(d) Principal. The outstanding principal amount of the Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to the Fiscal Agent to or for the account of the Governmental Lender to fund corresponding advances with respect to the Borrower Note under the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Fiscal Agent shall keep a record of all principal advances and principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender and the Funding Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(e) Interest. Interest shall be paid on the outstanding principal amount of the Governmental Lender Note at the rate or rates set forth in the Borrower Note and otherwise as set forth in the Borrower Loan Agreement; provided, however, that in no event shall interest paid on the Governmental Lender Note exceed the Maximum Rate.

(f) Corresponding Payments. The payment or prepayment of principal, interest and premium, if any, due on the Funding Loan and the Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the Borrower Note. Payments on the Borrower Note shall be made to the Fiscal Agent, and such payments shall be immediately credited to the account of the Funding Lender as payments on the Governmental Lender Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on the Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the Funding Loan and the Governmental Lender Note.

(g) Usury. The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Note and all agreements made in the Governmental Lender Note, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall

control every other provision of the Governmental Lender Note, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the parties hereto intend and agree that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Note. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Note. The Governmental Lender Note shall be substantially in the form set forth in Exhibit A-1 and A-2 attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement or State law. In connection with Conversion, the Funding Lender shall have the right to exchange the then existing Governmental Lender Note on or after the Conversion Date for a new Governmental Lender Note with a dated date of the Conversion Date and in a stated principal amount equal to the then outstanding principal amount of the Governmental Lender Note, which amount will equal the Permanent Period Amount of the Borrower Loan.

Section 2.3. Execution and Delivery of Governmental Lender Note. The Governmental Lender Note shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of an Authorized Governmental Lender Representative, and attested by the manual or facsimile signature of an Authorized Attesting Officer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Governmental Lender Note. In case any officer of the Governmental Lender whose manual or facsimile signature shall appear on a Governmental Lender Note shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also a Governmental Lender Note may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution thereof shall be the proper officers to sign such Governmental Lender Note although at the date of such Governmental Lender Note such persons may not have been such officers.

Following execution by the Governmental Lender, the Governmental Lender Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Funding Loan Agreement unless and until a certificate of authentication on such Governmental Lender Note substantially in the form contained on Exhibit A attached hereto shall have been duly executed by the Fiscal Agent. The certificate of authentication appearing on the Governmental Lender Note shall be deemed to have been duly executed by the Fiscal Agent if manually signed by an authorized officer or employee of the Fiscal Agent. Such authentication certificate of the Fiscal Agent shall be conclusive evidence that the Governmental Lender Note so registered or authenticated has been duly executed, registered, or authenticated and delivered.

Section 2.4. Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Note and the Funding Loan or (ii) any portion of or a participation interest in the Governmental Lender Note and the Funding Loan, to the extent permitted by Section 2.4(c) below, provided that such sale shall be only to Approved Transferees that execute and deliver to the Funding Lender, with a copy to the Governmental

Lender and the Fiscal Agent, the Required Transferee Representations provided, however, that no Required Transferee Representations shall be required to be delivered by transferees or beneficial interest holders described in clauses (3) or (4) of the definition of “Approved Transferee.”

(c) Notwithstanding the other provisions of this Section 2.4, no beneficial ownership interest in the Governmental Lender Note and Funding Loan shall be sold in an amount that is less than the Minimum Beneficial Ownership Amount provided, however, that beneficial ownership interests in the Governmental Lender Note and Funding Loan described in clause (3) of the definition of “Approved Transferee” may be sold in any amount without regard to the Minimum Beneficial Ownership Amount.

(d) No service charge shall be made for any sale or assignment of any portion of the Governmental Lender Note, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such sale or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(e) The Governmental Lender Note shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Governmental Lender and the Funding Lender. The Governmental Lender Note shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

(f) The parties agree that no rating shall be sought from a rating agency with respect to the Funding Loan or the Governmental Lender Note.

The Fiscal Agent shall be entitled to rely, without any further inquiry, on any Required Transferee Representations delivered to it and shall be fully protected in registering any transfer or exchange of the Governmental Lender Note in reliance on any such Required Transferee Representations which appear on their face to be correct and of which the Fiscal Agent has no actual knowledge otherwise. Any such holder desiring to effect such transfer shall agree to indemnify the Governmental Lender and the Fiscal Agent from and against any and all liability, cost or expense (including attorneys’ fees, costs and expenses) that may result if the transfer is not exempt from registration under the Securities Act or is not made in accordance with such federal and state laws. Notwithstanding anything to the contrary herein, the holder shall not transfer or sell the Governmental Lender Note or any interest therein to a party related to or affiliated with the Borrower, any general partner, limited partner or member of the Borrower without the prior written consent of the Governmental Lender.

Section 2.5 Registration and Transfer of Governmental Lender Note.

The Fiscal Agent acknowledges that the Funding Lender is the initial holder of the Governmental Lender Note and shall remain the sole holder of the Governmental Lender Note except as otherwise provided herein.

The Fiscal Agent, on behalf of the Governmental Lender, shall provide for the registration of the Governmental Lender Note or interests therein and the registration of transfers thereof. In that regard, the Fiscal Agent shall maintain a register which shall contain a record of every Governmental Lender Note at any time authenticated hereunder, together with the name and address of the holder thereof, the date of authentication, the date of transfer or payment, and such other matters as may be deemed appropriate by the Fiscal Agent or the Governmental Lender. The Governmental Lender, the Fiscal Agent and any agent of the Governmental Lender or the Fiscal Agent shall treat the person in whose name the Governmental Lender Note is registered as of the Record Date as the owner of the Governmental Lender Note for the

purpose of receiving payment of the Governmental Lender Note and for all other purposes whatsoever whether or not the Governmental Lender Note payments are overdue, and, to the extent permitted by law, neither the Governmental Lender, the Fiscal Agent nor any such agent shall be affected by notice to the contrary.

The transfer of the Governmental Lender Note is subject to registration by the holder thereof only upon compliance with the conditions for registration of transfer imposed on the holder under this Section 2.5 and under Section 2.6 hereof. Upon surrender of the Governmental Lender Note at the designated corporate trust office of the Fiscal Agent, the Governmental Lender shall execute (if necessary), and the Fiscal Agent shall authenticate and deliver, in the name of the designated transferee (but not registered in blank or to “bearer” or a similar designation), a new Governmental Lender Note of a like principal amount, and having the same stated maturity, tenor and interest rate.

A Governmental Lender Note delivered in exchange for or upon transfer of the Governmental Lender Note shall be a valid limited obligation of the Governmental Lender evidencing the same debt, and entitled to the same benefits under this Funding Loan Agreement, as the Governmental Lender Note surrendered for such exchange or transfer.

Registration of the transfer of the Governmental Lender Note may be made on the Fiscal Agent’s register by the holder thereof by such holder’s attorney duly authorized in writing; provided, that the Governmental Lender Note presented or surrendered for registration of transfer or exchange (i) is accompanied by evidence of compliance with the provisions of Section 2.6 hereof, (ii) is duly endorsed or be accompanied by a written instrument or instruments of transfer, in a form satisfactory to the Governmental Lender and the Fiscal Agent, duly executed by the holder thereof or his, her or its attorney duly authorized in writing and (iii) includes written instructions as to the details of the transfer of the Governmental Lender Note. The transferor shall also provide or cause to be provided to the Fiscal Agent all information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Fiscal Agent may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

No service charge shall be made to the registered holder of the Governmental Lender Note for any registration, transfer or exchange, but the Fiscal Agent and the Governmental Lender may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection with any transfer or exchange of the Governmental Lender Note, and any legal or unusual costs of transfers. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

The Governmental Lender Note shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

ARTICLE III

PREPAYMENT

Section 3.1. Prepayment of the Governmental Lender Note from Prepayment under the Borrower Note. The Governmental Lender Note is subject to voluntary and mandatory prepayment as follows:

(a) The Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds of the Governmental Lender received by the Governmental

Lender or the Fiscal Agent, as provided in the Borrower Loan Agreement, to the extent and in the manner and on any date that the Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of the Borrower Note, thereby causing the Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Note, without the prior written consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) The Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the Borrower Note at the direction of the Funding Lender in accordance with the terms of the Borrower Note at a prepayment price equal to the outstanding principal balance of the Borrower Note prepaid, plus accrued interest plus any other amounts payable under the Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of the Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the Borrower Note is timely and properly given to Funding Lender and the Fiscal Agent in accordance with the terms of the Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Note is required to be given.

ARTICLE IV

SECURITY

Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and the Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and the Governmental Lender Note are secured, and in consideration of the terms and provisions of this Funding Loan Agreement and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender does hereby grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Fiscal Agent for the benefit of the holder from time to time of the Governmental Lender Note or any interests therein (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "Security"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments (except those related to the Unassigned Rights) derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held by the Fiscal Agent under this Funding Loan Agreement and any amounts held at any time in the Remaining Funding Loan Proceeds Account, any Negative Arbitrage Deposit and any other amounts held under the Contingency Draw-Down Agreement (other than any amounts held in the Expense Fund, the Rebate Fund and the Closing Cost Account), subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Fiscal Agent or the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Fiscal Agent or the Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and the Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on the Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Note by the Governmental Lender. The Security so pledged and then or thereafter received by the Fiscal Agent or the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and the Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Note its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

(a) The Borrower Note endorsed without recourse to the Fiscal Agent for the benefit of the Funding Lender, as their interests may appear by the Governmental Lender (subject to reservation of the Governmental Lender's Reserved Rights);

(b) The originally executed Borrower Loan Agreement and Regulatory Agreement;

(c) The originally executed Security Instrument and all other Borrower Loan Documents existing at the time of delivery of the Borrower Note and an assignment for security of the Security Instrument from the Governmental Lender to the Fiscal Agent, in recordable form;

(d) Uniform Commercial Code financing statements or other chattel security documents giving notice of the Fiscal Agent's status as an assignee of the Governmental Lender's security interest in any personal property forming part of the Project, in form suitable for filing; and

(e) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement.

The Governmental Lender shall deliver and deposit with the Fiscal Agent or the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require and direct from time to time for the better perfecting and assuring of the Funding Lender of the Governmental Lender's lien and security interest in and to the Security, as assigned to the Fiscal Agent, including, at the request of the Funding Lender, without limitation any amounts held under the Contingency Draw-Down Agreement, all at the expense of the Borrower.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent shall not be responsible for any initial filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interest or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code. The Fiscal Agent shall cause to be filed a continuation statement with respect to each Uniform Commercial Code financing statement relating to the Governmental Lender Note which was filed at the time of the issuance thereof, in such manner and in such places as the initial filings were made, provided that a copy of the filed, original financing statement is timely delivered to the Fiscal Agent. In addition, unless the Fiscal Agent shall have been notified in writing by the Governmental Lender that any such initial filing or description of collateral was or has become defective, the Fiscal Agent shall be fully protected in (i) relying on such initial filing and description in filing any financing or continuation statements or modifications thereto pursuant to this Section 4.2 and (ii) filing any continuation statements in the same filing offices as the initial filings were made. The Borrower shall be responsible for the reasonable costs incurred by the Fiscal Agent in the preparation and filing of all continuation statements hereunder.

ARTICLE V

LIMITED LIABILITY

Section 5.1. Source of Payment of Funding Loan and Other Obligations. The Funding Loan is a limited obligation of the Governmental Lender, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned hereunder. None of the Governmental Lender, the State, or any political subdivision thereof (except the Governmental Lender, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Funding Loan or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth herein, and none of the Funding Loan or the Governmental Lender Note or any of the Governmental Lender's agreements or obligations with respect to the Funding Loan, the Governmental Lender Note, or hereunder, shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. Neither the faith, revenues, credit nor taxing power of the Governmental Lender, the State or any other political corporation or subdivision or agency thereof shall be pledged to the payment of the principal of, premium (if any), or interest on the Governmental Lender Note or this Funding Loan Agreement.

Section 5.2. Exempt from Individual Liability. No recourse under or upon any obligation, covenant, warranty or agreement contained in this Funding Loan Agreement or in the Governmental Lender Note, or under any judgment obtained against the Governmental Lender, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Funding Loan Agreement, shall be had against any of the members, officers, agents or employees of the Governmental Lender (past, present or future), either directly or through the Governmental Lender or otherwise, for the payment for or to the Governmental Lender or any receiver of the Governmental Lender, or for or to the owner of the Governmental Lender

Note, or otherwise, of any sum that may be due and unpaid by the Governmental Lender upon the Governmental Lender Note. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, agent or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owner of a Governmental Lender Note or otherwise of any sum that may remain due and unpaid upon a Governmental Lender Note secured by this Funding Loan Agreement or any of them is, by the acceptance of the Governmental Lender Note, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Lender Note. Anything in this Funding Loan Agreement to the contrary notwithstanding, it is expressly understood by the parties to this Funding Loan Agreement that (a) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Servicer, the Borrower or the owner of the Governmental Lender Note as to the existence of any fact or state of affairs, (b) the Governmental Lender shall not be under any obligation under this Funding Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent or by the Servicer and its respective counsel, as applicable, and (c) none of the provisions of this Funding Loan Agreement shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Funding Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Governmental Lender Note or for the satisfaction of any liability arising from, founded upon or existing by reason of the initial delivery, purchase or ownership of a Governmental Lender Note shall be had against any officer, member, agent or employee of the Governmental Lender, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Lender Note. No covenant, stipulation, obligation or agreement of the Governmental Lender contained in this Funding Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Governmental Lender in other than that person's official capacity. No member, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the delivery of the Governmental Lender Note or the execution of this Funding Loan Agreement.

It is recognized that notwithstanding any other provision of this Funding Loan Agreement, neither the Borrower, the Fiscal Agent nor any owner of the Governmental Lender Note shall look to the Governmental Lender for damages suffered by the Borrower, the Fiscal Agent or such owner as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Funding Loan Agreement, the Borrower Loan Agreement, the Governmental Lender Note or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, or for any other reason. Although this Funding Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Funding Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

Except as provided in Section 7.3 hereof, no funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender, the Fiscal Agent (as directed by the Funding Lender) and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

The Fiscal Agent shall provide Written Notice of any change to such wiring instructions to the Funding Lender and the Borrower no less than five (5) Business Days prior to the next payment date for which such revised instructions will be applicable.

Section 7.4. Funding Loan Payment Fund. The Governmental Lender and the Borrower shall have no interest in the Funding Loan Payment Fund or the moneys therein, which shall always be maintained by the Fiscal Agent completely separate and segregated from all other moneys held hereunder and from any other moneys of the Governmental Lender and the Borrower.

The Fiscal Agent shall deposit into the Funding Loan Payment Fund any amounts received from the Borrower as payments of principal of, premium, if any, or interest on the Borrower Loan and any other amounts received by the Fiscal Agent that are subject to the lien and pledge of this Funding Loan Agreement, including any Pledged Revenues not required to be deposited to the Expense Fund or Rebate Fund or not otherwise specifically directed in writing to be deposited into other funds created by this Funding Loan Agreement.

The Fiscal Agent shall apply all amounts on deposit in the Funding Loan Payment Fund in the following order of priority:

First, to pay or provide for the payment of the interest then due on the Funding Loan;

Second, to pay or provide for the payment or the prepayment of principal (and premium, if any) on the Funding Loan, provided moneys have been transferred or deposited into the Funding Loan Payment Fund for such purpose; and

Third, to pay or provide for the payment of the Funding Loan on the Maturity Date.

If the Fiscal Agent has not received, by 11:00 a.m. Eastern time on the date interest is due on the Governmental Lender Note, an amount sufficient to pay such interest, the Fiscal Agent shall provide immediate telephonic or electronic notice to the Funding Lender of such deficiency. The Fiscal Agent may rely on the payment terms of the Governmental Lender Note for purposes of payments described above. In making any payment under this Section, the Fiscal Agent may rely conclusively upon a written statement provided by the Funding Lender as to the amount payable to the Funding Lender pursuant to this Funding Loan Agreement, the Borrower Loan Agreement or the Construction Funding Agreement, as applicable. Any funds remaining in the Funding Loan Payment Fund after (i) payment in full of the Borrower Loan, and (ii) satisfaction of all of the Borrower's obligations under the Borrower Loan Agreement, shall be disbursed to the Borrower.

Section 7.5. Expense Fund. The Fiscal Agent shall deposit in the Expense Fund the amounts required by the Regulatory Agreement and/or the Borrower Loan Agreement to be paid by the Borrower to the Governmental Lender or the Fiscal Agent. Amounts on deposit in the Expense Fund shall be used to pay the fees and expenses of the Governmental Lender and the Fiscal Agent, as and when the same become due. In that regard, moneys in the Expense Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent to pay (a) on each April 1 and October 1, commencing on October 1, 2025, to the Governmental Lender, the Governmental Lender Fee due and payable, (b) on each April 1 and October 1, commencing on the Closing Date, to the Fiscal Agent amounts due pursuant to subparts (i) and (ii) of the definition of "Fiscal Agent's Fees" herein, (c) upon receipt, to the Fiscal Agent, any amounts due to the Fiscal Agent which have not been paid, other than amounts paid in accordance with clause (b) hereof; and (d) upon receipt, to, or at the written direction of, the Governmental Lender, any amounts owing the Governmental Lender by the Borrower and then due and unpaid, other than amounts paid in accordance with clause (a) hereof.

Closing Cost Account. On the Closing Date, the Borrower shall deposit or cause to be deposited with the Fiscal Agent, for deposit in the Closing Cost Account, an amount equal to \$_____. Amounts in the Closing Cost Account shall be disbursed by the Fiscal Agent to pay Closing Costs on the Closing

Date or as soon as practicable thereafter as set forth in a closing memorandum prepared by the Funding Lender and approved by the Governmental Lender, pursuant to a Written Requisition in the form attached hereto as Exhibit D. Notwithstanding the immediately preceding sentence, Closing Costs to be paid from the Closing Cost Account on the Closing Date may be paid in accordance with the Final Closing Memorandum. Any interest earnings on amounts on deposit in the Closing Cost Account shall remain in the Closing Cost Account. Any moneys remaining in the Closing Cost Account (including investment proceeds) after the earlier of: (a) the payment of all Closing Costs as certified in writing to the Fiscal Agent by the Borrower; or (b) a period of six (6) months after the Closing Date, shall be paid to or at the direction of the Borrower and the Closing Cost Account shall be closed.

In addition, any additional fees and expenses of Tax Counsel shall be timely funded by additional deposits by the Borrower into the Expense Fund of moneys not derived from the proceeds of the Borrower Loan, and the Fiscal Agent shall use such amounts to pay such additional fees and expenses of Tax Counsel, as directed by the Borrower in writing.

In the event that the amounts on deposit in the Expense Fund or Closing Cost Account therein are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraphs on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two (2) Business Days to the Fiscal Agent of the amount of such deficiency.

Written notice of any deficiency, which results in the Governmental Lender not receiving the Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within ten (10) days of the respective due date.

Upon payment by the Borrower to the Fiscal Agent of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Notwithstanding anything herein to the contrary, the Fiscal Agent, on behalf of the Governmental Lender, shall prepare and submit a written invoice to the Borrower for payment of the Governmental Lender Fee not later than thirty (30) days prior to the due date for payment of such the Governmental Lender Fee, and shall remit moneys received by the Borrower to the Governmental Lender for payment of such fee. Failure of the Fiscal Agent to prepare or submit such notice shall not excuse the Borrower from making the required payments.

Section 7.6. Intentionally Omitted.

Section 7.7. Project Fund.

