Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

1.1. **Approved Plans** means the construction documents and specifications depicting and defining the Improvements, including all materials to be installed in the Revocable License Area as referenced in the plans submitted to and approved in writing by the Contract Administrator, and filed under Project Reference Number 240627002.

1.2. **Board** means the Board of County Commissioners of Broward County, Florida.

1.3. **Contract Administrator** means the Director of the Broward County Highway Construction and Engineering Division, or written designee.

1.4. **Division** means the Broward County Highway Construction and Engineering Division.

ARTICLE 2. GRANT OF REVOCABLE LICENSE

2.1. County hereby grants to City a revocable license for nonexclusive access and use of the Revocable License Area solely for the purposes of making the Improvements, performing the Maintenance Obligations, and taking other actions as may be required by this Agreement. The Improvements must meet County's Minimum Standards Applicable to Public Right-of-Way Under Broward County Jurisdiction as described in Section 25.1, Exhibit 25.A, of the Broward County Administrative Code.

2.2. Other than for the purposes identified in this Agreement, City may not use the Revocable License Area for any other purpose whatsoever without written amendment of this Agreement executed with the same formalities as this Agreement. City may not use or permit the Revocable License Area to be used in any manner that will violate the terms of this Agreement or any laws, administrative rules, or regulations of any applicable governmental entity or agency.

2.3. County shall retain full and unrestricted access to the Revocable License Area at all times.

2.4. Throughout the term of this Agreement, and notwithstanding any other term or condition of this Agreement, County retains the right in its sole discretion to modify, reconfigure, improve, convey, or abandon the Revocable License Area, and to make any improvements thereon. Specifically, City acknowledges and agrees that the roadway, right-of-way area, and/or the Revocable License Area may be temporarily or permanently reconfigured, modified, or moved, without any liability to County. County will provide City with thirty (30) days' written notice of any such modifications to the Revocable License Area to allow City to remove or relocate the Improvements at City's own expense.

2.5. This Agreement is merely a right to access and use and grants no estate in the Revocable License Area to City or any other party.

ARTICLE 3. CITY'S OBLIGATIONS

3.1. City shall make application to the Division for a permit to perform the Improvements as set forth in the Approved Plans. City may not proceed with the Improvements until all permits have been issued and all permit conditions for commencement of the Improvements have been satisfied.

3.2. City may not make any alterations to the Improvements without first obtaining a permit from the Division and the written approval from the Contract Administrator for such alterations.

3.3. City shall make the Improvements at its own expense and in full accordance with the Approved Plans and to the Contract Administrator's satisfaction. City shall not be entitled to any compensation from County for making the Improvements.

3.4. Following City's installation of the Improvements and County's approval of same (as set forth in Article 4), City shall provide County with signed and sealed certified as-built drawings and warranties for all work performed as set forth in the Approved Plans.

3.5. Once the Improvements have been made, City shall perform the Maintenance Obligations at its own expense and in accordance with the requirements set forth in Exhibit C. As part of the Maintenance Obligations, City shall keep the Improvements and the Revocable License Area clean, sanitary, and in good condition consistent with industry-standard maintenance standards and techniques. The Maintenance Obligations shall include all repair and replacement of materials due to any cause, including but not limited to normal wear and tear, acts of God, vandalism, and accidents. City shall promptly replace all defective or unsightly materials, as well as any materials that the Contract Administrator determines, in their reasonable discretion, should be replaced for safety reasons or because such materials would interfere with any County property or County operations. All replacements must be approved in writing by the Contract Administrator.

3.6. If City takes any action or makes any omission that causes or results in alterations or damage to County property, City shall, at its own expense, restore such property to its condition before the alterations or damages. If City fails to make such restoration within thirty (30) days after County's request, County may make the restoration or exercise its rights as provided in Article 6 of this Agreement. If County elects to make the restoration, it will invoice the City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

3.7. If City takes any action or makes any omission that causes or results in alterations to the Revocable License Area (or any materials on the Revocable License Area), which alterations are not specified in the Approved Plans, City shall, at its own expense, restore the Revocable License Area to its condition before the alterations were made, or to such condition as approved in writing by the Contract Administrator. If City fails to make such restoration within thirty (30) days after County's request, County may make the restoration or exercise its rights as provided in Article 6 of this Agreement. If County elects to make the restoration, it will invoice City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

3.8. If City takes any action or makes any omission that causes or results in damage to the Revocable License Area (or any materials on the Revocable License Area), City shall, at its own expense, repair such damage. If City fails to make such repair within thirty (30) days after County's request, County may make the repair or exercise its rights as provided in Article 6 of this Agreement. If County elects to make the repair, it will invoice City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

3.9. If any Improvements in the Revocable License Area are serviced by any utilities (including but not limited to electricity, water, sewage, or gas), City shall be solely responsible for the cost of such utilities and shall establish its own billing account directly with each utility company.

