MEMORANDUM

DATE: August 1, 2025

TO: Darby Desalle, Director
Urban Planning Division

FROM: David (D.G.) McGuire, Plat Section Manager
Plat Section, Highway Construction and Engineering Division

SUBJECT: Application for New Plat – Letter to proceed
Wilton Manors Townhomes (001-MP-25)

The Highway Construction and Engineering Division, Traffic Engineering, and the Transportation Department, Transit Division have reviewed the application for a new plat. Our review included the information contained in the application, the property survey, the site plan (or conceptual access plan), and any previously recorded plats.

As a result of our review, staff has determined that the comments and recommendations are required with respect to the safe and adequate access standards of the Broward County Land Development Code.

STAFF COMMENT

RATIONAL NEXUS REVIEW

- 1 This plat has been evaluated by staff for the relationship between the impact of the proposed development and the right-of-way dedications required by the Broward County Land Development Code. Staff has made a finding that the proposed development meets the threshold for rational nexus and this report includes right-of-way dedication requirements.

STAFF RECOMMENDATIONS

NON-VEHICULAR ACCESS LINE REQUIREMENTS

It is the express intent of this non-vehicular access line to eliminate all proposed openings and existing driveways not specifically delineated in the following comments:

- 2 Along the ultimate right-of-way for NE 26th Street. Said non-access line will include corner chords and extend along NE 16th Avenue and NE 15th Avenue for a minimum of 100 feet beyond the end of the chord.

RIGHT-OF-WAY REQUIREMENTS (Dedicate)

- 3 Five (5) feet of right-of-way to comply with the Broward County Trafficways Plan on NE 26th Street, an 80-foot Collector.
- 4 Right-of-way for a corner chord based on a 30-foot radius at the intersection of NE 26th Street and NE 16th Avenue.
- 5 Right-of-way for a corner chord based on a 30-foot radius at the intersection of NE 26th Avenue and NE 15th Avenue.

TRAFFICWAYS IMPROVEMENTS (Secure and Construct)

- 6 The removal of all existing driveways in locations not consistent with approved openings in the non-vehicular access line and the construction of curb, gutter, and sidewalk in these openings when necessary to complete the required improvement.

SIDEWALK REQUIREMENTS (Secure and Construct)

- 7 Along the Non-vehicular Access Line adjacent to this plat.

PAVEMENT MARKINGS AND SIGNS (Secure and Construct)

- 8 Construction of the required improvements shall include installation of signs and thermoplastic pavement markings. Pavement markings and signs shall be designed, fabricated, and installed in accordance with Traffic Engineering Division standards. The minimum-security amount for pavement markings and signs is \$1,000.

IMPROVEMENT AGREEMENT AND SECURITY REQUIREMENTS

- 9 Section 5-184(d)(2) of the Broward County Land Development Code requires a recordable agreement for the required improvements. The owner of this plat shall enter into the standard Installation of Required Improvements Agreement (BCF#450) and submit it to the Highway Construction and Engineering Division for review and approval prior to plat recordation. The completion date for all required improvements listed as Exhibit "B" shall indicate completion prior to issuance of Certificates of Occupancy. Alternate phasing schedules must receive prior approval from the Highway Construction & Engineering Division. The use of a non-standard agreement will require independent approval by the County Commission.

The Installation of Required Improvements Agreement shall be secured by letter of credit, cash, lien, or other security acceptable to the County. Security instruments for all required improvements shall be submitted prior to NVAL Amendment Agreement recordation and/or commencement of construction. Security amounts shall be based upon the one of the following:

- a. Approved construction plans. When security is based on approved construction plans, the security will be calculated at one hundred (100%) percent of the cost of the improvements. Requirements for submitting construction plans are outlined below.
- b. Engineer's cost estimate. When security is based on an engineer's cost estimate, the security will be calculated at one hundred twenty-five (125%) percent of the cost of the improvements. Engineer's cost estimate(s) must be submitted for review by the Highway Construction and Engineering Division. Use of approved cost estimate forms is required. Payment of the applicable review fee is required pursuant to Chapter 38.8 of the Broward County Administrative Code.
- c. All forms are available on the Highway Construction & Engineering Division's web page at:
<http://www.broward.org/Publicworks/BCEngineering/Pages/Default.aspx>

IMPROVEMENT PLAN SUBMITTAL (Pre-construction and Security Release Requirements)

- 10 Construction plans for the required improvements (including pavement marking and signing plans) shall be submitted to Highway Construction and Engineering Division for review, and must be approved prior to the commencement of construction. Construction shall be subject to inspection and approval by the County. Pavement marking and signing shall be provided for all of the Improvements and shall be subject to review, field inspections and final approval by the Traffic Engineering Division. Security for pavement markings and signing shall not be released without field inspection and final approval by the Traffic Engineering Division of all materials, installations and locations.
- 11 Communication Conduit/Interconnect plans (3 sets and a cost estimate) shall be submitted to the Traffic Engineering Division. Any easements necessary for relocation and maintenance of the conduit must be provided and shown on the submitted plans. No security shall be released without field inspection and final approval of all materials, installations and locations by the Traffic Engineering Division.

