This amendment ("Amendment") is entered into between the parties identified on the attached program signature form. It amends the Enrollment or Agreement identified above. All terms used but not defined in this Amendment will have the same meanings provided in that Enrollment or Agreement.

### Server and Cloud Enrollment Credit for Unexpired SA and/or Prepaid Online Services Amendment ID M71

The parties agree that the Enrollment 48736328 is amended by adding the following provision:

Microsoft provides credit for unexpired Software Assurance and/or prepaid Online Services that are being renewed into the Enrollment from:

**Table 1**

Enrollment Number	58469772
-------------------	----------

To receive unexpired Software Assurance and/or Online Services credit from multiple prior enrollments and/or agreements, a Previous Agreement/Enrollment Form for each such enrollment or agreement must be attached.

The inclusion of unexpired Software Assurance or Online Services credit in the Enrollment referenced above does not waive Enrolled Affiliate's responsibility to pay any outstanding or future invoices associated with the expiring agreement(s) and/or enrollment(s) referenced above.

This Amendment shall automatically terminate upon any termination or expiration of the Enrollment. In addition, Microsoft shall have the right to immediately terminate the Enrollment in the event of Enrolled Affiliate's Customer breach of any obligation in this Amendment.

Except for changes made by this Amendment, the Enrollment or Agreement identified above remains unchanged and in full force and effect. If there is any conflict between any provision in this Amendment and any provision in the Enrollment or Agreement identified above, this Amendment shall control.

**This Amendment must be attached to a signature form to be valid.**