3.10. If any Improvements in the Revocable License Area contain an irrigation or water pump system, City shall maintain and repair same in compliance with the requirements set forth in Exhibit C and all applicable rules and regulations of the applicable South Florida Water Management District.

3.11. City shall provide the Contract Administrator with immediate verbal notice, followed by prompt written notice (in the manner set forth in Article 7 of this Agreement), of any condition

on the Revocable License Area that might present a risk of damage to the Revocable License Area or adjacent property, or might pose a risk of injury to any person. City shall contact the appropriate emergency services (fire-rescue, police, Florida Power & Light) immediately upon identification of any potential risk of injury to any person, and shall keep a written record of all contact made including the person(s) with whom City has communicated.

3.12. City shall also provide the Contract Administrator with immediate verbal notice, followed by prompt written notice (in the manner set forth in Article 7 of this Agreement), of any damage to the Revocable License Area or any injury to any person on the Revocable License Area.

3.13. City may retain a third party to make the Improvements and/or perform the Maintenance Obligations. If City retains a third party for such purpose(s), City shall enter into a written contract with the third party under which the third party must agree to make the Improvements and/or perform the Maintenance Obligations in accordance with the requirements of this Agreement. City shall provide the Contract Administrator with a copy of any such contract(s) upon request by the Contract Administrator. Notwithstanding City's use of any third party, City shall remain obligated and responsible to make the Improvements and perform the Maintenance Obligations if the third party does not. City may not relieve itself of any of its obligations under this Agreement by contracting with a third party.

ARTICLE 4. COUNTY'S OBLIGATIONS

4.1. County shall review the Approved Plans to determine whether to issue a permit for the Approved Plans and shall issue a permit only if the Approved Plans comply with all applicable County permitting requirements.

4.2. County shall inspect the Improvements and may reject work that does not conform to the Approved Plans, as determined by County in its sole discretion.

4.3. After receiving signed and sealed certified as-built drawings that the Improvements are in conformance with the Approved Plans, and receiving a request for a final inspection, County shall perform a final inspection of the Improvements and notify City of County's final approval or rejection of the Improvements.

4.4. County shall have no further obligations under this Agreement other than those stated in this article but may exercise any and all rights it has under this Agreement.

ARTICLE 5. RISK OF LOSS

All Improvements not permanently affixed to the Revocable License Area shall remain the property of City, and all risk of loss for the Improvements (whether permanently affixed or not) shall be City's risk alone. However, City may not remove, replace, or alter any of the Improvements without the Contract Administrator's written consent and any required permitting.

ARTICLE 6. TERM AND TERMINATION

6.1. This Agreement shall begin on the Effective Date and continue in perpetuity unless terminated as provided in this article.

6.2. This Agreement may be terminated for cause by County if City breaches any of its obligations under this Agreement and has not corrected the breach within thirty (30) days after receipt of written notice identifying the breach. County may, at the option of the Contract Administrator, cause such breach to be corrected and invoice City for the costs of the correction or may terminate this Agreement. If County opts to correct the breach and invoice City for the costs of correction, City shall pay such invoice within thirty (30) days after receipt. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

6.3. This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by County to City, which termination date shall not be less than thirty (30) days after the date of such written notice. City acknowledges that it has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience including in the form of County's obligation to provide advance written notice to City of such termination in accordance with this section.

6.4. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate if the County Administrator determines that termination is necessary to protect the public health or safety. Termination under this section shall be effective on the date County provides notice to City of such termination.

6.5. Upon termination of this Agreement, City shall peaceably surrender its use of the Revocable License Area.

6.6. Upon termination of this Agreement, City shall remove all Improvements, materials, and equipment installed or placed in the Revocable License Area by City, unless the Contract Administrator, in writing, authorizes City to leave any such Improvements, materials, or equipment in the Revocable License Area. In addition, City shall be obligated to repair any damage to the Revocable License Area resulting from the removal of any Improvements, materials, and equipment. If City fails to comply with these removal and/or repair obligations within thirty (30) days after termination, County may perform them and then invoice City for the cost thereof. City shall pay such invoice within thirty (30) days after receipt. Any personal property remaining on the Revocable License Area after the termination of this Agreement shall be deemed to have been abandoned by City and shall become the property of County.

6.7. Upon termination of this Agreement, City shall restore the Revocable License Area to its condition before the Improvements or to such condition as approved in writing by the Contract Administrator. If City fails to make such restorations within thirty (30) days after termination, County may make them and then invoice City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

6.8. County shall have no obligation to compensate City for any loss resulting from or arising out of this Agreement including any resulting from or arising out of the termination of this Agreement.

