Commitment to Serve

The Pembroke Pines Police Department is a full-service law enforcement agency which offers emergency services to our community 24 hours a day, 7 days a week. Our agency currently has over 270 sworn officers and over 100 civilian staff members, who serve our diverse and rapidly growing community of 180,000+ residents.

The City of Pembroke Pines is the 10th most populous Florida municipality, and the second most populous city in Broward County. Conveniently located in Southwest Broward County, the city spans an area of 34.8 square miles which includes multiple residential subdivisions, commercial plazas, major highways such as I-75 and US-27, lakes and canals, and portions of the Florida Everglades along our western border. Our city is home to 23 schools, as well as the Broward College South Campus.

For emergencies dial 911

For non-emergencies dial 954-764-HELP (4357)

Our East Headquarters lobby, located at 9500 Pines Boulevard, is staffed each day from 7AM to midnight. Our West Substation lobby, located at 18400 Johnson Street,

About Us

Dispatch

The banner features a black police SUV parked on a grassy field. Overlaid on the image is the text "DAVIE POLICE DISPATCH" in large, bold, white capital letters. Below this, in smaller white text, is the address "1230 S NOB HILL RD, DAVIE FL 33324" and the phone number "954-693-8200". A yellow highlight is drawn under the phone number, and a red arrow points to it from the right.

The Dispatch Unit is operational 24 hours a day, seven days a week including all holidays and during any declared States of Emergency. The civilian-operated communications department is equipped with four dispatching consoles and receives approximately 150,000 telephone calls each year. It is here that dispatchers also monitor numerous police radio channels.

The Davie Police Department's Communications Center is equipped with live CAD (computer-aided dispatch), which directly links Broward County Sheriff's Office and all personnel who are employed at the Davie Police Department via computer. It is here in Communications where entries are made into the state and national computer system accessible by Law Enforcement personnel nationwide. Various entries can include stolen vehicles, phones, laptops, electronics, lost/stolen/found guns, and missing people. The public can access a limited view of this information at the [FDLE website](#). The Communications Department also maintains various logs including our animal log. If you find or lose a domesticated animal, you can call the Communications Department and they will log the information in hopes of reuniting the animal with its rightful owner.
