RE: Delegation Request- Pines & 72<sup>nd</sup> Plat (015-MP-22)

Dear Ms. Sesodia,

The Pines & 72<sup>nd</sup> Plat was approved by the Broward County Commission on April 16, 2024. The Development Review Report (“DRR”) issued with the approval of the plat, included several conditions of approval. One of these conditions, issued by the Broward County Highway Construction & Engineering Division (“HCED”), is regarding the requirement to secure and construct a northbound right-turn lane on 72<sup>nd</sup> Ave. Specifically, comment number 14 in the HCED memorandum states the following:

“Northbound right turn lane on SW 72nd Avenue at the 40-foot opening with 150 feet of storage and 50 feet of transition.”

“COMBINATION BUS BAY/ RIGHT TURN LANE (Secure and Construct)”

Since the time of approval in April, the Applicant has provided a turn lane traffic analysis to HCED to demonstrate that the northbound right-turn lane on SW 72<sup>nd</sup> Avenue is not needed, and traffic will flow sufficiently without it. As such, the Applicant is requesting to modify the conditions of approval to remove the comment regarding the northbound right-turn lane along SW 72<sup>nd</sup> Avenue and release any funds held in conjunction with the construction of this turn lane.

Thank you in advance for your consideration of this request. Please contact the undersigned should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Dwayne L. Dickerson'.
