Project Description and Responsibilities

A. Project Description (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): The work to be done at this phase includes the following: Deepening and widening the Outer Entrance Channel (OEC) from an existing 45-foot project depth over a 500-foot channel width to 55 feet depth by 800 feet width for a flared extension and extending 2,200 feet seaward; deepening the Inner Entrance Channel (IEC) from 42 feet to 48 feet; and the deepening of the port's berthing infrastructure (e.g. Slip 1) to 48 feet. See UPIN PFS0002647 for more.

B. Project Location (limits, city, county, map): Fort Lauderdale, Florida

C. Project Scope (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size): This Project includes the environmental work, design work, and construction work required to complete the dredging, deepening, and widening activities described in the Project Description, including: deepening of the port's berthing infrastructure (e.g. Slip 1), channel deepening; channel stabilization; channel widening; construction; construction inspection services; contractor stand-by; debris removal; debris placement; demobilization; demolition; design; engineering; geotechnical activities; materials testing; mobilization; permitting; surveys; temporary structures; turning notch improvements; and, water quality protection structures.

D. Deliverable(s):

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of incremental progress that has been made, and provide evidence that the payment requested is commensurate with the accomplished incremental progress and costs incurred by the Agency.

E. Unallowable Costs (including but not limited to): Travel costs are not allowed; Stored materials unless prior written approval from FDOT is obtained.

F. Transit Operating Grant Requirements (Transit Only):

Transit Operating Grants billed as an operational subsidy will require an expenditure detail report from the Agency that matches the invoice period. The expenditure detail, along with the progress report, will be the required deliverables for Transit Operating Grants. Operating grants may be issued for a term not to exceed three years from execution. The original grant agreement will include funding for year one. Funding for years two and three will be added by amendment as long as the grantee has submitted all invoices on schedule and the project deliverables for the year have been met.
