Re: Proposed Road Right-of-Way Easement Vacation Application – Everglade Land Sales Co. Subdivision, Plat Book 2, Page 26

Dear Ms. Sesodia:

Our client, 13th Floor Adler Broward South, LLC, (“13th FL”), is proposing a residential and commercial development on approximately 21.2 acres located on the west side of Davie Road between SW 37 Street and the Broward College main entrance (the “Property”). The Property and the adjacent land is owned by the District Board of Trustees of Broward Junior College (“Broward College” and “Applicant”). East of the Property is a mix of retail uses and to the south is Broward School Board property.

13th FL has entered into a 99-year lease with the Applicant related to development of the Property. The proposed site plan involves a five (5) story apartment development with 375 units. The proposed site plan also includes commercial use located at the northeast corner of the Property. Access to the Property is from the Broward College main access drive on the north and a new access road on the south. Both of these access points are owned by the Applicant. Cross access from the main access road to the Property is provided in the 99 -year lease.

The proposed site plan includes easements and rights-of-way to be vacated. The area to be vacated in this application is located in the Everglade Land Sales Co. Subdivision as described below.

- 1. Road Right-of-Way Easement Vacation – ORB 4673, PG 953** – This application includes that portion of an easement dedicated and described in ORB 4673, Page 953 and located in the Everglade Land Sales Co. Subdivision. This right of way appears to be a driveway on the Broward College campus. This land is no longer needed for right of way purposes because the proposed site plan does not utilize this driveway.
