RE: Plat Note Amendment for Zona Place  
(013-MP-21) Town of Davie

DATE: July 18, 2024

Planning Council staff has reviewed the proposed revision to the restrictive note on the above referenced plat.

The Future Land Use Element of the Town of Davie Comprehensive Plan is the effective land use plan for the Town of Davie. That plan designates the area covered by this plat for the uses permitted in the "Town of Davie Regional Activity Center" land use category. This plat is generally located on the north side of Southwest 38 Court, between Southwest 63 Avenue and Davie Road/Southwest 64 Avenue.

Regarding the proposed residential and commercial uses, this plat is subject to the executed "Interlocal Agreement for the Monitoring of Development Activity and Enforcement of Permitted Land Uses in Regional Activity Center," as recorded in Official Record Book 41265, Pages 15-20.

The proposed commercial use is in compliance with the permitted uses of the effective land use plan.

Regarding the proposed residential use, Planning Council staff has received written documentation that the Town of Davie allocated 250 "flexibility units" to this plat on October 21, 2020 (Resolution No. 2020-306). Therefore, the proposed development of 250 dwelling units is in compliance with the permitted uses and densities of the effective land use plan.

Planning Council staff notes that this allocation of "flexibility units" is not subject to Policy 2.10.1 of the Broward County Land Use Plan (BCLUP) as the subject parcel is not located within 500 feet of a Broward County or regional park, or an Environmentally Sensitive Land, as defined by the Broward County Comprehensive Plan, and is not located adjacent to another municipality. It is further noted that the allocation of "flexibility units" is not subject to BCLUP Policy 2.16.2 regarding affordable housing.
