Table 4: Cumulative GPA Trends by Academic Year

Academic Year	3.0 and higher	2.0-2.9	Below 2.0	Total
2021-2022	4	2	2	8

Students must also complete a minimum of 67% of their coursework attempted each year and be on track to complete their degree requirements within 150% of the number of credits required for their program of study.

Note: BC measures SAP at the end of each term; recipients who meet all three SAP requirements will continue to receive the Broward Futures scholarship.

Table 5: Course Completion Ratio

Academic Year	75% or higher	67-74.9%	Less than 67%	Total
2021-2022	4	0	4	8
