,

I have had an opportunity to review materials relative to 007-MP-23/Sea View Two, Broward County property folio(s): 504235000210.

A. In my capacity as the County's archaeological consultant, based on the available information including archival documents, maps, the Broward County Land Use Plan and the Florida Master Site File (FMSF), it is my determination that the proposed project will have no adverse effect on any known historical or archaeological resources or areas of archaeological or paleontological sensitivity.

The subject property contains previously recorded structure 8BD04178 which was built around 1953. This structure is proposed to be demolished. It has been determined ineligible for the National Register of Historic Places and its demolition will not cause any adverse effects. The associated mobile home park largely consists of modern trailers and lacks historical integrity.

B. The subject property is located within the jurisdiction of Broward County's historic preservation ordinance (B.C. Ord. 2014-32). Pursuant to B.C. Ord. 2014-32, Section 5-536.5(g), if, "in the event that archaeological materials are uncovered during development activities, such development activities in the immediate vicinity of the discovery shall be discontinued," and the property owner shall notify the County Historic Preservation Officer of the discovery and undertake certain additional actions.

C. If, in the event that unmarked burials are discovered, then, pursuant to Florida State Statutes, Chapter 872.05, "all activity that may disturb the unmarked burial shall cease immediately, and the district medical examiner shall be notified. Such activity shall not resume unless specifically authorized by the district medical examiner or State Archaeologist."