GENERAL RECOMMENDATIONS

- 12 Distance and measurement recommendations contained in this report were based on the best information available at the time of review. County staff may approve minor adjustments based on verified field conditions or details provided in approved construction plans.
- 13 All construction must include all necessary transitions to existing pavement, the lengths of which shall be determined by the design speed of the roadway. All designs, construction, studies, etc., shall conform to the applicable sections of the following:
 - A) United States Department of Transportation: "Manual on Uniform Traffic Control Devices" (MUTCD).
 - 1) State of Florida Department of Transportation:
 - 2) "Roadway and Traffic Design Standards."
 - 3) "Standard Specifications."
 - 4) "FDOT Transit Facilities Guidelines."
 - B) Broward County: "Minimum Construction Standards for Roadways Under Broward County Jurisdiction" (Exhibit 25A of Section 25.1, Broward County Administrative Code).

In addition, all designs for construction shall be certified by a Professional Engineer, registered in the State of Florida, that they meet the standards included above.

All standard forms are available for downloading from the Highway Construction and Engineering Division's website:

<http://www.broward.org/Publicworks/BCEngineering/Pages/Default.aspx>.

- 14 This plat will not be recorded until all real estate taxes (including taxes for the current year and any delinquent taxes) for the property being platted have been paid as required by Florida Statutes Chapter 197.192. The applicant shall request a current tax letter be forwarded from the Revenue Collection Division to HCED Plat Section.

F.S. 177 PLAT REVIEW COMMENTS

The following comments note the corrections necessary for the plat mylar to comply with the requirements of Florida Statutes Chapter 177. If additional clarification is necessary, please contact Jason Espinosa at (954) 577-4593 or via email at JESPINOSA@BROWARD.ORG.

Please note that additional changes made to the plat mylar beyond this list of corrections may necessitate additional review time; delay recordation; and result in additional review fees.

All resubmittals shall include a paper copy of the plat with changes from the original plat review application highlighted.

15 SURVEY DATA

- A. P.R.M.s shall be shown at every change of direction, not more than 1,400 feet apart, with a minimum of 4 indicated. P.R.M.s shall be labeled "Found" or "Set". P.C.P.s as appropriate.
 - 1. All P.R.M.'s must be SET at the new ultimate R/W line created by the Right way dedication (in concrete monuments where possible, Tracts RW1 and RW2).
- B. The platting surveyor shall submit Certified Corner Records for section corners used in preparation of the plat to both the State and Broward County. County staff will confirm submittal to the State prior to plat recordation. For section corners which have Certified Corner Records on file, the surveyor shall submit an affidavit confirming that the Section corner was found to be substantially as described in the most recently available certified corner record. Standard affidavit forms are available at:
<http://www.broward.org/BCEngineering/Pages/PlatSectionForms.aspx>.
- C. The surveyor shall submit digital plat information (after all corrections are completed and Highway Construction & Engineering Division staff requests digital information).

16 TITLE CERTIFICATION AND DEDICATION SIGNATURE BLOCKS

- A. The title certificate or an attorney's opinion of title shall be updated to reflect a comprehensive search of the Public Records within 30 days prior to plat recordation. If the updated title shows any change to property ownership, then a new dedication on the plat mylar shall be executed by the new owner(s) with the proper acknowledgements. If the updated title shows any changes to or additional mortgage holders, then a new Mortgagee consent shall be executed with the proper acknowledgements.
- B. The Dedication on the original mylar shall be executed by all record owners with original signatures. For property owned by an individual (or by individuals), the plat shall be executed in the presence of two witnesses for each signature. Property owned by corporations shall be executed by at least one of the following officers: the President, Vice President, or Chief Executive Officer together with either (i) two witnesses or (ii) the Corporate Seal. A plat which has been executed by any officer other than the President, Vice President, or Chief Executive Officer shall also provide documentation authorizing the individual(s) who executed the plat. The officers executing a plat shall be verified through the Florida Department of State, or by the applicant providing corporate documentation. Persons executing plats owned by a partnership or a trust shall provide documentation clearly demonstrating their authority to execute on behalf of the partnership or trust.
 - 1. A consent and dedication form authorizing creation of the plat was submitted with the plat mylar. A real estate contract for sale and purchase is expected to close following County Commission approval of the plat, and the ownership will change. The plat will not be recorded until all owner(s) and all mortgage holders have duly executed the plat with the appropriate acknowledgements.
- C. All mortgagees shall execute the plat with original signatures, seals, and witnesses. If applicable.
- D. Acknowledgments and seals are required for each signature.

17 DRAFTING AND MISCELLANEOUS DATA

- A. North Arrow(s) shall be shown on each drawing page.
- B. Adjacent plats shall be identified or identified as "Acreage."
 - 1. Lots and blocks of adjacent recorded plats shall be identified. This applies to the plats of Manor Square (PB 38 Pg 47), Pines at Wilton Manors (PB 183 PG 452) Edge Water Estates (PB 40 Pg 7), Max Swartz Subdivision (PB 10 PG 19).
 - 2. Correct the name of the Max Swartz Subdivision, it is incorrectly labeled as Schwartz.

- 18 HIGHWAY CONSTRUCTION & ENGINEERING DIVISION INTERNAL PROCEDURES
(These items are required for plat recording but are completed by County staff)
- A. Planning Council Executive Director or Designee Signature
 - B. Completion of all POSSE Inputs; Impact Fee and Security reports printed
 - C. County Surveyor Signature
 - D. PRM's Verified
 - E. Development Order, Urban Planning Division Director Signature
 - F. Highway Construction and Engineering Director Signature
 - G. City/District scanned copy of mylar, as required.
