Neil Kutchera
Assistant Port Director
1850 Eller Drive
Fort Lauderdale, FL 33316

Dear Mr. Kutchera:

In response to your request, this non-binding “ballpark” estimate to provide approximately 15 MVA of shore power capability/capacity for each of the 8 terminals (2, 4, 18, 19, 21, 25, 26, and 29) is approximately \$35,000,000. This amount is an “order of magnitude” estimate only. This estimate is not an offer from FPL to perform the requested work and should not be construed or used as such for detailed planning purposes. It is provided strictly to assist with your preliminary decision making. FPL shall not be held liable for any variations that may occur between this “order of magnitude” estimate and any detailed cost estimates that may subsequently be provided by FPL.

Should you desire to pursue this matter further by requesting a “binding” detailed Engineering Cost Estimate, an engineering deposit in the amount of \$495,000 will be required. This request must be made in writing and shall specify, in detail, the scope of work to be included in the estimate. The binding detailed Engineering Cost Estimate is valid for six months and subject to change in the event of a work scope change.

Should you pay an engineering deposit and elect to have the work performed (the work included in the estimate for which the deposit was paid), that deposit will be applied to the FPL work order as customer Contribution in Aid of Construction (CIAC). This applied amount would contribute toward the total CIAC amount determined by the detailed cost estimate, if the CIAC is paid while the estimate is valid. If you elect not to have that work performed, or if no CIAC payment is made while the estimate is valid, the deposit will be withheld by FPL to defray a portion of FPL’s cost to produce the estimate.

Should additional detailed estimates be required for work not included in your original request, you may be required to pay any additional FPL engineering costs to produce those estimates.

Please contact me at 772-214-4569 or Jessica.Ireton-Hewitt@fpl.com if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Ireton-Hewitt', written in a cursive style.
