Re: Objection to Proposed Ranking for RFP No. BLD2127663P1, Janitorial Services for BCAD Administrative Facilities

The Broward County Purchasing Division (“Purchasing”) is in receipt of your firm’s protest dated November 26, 2024 (Exhibit 1) protesting the proposed recommendation of ranking for RFP No. BLD2127663P1, Janitorial Services for BCAD Administrative Facilities. Since Chi-Ada Corporation’s (Chi-Ada) response was received before the posting of recommendation of ranking, Chi-Ada elected for its response to be treated as an objection instead of a protest to the proposed ranking. In addition, Purchasing is also in receipt of additional information provided by your firm’s objection letter dated December 5, 2024 (Exhibit 2).

The basis of your objection letter is based upon the following summary:

“The matrix is wrongly applied by the Evaluation Committee Members the 25 points of reference was not verified properly... The question, remains, were the Evaluation Committees Members informed about Mckenzie Cleaning's Non-Compliance Violation Issue by Broward County as a subcontractor to Chi-Ada's Contract at E.P Mill Center Contract No BLD2121632P1.”

The following response will address your assertion and provide a determination based upon the Procurement Code, established Committee procedures, the solicitation requirements, and the County’s Business Opportunity Act.

**Objection Assertion No. 1:**

**“The matrix is wrongly applied by the Evaluation Committee Members the 25 points of reference was not verified properly.”**

**Response No. 1:**

Your firm alleged that the 25 points was wrongly applied by the Evaluation Committee Members and the reference was not verified properly. Each Evaluation Committee member, at their own professional discretion, scored each proposal independently and on its own merits, within the maximum allowable points. There is no reasonable or compelling evidence that the scores of the Evaluation Committee members were made in any manner that can be deemed to be arbitrary, capricious, or otherwise made beyond their professional discretion in reviewing all known information. Therefore, Objection Assertion No. 1 is not sustained.

**Objection Assertion No. 2:**

**“The question, remains, were the Evaluation Committees Members informed about Mckenzie Cleaning's Non-Compliance Violation Issue by Broward County as a subcontractor to Chi-Ada's Contract at E.P Mill Center Contract No BLD2121632P1. Even though Broward County Reference are not considered in the points allocations. Chi-Ada: REQUESTED TO DROP McKenzie Cleaning Services as a CBE, due to non-Performance to Contract No BLD2121632P1\_2. How on earth will the company earn the highest Points overall?”**

**Response No. 2:**

Your firm alleged Mckenzie's Cleaning Inc (Mckenzie) was issued a Non-Compliance Violation by Broward County (County) as a subcontractor to Chi-Ada's for Contract No. BLD2121632P1. According to the mentioned Notice of Non-compliance with Contract Requirements, the Notice was issued to the prime vendor, Chi-Ada, who is the awarded vendor for Contract No. BLD2121632P1\_2. The County addresses issues pertaining to County contracts with the contracted prime vendor who is responsible for addressing and curing any issues. It's the prime vendor's responsibility to maintain a professional and working relationship with its subcontractor and ensure the subcontractor adheres to the contract requirements. In this instance, Chi-Ada cured the issues associated with the Notice of Non-compliance with Contract Requirements and as a result Chi-Ada's notice was not disclosed to the Evaluation Committee. Therefore, Objection Assertion No. 2 is not sustained.

**Objection Assertion No. 3:**

**“McKenzie Cleaning is a CBE firm but they Claimed Financial Confidentiality during Broward County Purchasing determination of Responsible and Responsibility of vendors. McKenzie Cleaning is a CBE, firm there is a 3 year Revenue Limitation to continue enjoying CBE Status. The financial record is supposed to be transparent; Chi-Ada demand it should be verified. There is also Personal Asset, Limitation. Are these conditions waived for Mckenzie Cleaning by the Broward County Purchasing Department? Chi-Ada is requesting to See copies of IRS Filed, If the transparency accepted cannot be overturned.”**

Page 3 of 4

**Response No. 3:**

Your firm alleged that McKenzie Cleaning Company (McKenzie) “claimed Financial Confidentiality during Broward County Purchasing determination of Responsible and Responsibility of vendors” and requested to see copies of McKenzie’s IRS filing. According to the Standard Instructions to Vendors, Section N, Confidential Material/ Public Records Exemption, it allows the submission of confidential material(s) the Vendor asserts is exempt from public disclosure under Florida Statutes. As a result, McKenzie separated, marked and submitted all financial documents as confidential. McKenzie’s financial documents, like all other responders for this solicitation, were reviewed by the appropriate County staff, i.e. the Office of Economic and Small Business Development and Broward County Aviation Department’s Finance. Based on the foregoing, McKenzie’s financial documents will not be disclosed to Chi-Ada and as such, Objection Assertion No. 3 is not sustained.