(a) All proceeds of the Funding Loan provided by the Funding Lender shall be deposited to the Note Proceeds Account of the Project Fund and disbursed as herein provided; provided, however, that any proceeds of the Funding Loan funded pursuant to the Contingency Draw-Down Agreement shall be deposited to the Remaining Funding Loan Proceeds Account of the Project Fund and be disbursed as provided herein. In addition, proceeds from Borrower Initial Equity in the amount of \$_____ shall be deposited into the Borrower Equity Account and Borrower Deferred Equity shall be deposited into the Borrower Equity Account, and be disbursed as provided herein. The Fiscal Agent shall disburse moneys in the Project Fund for the rehabilitation, construction, improvement and equipping of the Project, to pay other Qualified Project Costs and to pay other costs related to the Project as further provided herein.

Not less than 95% of the moneys deposited in and credited to the Note Proceeds Account and Remaining Funding Loan Proceeds Account of the Project Fund representing the proceeds of the Funding Loan, including Investment Income thereon, will be expended for Qualified Project Costs (the "95% Requirement"). The amounts on deposit in the Note Proceeds Account and Remaining Funding Loan Proceeds Account of the Project Fund shall not be applied to the payment of Closing Costs.

Before any payment shall be made from the Project Fund, the Regulatory Agreement shall have been executed and submitted to a title company for recordation in the official records of the County and there shall be filed with the Fiscal Agent a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C and approved by the Funding Lender pursuant to the terms, conditions and provisions of the Construction Funding Agreement. The Fiscal Agent shall be entitled to conclusively rely upon any Written Requisition in determining whether to disburse amounts from the Project Fund. Additionally, funds to be paid from the Project Fund by the Fiscal Agent on the Closing Date may be paid in accordance with the Final Closing Memorandum without the need for a Written Requisition. Any funds remaining on deposit in the Borrower Equity Account of the Project Fund following the completion of the Project shall be applied as set forth in the written instructions of the Borrower and the Funding Lender. Any amounts remaining on deposit in the Borrower Equity Account of the Project Fund on the Conversion Date shall be paid by the Fiscal Agent to the Borrower.

In addition to the above, in connection with a Written Requisition:

- (i) Only the signature of an authorized officer of the Funding Lender shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Borrower Loan (Written Notice of which default has been given in writing by an authorized officer of the Funding Lender to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).
 - (ii) The Fiscal Agent shall disburse amounts in the Project Fund for the payment of interest due on the Governmental Lender Note upon receipt from the Funding Lender of a statement detailing the amount due (and without any need for a Written Requisition signed by the Funding Lender or any approval by an Authorized Representative of the Borrower) so long as the amounts to be disbursed do not exceed \$_____ in the aggregate.
 - (iii) The Fiscal Agent may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Funding Lender, as required by this Section, as conditions of payment from the Project Fund, which Written Requisitions constitute, as to the Fiscal Agent, irrevocable determinations that all conditions to payment of the specified amounts from the Project Fund have been satisfied. These documents shall be retained by the Fiscal Agent, subject at all reasonable times to examination by the Borrower, the Governmental Lender, the Funding Lender and the agents and representatives thereof upon reasonable notice to the Fiscal Agent. The Fiscal Agent is not required to inspect the Project or the rehabilitation or construction work or to make any independent investigation with respect to the matters set forth in any Written Requisition or other statements, orders, certifications and approvals received by the Fiscal Agent. The Fiscal Agent is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, rehabilitation, construction, equipping, improvement and installation of the Project.
- (b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Funding Lender, the Fiscal Agent shall promptly, but in any case within three (3) Business Days, make payment from the appropriate account within the Project Fund in accordance with such Written

Requisition. The Fiscal Agent shall have no duty to determine whether any requested disbursement from the Project Fund complies with the terms, conditions and provisions of the Funding Loan Documents, constitutes payment of Qualified Project Costs or complies with the 95% Requirement. The approval in writing of a Written Requisition by the Funding Lender shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Funding Loan Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Fiscal Agent and the Governmental Lender, as applicable, are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs or other permitted Project costs.

The Fiscal Agent shall immediately provide Written Notice to the Borrower, the Funding Lender and the Governmental Lender if there are not sufficient funds available to or on deposit with the Fiscal Agent to make the disbursements as and when required by this Section 7.7(b). Except as provided in the next sentence, all such payments shall be made by check or draft payable, or by wire transfer, either: (i) directly to the person, firm or entity to be paid; (ii) to the Borrower and such person, firm or entity; or (iii) upon receipt by the Funding Lender of evidence that the Borrower has previously paid such amount and Written Direction to the Fiscal Agent as to such as evidenced by the Funding Lender's approval of the Written Requisition, to the Borrower. Upon the occurrence of an Event of Default of the Borrower of which the Fiscal Agent has knowledge as provided herein, which is continuing under the Funding Loan Documents, with the Written Consent of the Funding Lender, the Fiscal Agent may apply amounts on deposit in the Project Fund to the payment of principal of and interest on the Funding Loan. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Funding Lender is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Fund and the accounts therein, the Fiscal Agent shall close the Project Fund.

(c) Intentionally Omitted.

(d) Moneys deposited to the Negative Arbitrage Account of the Project Fund pursuant to the Contingency Draw-Down Agreement, together with investment earnings thereon, which shall be retained therein, shall be transferred to the Funding Loan Payment Fund and applied pursuant to Section 7.4 on each Borrower Loan Payment Date to the extent necessary to enable the Fiscal Agent to pay interest due on the Funding Loan on such date. The transfer of moneys from the Negative Arbitrage Account of the Project Fund to the Funding Loan Payment Fund shall occur automatically without the need for a Written Requisition of the Borrower, or consent of the Funding Lender.

(e) Amounts on deposit in the Borrower Equity Account of the Project Fund shall be disbursed from time to time by the Fiscal Agent to pay designated amounts as set forth in and upon receipt of a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C signed by an Authorized Borrower Representative and the Funding Lender.

(f) Prior to any mandatory prepayment of the Funding Loan pursuant to the terms hereof, any amounts then remaining in the Project Fund shall, at the written direction of the Funding Lender, be transferred to the Funding Loan Payment Fund to be applied to the prepayment of the Funding Loan pursuant hereto.

Section 7.8. Rebate Fund. All amounts in the Rebate Fund shall be held, invested and disbursed by the Fiscal Agent in accordance with the written instructions of the Borrower or the Rebate Analyst and the provisions of the Tax Certificate, the terms of which are incorporated herein by reference and made a

part hereof as if fully set forth herein. The Borrower shall have the absolute obligation to deposit funds into the Rebate Fund in accordance with the provisions of the Tax Certificate. The Fiscal Agent shall make rebate payments to the United States Treasury in accordance with the applicable provisions of the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Borrower or the Rebate Analyst and shall not be required to take any actions under the Tax Certificate on behalf of the Borrower in the absence of written instructions from the Borrower or the Rebate Analyst. Any amounts remaining in the Rebate Fund after (i) payment in full of the Governmental Lender Note, and (ii) payment of any and all amounts (a) due to the Rebate Analyst, and (b) required by the final rebate report to be paid to the United States Treasury, shall be disbursed to the Borrower.

Section 7.9. Intentionally Omitted.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a public body corporate and politic under the Act, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Note and the Funding Loan and apply the proceeds of such obligation or loan to finance the Project and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Note, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, such Funding Loan Documents and all other agreements and instruments relating thereto.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (i) the Act or the Resolution, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into this Funding Loan Agreement, executing and delivering the Governmental Lender Note, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Borrower Note pursuant to any securities laws or complying with any other requirements of securities laws).

(c) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf

of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan as evidenced by the Governmental Lender Note.

(e) The Florida Division of Bond Finance has provided an allocation of a [portion of the State's [2022] [2023] private activity bond volume cap] under section 146 of the Code to the Governmental Lender for the Governmental Lender Note, and the Governmental Lender has timely made any required carry forward election with respect to such allocation. The Governmental Lender hereby elects to apply the alternative option under clause (2) of the first paragraph of Section 3.01 of IRS Notice 2011-63 with respect to the issue date of the Governmental Lender Note; and, in connection therewith, has directed Tax Counsel to include the information on Form 8038 filed for the Governmental Lender Note that is required by section 3.03 of said Notice.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3. Repayment of Funding Loan. Solely from amounts pledged therefor, and subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

Section 8.4. Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Borrower Loan on behalf of the Funding Lender and the Fiscal Agent, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement. The Funding Lender shall deliver to the Fiscal Agent written notice of the appointment or removal of any Servicer with a copy of any related servicing agreement.

Section 8.5. Borrower Loan Agreement Performance.

(a) The Funding Lender, the Fiscal Agent and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated) perform and observe any agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify or cause to be notified the Borrower, the Fiscal Agent, the Servicer, if any, and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Fiscal Agent shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Note and interests therein. The Fiscal Agent shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Funding Lender and the Governmental Lender and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender and the Funding Lender will at any and all times, upon the reasonable request of the Servicer, if any, the Borrower, the Fiscal Agent, the Governmental Lender or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender or the Funding Lender, as appropriate, relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.7. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Fiscal Agent and the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) Require the Borrower to execute the Regulatory Agreement as a condition of funding the Borrower Loan;

(b) Not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Governmental Lender Note to be includable in gross income for federal income tax purposes;

(c) Whenever and so often as requested by Funding Lender, the Governmental Lender (at the sole cost and expense of the Borrower) shall do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Note will be excluded from the gross income of the Noteowner, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any owner of the Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Not knowingly take any action or, [solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificate], knowingly permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Governmental Lender Note to be an “arbitrage bond” within the meaning of Sections

103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Funding Loan Agreement and the Tax Certificate, the requirements of the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control and no acts, omissions or directions of the Borrower, the Fiscal Agent, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.9 Maintenance of Records. The Funding Lender shall keep and maintain adequate records pertaining to funds and accounts relative to the Borrower Loan not established with the Fiscal Agent, if any, including all deposits to and disbursements from said funds and accounts and will provide information and records relating thereto to the Fiscal Agent or the Governmental Lender upon request.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Subject in all respects to Article V hereof, any one or more of the following shall constitute an event of default (an "Event of Default") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or Governmental Authority):

(a) A default in the payment of any interest on the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender, the Fiscal Agent and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” (as defined in the applicable agreement) under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

(f) Equity Investor shall have the right, but not the obligation to cure any Event of Default under this Funding Loan Agreement, any Default under the other Funding Loan Documents or any other Event of Default caused by the Borrower, and the parties shall accept such cure as if it were tendered by the Borrower.

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Article V and Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Fiscal Agent, the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Fiscal Agent and the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Fiscal Agent or the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) All Events of Default, other than the non-payment of the principal of the Funding Loan which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of Article V, this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute. The Funding Lender acknowledges and agrees that the Governmental Lender shall not be responsible or liable for any fees and expenses incurred by the Funding Lender in connection with pursuing remedies under this Article IX.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 30 days after the Borrower, the Governmental Lender, the Fiscal Agent and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender or the Fiscal Agent pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, if any, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Fiscal Agent, the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for

itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental Authority enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF FUNDING LOAN AGREEMENT

AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender, the Fiscal Agent and the Governmental Lender; provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender, the Fiscal Agent or any such successor or assign, and shall

inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender and the Fiscal Agent.

Section 10.2. Amendments Require Funding Lender Consent. Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

ARTICLE XI

THE FISCAL AGENT

Section 11.1 Appointment of Fiscal Agent; Acceptance. The Governmental Lender hereby appoints The Bank of New York Mellon Trust Company, N.A. as Fiscal Agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

Section 11.2 Certain Duties and Responsibilities of Fiscal Agent.

- (a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.
- (b) If an event of default exists hereunder or under any Borrower Loan Document of which Fiscal Agent has been provided Written Notice, the Fiscal Agent shall exercise such of the rights and powers vested in it by this Funding Loan Agreement, and subject to Section 11.2(f)(iii) hereof, use the same degree of care and skill in its exercise, as a prudent corporate trust officer would exercise or use under the circumstances in the conduct of corporate trust business. The Fiscal Agent, prior to the occurrence of an event of default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations should be read into this Funding Loan Agreement against the Fiscal Agent.
- (c) The Fiscal Agent may consult with counsel, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Fiscal Agent hereunder in good faith and in reliance thereon.
- (d) The Fiscal Agent shall not be accountable for the use or application by the obligor of the Governmental Lender Note or the proceeds thereof or for the use or application of any money paid over by the Fiscal Agent in accordance with the provisions of this Funding Loan Agreement or for the use and application of money received by any paying agent.

(e) The Fiscal Agent shall have no liability for any loss, expense or liability incurred as a result of any investment made in accordance with directions of the Borrower or the Governmental Lender, as applicable.

(f) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, in each case, as finally adjudicated by a court of law, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any trust or power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it in its sole discretion.

Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into the Borrower Loan Documents to which it is a party and other related documents, solely in its capacity as Fiscal Agent.

(g) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section. All of the provisions of this Funding Loan Agreement related to the duties, obligations, standard of care, protections and immunities from liability afforded the Fiscal Agent under this Funding Loan Agreement shall apply to the Fiscal Agent in the performance of its duties and obligations under any of the Funding Loan Documents or other related documents or instruments.

(h) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(i) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(j) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 shall extend to actions taken or omitted in its role as a party to or assignee of the Governmental Lender under the Borrower Loan Agreement and the other Funding Loan Documents.

(k) In connection with the issuance of Governmental Lender Note, certain moneys may be deposited with the Fiscal Agent before the Closing Date pursuant to one or more letters of instruction from the provider or providers of such moneys. Such moneys will be held uninvested by the Fiscal Agent subject to the terms and conditions of the Funding Loan Agreement in addition to terms provided in such letter(s) of instruction. For such purpose the standards of care, provisions regarding responsibilities and indemnification and other sections relating to the Fiscal Agent contained in the Funding Loan Agreement and the Borrower Loan Agreement (the "Effective Provisions") shall be effective as of the first date of receipt by the Fiscal Agent of such moneys. The Effective Provisions shall be deemed incorporated into such letter(s) of instructions.

Section 11.3 Notice of Defaults. Upon the occurrence of any default hereunder or under any Borrower Loan Document and provided that a Responsible Officer of the Fiscal Agent is aware of or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

Section 11.4 Certain Rights of Fiscal Agent. Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any Borrower Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Borrower Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided, that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Section 8.6 hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of its powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof, and the Fiscal Agent may rely on the advice of such counsel or any Opinion of Counsel in respect of any action taken, suffered or omitted by the Fiscal Agent hereunder in good faith and in reliance thereon. The Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Notice of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the designated office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

Section 11.5 Not Responsible for Recitals. The recitals contained herein and in the Governmental Lender Note shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement. The Fiscal Agent shall not be deemed to have notice of any information contained therein or event of default which may be disclosed therein in any manner.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

Section 11.6 May Hold Funding Loan. The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

Section 11.7 Moneys Held in Trust. Moneys held by the Fiscal Agent in trust hereunder need not be segregated from other funds except to the extent hereunder directed or as required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

Section 11.8 Compensation and Reimbursement. Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct, both as finally adjudicated by a court of law.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

- (a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.
- (b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.
- (c) The Fiscal Agent's rights to compensation and reimbursement shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan or the release of this Funding Loan Agreement.

Section 11.9 Fiscal Agent Required; Eligibility. Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either: (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition; (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, or have at least \$500,000,000 of trust assets under management and have a combined capital surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition; or (c) be otherwise acceptable to the Funding Lender and the Governmental Lender in their sole and absolute discretion.

Section 11.10 Resignation and Removal; Appointment of Successor.

- (a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.
- (b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 45 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.
- (c) The Fiscal Agent may be removed at any time with 30 days' notice by: (i) the Governmental Lender, with the Written Consent of the Funding Lender; (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents), with the Written Consent of the Funding Lender and the Governmental Lender; or (iii) the Funding Lender by Written Notice delivered to the Fiscal Agent, the Governmental Lender and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the designated corporate trust office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

Section 11.11 Acceptance of Appointment by Successor.

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, trusts and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent upon the trusts herein expressed all the estates, properties, rights, powers and trusts of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights, powers and trusts.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article XI, to the extent operative.

Section 11.12 Merger, Conversion, Consolidation or Succession to Business. Any corporation or association into which the Fiscal Agent may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such corporation shall be otherwise qualified and eligible under this Article XI, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Governmental Lender and Funding Lender within 30 days of such succession.

Section 11.13 Appointment of Co-Fiscal Agent. It is the purpose of this Funding Loan Agreement that there shall be no violation of any laws of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, any other Borrower Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, in trust, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section 11.13 are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Borrower Loan Document, the Regulatory Agreement or the Borrower Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate fiscal agent or co-fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co-fiscal agent.

Section 11.14 Loan Servicing. The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Borrower Loan as set forth in a Servicing Agreement. The Funding Lender shall provide Written Notice to the Fiscal Agent of the appointment, termination or replacement of any Servicer. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

Section 11.15 No Recourse Against Officers or Employees of Fiscal Agent. No recourse with respect to any claim related to any obligation, duty or agreement contained in this Funding Loan Agreement or any other Funding Loan Document shall be had against any officer or employee, as such, of the Fiscal Agent, it being expressly understood that the obligations, duties and agreements of the Fiscal Agent contained in this Funding Loan Agreement and the other Funding Loan Documents are solely corporate in nature.

Section 11.16 USA Patriot Act Requirements of the Fiscal Agent. To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal

entity, the Fiscal Agent may request documentation to verify such person's formation and existence as a legal entity and the identity of the owners or controlling persons thereof. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such person or other relevant documentation.

Any party to this Funding Loan Agreement may change such party's address for the purpose of notice, demands, requests and communications required or permitted under this Funding Loan Agreement by providing written notice of such change of address to all of the parties by written notice as provided herein.

Section 12.2. Term of Funding Loan Agreement. This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for; except that on and after payment in full of the Governmental Lender Note, this Funding Loan Agreement shall be terminated, without further action by the parties hereto.

Section 12.3. Successors and Assigns. All covenants and agreements in this Funding Loan Agreement by the Governmental Lender shall bind its successors and assigns, whether so expressed or not.

Section 12.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall have the same force and effect as if made on the date of payment or the date fixed for prepayment or the date fixed for such act, and no additional interest shall accrue for the period from and after such date and prior to the date of payment.

Section 12.5. Governing Law. This Funding Loan Agreement shall be governed by and shall be enforceable in accordance with the laws of the State.

Section 12.6. Severability. If any provision of this Funding Loan Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired. In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Note or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

Section 12.7. Execution in Several Counterparts. This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

Section 12.8. Nonrecourse Obligation of the Borrower. Except as otherwise provided in the Borrower Loan Agreement, any obligations of the Borrower under this Funding Loan Agreement are without recourse to the Borrower or to the Borrower's partners or members, as the case may be, and the provisions of Section 11.1 of the Borrower Loan Agreement are by this reference incorporated herein.

