WHEREAS, the School District of Broward County, Florida (the "District") has experienced a severe shortfall in the funding provided by the Florida Legislature for the District's normal operating expenses during the current and prior fiscal years; and

WHEREAS, under the State of Florida budget approved for the 2021-22 school year, the District will experience an even more significant decrease in State funding for operating expenses; and

WHEREAS, The School Board of Broward County, Florida (the "School Board") anticipates further decreases in State funding for operating expenses; and

WHEREAS, the District has experienced shortfalls in funding to recruit and retain teachers and pre-kindergarten through adult instructional personnel, paraprofessionals, food service employees, and bus drivers and assistants, even with the current ad valorem tax; and

WHEREAS, the District has increased needs to provide safety, security and mental health professionals at schools throughout the District, for which existing funding, including the current voter approved ad valorem tax, is inadequate; and

WHEREAS, if such ad-valorem tax levy is approved to commence upon expiration of the current one-half mill ad valorem tax levy, the School Board will provide funding for the purposes described above to traditional public and charter schools throughout the District, will require monthly reports on all receipts and expenditures in connection with such levy, and will promptly post such reports on the School Board's website for public inspection;