**Objection Assertion No. 4:**

**“Chi-Ada is protesting to object the Matrix of Point allocated to Mckenzie Cleaning, it is an illusion and improper. Chi-Ada is also requesting to see copies of Tax Return filed to IRS by Mckenzie Cleaning Company. Chi-Ada believe a Non Compliance Violation for non-performance was concealed to the Evaluation Committee members before the final scoring and Ranking, Chi-Ada states the information should have been a part of Final scoring and ranking: therefore since it was hiden at the time. Chi-Ada demands the disqualification of Mckenzie Cleaning and requests for re ranking Chi-Ada as No 1.”**

**Response No. 4:**

Your firm alleges the evaluation criteria points allocated to McKenzie is “an illusion and improper.” Refer to the County’s response above to Objection Assertion No. 1 as the same reasoning applies here. Regarding Chi-Ada request to see tax returns filed by McKenzie, refer to the County’s response above to Objection Assertion No. 3 as the same reasoning applies here. It’s also alleged that McKenzie’s “Non-Compliance Violation” for non-performance was concealed to the Evaluation Committee members before the final scoring and ranking. Refer to the County’s response above to Objection Assertion No. 2 as the same reasoning applies here. Therefore, Objection Assertion No. 4 is not sustained.

**Objection Assertion No. 5 (Addition to Objection Letter):**

**“The County has consistently called Chi-Ada to the Non-Compliance issues in the areas McKenzie Cleaning handles. Chi-Ada severally requested remedial action from the County in writing and in tripartite meetings on these issues without success. However, the record remains an open book.”**

**Response No. 5 (Addition to Objection Letter):**

Your firm alleges Chi-Ada requested remedial action from the County in writing and in meetings without success. However, any apparent issues between your firm and your subcontractor, McKenzie Cleaning Company, have no bearing on McKenzie’s response to RFP No. BLD2127663P1. Refer to the County’s response above to Objection Assertion No. 2 as the same applies here.

**Objection Assertion No. 6 (Addition to Objection Letter):**

**“Chi-Ada hereby attaches records of inappropriate/falsification of invoices and Time sheets against Chi-Ada and Broward County. Pertinent to this assertion.”**

**Response No. 6 (Addition to Objection Letter):**

Your firm alleges Chi-Ada “has records of inappropriate/falsification of invoices and Time sheets against Chi-Ada and Broward County” by McKenzie. However, the documentation you provided does not corroborate this claim. Any apparent issues between your firm and your subcontractor, McKenzie Cleaning Company, have no bearing on McKenzie’s response to RFP No. BLD2127663P1. Therefore, Objection Assertion No. 6 is not sustained.

In conclusion, upon careful consideration of the objection assertions expressed to rankings for RFP No. BLD2127663P1, and evaluation of the responses received, and in consultation with the Office of the County Attorney, the objection filed by Chi-Ada is hereby denied. The Purchasing Division shall proceed with the Recommendation of Ranking as originally indicated.

Hopefully the above clarifications address each of your concerns. The County also recognizes the time and effort involved in submitting proposals and we appreciate Chi-Ada’s participation in this procurement.

Subject: Objection:

Final Evaluation Committee (EC) Meeting, Scores and Ranking.

For

RFP No. BLD2127663P1, Janitorial Services for BCAD  
Administrative Facilities

Dear Sir,

This Letter serves as an addition objection to the Scoring and Ranking by  
Broward County Evaluation committee meeting held on November  
25th, 2024. for RFP No. BLD2127663P1 Janitorial Services for BCAD  
Administrative Facilities.

Chi-Ada raises objections to the scores award to Mckenzie Cleaning in these  
areas

.L. Ability of Professional Personnel. The President and CEO of Chi-  
Ada Corporation has 30 years of excellent professional records in  
Commercial Janitorial Services.

Chi-Ada Corp subcontracted 12.5% part of its Janitorial Project  
with Broward County to McKenzie Cleaning for the past two  
years.

The County has consistently called Chi-Ada to the Non-Compliance  
issues in the areas McKenzie Cleaning handles.

Chi-Ada severally requested remedial action from the County in writing  
and in tripartite meetings on these issues without success. However, the  
record remains an open book.

### 2. Past Performance.

McKenzie Cleaning has a pattern of running down Prime contractors  
that subcontracted work to it.

Similar to what Chi-Ada is facing now, **Triangle Janitorial Services suffered the  
same faith during Janitorial Services for Various Large County Facilities in 2017**

in which Mckenzie Cleaning was the subcontractor.  
McKenzie Cleaning Director is boasting that she will take-down Chi-Ada as She has taken down Triangle Janitorial Services.  
Therefore, the series of non-performance she is recording in the current subcontract is aimed at achieving her goal.  
It is because of McKenzie Cleaning Broward County issued Notice of Non-compliance to  
Chi-Ada at **E.P Mills** Center 1st floor, the area subcontracted to Mckenzie Cleaning.  
It might be the reasons the reduced Chi-Ada's scores and ranked McKenzie cleaning higher instead.  
\*\*See Non-Compliance issued by the County.

\*\*See attached pictures taken by Broward County Building Manager at NJCC:

3. The integrity of McKenzie Cleaning and its Management.  
Broward County relies on contractors to provide full and frank information on the projects they are executing. McKenzie Cleaning has a record with the County. How convenient has it been to overlook this in this evaluation by the committee?

\*\*Chi-Ada hereby attaches records of inappropriate/falsification of invoices and Time sheets against Chi-Ada and Broward County.  
Pertinent to this assertion.

Did the Committee rely in its Scoring and Ranking on pictures presented by Mckenzie Cleaning during an oral presentation but omitted to address the questions outlined by the Purchasing Department?

In view of the foregoing, it is difficult for a neutral mind to understand the matrix the evaluation Committee adopted to elevate McKenzie Cleaning above every other Vendor.  
Chi-Ada strongly holds that the Ranking should be re-evaluated.

Truly