Section 12.9. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER, THE FUNDING LENDER AND THE FISCAL AGENT (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS FUNDING LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH

RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 12.10. Electronic Transactions. (a) The transactions described in this Funding Loan Agreement may be conducted and the related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

(b) The Fiscal Agent shall have the right to accept and act upon directions or instructions given pursuant to this Funding Loan Agreement and delivered using Electronic Means (defined below); provided, however, that Borrower, the Governmental Lender or such other party giving such direction or instruction, as the case may be, shall provide to the Fiscal Agent an incumbency certificate listing officers with the authority to provide such directions or instructions (each an “Authorized Officer”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. For purposes of this subsection (b), “Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder. If the Borrower, the Governmental Lender or such other party giving such direction or instruction elects to give the Fiscal Agent directions or instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such directions or instructions, the Fiscal Agent’s understanding of such directions or instructions shall be deemed controlling. The Borrower, the Governmental Lender and any other party giving such direction or instruction understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such directions or instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. The Borrower, the Governmental Lender or such other party giving such instruction shall each be responsible for ensuring that only Authorized Officers transmit such directions or instructions to the Fiscal Agent and that only Authorized Officers transmit such directions or instructions to the Fiscal Agent and that all Authorized Officers treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent’s reliance upon and compliance with such directions or instructions notwithstanding such directions or instructions conflict or are inconsistent with a subsequent written direction or written instruction. The Borrower agrees: (i) to assume all risks arising out of the use of Electronic Means to submit directions or instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized directions or instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions or instructions to the Fiscal Agent and that there may be more secure methods of transmitting directions or instructions; (iii) that the security procedures (if any) to be followed in connection with its transmission of directions or instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA
MULTIFAMILY HOUSING REVENUE NOTE, SERIES 2025A
(DRIFTWOOD TERRACE)

[\$11,900,000]

Date of Issuance: March __, 2025

FOR VALUE RECEIVED, the undersigned Housing Finance Authority of Broward County (“Obligor”), promises to pay to the order of CITIBANK, N.A., (“Holder”) the maximum principal sum of [ELEVEN MILLION NINE HUNDRED THOUSAND] AND NO/100 DOLLARS (\$[11,900,000.00]), on _____, 20__, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of March 1, 2025 (the “Funding Loan Agreement”), among Obligor, THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as Fiscal Agent (the “Fiscal Agent”), and Holder, an amount in immediately available funds sufficient to pay the principal amount of and Prepayment Premium, if any, on this Governmental Lender Note then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on this Governmental Lender Note in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of this Governmental Lender Note so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on this Governmental Lender Note then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a loan (the “Borrower Loan”) made by Obligor from proceeds of the Funding Loan to Driftwood Terrace, LLLP, a Florida limited liability limited partnership, as borrower (the “Borrower”), under that certain Borrower Loan Agreement, dated as of March 1, 2025 (as the same may be modified, amended or supplemented from time to time, the “Borrower Loan Agreement”), between the Obligor and the Borrower, evidenced by the Series A Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Series A Borrower Note for complete payment and prepayment terms of the Series A Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and moneys and Security pledged and assigned under the Funding Loan Agreement. THIS GOVERNMENTAL LENDER NOTE IS NOT A DEBT OR AN OBLIGATION, EITHER GENERAL OR SPECIAL, OF THE OBLIGOR, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, AND NONE OF THE OBLIGOR, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE THEREON. NEITHER THE FAITH, REVENUES, CREDIT NOR TAXING POWER OF THE OBLIGOR, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY), OR INTEREST ON THIS GOVERNMENTAL LENDER NOTE. THIS GOVERNMENTAL LENDER NOTE IS PAYABLE, AS TO PRINCIPAL, PREMIUM (IF ANY), AND INTEREST, SOLELY OUT OF THE PLEDGED REVENUES AND THE SECURITY WHICH IS THE SOLE ASSET OF THE OBLIGOR PLEDGED THEREFOR, AND THEN ONLY TO THE EXTENT PROVIDED IN THE FUNDING LOAN AGREEMENT. NEITHER THE MEMBERS OF THE OBLIGOR NOR ANY PERSONS EXECUTING THIS GOVERNMENTAL LENDER NOTE SHALL BE LIABLE PERSONALLY ON THIS NOTE BY REASON OF THE ISSUANCE HEREOF. THE OBLIGOR HAS NO TAXING POWER.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

THIS GOVERNMENTAL LENDER NOTE HAS BEEN ISSUED PURSUANT TO THE RESOLUTIONS AND IN ACCORDANCE WITH THE ACT.

NO MEMBER, OFFICER, AGENT, EMPLOYEE OR ATTORNEY OF THE OBLIGOR, INCLUDING ANY INDIVIDUAL EXECUTING THE FUNDING LOAN AGREEMENT OR THIS NOTE, SHALL BE LIABLE PERSONALLY ON THIS GOVERNMENTAL LENDER NOTE OR FOR ANY REASON RELATING TO THE ISSUANCE OF THIS GOVERNMENTAL LENDER NOTE. NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THIS GOVERNMENTAL LENDER NOTE, OR FOR ANY CLAIM BASED ON THIS GOVERNMENTAL LENDER NOTE, OR OTHERWISE IN RESPECT OF THIS GOVERNMENTAL LENDER NOTE, OR BASED ON OR IN RESPECT OF THE FUNDING LOAN AGREEMENT OR ANY SUPPLEMENT THERETO, AGAINST ANY MEMBER, OFFICER, EMPLOYEE OR AGENT, AS SUCH, OF THE OBLIGOR OR ANY SUCCESSOR, WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THIS NOTE AND AS PART OF THE CONSIDERATION FOR THE ISSUE OF THIS GOVERNMENTAL LENDER NOTE, EXPRESSLY WAIVED AND RELEASED.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity, and those respecting limitations on liability in Article V of the Funding Loan Agreement.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Subject to the limits on liability set forth herein and in the Funding Loan Agreement, and solely from the collateral pledged therefor, Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement, but solely from the Pledged Revenues, the Security, or amounts provided by the Borrower.

The transfer of this Governmental Lender Note is subject to certain restrictions as provided in the Funding Loan Agreement and described below and to registration by the holder in person or by the holder's attorney hereof upon surrender of this Governmental Lender Note at the designated corporate trust office of the Fiscal Agent, duly endorsed or accompanied by a written instrument or instruments of transfer in form satisfactory to the Fiscal Agent and the Governmental Lender and executed by the holder hereof or his, her or its attorney duly authorized in writing, containing written instructions as to the details of the registration of the transfer of this Governmental Lender Note. Thereupon the Obligor shall execute (if necessary) and the Fiscal Agent shall authenticate and deliver in the name of the transferee or transferees (but not registered in blank or to "bearer" or a similar designation), a new Governmental Lender Note.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note by its authorized representative as of the date first set forth above.

FORM OF REQUIRED TRANSFEREE REPRESENTATIONS

[_____, 20__]

The undersigned, as holder (the “Holder”) of a loan (the “Funding Loan”) in the maximum amount of \$[_____] from CITIBANK, N.A. (“Funding Lender”) to Housing Finance Authority of Broward County, Florida (the “Governmental Lender”) pursuant to a Funding Loan Agreement dated as of March 1, 2025 (the “Funding Loan Agreement”) among the Funding Lender, The Bank of New York Mellon Trust Company, N.A., as fiscal agent (the “Fiscal Agent”), and the Governmental Lender (the “Funding Loan”) evidenced by the Multifamily Housing Revenue Note, [Series 2025A] [Series 2025B] (Driftwood Terrace) (the “Governmental Lender Note”), or an interest therein, hereby represents to the Governmental Lender and the Fiscal Agent that:

1. The Holder has sufficient knowledge and experience in financial and business matters with respect to the evaluation of residential real estate developments such as the Project to be able to evaluate the risk and merits of the investment represented by the Funding Loan. The Holder is able to bear the economic risks of such investment.

2. The Holder acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and the Holder has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Governmental Lender, the Project, the use of proceeds of the Funding Loan and the security therefor so that, as a reasonable investor, the Holder has been able to make its decision to [extend/purchase] the Funding Loan [or an interest therein]. In entering into this transaction, the Holder acknowledges that it has not relied upon any representations or opinions of, or any information from, the Governmental Lender relating to the legal consequences to the Funding Lender or other aspects of its making the Funding Loan and acquiring the Governmental Lender Note, nor has it looked to or expected the Governmental Lender to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project (including the financing or management thereof), or any other matter pertaining to the merits or risks of the transactions contemplated by the Funding Loan Agreement and the Borrower Loan Agreement, or the adequacy of the funds pledged to the Funding Lender to secure repayment of the Governmental Lender Note. In addition, the Funding Lender has not relied upon the use of any offering memorandum, placement memorandum or any other similar document with regards to its decision to make the Funding Loan and to acquire the Governmental Lender Note. The Holder is making its decision to make the Funding Loan to the Governmental Lender directly through its credit review and due diligence concerning the Project. The undersigned is acquiring the Governmental Lender Note directly from the Governmental Lender and not through a placement of the Governmental Lender Note with the Holder through any financial institution acting as an intermediary between the Governmental Lender and the Holder.

3. The Holder is an Approved Transferee (as defined in the Funding Loan Agreement).

4. The Holder acknowledges that it is making the Funding Loan and purchasing [an interest in] the Governmental Lender Note for investment for its own account and not with a present view toward resale or the distribution thereof, in that it does not now intend to resell or otherwise dispose of all or any

part of its interests in the Governmental Lender Note and the Funding Loan; provided, however, that the Holder may sell or transfer the Governmental Lender Note and the Funding Loan as provided in Section 2.4 of the Funding Loan Agreement.

5. The Holder will not utilize any placement memorandum in connection with any sale or transfer of the Governmental Lender Note without providing the Governmental Lender with a draft of any placement memorandum to be provided to any subsequent buyer or beneficial owner of such portion of the Governmental Lender Note evidencing the Funding Loan, and the Governmental Lender shall have the right to approve any description of the Governmental Lender and the Governmental Lender Note therein (which approval shall not be unreasonably withheld).

6. The Holder understands that the Governmental Lender Note is a limited obligation of the Governmental Lender; payable solely from funds and moneys pledged and assigned under the Funding Loan Agreement, and that the liabilities and obligations of the Governmental Lender with respect to the Governmental Lender Note are expressly limited as set forth in the Funding Loan Agreement and related documents.

7. Capitalized terms used herein and not otherwise defined have the meanings given such terms in the Funding Loan Agreement.

GENERAL

Section 2.1. Origination of Borrower Loan. In order to provide funds for the purposes provided herein, the Governmental Lender agrees that it will, pursuant to the Resolution and in accordance with the Act, enter into the Funding Loan Agreement and accept the Funding Loan from the Funding Lender. The proceeds of the Funding Loan shall be advanced by the Funding Lender to the Fiscal Agent, and then from the Fiscal Agent to the Borrower in accordance with the terms of the Construction Funding Agreement, the Funding Loan Agreement and this Borrower Loan Agreement.

The Governmental Lender hereby appoints the Funding Lender as its agent with full authority and power to act on its behalf (other than with respect to the Unassigned Rights) to disburse the Borrower Loan to the Fiscal Agent (which shall disburse any amounts so received to the Borrower) for the account of the Governmental Lender, to take certain actions and exercise certain remedies with respect to the Borrower Loan, and for the other purposes set forth in this Borrower Loan Agreement and to do all other acts necessary or incidental to the performance and execution thereof. This appointment is coupled with an interest and is irrevocable except as expressly set forth herein. Accordingly, references to the rights of the Funding Lender to take actions under this Borrower Loan Agreement shall refer to Funding Lender in its role as agent of the Governmental Lender. The Funding Lender may, in its discretion, designate Servicer to fulfill the rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to this Section 2.1. Notwithstanding the foregoing, disbursements of the Borrower Loan shall be made from the Project Fund held under the Funding Loan Agreement by the Fiscal Agent.

Section 2.2. Security for the Funding Loan.

(a) As security for the Funding Loan, the Governmental Lender has pledged and assigned to the Fiscal Agent for the benefit of the Funding Lender under and pursuant to the Funding Loan Agreement (a) the Borrower Note and all of its right, title and interest in and to this Borrower Loan Agreement and the Borrower Loan Documents (except for the Unassigned Rights) and all revenues and receipts therefrom and the security therefor (including the Security Instrument) and (b) the amounts on deposit from time to time in any and all funds established under the Funding Loan Agreement other than the Rebate Fund and Expense

Fund created and established thereunder. All revenues and assets pledged and assigned thereby shall immediately be subject to the lien of such pledge without any physical delivery thereof or any further act, except in the case of the Borrower Note, which shall be delivered to the Funding Lender. The Borrower hereby acknowledges and consents to such assignment to the Fiscal Agent.

(b) With respect to the Unassigned Rights, subject to the limitations set forth in this Section 2.2, the Governmental Lender may:

(i) Tax Covenants. Seek specific performance of, and enforce, the tax covenants of the Funding Loan Agreement, the Regulatory Agreement, the Tax Certificate and this Borrower Loan Agreement, seek injunctive relief against acts which may be in violation of any of the tax covenants, and enforce the Borrower's obligation to pay amounts for credit to the Rebate Fund;

(ii) Regulatory Agreement. Seek specific performance of the obligations of the Borrower or any other owner of the Project under the Regulatory Agreement and injunctive relief against acts which may be in violation of the Regulatory Agreement or otherwise in accordance with the provisions of the Regulatory Agreement; provided, however, that the Governmental Lender may enforce any right it may have under the Regulatory Agreement for monetary damages (which term shall not be deemed to include fees, expenses and indemnification obligations payable by the Borrower to the Governmental Lender or Fiscal Agent under the Regulatory Agreement, the Funding Loan Agreement or this Borrower Loan Agreement) only against Excess Revenues (defined below), if any, of the Borrower, unless Funding Lender otherwise specifically consents in writing to the use of other funds; and

(iii) Reserved Rights. Take whatever action at law or in equity which appears necessary or desirable to enforce the other Unassigned Rights, provided, however, that the Governmental Lender or any person under its control may only enforce any right it may have for monetary damages (which term shall not be deemed to include fees, expenses and indemnification obligations payable by the Borrower to the Governmental Lender under the Regulatory Agreement, the Funding Loan Agreement or this Borrower Loan Agreement) against Excess Revenues, if any, of the Borrower, unless Funding Lender otherwise specifically consents in writing to the enforcement against other funds of the Borrower.

(c) In no event shall the Governmental Lender, except at the express written direction of the Funding Lender:

(i) prosecute its action to a lien on the Project; or

(ii) take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Borrower Loan or of causing the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future; or

(iii) interfere with the exercise by Funding Lender or Servicer of any of their rights under the Borrower Loan Documents upon the occurrence of an event of default by the Borrower under the Borrower Loan Documents or the Funding Loan Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Borrower Loan or the Funding Loan.

(d) The Governmental Lender shall provide Written Notice to the Funding Lender and the Servicer immediately upon taking any action at law or in equity to exercise any remedy or direct any proceeding under the Borrower Loan Documents or the Funding Loan Documents.

(e) As used in this Section 2.2, the term “Excess Revenues” means, for any period, the net cash flow of the Borrower available for distribution to shareholders, members or partners (as the case may be) for such period, after the payment of all interest expense, the amortization of all principal of all indebtedness coming due during such period (whether by maturity, mandatory sinking fund payment, acceleration or otherwise), the payment of all fees, costs and expenses on an occasional or recurring basis in connection with the Borrower Loan or the Funding Loan[, and the Subordinate Debt], the payment of all operating, overhead, ownership and other expenditures of the Borrower directly or indirectly in connection with the Project (whether any such expenditures are current, capital or extraordinary expenditures), and the setting aside of all reserves for taxes, insurance, water and sewer charges or other similar impositions, capital expenditures, repairs and replacements and all other amounts which the Borrower is required to set aside pursuant to agreement, but excluding depreciation and amortization of intangibles.

Section 2.3. Loan; Borrower Note; Conditions to Closing.

(a) The Funding Loan shall be funded directly to the Fiscal Agent by the Funding Lender for disbursement to the Borrower pursuant to the Construction Funding Agreement, in one or more installments not to exceed the Borrower Loan Amount in accordance with the disbursement procedures set forth in the Construction Funding Agreement and the Funding Loan Agreement. Upon funding of each installment of the Funding Loan, the Governmental Lender shall be deemed to have made the Borrower Loan to the Borrower in a like principal amount. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note. The proceeds of the Borrower Loan shall be used by the Borrower to pay costs of the acquisition, construction, rehabilitation, development, equipping and/or operation of the Project. The Borrower hereby accepts the Borrower Loan and acknowledges that the Governmental Lender shall cause the Funding Lender to fund the Borrower Loan in the manner set forth herein, in the Construction Funding Agreement and in the Funding Loan Agreement. The Governmental Lender acknowledges that the Borrower Loan shall be funded by the Funding Lender to the Fiscal Agent for the account of the Governmental Lender.

Proceeds of the Borrower Loan will be deposited in the Note Proceeds Account of the Project Fund held by the Fiscal Agent under the Funding Loan Agreement on the Closing Date, and the Funding Lender shall fund all or a portion of the Borrower Loan to the Fiscal Agent for further disbursement to the Borrower upon receipt from the Borrower of a Written Requisition in accordance with the terms of the Funding Loan Agreement and the Construction Funding Agreement.

(b) The Borrower hereby accepts the Borrower Loan. As evidence of its obligation to repay the Borrower Loan, simultaneously with the delivery of this Borrower Loan Agreement to the Governmental Lender, the Borrower hereby agrees to execute and deliver the Borrower Note. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note.

(c) Closing of the Borrower Loan on the Closing Date shall be conditioned upon satisfaction or waiver by the Governmental Lender and the Funding Lender each in its sole discretion of each of the conditions precedent to closing set forth in this Borrower Loan Agreement, in the Construction Funding Agreement and in the Funding Loan Agreement, including, but not limited to, the following:

(i) evidence of proper recordation of the Security Instrument, an assignment of the Security Instrument from the Governmental Lender to the Funding Lender, the Regulatory

Agreement, and each of the other documents specified for recording in instructions delivered to the Title Company by counsel to the Funding Lender (or that such documents have been delivered to an authorized agent of the Title Company for recordation under binding recording instructions from Funding Lender's counsel or such other counsel as may be acceptable to the Funding Lender);

(ii) delivery into escrow with the Fiscal Agent or Title Company (or separate escrow company, if applicable) of all amounts required to be paid in connection with the origination of the Borrower Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Funding Deposit and the Borrower Initial Equity, all as specified in written instructions delivered to the Title Company by counsel to the Funding Lender (or such other counsel as may be acceptable to the Funding Lender) and as specified in a closing memorandum executed by the Borrower and the Funding Lender; and

(iii) payment of all fees payable in connection with the closing of the Borrower Loan including the Governmental Lender's Closing Fee, the Ongoing Governmental Lender Fee payable on the Closing Date, and the initial fees, costs and expenses of the Fiscal Agent.

In addition, closing of the Borrower Loan shall be subject to the delivery of an opinion of counsel to the Borrower addressed to the Governmental Lender and the Funding Lender, dated the Closing Date, in form and substance acceptable to Tax Counsel, regarding the due execution by the Borrower of, and the enforceability against the Borrower of, the Borrower Loan Documents.

Section 2.4. Borrower Loan Payments.

(a) The Borrower shall make Borrower Loan Payments in accordance with the Borrower Note. Through and including the Conversion Date, each Borrower Loan Payment made by the Borrower shall be made in funds immediately available to the Servicer by 11:00 a.m., New York City time, on the Borrower Loan Payment Date or, if to the Fiscal Agent, by 2:00 p.m., New York City time, on the Borrower Loan Payment Date. Following the Conversion Date, each Borrower Loan Payment made by the Borrower shall be made in funds immediately available to the Servicer by 2:00 p.m., New York City time, on the date that is two (2) Business Days prior to the Borrower Loan Payment Date. Each such payment shall be made to the Fiscal Agent or Servicer, as applicable, by deposit to such account as the Fiscal Agent or Servicer, as applicable, may designate by Written Notice to the Borrower. If payments are to be made to the Fiscal Agent, such payments shall be deposited into the Funding Loan Payment Fund established under the Funding Loan Agreement. Whenever any Borrower Loan Payment shall be stated to be due on a day that is not a Business Day, such payment shall be due on the first Business Day immediately thereafter. In addition, the Borrower shall make Borrower Loan Payments in accordance with the Borrower Note in the amounts and at the times necessary to make all payments due and payable on the Governmental Lender Note. All payments made by the Borrower hereunder or by the Borrower under the other Borrower Loan Documents, shall be made irrespective of, and without any deduction for, any set-offs or counterclaims, but such payment shall not constitute a waiver of any such set offs or counterclaims.

