## **Broward Futures Scholarship Recipients Annual Report**

**Prepared by the  
Office of Financial Aid  
October 2024**

## Introduction

Under the terms of the Broward Futures Endowment Agreement among Broward County, the Sheriff's Office of Broward County, Broward College Foundation, Inc., and Broward College (BC), this document presents the annual report on student success outcomes in accordance with the revised Exhibit B of the Amendment executed in June 2022.

**Table 1: Broward Futures Allocations and Awards by Academic Year**

| Award Year | Allocation   | Number of Applications Submitted | Total Students Awarded | Amount Awarded | Percentage of Allocation Awarded |
|------------|--------------|----------------------------------|------------------------|----------------|----------------------------------|

Table 2 lists the student enrollment data, retention data, and program information for each scholarship recipient over the last five award years. This table also lists whether each recipient met Satisfactory Academic Progress (SAP). Students must meet SAP in order to remain eligible for the Broward Futures Scholarship.

Table 3: First Time Broward Futures Scholarship Recipients

| Last Name | First Name | Age | Gender | Ethnicity | ZIP Code | HS attended | First Generation |
|-----------|------------|-----|--------|-----------|----------|-------------|------------------|
| N/A       |            |     |        |           |          |             |                  |

Table 3 lists the demographic information for the first time Broward Futures scholarship recipients. These are the student who have been awarded for the first time in the most recent award year.

Table 4: Cumulative GPA Trends by Academic Year

| Academic Year | 3.0 and higher | 2.0-2.9 | Below 2.0 | Total |
|---------------|----------------|---------|-----------|-------|
| 2020-2021     | 10             | 6       | 0         | 16    |
| 2021-2022     | 4              | 2       | 2         | 8     |
| 2022-2023     | 8              | 4       | 1         | 13    |
| 2023-2024     | 8              | 6       | 0         | 14    |
| 2024-2025     | 5              | 3       | 0         | 8     |

Table 4 lists the cumulative GPA of scholarship recipients over the last five award years. Maintaining a minimum 2.0 GPA is a measure of Satisfactory Academic Progress (SAP). Students must also complete a minimum of 67% of their coursework attempted each year and be on track to complete their degree requirements within 150% of the number of credits required for their program of study.

**Note:** BC measures SAP at the end of each term; recipients who meet all three SAP requirements will continue to be awarded their Broward Futures scholarship.

**Table 5: Course Completion Ratio**
