Re: Written Narrative – Vacation of Easement for 19186 NW 23rd Street, Pembroke Pines, FL 33029

Dear Broward County Representative,

The applicant, Maria Lozano, the property owner, whose address is 19186 NW 23rd Street, Pembroke Pines, FL 33029, (Property Folio ID: 513912130950) is requesting the vacation of 74.45 square feet of a ten-foot utility easement in order to resolve title issues that have arisen due to a swimming pool that was constructed and encroaches six feet into the easement. The utility easement was dedicated as part of the Big Sky Plat along the south property line, which is recorded in Plat Book 158, Page 11 of the Broward County Records.

The property owner was unaware that the pool encroached into the easement until attempting to sell the property. In addition, Neither the City of Pembroke Pines nor any utility company have plans to use this utility easement and as such the request to vacate the platted easement will have no negative impacts on the city, county, or community as a whole.

Wherefore, the applicant requests vacation of 74.45 square feet of a ten-foot utility easement.

Respectfully,

William J. Laystrom, Esq.