(b) Unless there is no Servicer, payments of principal and interest on the Borrower Note shall be paid to the Servicer and the Servicer shall then remit such funds to the Fiscal Agent. If there is no Servicer, payments of principal and interest on the Borrower Note shall be paid directly to Fiscal Agent.

Section 2.5. Additional Borrower Payments.

(a) The Borrower shall pay the following amounts:

(i) to the Fiscal Agent, the Rebate Amount then due, if any, to be deposited in the Rebate Fund as specified in Section 5.35 hereof and the Rebate Analyst's Fee to be deposited in the Expense Fund and any other costs incurred to calculate such Rebate Amount (to the extent such costs are not included in the Borrower Loan Payment);

(ii) to the Fiscal Agent for remittance to the Governmental Lender, the Ongoing Governmental Lender Fee and, on demand, all fees, charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Governmental Lender incurred by the Governmental Lender at any time in connection with the Borrower Loan Documents, the Funding Loan Documents or the Project, including, without limitation, reasonable counsel fees and expenses incurred in connection with the interpretation, performance, or amendment and all counsel fees and expenses relating to the enforcement of the Borrower Loan Documents or the Funding Loan Documents or any other documents relating to the Project or the Borrower Loan or in connection with questions or other matters arising under such documents or in connection with any federal or state tax audit;

(iii) to the Fiscal Agent, the Fiscal Agent Fees as and when the same become due;

(iv) all Costs of Funding and fees, charges and expenses, including agent and counsel fees incurred in connection with the origination of the Borrower Loan and the Funding Loan, as and when the same become due;

(v) to the Funding Lender, on demand, all charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Funding Lender incurred by the Funding Lender at any time in connection with the Borrower Loan, the Funding Loan or the Project, including, without limitation, any Review Fee, reasonable counsel fees and expenses incurred in connection with the interpretation, performance, or amendment and all counsel fees and expenses relating to the enforcement of the Borrower Loan Documents or the Funding Loan Documents or any other documents relating to the Project or the Borrower Loan or in connection with questions or other matters arising under such documents or in connection with any federal or state tax audit;

(vi) any Late Charge due and payable under the terms of the Borrower Note and Section 2.6 hereof; provided, however, that all payments made pursuant to this subsection (vi) shall be made to the Servicer, and if there is no Servicer, such payments shall be made to the Funding Lender;

(vii) to the Governmental Lender, the Late Reporting Fees and Compliance Fees as defined and specified in the Regulatory Agreement;

(viii) to the Fiscal Agent, all fees, charges, costs, advances, indemnities and expenses, including without limitation agent and counsel fees, of the Fiscal Agent incurred under the Borrower Loan Documents or the Funding Loan Documents as and when the same become due; and

(ix) to the entity entitled thereto, when due and payable, all taxes and assessments levied by public agencies on the Project.

(b) The Borrower shall pay to the party entitled thereto as expressly set forth in this Borrower Loan Agreement or the other Borrower Loan Documents or Funding Loan Documents:

(i) all expenses incurred in connection with the enforcement of any rights under this Borrower Loan Agreement or any other Borrower Loan Document, the Regulatory Agreement, or any Funding Loan Document by the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer, as applicable;

(ii) all other payments of whatever nature that the Borrower has agreed to pay or assume under the provisions of this Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document; and

(iii) all expenses, costs and fees relating to inspections of the Project required by the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer or the Construction Consultant, in accordance with the Borrower Loan Documents or the Funding Loan Documents or to reimburse such parties for such expenses, costs and fees.

Section 2.6. Overdue Payments; Payments in Default. If any Borrower Payment Obligation is not paid by or on behalf of the Borrower when due, the Borrower shall pay to the Servicer, a Late Charge in the amount and to the extent set forth in the Borrower Note, if any.

Section 2.7. Calculation of Interest Payments and Deposits to Real Estate Related Reserve Funds. The Borrower acknowledges as follows: (a) calculation of all interest payments shall be made by the Funding Lender in accordance with the terms of the Borrower Note; (b) deposits with respect to the Taxes and Other Charges shall be calculated by the Servicer or if there is no Servicer, the Funding Lender in accordance with the Security Instrument; and (c) deposits with respect to any replacement reserve funds required by the Funding Lender shall be calculated by the Servicer in accordance with the Replacement Reserve Agreement. In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund, such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

Section 2.8. Grant of Security Interest; Application of Funds. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Funding Lender, and grants to the Funding Lender, a security interest in, all the Borrower's right, title and interest in and to all payments to or moneys held in the funds and accounts (other than the Rebate Fund and the Expense Fund) created and held by the Fiscal Agent, the Funding Lender or the Servicer for the Project. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default hereunder, the Funding Lender, the Fiscal Agent and the Servicer shall apply or cause to be applied any sums held by the Fiscal Agent (other than sums held in the Rebate Fund and the Expense Fund), the Funding Lender and the Servicer with respect to the Project in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion.

Section 2.9. Marshalling; Payments Set Aside. The Governmental Lender, the Fiscal Agent and Funding Lender shall be under no obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that Borrower makes a payment or payments or transfers any assets to the Fiscal Agent, Governmental Lender or Funding Lender, or the Governmental Lender or Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Fiscal Agent,

Governmental Lender or Funding Lender and any and all remedies available to the Fiscal Agent, Governmental Lender or Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against Borrower, Guarantor or General Partner and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Fiscal Agent, Governmental Lender and Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Fiscal Agent, Governmental Lender or the Funding Lender in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Fiscal Agent, Governmental Lender or Funding Lender in connection with the exercise by the Fiscal Agent, Governmental Lender or Funding Lender of its rights under this Section 2.9.

Section 2.10. Borrower Loan Disbursements. The Borrower Loan shall be disbursed by the Funding Lender, as agent for the Governmental Lender, pursuant to the Construction Funding Agreement by depositing Funding Loan proceeds with the Fiscal Agent under the Funding Loan Agreement. Amounts held by the Fiscal Agent shall be disbursed to or for the benefit of the Borrower as provided in the Funding Loan Agreement.

ARTICLE III

CONVERSION

Section 3.1. Conversion Date and Extension of Outside Conversion Date. Borrower shall satisfy each of the Conditions to Conversion and cause the Conversion Date to occur on or before the Outside Conversion Date, as further provided in the Construction Funding Agreement. The failure to satisfy each of the Conditions to Conversion on or before the Outside Conversion Date shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2. Notice From Funding Lender; Funding Lender's Calculation Final.

(a) Following satisfaction of all of the Conditions to Conversion, Funding Lender shall deliver Written Notice to Borrower, Governmental Lender and Fiscal Agent of: (i) the Conversion Date, (ii) the amount of the Permanent Period Amount, (iii) any required prepayment of the Borrower Note (as described below in Section 3.3) and (iv) any amendments to the amortization schedule, as applicable.

(b) Funding Lender's calculation of the Permanent Period Amount and any amendments to the amortization of the Borrower Loan shall be, in the absence of manifest error, conclusive and binding on all parties.

Section 3.3. Mandatory Prepayment of the Borrower Loan.

(a) As further provided in the Construction Funding Agreement and Borrower Note, if and to the extent the Permanent Period Amount is less than the Interim Phase Amount, Funding Lender may in its sole discretion require Borrower to make a partial prepayment of the Borrower Loan in an amount equal to the difference between the Interim Phase Amount and the Permanent Period Amount, provided, however, that if the Permanent Period Amount is less than the Minimum Permanent Period Amount (as defined in

the Construction Funding Agreement), then Funding Lender may in its sole discretion require Borrower to prepay the Borrower Loan in full.

(b) Any prepayment in full or in part of the Borrower Loan required pursuant to Section 3.3(a) above shall be subject to a prepayment premium under certain circumstances as more particularly set forth in the Borrower Note.

Section 3.4. Release of Remaining Loan Proceeds. If and to the extent that the Permanent Period Amount is greater than the principal amount of the Borrower Loan which has previously been disbursed to Borrower, Funding Lender shall deliver Written Notice thereof to Borrower and the Governmental Lender on or before the Conversion Date. Within ten (10) Business Days after delivery of such notice, but in no event later than the Outside Conversion Date, Funding Lender shall disburse Borrower Loan proceeds to the Fiscal Agent for disbursement to Borrower so that the aggregate principal amount of the Borrower Loan disbursed equals the Permanent Period Amount. Any Borrower Loan proceeds previously disbursed to the Borrower in excess of the Permanent Period Amount shall be paid by Borrower to Fiscal Agent for deposit with Funding Lender.

Section 3.5. No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change or supersede the terms and provisions of the Borrower Note, Security Instrument, the Construction Funding Agreement or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Note, Security Instrument, the Construction Funding Agreement or other Borrower Loan Documents, then the terms and provisions of the Borrower Note, Security Instrument, the Construction Funding Agreement and other Borrower Loan Documents shall control, provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.6. Determinations by Funding Lender. In any instance where the consent or approval of Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by Funding Lender under this Article III, including in connection with the Construction Funding Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion, except as may be otherwise specifically provided herein.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. Borrower Representations. To induce the Governmental Lender, the Fiscal Agent and the Funding Lender to execute this Borrower Loan Agreement and to induce Funding Lender to make Disbursements, Borrower represents and warrants for the benefit of the Governmental Lender, Funding Lender, the Fiscal Agent and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and, subject to Section 4.2, shall survive the making of the Borrower Loan and will be complete and accurate, and deemed remade, except as otherwise noted through notice to Funding Lender and approved by Funding Lender, as of the date of each Disbursement, as of the original Outside Conversion Date, as of the date of any extension thereof and as of the Conversion Date in accordance with the terms and conditions of the Borrower Note.

Section 4.1.1 Organization; Special Purpose. The Borrower is in good standing under the laws of the State (and under the laws of the state in which the Borrower was formed if the Borrower was not

formed under the laws of the State), has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper corporate, limited partnership or limited liability company action, as appropriate, has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, in the name of and on behalf of the General Partner, is fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership (of a leasehold interest in), management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower (other than the lien of the Regulatory Agreement, the Security Instrument and the Permitted Encumbrances (as defined in the Security Instrument)), which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, General Partner or Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantor to

perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable title to the Project (or a leasehold interest therein), free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee (or leasehold, if applicable) interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a “Bankruptcy Proceeding”), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower’s ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower’s obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm’s length (except for such contracts between the Borrower and its affiliates or the affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower’s business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used exclusively as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the

Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. On the Closing Date, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in the Borrower.

Section 4.1.31 Environmental Matters. To the best of Borrower's knowledge, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification on the Closing Date.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date and unsecured, subordinate partner loans to the Borrower permitted or required under the terms of the Partnership Agreement.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and

substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 (“ADA”), to the extent required (as evidenced by an architect’s certificate to such effect).

Section 4.1.39 Requirements of Act, Code and Regulations. The Project satisfies all requirements of the Act, the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act, the Resolution, the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) The General Partner is a not-for-profit corporation, duly organized and validly authorized to do business under the laws of the State of Florida. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by the General Partner for its own account and on behalf of Borrower, as general partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) General Partner has made all required filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes

such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of General Partner.

(c) General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of General Partner on behalf of Borrower, and by all necessary action on behalf of General Partner.

(e) The execution, delivery and performance by General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, to the best of the Borrower's knowledge, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by Guarantor and are legally valid and binding obligations of Guarantor, enforceable against Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Section 4.1.45 No Material Defaults. Except as previously disclosed to Funding Lender in writing, there exists no material violation of or material default by Borrower under, and, to the best knowledge of Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project

may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Section 4.1.46 Payment of Taxes. Except as previously disclosed to Funding Lender in writing: (i) all tax returns and reports of Borrower, General Partner and Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon Borrower, General Partner and Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (ii) Borrower knows of no proposed tax assessment against it or against General Partner or Guarantor that would be material to the condition (financial or otherwise) of Borrower, General Partner or Guarantor, and neither Borrower nor General Partner has contracted with any Governmental Authority in connection with such taxes.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents, the Funding Loan Documents and the Subordinate Loan Documents or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

Section 4.1.48 Patriot Act Compliance. Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC (as defined below) or in any enabling legislation or other Presidential Executive Orders in respect thereof, (iii) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. For purposes hereof, the term "Patriot Act Offense" shall mean any violation of the criminal laws of the United States of America or of any of the several states, or that would be a criminal violation if committed within the jurisdiction of the United States of America or any of the several states, relating to terrorism or the laundering of monetary instruments, including any offense under (A) the criminal laws against terrorism; (B) the criminal laws against money laundering, (C) Bank Representative Secrecy Act, as amended, (D) the Money Laundering Control Act of 1986, as amended, or (E) the Patriot Act. "Patriot Act Offense" also includes the crimes of conspiracy to commit, or aiding and abetting another to commit, a Patriot Act Offense. For purposes hereof, the term "Government Lists" shall mean (1) the Specially Designated Nationals and Blocked Persons Lists maintained by the Office of Foreign Assets Control ("OFAC"), (2) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC that Funding Lender notified Borrower in writing is now included in "Government Lists", or (3) any similar lists maintained by the United States Department of State, the United States Department of Commerce or any other Governmental Authority or pursuant to any Executive Order of the President of the United States of America that Funding Lender notified Borrower in writing is now included in "Government Lists".

Section 4.1.49 Rent Schedule. Borrower has prepared a prospective Unit absorption and rent collection schedule with respect to the Project substantially in the form attached as an exhibit to the Construction Funding Agreement, which schedule takes into account, among other relevant factors (i) a

schedule of minimum monthly rentals for the Units, and (ii) any and all concessions including free rent periods, and on the basis of such schedule, Borrower believes it will collect rents with respect to the Project in amounts greater than or equal to debt service on the Borrower Loan.

Section 4.1.50 Other Documents. Each of the representations and warranties of Borrower or General Partner contained in any of the other Borrower Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents or Funding Loan Documents or Related Documents that speak as of a particular date, were true and correct in all material respects as of such date). All of such representations and warranties are incorporated herein for the benefit of the Funding Lender and the Governmental Lender.

Section 4.1.51 Subordinate Loan Documents. The Subordinate Loan Documents are in full force and effect and the Borrower has paid all commitment fees and other amounts due and payable to the Subordinate Lender(s) thereunder. There exists no material violation of or material default by the Borrower under, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default under the Subordinate Loan Documents.

Section 4.1.52 Ground Lease. The Ground Lease is in full force and effect and the Borrower has paid all rent and other amounts due and payable to the ground lessor thereunder. There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 4.2. Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (i) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (ii) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

ARTICLE V

AFFIRMATIVE COVENANTS

During the term of this Borrower Loan Agreement, the Borrower hereby covenants and agrees with the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer that:

The Borrower covenants to pay all Taxes and Other Charges of any type or character charged to the Funding Lender affecting the amount available to the Funding Lender from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including Taxes and Other Charges assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Funding Lender and taxes based upon or measured by the net income or gross receipts (to the extent such Taxes are assessed outside the Property Jurisdiction) of the Funding Lender; provided, however, that the Borrower shall have the right to protest any such Taxes or Other Charges and to require the Funding Lender, at the Borrower's expense, to protest and contest any such Taxes or Other Charges levied upon them and that the Borrower shall have the right to withhold payment of any such Taxes or Other Charges pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Funding Lender. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4. Litigation. The Borrower shall give prompt Written Notice to the Governmental Lender, the Funding Lender and the Servicer of any litigation, governmental proceedings or claims or investigations regarding an alleged actual violation of a Legal Requirement pending or, to the Borrower's knowledge, threatened against the Borrower which might materially adversely affect the Borrower's condition (financial or otherwise) or business or the Project.

Section 5.5. Performance of Other Agreements. The Borrower shall observe and perform in all material respects each and every term to be observed or performed by it pursuant to the terms of any agreement or instrument affecting or pertaining to the Project.

If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two (2) Business Days of such filing.

Section 5.8. Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (i) furnish to the Servicer and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or renovation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements relating to the Project, reasonably requested by the Servicer or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (ii) execute and deliver to the Servicer, the Fiscal Agent and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer, the Fiscal Agent and the Funding Lender may reasonably require from time to time; (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer, the Fiscal Agent or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (i)-(iii) above, the Borrower shall not be required to do anything that has the effect of (A) changing the essential economic terms of the Borrower Loan or (B) imposing upon the Borrower greater personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (iv) upon the Servicer's, the Fiscal Agent's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (a) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (b) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer or the Funding Lender in each of the locations reasonably designated by the Servicer or the Funding Lender.

Section 5.9. Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender, the Fiscal Agent, the Governmental Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's, Fiscal Agent's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees, costs and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee), the Fiscal Agent (including the Fiscal Agent Fees) and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender, the Fiscal Agent or the Funding Lender to act on its respective behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents and any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect

notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth (i) the unpaid principal of the Borrower Note, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. Except as otherwise provided herein, the Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including reasonable attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees, costs and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause

to be paid all reasonable expenses of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender and the Servicer to collect the Borrower Note, or to enforce the rights of the Governmental Lender, the Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Borrower's leasehold interest in the Project by foreclosure or a conveyance in lieu of foreclosure thereof. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) of the Security Instrument. Notwithstanding anything to the contrary in this Agreement, the Governmental Lender shall not be responsible for any costs associated with any securitization of the Borrower Loan as permitted under this Borrower Loan Agreement.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender, Fiscal Agent or Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer, the Beneficiary Parties, Citigroup, Inc. and each of their respective officers, directors, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management

of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a lien constituting a Permitted Encumbrance) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender, the Fiscal Agent or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project; provided that (i) Borrower shall have no obligation hereunder to indemnify any Indemnified Party for any liability under this Section 5.15(d) to the extent that the violation giving rise to such liability resulted solely from the gross negligence or willful misconduct of such Indemnified Party, and (ii) Borrower's liability under this Section 5.15(d) shall not extend to cover any such violations that first arise, commence or occur as a result of actions of the Indemnified Parties, their successors, assigns or designees, after the satisfaction, discharge, release, assignment, termination or cancellation of the Security Instrument following the payment in full of the Note and all other sums payable under this Borrower Loan Documents or after the actual dispossession from the entire Mortgaged Property of Borrower and all Borrower Affiliates or any Guarantor following foreclosure of the Security Instrument or acquisition of the Mortgaged Property by a deed in lieu of foreclosure;

(e) The enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or Borrower Affiliates to Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer or any other Person in connection with Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

- (l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party, and except in the case of the foregoing indemnification of the Funding Lender, the Fiscal Agent or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer and the Fiscal Agent, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement. The foregoing provisions of this Section 5.15 are not intended to and shall not negate, modify, limit or change the provisions of Section 9 of the Borrower Note.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice and subject to the rights of residential tenants, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any

obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will provide the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer as soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Borrower Representative describing the details of such Potential Default or Event of Default and any curative action Borrower proposes to take.

Section 5.19. Covenant with Governmental Lender, the Fiscal Agent and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and any lawful owner, holder or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender, the Fiscal Agent and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender, Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Funding Lender and, upon written request, the Governmental Lender:

(a) Financial Statements; Rent Rolls. In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(b) General Partner. As soon as available and in any event within one hundred twenty (120) days after the end of each fiscal year of General Partner, copies of the financial statements of General Partner as of such date, prepared in substantially the form previously delivered to the Governmental Lender and Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(c) Leasing Reports. Prior to the Conversion Date, on a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project

inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(d) **Audit Reports.** Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(e) **Notices; Certificates or Communications.** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(f) **Certification of Non-Foreign Status.** Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

(g) **Compliance Certificates.** Together with each of the documents required pursuant to Section 5.22(a) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) **Other Items and Information.** Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, General Partner, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

In addition, and notwithstanding the foregoing, the Borrower shall furnish or cause to be furnished to the Governmental Lender all reports required under the Regulatory Agreement.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give written notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantor, or any Legal Action which is threatened against Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantor is a party or by or to which Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be

bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to

Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. Borrower shall thereafter maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance.

