Additional Comments: (provide on additional sheet if needed)

At this time Waterblasting has satisfied every condition and expectation of the contract. Removal of rubber and paint has occurred on time without incident and to our satisfaction. Results of rubber removal are verified by subsequent friction testing. Waterblasting has demonstrated themselves to be highly professional and capable in providing the service as expected by MDAD. The equipment used has demonstrated reliability and performance. The contract is in the 5th year and has resulted in over 6,000,000 SF of rubber removal and 73,000 SF of paint removal without causing damage to airfield pavement, lights, and markings.