6.9. If tree mitigation is required as a result of termination of this Agreement, City must obtain a Broward County Environmental Licensing and Building Permitting Division, Tree Preservation Program license required by Chapter 27, Article XIV, Sections 27-401 through 27-414 of the Broward County Tree Preservation and Abuse Ordinance, as may be amended from time to time, to provide for relocation, removal, and replacement per the tree removal license requirements at City's sole cost and expense.

6.10. Notice of termination shall be provided in accordance with Article 7 of this Agreement, except that notice of termination by the County Administrator, pursuant to Section 6.4 of this Agreement may be verbal notice that shall be promptly confirmed in writing in accordance with Article 7 of this Agreement.

ARTICLE 8. INDEMNIFICATION

8.1. County and City are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees, to the extent and within the limitations specified in Section 768.28. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by any Party to which sovereign immunity may be applicable nor shall anything included herein be construed as consent by either Party to be sued by third parties in any matter arising out of this Agreement or any other contract.

8.2. To the extent permitted by law, City agrees to indemnify and hold harmless County and all of County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by City, or any intentional, reckless, or negligent act or omission of City, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, City shall, upon written notice from County, defend each Indemnified Party with counsel satisfactory to County or, at County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party.

8.3. If City contracts with a third party to perform any of City's obligations under this Agreement, City shall enter into a contract with such third party, which contract shall include the following provision:

Indemnification: Contractor shall indemnify and hold harmless Broward County and all of Broward County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by contractor, or any intentional, reckless, or negligent act or omission of contractor, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, contractor shall, upon written notice from Broward County, defend each Indemnified Party with counsel satisfactory to Broward County or, at Broward County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this paragraph shall survive the expiration or earlier termination of this Agreement.

8.4. The obligations of this article shall survive the expiration or earlier termination of this Agreement.

ARTICLE 9. INSURANCE

9.1. Within five (5) days after request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.

9.2. If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis.

9.3. The foregoing requirements shall apply to City's self-insurance, if any.

9.4. If City contracts with one or more third parties to perform any of City's obligations set forth herein, City shall require that each third party procure and maintain insurance coverage that adequately covers the third party's exposure based on the services provided by that third party (and any subcontractors retained by the third party). City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this section are met. If requested by County, City shall furnish evidence of all insurance required by this section.

9.5. County reserves the right, but not the obligation, to periodically review any and all insurance coverages required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.

ARTICLE 10. MISCELLANEOUS

Licensee shall provide maintenance in the Revocable License Area as described herein and in accordance with all articles of this Agreement. The specifications herein are the minimum standards and do not prevent the Licensee from performing additional measures necessary to ensure proper maintenance.

All items checked below are applicable to this Revocable License Agreement.

Landscaping

- Fertilize all vegetation on a routine timeframe to meet the requirement of each plant species.
- Maintain all vegetation free from disease. Monitor and control undesirable insects and ant mounds.
- Mulch the vegetation beds and keep them free from weeds. All mulched areas shall be replenished at a minimum of once a year. Mulch shall be maintained to a depth of three (3) inches. The preferred type of mulch is shredded melaleuca or pine bark.
- Cut the grass and trim all plant material, including ground cover, shrubs, plants, bases of palms and hedges, at an appropriate interval to maintain a neat and proper appearance.
- Prune all plants to remove all dead or diseased parts of plants and all parts of plants that block or obscure motorist line of sight to/from side street.
- Remove and replace all vegetation that is dead or diseased with new vegetation. Ensure that the new vegetation is of the same grade as specified in the original approved plans and specifications and the same size as those existing at the time of replacement.
- Remove litter and illegal dumping from the Revocable License Area.
- Maintain shrubs at a maximum height of twenty-four (24) inches to ensure sight visibility per Florida Department of Transportation/Broward County guidelines.
- At the completion of landscape trimming/mowing, all trimmed material, along with any trash/litter within the Revocable License Area shall be removed from the site.
- Licensee must address landscape deficiencies within thirty-six (36) hours following notification to the Licensee.

- Ornamental Trees such as Cattley Guava, Ligustrum and Oleander Standards must be pruned on a semi-annual basis by thinning and shaping to maintain the desired shape of the trees.

Tree Fertilization

- Canopy Trees (up to three inches - 3") caliper must be fertilized to maintain good health and to meet the minimal requirements of each plant species.
- All palms must be fertilized at a minimum interval of three (3) times per year.

Irrigation

Perform routine and preventive maintenance and repair of the irrigation system, which includes but is not limited to the following:

- Maintain irrigation in working order, including the maintenance and replacement of pumps, pipes, and sprinkler heads.