Section 5.26. Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28. Leases and Occupancy Agreements.

(a) Lease Approval.

(i) Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The lease is a Permitted Lease;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

(C) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) Landlord's Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with the Manager, Borrower shall not without the approval of Funding Lender enter into any

leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender[and the Subordinate Lender].

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Note, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA, to the extent applicable.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in Section 4.1.48 and this Section 5.32 to become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also

reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

Section 5.33. Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms, conditions and adjustments of the Partnership Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least ninety-five percent (95%) of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than twenty-five percent (25%) of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed fifteen percent (15%) of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting one hundred percent (100%) for fifteen percent (15%)). For purposes of the preceding sentence, the term “rehabilitation expenditures” shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower’s information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) Limitation of Project Expenditures. The acquisition, rehabilitation and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on March 20, 2024, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, rehabilitation or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible “preliminary expenditures”, which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project.

(viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code’s regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Funding Loan shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Funding Loan for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders or payees of the Funding Loan and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Funding Loan, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) Funding Loan Not a Hedge Bond. The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Funding Loan.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender, the Fiscal Agent and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per

written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Fiscal Agent, Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Fiscal Agent or the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan in an amount related to the amount of the Borrower Loan.

Section 5.35. Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Fiscal Agent, the Governmental Lender, the Servicer, or, if there is no Servicer, with a copy to the Funding Lender, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less the future value of any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the

Fiscal Agent (for deposit to the Rebate Fund) and cause the Fiscal Agent to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Fiscal Agent an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Funding Loan is retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebateable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Fiscal Agent shall establish under the Funding Loan Agreement and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Fiscal Agent by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within fifteen (15) days after each receipt or transfer of funds to the Rebate Fund, the Fiscal Agent shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Fiscal Agent for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Fiscal Agent by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Fiscal Agent, the Funding Lender or the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender, the Fiscal Agent and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender, Fiscal Agent and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender and the Fiscal Agent.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement.

ARTICLE VI

NEGATIVE COVENANTS

Borrower hereby covenants and agrees as follows, which covenants shall remain in effect so long as any Borrower Payment Obligation or other obligation of Borrower under any of the other Borrower Loan Documents or the Funding Loan Documents remains outstanding or unperformed. Borrower covenants and agrees that it will not, directly or indirectly:

Section 6.1. Management Agreement. Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld, conditioned or delayed) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement); provided, however, that Funding Lender's prior Written Consent shall not be required for any extension or renewal of the Management Agreement on the same terms and conditions.

Section 6.2. Dissolution. Dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

Section 6.4. Debt Cancellation. Cancel or otherwise forgive or release any claim or debt owed to the Borrower by a Person, except for adequate consideration or in the ordinary course of the Borrower's business in its reasonable judgment.

Section 6.5. Assets. Purchase or own any real property or personal property incidental thereto other than the Project.

Section 6.6. Transfers. Make, suffer or permit the occurrence of any Transfer other than a transfer permitted under the Security Instrument, nor transfer any material License required for the operation of the Project.

Section 6.7. Debt. Other than as expressly approved in writing by the Funding Lender, create, incur or assume any indebtedness for borrowed money (including subordinate debt) whether unsecured or secured by all or any portion of the Project or interest therein or in the Borrower or any partner thereof (including subordinate debt) other than (i) the Borrower Payment Obligations, (ii) the Subordinate Debt, (iii) secured indebtedness incurred pursuant to or permitted by the Borrower Loan Documents and the Funding Loan Documents, and (iv) trade payables incurred in the ordinary course of business, (v) unsecured deferred developer fees as permitted pursuant to the terms of the Development Agreement, and (vi) unsecured loans made by partners of the Borrower in accordance with the Partnership Agreement.

Section 6.8. Assignment of Rights. Without the Funding Lender's prior Written Consent, attempt to assign the Borrower's rights or interest under any Borrower Loan Document or Funding Loan Document in contravention of any Borrower Loan Document or Funding Loan Document.

Section 6.9. Principal Place of Business. Change its principal place of business without providing 30 days' prior Written Notice of the change to the Funding Lender, the Governmental Lender, the Fiscal Agent and the Servicer.

Section 6.10. Partnership Agreement. Without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect, any of its rights or remedies under the Partnership Agreement; provided, however, the consent of Funding Lender is not required for an amendment of the Partnership Agreement resulting solely from the "Permitted Transfer" of partnership interests of Borrower as defined in and permitted by the Security Instrument.

Section 6.11. ERISA. To the extent applicable, maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.12. No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13. Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of Funding Lender in each instance, Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted Section 5.27 hereof and subject to the limitations set forth in the Security Instrument).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction or rehabilitation, as the case may be, of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage, if any. Except as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any “deferred developer fees” shall be made prior to the Conversion Date other than in accordance with the Approved Developer Fee Schedule.

Section 6.14. Amendment of Related Documents or CC&R’s. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Construction Funding Agreement, Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&R’s (including, without limitation, those contained in this Borrower Loan Agreement, any Architect’s Agreement or Engineer’s Contract, any Construction Contract, and any Management Agreement, but excluding the Partnership Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

Section 6.15. Personal Property. Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in Borrower at the time of installation, without Funding Lender’s prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16. Fiscal Year. Without Funding Lender’s Written Consent, which shall not be unreasonably withheld, neither Borrower nor General Partner shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

Section 6.17. Publicity. Neither Borrower nor General Partner shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify Funding Lender or any of its affiliates as the source of the financing provided for herein, without the prior written approval of Funding Lender in each instance (provided that nothing herein shall prevent Borrower

or General Partner from identifying Funding Lender or its affiliates as the source of such financing to the extent that Borrower or General Partner are required to do so by disclosure requirements applicable to publicly held companies). Borrower and General Partner agree that no sign shall be posted on the Project in connection with the construction or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

Section 6.18. Subordinate Loan Documents. Without Funding Lender's prior written consent, Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Subordinate Loan Documents.

Section 6.19. Ground Lease. Without the Funding Lender's prior written consent, the Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Ground Lease.

(f) the Borrower Controlling Entity shall make a general assignment for the benefit of creditors, shall generally not be paying its debts as they become due, or an Act of Bankruptcy with respect to the Borrower Controlling Entity shall occur, unless in all cases the Borrower Controlling Entity is replaced with a substitute Borrower Controlling Entity that satisfies the requirements of Section 21 of the Security Instrument; which, in the case of a non-profit Borrower Controlling Entity, may be replaced within sixty (60) days of such event with another non-profit Borrower Controlling Entity acceptable to the Funding Lender, in which case no Event of Default shall be deemed to have occurred;

(h) the failure by Borrower or any ERISA Affiliate of Borrower to comply in all respects with ERISA, if applicable, or the occurrence of any other event (with respect to the failure of Borrower or any ERISA Affiliate to pay any amount required to be paid under ERISA or with respect to the termination of, or withdrawal of Borrower or any ERISA Affiliate from, any employee benefit or welfare plan subject to ERISA) the effect of which is to impose upon Borrower (after giving effect to the tax consequences thereof) for the payment of any amount in excess of Fifty Thousand Dollars (\$50,000);

(i) a Bankruptcy Event shall occur with respect to Borrower, any General Partner or Guarantor, or there shall be a change in the assets, liabilities or financial position of any such Person which has a material adverse effect upon the ability of such Person to perform such Person's obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document, provided that any such Bankruptcy Event with respect to a Guarantor shall not constitute an Event of Default: (i) if such Bankruptcy Event occurs on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such Bankruptcy Event occurs prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(j) all or any part of the property of Borrower is attached, levied upon or otherwise seized by legal process, and such attachment, levy or seizure is not quashed, stayed or released: (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days of the date thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days of the date thereof;

(k) subject to Section 10.16 hereof, Borrower fails to pay when due any monetary obligation (other than pursuant to this Borrower Loan Agreement) to any Person in excess of One Hundred Thousand Dollars (\$100,000), and such failure continues beyond the expiration of any applicable cure or grace periods;

(l) any material litigation or proceeding is commenced before any Governmental Authority against or affecting Borrower, any General Partner or Guarantor, or property of Borrower, any General Partner or Guarantor, or any part thereof, and such litigation or proceeding is not defended diligently and in good faith by Borrower, any General Partner or Guarantor, as applicable, provided that any such material litigation or proceeding against a Guarantor shall not constitute an Event of Default: (i) if such material litigation is commenced on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such material litigation or proceeding is commenced prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(n) a final, un-appealable and uninsured money judgment or judgments, in favor of any Person other than a Governmental Authority, in the aggregate sum of Fifty Thousand Dollars (\$50,000) or more shall be rendered against Borrower, any General Partner or Guarantor, or against any of their respective assets, that is not paid, superseded or stayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment); or any levy of execution, writ or warrant of attachment, or similar process, is entered or filed against Borrower, any General Partner or Guarantor, or against any of their respective assets (that is likely to have a material adverse effect upon the ability of Borrower, any General Partner or Guarantor to perform their respective obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document), and such judgment, writ, warrant or process shall remain unsatisfied, unsettled, unvacated, unhanded and unstayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of ten (10) days or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of thirty (30) days, or in any event later than five (5) Business Days prior to the date of any proposed sale thereunder, provided that any such judgment, levy, writ, warrant, attachment or similar process against a Guarantor shall not constitute an Event of Default: (i) if such judgment, levy, writ, warrant, attachment or similar process is entered on or after the date upon

which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, levy, writ, warrant, attachment or similar process is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(o) the inability of Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of the Funding Lender for a period in excess of thirty (30) days after Written Notice from the Funding Lender, subject to Force Majeure;

(p) the construction or rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days, subject to Force Majeure;

(q) Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Project orders or requires that construction or rehabilitation of the Improvements be stopped, in whole or in part, or that any required approval, license or permit be withdrawn or suspended, and the order, requirement, withdrawal or suspension remains in effect for a period of thirty (30) days, subject to Force Majeure;

(r) failure by the Borrower to Substantially Complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Substantial Completion Date, subject to Force Majeure;

(s) failure by Borrower to complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Completion Date;

(t) failure by Borrower to satisfy the Conditions to Conversion on or before the Outside Conversion Date, subject to Force Majeure;

(u) failure by any Subordinate Lender to disburse the proceeds of its Subordinate Loan, if any in approximately such amounts and at approximately such times as set forth in the Cost Breakdown and in the Subordinate Loan Documents;

(v) an "Event of Default" or "Default" (as defined in the applicable agreement) shall occur under any of the Subordinate Loan Documents, after the expiration of all applicable notice and cure periods; or

(w) Borrower fails to obtain all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the completion of the construction or rehabilitation, as the case may be, of the Improvements, and the operation of, and access to, the Project, within [____] days after the Closing Date, or

(x) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, which continues for a period of thirty (30) days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower; provided, however, if such failure is susceptible of cure but cannot

reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender or the Fiscal Agent against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until it has exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations have been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender, the Fiscal Agent and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lender or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects,

unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Note, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1. Sale of Note and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more permitted sales or assignments of all or a portion of the Governmental Lender Note or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Note (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that the Borrower shall not incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if

appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents (including, without limitation, auditor consents) to include or incorporate by reference the Provided Information in an offering document or otherwise provide the Provided Information to investors and potential investors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify the Funding Lender, the Governmental Lender, the Fiscal Agent, the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which Funding Lender, the Governmental Lender, the Fiscal Agent, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Servicer, the Governmental Lender, the Fiscal Agent, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Governmental Lender, the Fiscal Agent, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided however, that each indemnified party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel, investigation and defense if, in such indemnified party’s good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower, and an indemnified party shall have the right to review and approve or disapprove any compromise or settlement by the Borrower, which approval shall not be unreasonably withheld, prior to the acceptance of any compromise or settlement by the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower’s relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties as provided herein.

The Fiscal Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Borrower Loan Agreement and delivered using Electronic Means; provided, however, that Borrower, the Governmental Lender or and such other party giving such instruction (the "Sender") shall provide to the Fiscal Agent an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Sender whenever a person is to be added or deleted from the listing. "Electronic Means" shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Fiscal Agent, or another method or system specified by the Fiscal Agent as available for use in connection with its services hereunder. If the Sender elects to give the Fiscal Agent instructions using Electronic Means and the Fiscal Agent in its discretion elects to act upon such Instructions, the Fiscal Agent's understanding of such Instructions shall be deemed controlling. The Borrower, the Governmental Lender and any other Sender

understand and agree that the Fiscal Agent cannot determine the identity of the actual sender of such Instructions and that the Fiscal Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Fiscal Agent have been sent by such Authorized Officer. Each Sender shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Fiscal Agent and that the Sender and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Sender. The Fiscal Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Fiscal Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Borrower agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Fiscal Agent, including without limitation the risk of the Fiscal Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Fiscal Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Borrower for use by the Borrower, the Governmental Lender and the other parties who may give instructions to the Fiscal Agent under the Funding Loan Agreement; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Fiscal Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the assignment of the Borrower Note to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent the Funding Lender and the Servicer.

Section 10.4. Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender, the Fiscal Agent or the Servicer, or the Governmental Lender, the Fiscal Agent or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender, the Fiscal Agent, the Governmental Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of the Funding Lender's, the Governmental Lender's or the Fiscal Agent's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their affiliates. All news releases, publicity or advertising by the Borrower or Borrower Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's or Fiscal Agent's rights, title, obligations and interests therein may be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, subject to the requirements of Article II of the Funding Loan Agreement. Upon such

assignment, all references to Funding Lender or the Fiscal Agent, as appropriate, in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lender with reference to Borrower, General Partner, Guarantor or any Borrower Affiliate, or the Project, including information that Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. [Intentionally Omitted].

Section 10.12. Governmental Lender, Funding Lender, Fiscal Agent and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer or to create an equity interest in the Project in the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer. Neither the Governmental Lender, the Fiscal Agent, the Funding Lender nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Fiscal Agent, the Funding Lender, the Servicer and the Borrower, or to create an equity interest in the Project in the Funding Lender, Governmental Lender, Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's and Funding Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Fiscal Agent, the Funding Lender or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Note.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's or Governmental Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security

and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the County. The state and federal courts and authorities with jurisdiction in the County shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28. Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Note, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES OTHER THAN THE GOVERNMENTAL LENDER (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY OTHER THAN THE GOVERNMENTAL LENDER, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 10.31. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32. Modifications. Modifications (if any) to this Borrower Loan Agreement ("Modifications") are set forth on Exhibit A attached to this Borrower Loan Agreement. In the event of a Transfer under the terms of the Security Instrument, some or all of the Modifications to this Borrower Loan Agreement may be modified or rendered void by the Governmental Lender or the Funding Lender at its option by notice to Borrower or such transferee.

Section 10.33. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of March, 2025, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

Section 11.2. Limitation on Liability of Governmental Lender. The Governmental Lender shall not be obligated to pay the principal (or prepayment price) of or interest on the Funding Loan, except from moneys and assets received by the Fiscal Agent or the Funding Lender on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement. Any obligation or liability of the Governmental Lender created by or arising out of this Borrower Loan Agreement (including, without limitation, any liability created by or arising out of the representations, warranties or covenants set forth herein or otherwise) shall not impose a debt or pecuniary liability upon the Governmental Lender or a charge upon its general credit, but shall be payable solely out of the moneys due and to become due under the Funding Loan Documents (and not from any moneys due or to become due to the Governmental Lender pursuant to the Unassigned Rights). Neither the issuance of the Funding Loan nor the delivery of this Borrower Loan Agreement shall, directly or indirectly or contingently, obligate the Governmental Lender to make any appropriation for payment of the Funding Loan. No agreements or provisions contained in this Borrower Loan Agreement, the Funding Loan Agreement, any other Funding Loan Document, nor any agreement, covenant or undertaking by the Governmental lender contained in any document executed by the Governmental Lender in connection with the Project or the issuance, sale and delivery of the Governmental Lender Note shall give rise to any pecuniary liability of the Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way. Nothing in the Funding Loan or this Borrower Loan Agreement or the proceedings of the Governmental Lender authorizing the Funding Loan or in the Act or the law or in any other related document shall be construed to authorize the Governmental Lender to create a debt of the Governmental Lender within the meaning of constitutional or statutory provision of the State. No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of the Governmental Lender in his or her individual capacity, and neither any employee or officer of the Governmental Lender nor any officer thereof executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to this Borrower Loan Agreement, the Funding Loan Agreement, the Act or the law of the State. No breach of any pledge, obligation or agreement of the Governmental Lender hereunder may impose any pecuniary liability upon the Governmental Lender or any charge upon its general credit. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Borrower Loan Agreement, the Funding Loan or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Borrower Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender's sole source of moneys to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Borrower Loan Agreement and the Borrower Note, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be

made hereunder shall ever prove insufficient to pay all principal (or prepayment price) of and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or prepayment price) of or interest on the Funding Loan, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

THE FUNDING LOAN IS ORIGINATED PURSUANT TO THE LAW AND IN ACCORDANCE WITH THE COUNTY AUTHORIZATION, THE RESOLUTION AND THE ACT AND IS A LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER. NEITHER THE GOVERNMENTAL LENDER, THE COUNTY NOR ANY OFFICIAL OR EMPLOYEE OF THE GOVERNMENTAL LENDER, NOR ANY PERSON EXECUTING THE FUNDING LOAN, SHALL BE LIABLE PERSONALLY ON THE FUNDING LOAN OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF ITS ISSUANCE. THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE AND THE INTEREST THEREON ARE LIMITED OBLIGATIONS OF THE GOVERNMENTAL LENDER, PAYABLE ONLY FROM THE SOURCES DESCRIBED IN THE FUNDING LOAN AGREEMENT. NEITHER THE GOVERNMENTAL LENDER, THE COUNTY, THE STATE NOR ANY OTHER POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF SUCH FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE OR THE INTEREST THEREON OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE MONEY PLEDGED THEREFOR. THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE AND THE INTEREST THEREON DO NOT AND SHALL NEVER CONSTITUTE A DEBT OF INDEBTEDNESS OR A GENERAL OBLIGATION OF THE GOVERNMENTAL LENDER, THE COUNTY, THE STATE OR ANY MUNICIPAL OR POLITICAL CORPORATION OR SUBDIVISION OF THE STATE. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE GOVERNMENTAL LENDER, THE COUNTY, THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF OR THE FAITH AND CREDIT OF THE GOVERNMENTAL LENDER IS PLEDGED TO THE PAYMENT THE PRINCIPAL OF PREMIUM, IF ANY, OR INTEREST ON THE FUNDING LOAN, THE GOVERNMENTAL LENDER NOTE OR OTHER COSTS INCIDENT THERETO. THE FUNDING LOAN AND GOVERNMENTAL LENDER NOTE ARE NOT DEBTS OF THE UNITED STATES OF AMERICA. THE GOVERNMENTAL LENDER HAS NO TAXING POWER.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on the Funding Loan or for any claim based thereon or upon any obligation, covenant or agreement in this Borrower Loan Agreement contained, against any past, present or future member of the Governmental Lender, the County, its respective governing body, officers, attorneys, accountants, financial advisors, agents or staff or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Governmental Lender, the County or any successor public entity, under any rule of law or penalty of otherwise, and all such liability of any member of the Governmental Lender, its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby, and by the acceptance of the Funding Loan, expressly waived and released as a condition of, and in consideration for, the execution of this Borrower Loan Agreement and the issuance of the Funding Loan. It is recognized that notwithstanding any other provision of this Borrower Loan Agreement, neither the Borrower, the Funding Lender nor the Fiscal Agent shall look to the members of the Governmental Lender or the County or its officers, program participants, attorneys, accountants, financial advisors, agents or staff, past, present or future, for damages suffered by the Borrower, the holders or such Fiscal Agent as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Borrower Loan Agreement, the Funding Loan, the Regulatory Agreement, any of the other Funding

Loan Documents or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, nor for any other reason except for representations made by the Governmental Lender in any certificate of the Governmental Lender and the opinion of counsel to the Governmental Lender delivered on the date of origination of the Funding Loan. Although this Borrower Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Borrower Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

Section 11.3. Waiver of Personal Liability. No member, director, officer, agent, elected official or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Funding Loan or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender, the Fiscal Agent and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. Section 2. Residential Rental Property. The Owner hereby represents, covenants, warrants and agrees that:

(a) The Owner will acquire, rehabilitate, equip, own and operate the Project for the purpose of providing a "qualified residential rental project" as such phrase is used in Sections 142(a)(7) and 142(d)(1) of the Code, (2) the Owner shall own the entire

Project for federal tax purposes, and (3) the Project shall be owned, managed and operated as multifamily residential rental property, comprised of a building or structure or several buildings or structures containing similarly constructed/rehabilitated units, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Sections 1.103-8(b)(4) and 1.103-8(a)(3) of the Regulations, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

- (b) Each residential unit in the Project shall be contained in one or more buildings or structures located on the Land and shall be similarly designed, furnished and constructed/rehabilitated (except as to number of bedrooms), each of which will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for an individual or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range or microwave oven, refrigerator and sink, all of which are separate and distinct from the other units.
- (c) None of the units in the Project will at any time be (1) utilized on a transient basis, (2) used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, nursing home, hospital, sanitarium, rest home, trailer court or park, or (3) rented for initial lease periods of less than six (6) months. No part of the Project will, at any time, be owned or used by a cooperative housing corporation or converted to condominiums.
- (d) All of the units will be rented or available for rent on a continuous basis to members of the general public (other than units for a resident manager or maintenance personnel), and the Owner will not give preference to any particular class or group of persons in renting the units in the Project, except to the extent that units are required to be leased or rented to (1) Lower-Income Persons, or (2) Eligible Persons. Lower-Income Persons and Eligible Persons who are residents of the Project will have equal access to and enjoyment of all common facilities of the Project at all times. The Owner will not discriminate against children of any age when renting the units in the Project.
- (e) The Land consists of a parcel of real property or parcels of real property that are contiguous except for the interposition of a road, street, stream or similar property, and the Project comprises buildings, structures and facilities that are geographically contiguous and functionally related. Any common facilities financed with proceeds of the Governmental Note (such as swimming pools, recreational facilities, parking areas and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment or units for resident managers or maintenance or security personnel) are functionally related and subordinate to the Project and are commensurate with its size and intended use.

