SUBJECT: Non-Concurrence of Solicitation No. PNC2127029C1 Hollywood North Beach Park Mooring Fields
Bidder: Home Builders Corp, DBA HE Builders

The Parks and Recreation Division has performed a review of the bid submittal provided by Home Builders Corp, DBA HE Builders (HEB) for the subject solicitation and does not recommend award of the construction contract to HEB for the following reasons.

References provided by HEB do not meet the qualification requirements of the bid documents.

Standard Instructions to Vendors, item no. 12, Qualifications of Vendors, states “The County will only consider solicitation responses from firms normally engaged in performing the type of work specified within the Contract Documents. Vendor must have adequate organization, facilities, equipment, and personnel to ensure prompt and efficient service to County.” Additionally, Vendor Questionnaire, item #32 requires the bidder to “Provide at least three (3) individuals, corporations, agencies, or institutions for which your firm has completed work of a similar nature or in which your firm sold similar commodities in the past three (3) years.”

Review of the bid documents has determined that HEB does not meet the requisite qualification criteria. The Hollywood North Beach Park Mooring Fields project includes a substantial percentage of marine construction; more than 50% based upon both the County’s construction cost estimate and HEB’s bid submittal. HEB presented three references in response to Vendor Questionnaire item #32, with none of the three including a scope of work which includes marine construction. Two e-mails were sent to HEB, the first on November 30, 2023 and a follow-up on December 4, 2023, requesting an additional reference which includes a marine construction scope of work. A December 5, 2023 follow-up phone call to a person listed on the Vendor Questionnaire as an authorized contact for the firm, Marisabel Castaneda, confirmed receipt of the e-mails requesting the additional reference. HEB has failed to provide a response to these e-mail requests. In the absence of documented experience in performing and/or

managing marine construction, it is concluded that HEB does not normally engage in performing the type of work specified in the Contract Documents and that HEB has not previously completed work of a similar nature.

Recent history of Broward County construction contract terminations.

On September 12, 2023, HEB was issued a Notice of Termination for Cause for Contract No. PNC2122969C1 Central HAC Plumbing Renovations. In summary, HEB was terminated due to lack of progress of the Work, lack of appropriate staffing, and construction deficiency issues. HEB failed to reconcile these issues after receiving several notices to cure.

On May 26, 2023, Broward County executed a Settlement Agreement with HEB which provided for termination of Contract No. PNC2122806C1 Interior Renovations of Parks and Recreation HQ Building. In summary, unresolved issues associated with project start-up delays and HEB's requests for additional compensation led to the mutually agreed upon contract termination.

Based upon HEB's inability to demonstrate the requisite qualifications and experience in performing and/or managing marine construction, along with the recent history of Broward County construction contract terminations, the Parks and Recreation Division does not concur to award the Hollywood North Beach Park Mooring Fields project to HEB.
