VI. SUMMARY DESCRIPTION: The Broward Sheriff's Office supports this LETF request for the Public Safety Illuminated Signage – Cooper City DLE. Currently, the government-owned building that houses the Public Safety Team abuts a main thoroughfare and does not have an illuminated building sign, instead, there are small, hard to see black letter decals. The current decals are not easily visible in this highly congested area, especially at night. The sign will have the BSO emblem which would help increase visibility of the City's Public Safety Team, helping residents better see / know where the building is located. The illuminated sign will also be a crime prevention tool as the building adjoins the City's Sports Complex where historically burglaries / thefts have occurred.