- (f) The Owner or an Affiliated Party of the Owner shall not occupy any of the units in the Project; provided, however, that the Owner or an Affiliated Party of the Owner may occupy a unit in a building or structure in the Project that contains five or more units if the Owner or an Affiliated Party of the Owner is a resident manager or other necessary employee (e.g., maintenance and security personnel). No more than two units in the Project shall be occupied by resident managers or maintenance or security personnel.

- (h) On (i) the Closing Date for an acquisition/rehabilitation in which at least fifty percent (50%) of the residential units in the Project are occupied on such Closing Date, or (ii) the first day on which fifty percent (50%) of the residential units in the Project are first occupied for (a) new construction, and/or (b) an acquisition/rehabilitation in which less than fifty percent (50%) of the residential units in the Project are occupied on the Closing Date, the Owner shall submit to the Governmental Lender and the Fiscal Agent a signed certificate for purposes of the calculation of the commencement and termination of the Qualified Project Period. Such certificate shall set forth the dates on which the Project achieved ten percent (10%) occupancy and fifty percent (50%) occupancy. In the event Owner does not submit the above-described certificate as required in this Section 2(h), Governmental Lender shall utilize information provided to it by or on behalf of the Owner in satisfaction of the monthly data reporting requirements for purposes of calculating the commencement and termination of the Qualified Project Period;

The requirements of this Section 2 shall remain in effect during the term of this Agreement (as defined in Section 13 below).

Section 3. Lower-Income Persons and Eligible Persons. The Owner hereby represents, warrants and covenants as follows:

- (a) At all times during the Qualified Project Period, not less than forty percent (40%) of the residential units in the Project shall be occupied (or held available for occupancy) on a continuous basis by persons or families who at the time of their initial occupancy of such units are Lower-Income Persons. This occupancy requirement is referred to herein as the "Lower-Income Requirement."

During the Transition Period, the failure to satisfy the set-aside requirements in this paragraph (a) for Lower-Income Persons will not cause the Project to fail to qualify as a "qualified residential rental project" within the meaning of Section 142 of the Code. However, failure on the part of the Owner to have satisfied the set-aside requirements described in this paragraph (a) as of the end of such Transition Period shall cause the Project to not qualify as a "qualified residential rental project."

- (b) At all times during the term of this Agreement (as defined in Section 13 below), at least sixty percent (60%) of the completed units in the Project shall be rented to or be available for rent by Eligible Persons.
- (c) For purposes of paragraphs (a) and (b) of this Section 3, a unit occupied by an individual or family who at the commencement of the occupancy of such unit is a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) during such individual's or family's tenancy in such unit, even though such individual or family ceases to be a Lower-Income Person (or Eligible Person). However, a Lower-Income Person whose income as of the most recent Income Certification (as described in Section 4(a) below) exceeds one hundred forty percent (140%) of the Applicable Income Limit shall not continue to be treated as a Lower-Income Person if after delivery of such Income Certification, but before the delivery of the next Income Certification, any residential unit in the Project of comparable or smaller size is occupied by a new resident who is not a Lower-Income Person. In addition, a unit that was occupied by a Lower-Income Person (or Eligible Person) shall be counted as occupied by a Lower-Income Person (or Eligible Person) until it is reoccupied other than for a temporary period of not more than thirty-one (31) days, at which time the unit shall be considered to be occupied by a Lower-Income Person (or Eligible Person) only if the individual or family then occupying the unit satisfies the definition of a Lower-Income Person (or Eligible Person).

Section 4. Reporting Requirements; Payment of Governmental Lender's Compliance Fee and Late Reporting Fee; Maintenance.

- (a) The Owner shall obtain and maintain on file an Income Certification from each Lower-Income Person and Eligible Person dated immediately prior to the initial occupancy of such tenant in the Project in the form and containing such information as may be required by Section 142(d) of the Code, as the same may be from time to time amended by the Governmental Lender on the advice of Tax Counsel in the exercise of its opinion that any such amendment is necessary, or in such other form and manner as may be required by applicable rules, rulings, procedures, official statements, regulations or policies now or hereafter promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. Photocopies of each such Income Certification and any verifications of such income, to the extent requested by the Governmental Lender, shall be submitted to the Governmental Lender (i) within 10 days following the end of the calendar month during which the tenant first occupies a unit in the Project, (ii) within 10 days following the end of the calendar month thereafter in which the lease is renewed or extended, and (iii) as reasonably requested by the Governmental Lender or the Fiscal Agent, which may be as often as may be necessary, in the opinion of Tax Counsel, to comply with the provisions of Section 142(d) of the Code. To the extent permitted by the Governmental Lender, such submissions may be made electronically.

- (b) The Owner shall file with the Governmental Lender, on the tenth (10th) business day of each month, copies of the Income Certifications specified in Section 4(a) hereof obtained by the Owner during the previous month.
- (c) At all times during the term of this Agreement, the Owner will obtain and maintain on file from each Lower-Income Person residing in the Project the information demonstrating each tenant's income eligibility.
- (d) The Owner shall maintain complete and accurate records pertaining to the incomes of (as of the date of initial occupancy of each tenant) and rentals charged to Lower-Income Persons and Eligible Persons residing in the Project, and shall permit, upon five (5) business days' notice to the Owner, any duly authorized representative of the Governmental Lender or the Fiscal Agent to inspect the books and records of the Owner pertaining to the incomes of and rentals charged to all tenants residing in the Project.
- (e) The Owner shall prepare and submit at the beginning of the Qualified Project Period, subject to the Transition Period provisions in Section 3(a) hereof, and on the tenth (10th) day of each month thereafter, to the Governmental Lender, rent rolls and a Certificate of Continuing Program Compliance in the form and content approved by the Governmental Lender, executed by the Owner stating (i) the percentage of residential units that were occupied by Lower-Income Persons and Eligible Persons as of the 20th day of the previous month, (ii) that at all times during the previous month 60% of the residential units, were occupied (or held available for occupancy) by Eligible Persons (as determined in accordance with Section 3 of this Agreement), (iii) that at all times during the previous month at least 40% of the residential units were occupied (or held available for occupancy) by Lower-Income Persons (as determined in accordance with Section 3 of this Agreement), and (iv) that no default has occurred under this Agreement or, if such a default has occurred, the nature of such default and the steps, if any, the Owner has taken or proposes to take to correct such default.
- (f) During the Qualified Project Period, the Owner shall submit to the Secretary of the Treasury (the "Secretary") (at such time and in such manner as the Secretary shall prescribe) an annual certification required by Section 142(d)(7) of the Code. As of the date of this Agreement, the Owner shall make such certification to the Secretary annually by completing and submitting IRS Form 8703 by March 31 after the close of the calendar year for which the certification is made. The Owner shall be responsible for making such certification at such other time or in such other manner as the Secretary may prescribe from time to time.
- (g) In the event the Governmental Lender transfers responsibility for compliance monitoring to the Fiscal Agent or a newly designated Compliance Agent under Section 23 hereof, the Governmental Lender may direct the Owner to provide and the Owner shall provide to the Fiscal Agent or the newly designated Compliance

Agent copies of all of the reports, documents and certificates required under this Section. The Owner shall pay all reasonable fees and expenses of the Fiscal Agent or the newly designated Compliance Agent in connection with such responsibilities. Upon the designation of the Fiscal Agent (and acceptance of such designation by the Fiscal Agent) or the Compliance Agent as the compliance monitor under this Agreement, all references herein to the Governmental Lender as the recipient of reports and filings shall be deemed to be the Fiscal Agent and/or the Compliance Agent, as applicable.

- (h) The Owner shall immediately notify the Fiscal Agent and the Governmental Lender of any change in the management of the Project.
- (i) If at any time during the term of this Agreement the Governmental Note is no longer outstanding (as provided in the Funding Loan Agreement), the Owner shall pay the Governmental Lender's Compliance Fee.
- (j) The Owner will keep the buildings, parking areas, roads and walkways, recreational facilities, landscaping and all other improvements of any kind now or hereafter erected as part of the Project, in good condition and repair (normal wear and tear excepted), will not commit or suffer any waste and will not do or suffer to be done anything which would or could increase the risk of fire or other hazard to the Project or any part thereof. In order to ensure the Owner's compliance with this covenant, the Governmental Lender or its representatives are hereby authorized to enter upon and inspect the Project at any time during normal business hours upon reasonable notice and subject to the rights of tenants. Notwithstanding the foregoing, the Governmental Lender has no affirmative duty to make such inspection.
- (k) The Owner will rehabilitate and operate the Project so that it conforms in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990.
- (l) The Owner hereby agrees to pay a late fee in the amount of \$100 per day (including weekends) for each day that the Owner fails to timely submit (in the sole, reasonable opinion of the Governmental Lender) any of the information, Income Certifications, rent rolls, Certificates of Continuing Program Compliance, reports, documents and/or certificates (collectively, the "Compliance Reporting Information") required by this Section 4, as may be amended from time to time (the "Late Reporting Fee"). The Owner acknowledges and hereby agrees that, notwithstanding anything in this Agreement to the contrary, a Late Reporting Fee shall apply to and be payable in connection with each separate instance in which any of the Compliance Reporting Information (including individual components thereof) is not timely submitted pursuant to this Section 4, as may be amended from time to time.

Section 5. Indemnification. The Owner hereby covenants and agrees that it shall indemnify and hold harmless the Governmental Lender, the County and the Fiscal Agent and their respective officers, directors, officials, employees and agents from and against any and all claims by or on behalf of any person arising from any cause whatsoever in connection with this Agreement, the Funding Loan, the Project or the sale of the Governmental Note to finance the Funding Loan or the making of the Borrower Loan to finance the Project, any and all claims arising from any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees in connection with the Project or the sale of the Governmental Note to finance the Project, and all costs, reasonable counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Owner shall not be required to indemnify any person for damages caused by the negligence or willful misconduct of such person or for losses relating to principal and interest. In the event that any action or proceeding is brought against the Governmental Lender, the County the Fiscal Agent or any of their respective officers, directors, officials, employees or agents, with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the indemnified party (which notice shall be given in a timely manner so as not to impair Owner's rights to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably acceptable to the indemnified party and the payment of all expenses. The indemnified party shall have the right to employ separate counsel in any such action or proceedings and to participate in the defense thereof, but, unless such separate counsel is employed with the approval and consent of the Owner, or because of a conflict of interest between the Owner and the indemnified party, the Owner shall not be required to pay the fees and expenses of such separate counsel. The Owner agrees to execute any additional documents deemed necessary by the Governmental Lender, the County or the Fiscal Agent to evidence the indemnification provided for in this Section 5. At the request of the Governmental Lender or County, Owner agrees, in addition to the above indemnification, to pay the reasonable costs and expenses of the County Attorney of Broward County in connection with the action or proceeding giving rise to the indemnification.

While the Owner has possession of the Project, the Owner also shall pay and discharge and shall indemnify and hold harmless the Governmental Lender and the Fiscal Agent from (a) any lien or charge upon payments by the Owner to the Governmental Lender and the Fiscal Agent hereunder, and (b) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges other than income and other similar taxes in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges other than income and other similar taxes, are sought to be imposed, the Governmental Lender or the Fiscal Agent shall give prompt notice to the Owner and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion.

In addition thereto, the Owner will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof.

Section 6. Reliance. The Governmental Lender and the Owner hereby recognize and agree that the representations and covenants set forth herein may be relied upon by the owners from time to time of the Governmental Note, the County, Tax Counsel and the other parties to

transactions involving the issuance, sale or remarketing of the Governmental Note and their respective counsel. In performing their duties and obligations hereunder, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Owner, Lower-Income Persons and Eligible Persons reasonably believed by the Owner, its agents and employees to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Owner pertaining to occupancy of the Project. In addition, the Governmental Lender and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered by the Governmental Lender or the Fiscal Agent hereunder in good faith and in conformity with the opinion of such counsel. In performing its duties and obligations hereunder, the Owner may rely upon certificates of Lower-Income Persons and Eligible Persons reasonably believed to be genuine and to have been executed by the proper person or persons.

Section 7. Fair Housing Laws. The Owner will comply with all fair housing laws, rules, regulations or orders applicable to the Project and shall not discriminate on the basis of race, creed, color, sex, age or national origin in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project. All advertising and promotional material used in connection with the Project shall contain the phrase "Equal Housing Opportunity."

Section 8. Tenant Lists. All tenants lists, applications, and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business of the Owner which is unrelated to the Project, and shall be maintained, as required by the Governmental Lender or the Funding Lender from time to time, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Governmental Lender, the Funding Lender or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the Governmental Lender, the Funding Lender or Fiscal Agent after written request therefor will be a default hereunder.

Section 9. Tenant Lease Restrictions. All tenant leases shall contain clauses, among others, wherein each individual lessee:

- (a) Certifies the accuracy of the statements made in the Income Certification;
- (b) Agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of such lessee's tenancy; that such lessee will comply promptly with all requests for information with respect thereto from the Owner, the Fiscal Agent, the Funding Lender or the Governmental Lender, and that such lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of such lessee's tenancy; and
- (c) Agrees not to sublease to any person or family who does not execute and deliver an Income Certification.

Section 10. Sale, Assignment, Conveyance or other Disposition of Project or Interest in Owner. Except with respect to transfer of interests within the Owner, as permitted under the terms and conditions of the Owner's Amended and Restated Agreement of Limited Liability Limited Partnership, dated as of March 1, 2025 (as may be further amended, the "Partnership Agreement"), the Owner shall not sell, assign, convey or transfer any material portion of the Land, fixtures or improvements constituting a part of the Land or Project, or any material portion of the personal property constituting a portion of the Project during the term of this Agreement without (i) the prior written consent of the Governmental Lender, which consent shall not be unreasonably withheld, (ii) in the event the Governmental Note remains outstanding, the Fiscal Agent, the Funding Lender and the Governmental Lender having received an opinion of Tax Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, conveyance, transfer, or assignment will not result, under then-existing law, in interest on the Governmental Note, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes, and (iii) upon receipt by the Governmental Lender of a fee from the Owner upon transfer of ownership in excess of fifty percent (50%) interest in the Project or the Owner (which fee shall be refunded by the Governmental Lender to the Owner in the event the Governmental Lender does not approve the transfer of the Project to the proposed purchaser or assignee thereof, or in the event such transfer is not consummated) in the amount of (a) ten percent (10%) of the amount of the Governmental Note outstanding on the date of the written transfer request if up to ten percent (10%) of the units in the Project are rented; (b) two percent (2%) of the amount of the Governmental Note outstanding on the date of the written transfer if eleven percent (11%) to sixty percent (60%) of the units in the Project are rented; (c) one percent (1%) of the amount of the Governmental Note outstanding on the date of the written transfer if over sixty percent (60%) of the units in the Project are rented; or (d) one-half percent (.05%) of the amount of the Governmental Note outstanding on the date of the written transfer after one (1) year from the date of completion of rehabilitation of the Project, regardless of occupancy (the "Transfer Fee"). Provided that the above conditions have been satisfied, the Governmental Lender will provide to the Owner and the purchaser or transferee on request its written consent to any transfer in accordance with this Section an estoppel certificate. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Agreement. Nothing contained in this Section 10 shall affect any provision of the Mortgage or any other document or instrument to which the Owner is a party which requires the Owner to obtain the consent of the holder of the Borrower Note or any other person as a precondition to sale, transfer or other disposition of the Project. The Transfer Fee will apply if a material portion of the Project financed with proceeds from the Borrower Loan is sold during the term hereof and such material portion of such Project consisted of personal property or equipment, the proceeds from the sale thereof may be used by the Owner to purchase property of similar function to be used in connection with the Project, otherwise, the proceeds from such sale shall be applied in accordance with the Mortgage. If such material portion of such Project consists of real property and improvements, the purchaser thereof must execute and deliver to the Owner and the Fiscal Agent a document in form and substance reasonably satisfactory to the Governmental Lender and the Funding Lender pursuant to which such purchaser shall agree to operate such property in compliance with the terms and conditions of this Agreement. Notwithstanding the foregoing, ownership of the Project may be transferred in connection with a

foreclosure thereof under the Mortgage, or the acceptance of the Project by the mortgagee or its designee in lieu of foreclosure under the Mortgage, without complying with this Section 10; provided, however, that this sentence shall cease to apply if, at any time during that part of the Qualified Project Period subsequent to such transfer, the Owner or an Affiliated Party with respect to any of such parties obtains an ownership interest in the Project for federal tax purposes.

Except as permitted under the terms and conditions of the Partnership Agreement, the Owner shall not sell or otherwise transfer the Project in whole, nor shall there be substituted a new general partner or class b limited partner of the Owner or a change in the controlling ownership of the general partner or class b limited partner of the Owner, or other merger, transfer or consolidation of the Owner, unless (a) the Owner has received the prior written consent of the Governmental Lender (which shall respond within a reasonable period of time and shall not unreasonably withhold such consent), (b) the fees and expenses of the Governmental Lender and its professionals have been paid, including the Transfer Fee, (c) the Owner shall not be in default hereunder, (d) it is reasonably expected that continued operation of the Project will comply with the requirements of this Agreement, (e) the subsequent purchaser or assignee shall execute any document reasonably requested by the Governmental Lender and, for so long as the Borrower Loan is outstanding, the Funding Lender, with respect to assuming the obligations of the Owner under this Agreement, (f) the Funding Lender, if the Borrower Loan is outstanding, and the Governmental Lender shall not have any reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee relating to the Project, (g) the purchaser or assignee shall have satisfied such other conditions as may be reasonable under the circumstances, (h) the purchaser or assignee shall have first executed a document in recordable form addressed to the Governmental Lender, the Funding Lender, if the Borrower Loan is outstanding, and the Fiscal Agent to the effect that such purchaser or assignee will comply with the terms and conditions of this Agreement, the Borrower Loan Agreement and the other Loan Documents, (i) the Fiscal Agent, the Funding Lender, if the Borrower Loan is outstanding, and the Governmental Lender shall receive an opinion of counsel reasonably acceptable to the Governmental Lender to the effect that the purchaser's or assignee's obligations under this Agreement, the Borrower Loan Agreement and other Loan Documents relating to the Governmental Note are enforceable against such purchaser or assignee in accordance with their terms, and (j) the Fiscal Agent, the Funding Lender, if the Borrower Loan is outstanding, and the Governmental Lender shall have received an opinion of Tax Counsel to the effect that, in reliance upon such factual certificates as it deems appropriate and subject to such qualifications as may be generally acceptable in the industry, such sale, transfer, disposition or assignment will not result, under then-existing law, in interest on the Governmental Note, or any part thereof, becoming includable in the gross income of the holders thereof for federal income tax purposes.

It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section shall be ineffective to relieve the Owner of its obligations under this Agreement or the Borrower Loan Agreement. In the event that the purchaser or assignee shall assume the obligations of the Owner under the Borrower Loan, the Borrower Loan Agreement and this Agreement, the Owner shall be released from its obligations thereunder and hereunder, other than its obligations hereunder and under the Borrower Loan Agreement arising

prior to such date of assumption (unless such obligations are assumed by the purchaser or transferee).

Notwithstanding the foregoing, ownership of the Project may be transferred in connection with a foreclosure thereof under the Mortgage, or the acceptance of the Project by the mortgagee or its designee in lieu of foreclosure under the Mortgage, without complying with this Section 10; provided, however, that this sentence shall cease to apply if, at any time during that part of the Qualified Project Period subsequent to such transfer, the Owner or an Affiliated Party with respect to any of such parties obtains an ownership interest in the Project for federal tax purposes.

Notwithstanding anything in this Section 10 to the contrary, the restrictions set forth above on the sale, transfer or other disposition or encumbrance of the Project or any portion thereof shall not be applicable to any of the following: (i) leases of apartment units as contemplated by this Agreement, (ii) grants of utility related easements and service or concession related leases or easements, including, without limitation, coin-operated laundry service leases and/or television cable easements on the Project, providing same are granted in connection with the operation of the Project as contemplated by this Agreement, (iii) any sale or conveyance to a condemning governmental authority as a direct result of the condemnation or a governmental taking or a threat thereof, (iv) the placing of a subordinate mortgage lien, assignment of leases and/or rents or security interest on or pertaining to the Project which is made expressly subject and subordinate hereto and, to the extent still outstanding, to the Mortgage, or (v) subject to the provisions of the Mortgage, any transfer of limited partnership interests in the Owner or in the entities which are partners in the Owner.

Section 11. Negative Covenants. During the term of this Agreement, the Owner shall not:

- (a) Except pursuant to the provisions of this Agreement, the Borrower Loan Agreement and the other Loan Documents, or except upon a sale or transfer of the Project in accordance with the terms of this Agreement, the Borrower Loan Agreement and the Mortgage, encumber any of the mortgaged property, including the grant of commercial leases (other than for vending machines, coin operated laundry facilities and similar amenities functionally related and subordinate to the Project and granted in connection with the day to day operation of an apartment complex), or permit the conveyance, transfer or encumbrance of such property (except for such leases and for apartment leases) for the Qualified Project Period. Nothing in this paragraph shall prohibit the granting of easements for the purpose of providing utility services (including cable television or private satellite television) to the Project;
- (b) Demolish any part of the Project necessary for the operation thereof for its intended purposes or substantially subtract from any real or personal property of the Project; or
- (c) Permit the use of the dwelling accommodations of the Project for any purpose except rental residences in compliance with Section 142(d) of the Code.

Section 12. Covenants to Run with the Land. This Agreement and the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 13 hereof, shall pass to and be binding upon the Owner's assigns and successors and all subsequent owners of the Land (whether fee simple or leasehold) or the Project or any interest therein; provided, however, that upon the termination of this Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Except as provided in Section 13 hereof, each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Project or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Land or the Project are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Land or the Project.

Section 13. Term. This Agreement shall remain in full force and effect until the expiration of the Qualified Project Period; provided, however, that this Agreement shall automatically terminate in the event of involuntary noncompliance with the provisions of this Agreement caused by fire or other casualty, seizure, requisition, foreclosure or transfer by deed in lieu of foreclosure, change in a federal law or an action of a federal agency that prevents the Governmental Lender from enforcing the provisions hereof, or condemnation or a similar event (as determined by Tax Counsel), but only if within a reasonable period thereafter (i) the Governmental Note is retired in full or (ii) the proceeds received as a result of such event are used to finance a project that complies with the provisions hereof and any other applicable requirements of the Code and the Regulations. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event (as determined by Tax Counsel), such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period following such event, the Owner or an Affiliated Party to the Owner, obtains an ownership interest in the Project for federal tax purposes.

Upon the termination of the Qualified Project Period, and the satisfaction by the Owner of all obligations under this Agreement, the Governmental Lender, the Fiscal Agent and the Owner shall, upon the written request of the Owner, and at Owner's sole expense, execute and record a Notice of Termination of Land Use Restriction Agreement, the form of which is attached hereto as Exhibit B (the "Notice of Termination"). Pursuant to Resolution No. 2025-____, adopted by the Governmental Lender on January 15, 2025, the Chair and Vice Chair of the Governmental Lender have each been authorized to execute and deliver the Notice of Termination.

Section 14. Correction of Noncompliance. The failure of the Owner to comply with any of the provisions of this Agreement shall not be deemed a default hereunder unless such failure has not been corrected within a period of 60 days following the date that the Owner, or with respect to the requirements of Sections 2 or 3 hereof, any of the parties hereto, learned of such failure or should have learned of such failure by the exercise of reasonable diligence (which 60-day period may be extended if (i) such failure cannot reasonably be corrected within such 60-day period, (ii) diligent action to correct such failure commences within such 60-day period, (iii) such action is diligently pursued until such failure is corrected, and (iv) with respect to a failure to comply with any of the requirements of Sections 2 or 3 hereof, the Owner delivers to the Governmental

Lender, the Funding Lender, if the Governmental Note is outstanding, and the Fiscal Agent an opinion of Tax Counsel to the effect that such longer cure period will not adversely affect the exclusion of interest on the Governmental Note from gross income for federal income tax purposes). After the Fiscal Agent learns of such failure, the Fiscal Agent shall attempt with reasonable diligence to notify the Owner and the Governmental Lender of such failure by telephonic and written communication. Notwithstanding anything to the contrary herein, the Investor Limited Partner shall have the right, but not the obligation, to cure a default hereunder within the applicable cure period.

Section 15. Modification of Tax Covenants. Notwithstanding the provisions of Section 22(b) hereof, to the extent any amendments, modifications or changes to the Regulations or the Code shall, in the written opinion of Tax Counsel addressed to the Governmental Lender, the Owner, the Funding Lender, if the Governmental Note is outstanding, and the Fiscal Agent, impose requirements upon the ownership, occupancy or operation of the Project different than those imposed by the Regulations or the Code and stated herein, and the Owner's failure to comply with such different requirements would produce a material and substantial risk that interest on the Governmental Note will become subject to federal income taxation, then this Agreement shall be amended and modified in accordance with such requirements. The parties hereto agree to execute, deliver, and record, if applicable, any and all documents or instruments necessary in the opinion of and in the form approved by Tax Counsel to effectuate the intent of this Section 15.

Section 16. Burden and Benefit. The Governmental Lender, the Fiscal Agent and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Fiscal Agent, the Governmental Lender and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and the Project by Lower-Income Persons and Eligible Persons, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Governmental Note was issued. The Owner hereby expressly acknowledges that this Agreement is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Governmental Note issued by the Governmental Lender to finance the Borrower Loan and covenants and agrees that in connection with the acquisition, rehabilitation, ownership and operation of the Project, it shall, and shall require any subsequent purchaser of the Project to, fully comply with all terms and conditions of this Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project.

Section 18. Application of Insurance and Condemnation Proceeds. Subject to the provisions of the Borrower Loan Agreement and the other Loan Documents, if during the Qualified Project Period, the Project is damaged or destroyed or if all or a portion of the Land or Project is taken through eminent domain proceedings, or under the threat thereof, proceeds from insurance on the Project or any condemnation awards pertaining to such eminent domain proceedings shall be applied as provided in the Mortgage.

Section 19. Remedies; Enforceability. The benefits of this Agreement shall inure to, and may be enforced by, respectively, the Governmental Lender and the Fiscal Agent and its successors, the holder of the Governmental Note and their successors and assigns to the extent permitted by the Funding Loan Agreement, and solely as to Sections 2, 3 and 7 of this Agreement, the Lower-Income Persons and Eligible Persons and their successors who shall reside or be eligible to reside in units set aside for their occupancy pursuant to Section 3 of this Agreement for the period set forth in Section 13 hereof, whether or not the Borrower Loan may be paid in full, and whether or not the Governmental Note is outstanding. If a material violation of any of the provisions hereof occurs and is not cured within the period provided by Section 14 hereof, any or all of such parties may institute and prosecute any proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation, or to compel specific performance hereunder, it being recognized that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of the Owner's default. The remedies of the beneficiaries of this Agreement other than the Governmental Lender and the Fiscal Agent shall be limited to those described in the preceding sentence. In addition to such other remedies as may be provided for herein, if a violation of any of the provisions hereof occurs which is not corrected during the period provided in Section 14 hereof, the Governmental Lender shall have the right (but not the obligation), and is specifically authorized by the Owner, to terminate the manager and appoint a new manager of the Project to operate the Project in accordance with this Agreement and the Borrower Loan Agreement, which new manager shall be acceptable to the Funding Lender, in Funding Lender's reasonable discretion, and take all actions necessary, in the reasonable judgment of the Governmental Lender, to cure any default by the Owner hereunder, and such new manager assuming such management hereunder shall be paid by or on behalf of the Owner, from the rents, revenues, profits and income from the Project, a management fee not to exceed the prevailing management fee paid to managers of similar housing projects in the area of Broward County, Florida. Subject to Section 13 hereof, the provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times. All rights and remedies provided in this Agreement are cumulative, non-exclusive and in addition to any and all rights and remedies that the parties and beneficiaries hereof may otherwise have.

The Owner hereby agrees that the appointment of a new manager may be necessary to serve the public purpose for which the Governmental Note was issued and to preserve the exclusion from gross income for federal income tax purposes of interest on the Governmental Note following a violation of the provisions of this Agreement which is not cured within the period provided in Section 14 hereof. The Owner hereby expressly consents to, and agrees not to contest, the appointment of a new manager to operate the Project following a violation by the Owner of the provisions of this Agreement which is not cured as provided in Section 14 hereof and hereby waives any and all defenses and objections that might otherwise be raised to any such appointment of a new manager in accordance with the terms hereof. The Owner further agrees that the Governmental Lender shall have the right to require the Owner to remove any manager or managing agent whose actions or inactions present a material risk of a breach of the agreements

of the Owner herein, including, without limitation, a material risk of an adverse impact on the excludability from gross income for federal income tax purposes of interest on the Governmental Note and which action or inaction is not being corrected as provided in Section 14 hereof, upon such manager or managing agent being given thirty (30) days' written notice of any violation hereof, and such right shall be expressly acknowledged in any contract between the Owner and any such manager or managing agent.

Section 20. Filing. Upon execution and delivery by the parties hereto, the Owner shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public deed records of Broward County, Florida, and in such manner and in such other places as the Governmental Lender or the Fiscal Agent may reasonably request, and shall pay all fees and charges incurred in connection therewith.

Section 21. Governing Law. This Agreement shall be governed by the laws of the State. The venue for any proceeding hereunder shall be a court of appropriate jurisdiction in Broward County, Florida.

Section 22. Amendments.

- (a) The Owner shall not assign its interest hereunder, except by writing and in accordance with the provisions of Section 10 hereof.
- (b) This Agreement shall not be amended, revised, or terminated except by a written instrument, executed by the parties hereto (or their successors in title), and duly recorded in the official public records for Broward County, Florida. Anything to the contrary notwithstanding, the parties hereby agree to amend this Agreement to the extent required in the opinion of Tax Counsel, in order for interest on the Governmental Note to remain exempt from federal income taxation under Section 103 of the Code. The Owner agrees, from time to time, to take such other actions and steps necessary to comply, and to cause the Project to comply, with the requirements of Section 142(d) of the Code and to enter into modifications and amendments to this Agreement to the extent required by federal law, by any amendment to the Code or by any Regulation promulgated thereunder, in each case so that interest on the Governmental Note remains exempt from federal income taxes. Any such amendment, revision or termination shall be effected only in accordance with the Funding Loan Agreement.

Section 23. Fiscal Agent or Compliance Agent to Monitor Compliance Upon Request of Governmental Lender. If the Governmental Lender requests in writing that the Fiscal Agent (and the Fiscal Agent agrees in writing to such request) or Compliance Agent assume the role of compliance monitoring, the Fiscal Agent or Compliance Agent, as the case may be, shall receive and examine all other reports, certifications and other documents required to be delivered to the Governmental Lender or the Fiscal Agent or Compliance Agent hereunder and shall notify the Governmental Lender promptly of non-compliance with this Agreement. In such event the Fiscal Agent or Compliance Agent shall include in its monthly statement described above a statement as to whether it has received the rent rolls and whether any of the information in any such documents

received by the Fiscal Agent or Compliance Agent indicates the Owner has failed to comply with any of the requirements contained in this Agreement. The Fiscal Agent or Compliance Agent shall be authorized to charge reasonable fees and expenses to the Owner if it assumes such role.

Section 24. Notice. All notices and other communications required or permitted under this Agreement must be in writing and shall be deemed to have been duly given (i) when delivered, if sent by registered or certified mail (return receipt requested), (ii) when delivered, if delivered personally, (iii) when transmitted, if sent by facsimile if a confirmation of transmission is produced by the sending machine (and a copy of each facsimile promptly shall be sent by first class United States mail, postage fully prepaid), (iv) when delivered, if sent by overnight mail or overnight courier, or (v) on the date delivery is refused, as indicated on the return receipt or the delivery records of the delivery service, as applicable, in each case to the parties at the addresses listed in the first paragraph of this Agreement. A duplicate copy of each notice, certificate or other communication given hereunder by either the Governmental Lender or the Owner to the others, shall also be given to the Fiscal Agent and the Investor Limited Partner. Copies of all notices sent pursuant to this Agreement shall be sent in accordance with Section 12.1 of the Funding Loan Agreement.

Section 25. Severability. If any provision hereof shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 26. Multiple Counterparts. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 27. Release of Fiscal Agent. Notwithstanding anything in this Agreement to the contrary, on and after the date the Governmental Note is no longer outstanding under the Funding Loan Agreement, the Fiscal Agent shall be released as a party to this Agreement and discharged from any duties or obligations hereunder, and all provisions throughout this Agreement related to the duties of, or notice to or from, the Fiscal Agent shall be of no further force and effect. If any approval or consent of the Fiscal Agent is required, such approval or consent shall be obtained from the Governmental Lender; however, multiple notices need not be provided. Notwithstanding the foregoing, any such references shall remain in effect when needed to construe land use restriction obligations under this Agreement or to provide definitions. The Fiscal Agent's rights to indemnification provided for in the Funding Loan Agreement, the Borrower Loan Agreement and this Agreement shall survive such release and discharge.

EXHIBIT "F"
FORM OF
PLACEMENT AGENT AGREEMENT
[ATTACHED]

PLACEMENT AGENT AGREEMENT

THIS PLACEMENT AGENT AGREEMENT dated as of March 1, 2025 (herein, the “Agreement”), is by and between the HOUSING FINANCE AUTHORITY OF BROWARD COUNTY, FLORIDA, a public body corporate and politic organized under Part IV of Chapter 159, Florida Statutes, as amended and supplemented (together with its permitted successors and assigns, the “Governmental Lender”), and RBC CAPITAL MARKETS, LLC and RAYMOND JAMES & ASSOCIATES, INC., as Placement Agents (herein, collectively, the “Agents”), in connection with the issuance of the Governmental Note (as defined below) and consented to by DRIFTWOOD TERRACE, LLLP, a Florida limited liability limited partnership (together with its successors and permitted assigns, the “Borrower”) with respect to the Governmental Note.

A. Background.

The Governmental Lender proposes to issue its Housing Finance Authority of Broward County, Florida Multifamily Housing Revenue Note, Series 2025A (Driftwood Terrace), in the aggregate principal amount of \$[11,900,000] and its Housing Finance Authority of Broward County, Florida Multifamily Housing Revenue Note, Series 2025B (Driftwood Terrace), in the aggregate principal amount of \$[14,100,000] (collectively, the “Governmental Note”) to provide financing to the Borrower for the acquisition, rehabilitation and equipping of a 90-unit multifamily residential rental development in Broward County, Florida (the “County”) known as Driftwood Terrace (the “Development”).

The Governmental Note will initially be (i) acquired directly by Citibank, N.A., a national banking association (the “Funding Lender”) pursuant to the requirements of the Governmental Lender’s administrative code and policies (herein, collectively the “Governmental Lender’s Requirements”), and (ii) booked as a loan in the Funding Lender’s portfolio.

Upon satisfaction of certain conditions subsequent and in compliance with the Governmental Lender’s Requirements, future investment banking services may be required in connection with the Governmental Note (herein, the “Future Services”).

B. Role of Agents.

In connection with the initial issuance of the Governmental Note, the Agents have performed, at the request of and on behalf of the Governmental Lender, the following services on or before the closing of the Governmental Note:

1. Assisted in the determination of the readiness to proceed of the Governmental Note issuance with regard to the granting of private activity allocation to the financing which is to be issued on a tax-exempt basis.
2. Created a distribution list for the financing participants and financing timetable and coordinated the processing of the transaction.

3. Continuously consulted with the financing participants to ensure that the timetable was being met, and scheduled and hosted conference calls.

4. Consulted with the Governmental Lender's staff regarding policy issues that arose in connection with the financing.

On a limited basis, reviewed and commented on the financing documents to ensure that the Governmental Lender's Requirements were reflected therein and to improve the structure of the transaction.

Assisted in the coordination of all aspects of the financing as it relates to the Governmental Lender or the County.

The foregoing is hereby collectively referred to as the "Agents' Services".

C. Limitations of Agents' Role; No Liability. The Governmental Lender and Borrower acknowledge and agree that: (i) the Agents' Services contemplated by this Agreement are an arm's length, commercial transaction between the Governmental Lender and the Agents in which the Agents are not acting as a municipal advisor, financial advisor or fiduciary to the Borrower or Governmental Lender; (ii) the Agents have not assumed any advisory or fiduciary responsibility to the Borrower or Governmental Lender with respect to the services contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Agents have provided other services or are currently providing other services to the Borrower or Governmental Lender on other matters); (iii) the only obligations the Agents have to the Governmental Lender or Borrower with respect to the services contemplated hereby expressly are set forth in this Agreement; and (iv) the Governmental Lender and Borrower have consulted their respective legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate.

Notwithstanding the Agents' Services described above, the Agents have not done any of the following nor do they assume any responsibility or liability for such actions:

1. Advised the Funding Lender on the financial feasibility of the Development.
2. Prepared or disseminated any offering materials.
3. Investigated or determined the credit worthiness or accreditation of the Funding Lender. In that regard the Governmental Lender will receive an accredited investor letter.
4. Provided any advice regarding obtaining a rating or credit enhancement for the transaction.
5. Taken any action in connection with the issuance of the Governmental Note to effect a financial transaction as contemplated by the USA Patriot Act.

It should be noted that the Governmental Lender has retained the services of a registered financial advisor in connection with the issuance of the Governmental Note. The Agents are not acting as a financial advisor for the Governmental Lender or Borrower for purposes of Rule G-23 of the Municipal Securities Rulemaking Board, nor acting as a municipal advisor to either the Governmental Lender or the Borrower. Neither of the Agents shall be responsible or liable for any negligence or willful misconduct of the other Agent.

D. Fees for Agents' Services.

Simultaneously with the closing of the Governmental Note, the Borrower will pay the Agents for the Agents' Services rendered a fee equal to \$[35,000], plus reasonable, documented out-of-pocket expenses.

E. Future Services of Agents.

In the event the Borrower and the Governmental Lender determine that there will be Future Services relating to the Governmental Note, the Agents will act, on behalf of the Governmental Lender, as placement agent, remarketing agent or underwriter, as the structure so dictates. The fees and expenses associated with any future engagement will be (i) determined at such time that the details of such engagement and scope of service are identified, and (ii) subject to the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

To the extent the Agents are (i) unable to perform any of the Future Services, or (ii) no longer on the Governmental Lender's underwriting team, the Governmental Lender may, in its sole discretion, and upon written notice to the Borrower and the Agents, assign Future Services to an entity on its then-current underwriting team.

F. Governing Law; Multiple Counterparts.

This Agreement shall be governed by Florida Law and may be signed in multiple counterparts.

G. Amendments; Modifications.

This Agreement may not be amended or modified except by written agreement signed by all parties hereto.

PRELIMINARY LOAN TERMS

Transaction Summary:

CITIBANK, N.A. (“CITI”) proposes to arrange a tax-exempt construction/permanent loan to the Housing Finance Authority of Broward County (“Governmental Lender”). The proceeds of the Loan to Governmental Lender shall fund an interim construction loan converting into a permanent mortgage loan (“Tax-exempt Loan”) by Governmental Lender to the Borrower for the Property described below. If required by Governmental Lender, a fiscal agent (“Fiscal Agent”) will be appointed and will be responsible for following the terms of the Tax-exempt Loan documents and administering funds held under the Construction Funding Agreement.

The Tax-Exempt Loan will have two tranches: Tranche A will be funded first and will provide construction to permanent phase financing. Tranche B will be for additional, Construction Phase (as defined below) only financing.

The Tax-exempt Loan will have two distinct phases: (1) Construction Phase - an initial phase during which funds will be advanced to Governmental Lender in full on the Closing Date (Tranche A) and on a “draw-down” basis (Tranche B) and loaned to Borrower (directly or through a Fiscal Agent, at Governmental Lender’s discretion). Payments on the Tax-exempt Loan during the Construction Phase will be interest only, unless otherwise noted; and (2) Permanent Phase - a subsequent phase when, upon completion of construction and achievement of stabilized operations, no additional funds will be available to Borrower. Payments during the Permanent Phase will include principal reduction payments as well as interest, unless otherwise noted below.

For purposes of this Term Sheet, the term “Construction Phase” means the period from the Closing Date through the day prior to the Conversion Date and the term “Permanent Phase” means the period from the Conversion Date (inclusive) through the maturity date (or earlier termination) of the Project’s permanent financing.

Property:

An existing age-restricted multifamily project containing 90 units located in Hollywood, FL. The property is commonly referred to as “Driftwood Terrace” (“Property”).

- Set-Asides:** 9 units are reserved for individuals or families whose income is no greater than 33% of Area Median Income (“AMI”) and 81 of the units are reserved for individuals or families whose income is no greater than 60% of AMI. Additionally, it is anticipated 100% of the units will be covered by a 20-year project-based voucher contract.
- Applicant (Sponsor):** **Newstar Development LLC.**
- Borrower:** A single asset entity whose manager or general partner is the Applicant or an affiliate of Applicant. Borrower entity, its constituent entities and its operating or partnership agreement must be acceptable to CITI in all respects.
- LIHTC Investor/
Syndicator:** The Low-Income Housing Tax Credit (“LIHTC”) Investor / Syndicator, the upper tier investor(s) and the terms and conditions of the operating (or partnership) agreement must be acceptable to CITI in all respects including, particularly, the timing and conditions to funding capital contributions. The timing of the funding of the capital contributions into the Transaction must follow a schedule that will allow for a minimum of 50% of the Equity being contributed by completion of construction.
- Guarantor(s):** Newstar Development LLC, Brian Evjen, Justin Corder, and Richard L. Higgins. The Guarantor(s)’ financial condition(s) must be acceptable to CITI in all respects.
- Subordinate Debt:** The sources of subordinate debt and the subordinate loan documents must be acceptable to CITI in all respects. All subordinate debt must fund prior to the Tax-exempt Loan funding unless CITI approves other arrangements. Subordinate Debt will be subject to CITI’s Subordination Agreement, which in addition to other provisions, requires that Subordinate Debt only be paid from 75% of available cash flow, as defined in the Loan Documents.
- Loan Security:** First lien on the leasehold estate and any improvements, UCC filings for fixtures; assignment of all leases and rents; and, a first priority collateral assignment of all contracts, management agreements, and other agreements and all permits relating to the Property. Ground leases must be subordinate to CITI’s lien position unless the fee interest is owned by a government agency to ensure long-term affordability. All income and rent restrictions will be subordinate to the CITI security instrument.
- Construction Phase
Recourse Guarantees:** Prior to conversion of the Tax-exempt Loan to the Permanent Phase (described below) and during the Construction Phase (described below), the Tax-exempt Loan will be fully recourse to the Borrower and to the Guarantor(s) and Completion and Repayment Guarantees are required from the Borrower and the Guarantor(s).
- Permanent Phase
Guarantees:** None, except for industry standard carve outs (“Carve Outs”). Carve Outs include guarantees against fraud, misrepresentation, bankruptcy and environmental issues.
- CITI understands that at the point of conversion or after conversion, Richard Higgins intends to request the release of his Permanent Phase Guaranty obligations. At the time of the request to release the Permanent Phase Guaranty obligation of Richard Higgins, review and approval will be required by CITI. CITI’s approval will be contingent on a full review and acceptance of Justin Corder, Brian Evjen and Newstar Development, LLC as the remaining guarantors and that Justin Corder, Brian Evjen and Newstar Development, LLC exhibit a combined liquidity of at least 10% of the Permanent Phase Loan Amount.

Indemnity for Loss of Tax Exclusion In connection with having the Tax-Exempt Loan structured as a drawdown loan, the Guarantor will be required to indemnify CITI and Governmental Lender for any losses resulting from any of the undrawn amounts of the Tax-Exempt Loan being deemed taxable.

Environmental Indemnity: Borrower and Guarantor(s) will be liable for CITI’s standard environmental indemnity.

Closing: Closing is subject to full satisfaction of CITI’s standard due diligence, underwriting and credit approval processes, and the execution and delivery of all required loan documents, delivery of opinions, payment of fees and other customary requirements.

Closing Date (est.): January 2025.

CONSTRUCTION PHASE

Construction Phase Loan Amount: An amount currently estimated to be \$26,000,000 (comprised of the \$11,900,000 Tranche A and \$14,100,000 Tranche B), but in any event, the Tax-Exempt Construction Phase Loan Amount shall not exceed 80% of costs covered through the Construction Phase.

Term: 30 months, plus two as-of-right 6-month extension(s). Fees for the extension(s) are indicated below under “Fees & Expenses”.

Construction Phase Interest Rate – Tranche A: A rate equal to the sum of 18-year SOFR Swap Index (which shall have a floor of 0.75%) plus a spread of 2.30%. Currently, 18-year SOFR Swap Index is 3.65%, thus the current indicative rate is 5.95%. This rate does not include Governmental Lender, Fiscal Agent, or miscellaneous third-party fees. The rate will be committed at the time of closing of the Construction Phase financing when Borrower has satisfied all conditions required by CITI. Pricing is based on current market conditions and is subject to change.

If the Conversion to the Permanent Phase does not occur on or before month 30 following Closing, 0.05% will be added to the above quoted rate for each as-of-right 6-month period past the initial 30-month period in which Conversion occurs.

Construction Phase Interest Rate – Tranche B: A variable rate equal to the sum of 1-Month Term SOFR as published by the CME Group¹ (which shall have a floor of 0.50%) plus a spread of 1.85%. Rate adjusts monthly. Currently, 1-Month Term SOFR is trading at approximately 4.76%, thus the current indicative rate is 6.61%. This rate does not include Governmental Lender, Fiscal Agent, or miscellaneous third-party fees. The rate will be committed at the time of closing of the Construction Phase financing when Borrower has satisfied all conditions required by CITI. Pricing is based on current market conditions and is subject to change.

Construction Phase Interest Rate Day Count: Actual/360.

Interest Reserve: Calculated at the Construction Phase Interest Rate noted above, plus a cushion acceptable to CITI at time of final credit approval. Currently, CITI is underwriting with no cushion on Tranche A and a cushion of 0.75% on Tranche B. The Interest Reserve will be sized based on an analysis of the projected draw schedule for the Tax-exempt Loan from the closing of the Construction Phase financing through Conversion.

¹ <https://www.cmegroup.com/market-data/cme-group-benchmark-administration/term-sofr.html>

Availability: Construction Phase Tranche A proceeds will be fully funded at closing. Construction Phase Tranche B will be advanced to Borrower on a “draw down” basis upon receipt of a written request from Borrower, supported by documentation acceptable to CITI. Borrower will be required to submit a loan budget worksheet with each draw request tracking all Property sources and uses of funds. Draw requests limited to one per month.

Tax-Exempt Loan in Balance: The Tax-exempt Loan must remain “in balance” during the Construction Phase. “In balance” means that (1) the funds available during the Construction Phase (from the Tax-exempt Loan and all other debt and equity sources) are sufficient to complete the construction or rehabilitation of the Property and all other expenses reasonably expected to be necessary to achieve the conditions for conversion of the Tax-exempt Loan to the Permanent Phase; and (2) the sources available at Conversion are sufficient to pay down the Construction Phase Loan Amount to the Permanent Phase Loan Amount, along with any other funding requirements for Conversion.

Amortization: None. Payments on the Tax-exempt Loan during the Construction Phase will be interest only.

Prepayment and Yield Maintenance: Voluntary prepayment of Tax-exempt Loan principal amounts during the Construction Phase, including those as a result of a Borrower default, may be made without prepayment fee or penalty unless the Construction Phase Loan Amount is reduced to less than ninety percent (90%) of the Permanent Phase Loan Amount (as defined below).

If the prepayment reduces the Tax-exempt Loan amount to an amount less than ninety percent (90%) the Permanent Phase Loan Amount, the Borrower shall pay the greater of: (i) 1% of the amount of the Tax-exempt Loan prepaid below 90% of the Permanent Phase Loan Amount; or (ii) CITI’s standard yield maintenance amount on the amount of the Tax-exempt Loan prepaid below 90% of the Permanent Phase Loan Amount.

In the event that a Tax-exempt Loan prepayment resulting from a Tax-exempt Loan resizing, as determined by CITI in its sole discretion, reduces the Tax-exempt Loan amount to an amount less than the Permanent Phase Loan Amount, the Borrower shall pay the greater of: (i) 1% of the amount of the Tax-exempt Loan prepaid below 90% of the Permanent Phase Loan Amount; or (ii) CITI’s standard yield maintenance amount on the amount of the Tax-exempt Loan prepaid below 90% of the Permanent Phase Loan Amount.

Notwithstanding any of the above, in the event the amount of such prepayment would cause the Tax-exempt Loan amount to fall below 50% of the Permanent Phase Loan Amount, the Borrower shall be required to repay the Tax-exempt Loan in full plus the greater of: (i) 1% of the amount of the Tax-exempt Loan repaid below 90% of the Permanent Phase Loan Amount; or (ii) CITI’s standard yield maintenance amount on the amount of the Tax-exempt Loan repaid below 90% of the Permanent Phase Loan Amount.

If Borrower prepays Tax-exempt Loan principal amounts through the application of insurance proceeds or a condemnation award, no prepayment fee shall be payable to CITI.

Budget and Contingencies:

The budget for the Construction Phase, including all budget line items, is subject to CITI approval. The budget shall include a hard cost contingency of no less than 5% of budgeted hard costs for new construction projects and no less than 10% of budgeted hard costs for rehabilitation projects. The budget shall include a soft cost contingency of no less than 5% of budgeted soft costs, excluding 1) soft costs incurred prior to or in connection with closing; 2) interest reserve and bank fees; 3) capitalized operating reserve deposits and other costs that may be due in connection with Conversion for which specific sources are identified; and 4) developer fees.

General Contractor and Bonding Requirements:

The general contractor and the construction contract must be acceptable to CITI. CITI will require payment and performance bonds equal to 100% of the construction contract amount. Surety issuing bonds must have an A.M. Best rating of “A/VIII” or better and must be acceptable to CITI in all other respects. In lieu of bonds, CITI will accept a letter of credit (“LC”) equal to 10% of the hard cost budget. LC provider must be rated “BBB” or better.

Retainage:

Construction contract will provide for a minimum retainage of 10% of each construction pay application until “substantial completion” (as defined in the Loan documents), unless there are other requirements under State law or unless other arrangements have been approved by CITI. Retainage percentage amounts can be revised, upon review and approval by CITI, at CITI’s sole discretion, but only down to a minimum of 10% until 50% completion and then 0% retention withheld thereafter. No release of retainage is permitted for achieving 50% completion. All retained amounts will be released upon final, lien-free completion of construction, as approved by CITI.

PERMANENT PHASE

Permanent Phase

Loan Amount:

An amount currently estimated to be in the maximum amount of \$11,900,000, or such other loan amount supported by CITI’s underwriting of the Property at the time of Conversion in accordance with CITI’s underwriting requirements including those listed below.

Maturity Date:

Anticipated nominal maturity date of 33.5 years following the Closing Date, subject to any Governmental Lender restrictions.

**Mandatory Prepayment/
Term:**

At the end of the 18th year following the Closing Date, mandatory prepayment of the Tax-exempt Loan will be required in full.

Amortization:

40 years, following the Interest Only Period.

Interest Only Period:

Payments during the first three years of the Permanent Phase Term will be interest-only.

Lock-out Period:

From the Conversion Date until the 10th anniversary of the Conversion Date.

**Yield Maintenance
Period:**

From the Closing Date until 6 months prior to the Mandatory Prepayment.

**Permanent Phase
Interest Rate:**

See “Construction Phase Interest Rate – Tranche A” above.

**Permanent Phase
Interest Day Count:**

Actual/360.

**Conversion to
Permanent Phase**

Requirements: Conversion requirements include completion of construction and 90% physical occupancy of Project for three consecutive calendar months. CITI will review the Property’s net operating income to determine the maximum Permanent Phase Loan Amount based on the Debt Service Coverage and Loan-to-Value noted below.

Debt Service Coverage: A minimum of 1.15 to 1.00.

Loan-to-Value: 90% of market value, based on restricted rents and inclusive of value of permanent below market financing (if applicable), assuming project rents on 80% or more of the units are discounted to a level at least 10% below market. Otherwise, 85%.

**Other Conversion
Requirements:**

As may be required by Governmental Lender and/or permanent Governmental Note Holder.

Replacement Reserve: Upon Conversion, Borrower will be required to fund a Replacement Reserve for each of the first five years following Conversion in a minimum amount of \$250/unit/year for new construction projects or, for renovation projects, in an amount determined by a Physical Needs Assessment acceptable to CITI, but in a minimum amount of \$300/unit/year. For each successive five-year period thereafter until Tax-exempt Loan maturity, the Replacement Reserve level will be determined by a new Physical Needs Assessment acceptable to CITI.

**Repair/Escrow Immediate
Physical Needs:**

CITI may require immediate repairs following delivery of the post construction final PNA. All immediate repairs shall be funded at a rate of 150% of the estimated cost established by the PNA and reviewed and approved by CITI. Any amount remaining in the Repair Escrow after all repairs have been completed may be deposited into the Replacement Reserve or returned to Borrower, at Borrower’s election.

Taxes and Insurance: Commencing upon Conversion, real estate taxes and insurance premiums must be escrowed with the Tax-exempt Loan servicer (“Servicer”) on a monthly prorated basis in an amount sufficient to enable the Servicer to pay (at least 30 days before due) all taxes, assessments, insurance premiums or other similar charges affecting the Property.

HAP/AHAP Contract(s): Acceptable HAP/AHAP contract(s) will be required by CITI prior to closing.

POTENTIAL EARN-OUT

Earn-Out Amount: CITI will provide an earn-out in an amount not to exceed 10% of the initial Permanent Phase Loan amount, currently estimated to be \$1,190,000. The amount of the earn-out will be determined by CITI in its sole discretion based on its underwriting of the NOI at the time of Conversion and Application of CITI’s loan sizing parameters, which include passing a stressed exit analysis test with a minimum DSCR of 1.05x. To the extent the Permanent Phase Loan Amounts (including the Permanent Phase Earn-Out Amount) exceeds the Loan-to-Value threshold; CITI will require a new appraisal at the Borrower’s expense to support the Permanent Phase Earn-Out Amount.

Earn-Out Interest Rate: The rate on the earn-out will be set at Conversion and will be equal to the applicable SOFR Swap Index at the time of Conversion plus a spread of 2.30%. When set, the Earn-Out Interest Rate cannot be 0.25% or more below the Permanent Phase interest rate. The SOFR Swap Index rate will be based on the remaining term of the loan at Conversion, e.g. a 15 year SOFR Swap Index will be used if there are 15 years left on the Permanent Phase Loan. The final rate for the Permanent Loan, inclusive of the Earn-Out Amount, shall be a blended rate between the Permanent Phase Interest Rate and the Earn-Out Interest Rate.

If the Conversion to the Permanent Phase does not occur on or before month 30 following Closing, 0.05% will be added to the above quoted spread for each as-of-right 6-month period past the initial 30-month period in which Conversion occurs.

OTHER

**Appraisal, Environmental,
Plan/Cost Reviews:**

Appraisal and Plan/Cost Review reports will be commissioned and reviewed by CITI. CITI may rely upon environmental reports commissioned by Borrower if report is current (within 12 months) and CITI has been provided evidence of acceptable E&O insurance coverage carried by Borrower’s environmental consultant and a reliance letter in form acceptable to CITI. Otherwise, CITI will commission its own environmental report. Appraisal, environmental and plan/cost reviews must be acceptable to CITI in all respects. CITI reserves the right to either co-engage any vendor providing the foregoing services and/or to share the reports with a LIHTC Investor/Syndicator.

**Property Tax
Abatements, Incentives:**

All documentation related to any tax abatement or tax incentives must be acceptable to CITI in all respects.

Developer Fee:

Any developer fee paid prior to conversion to the Permanent Phase shall be pre-approved by CITI in its sole discretion.

FEES & EXPENSES

Application Fee:

This fee is applicable toward third party reports, loan underwriting and processing (in the minimum amount of \$5,000), and CITI’s initial legal fees.
