Additional Responses to Project Questionnaire

February 16, 2022

9. Does the owner have any financial interest in properties near or adjacent to this project?

The Town of Davie and the Town of Davie CRA own other properties in the general vicinity including Town Hall immediately to the West of the proposed plat across SW 65th Way.

11. Has consideration been given to public transportation routes, shelters, or turnouts for the proposed project? If "Yes," please attach sheet(s) and describe fully.

The Town has put out to bid the Davie Road Phase III Improvement project, BCHED #200507001 reviewed and approved by Broward County Highway Construction and Engineering Division during the permitting process that does incorporate transit related improvements such as transit shelters while providing additional right of way dedications and or easements to provide solely for wider sidewalks, landscaping and hardscape and on-street parking. Additionally, on April 15, 2022, the Town of Davie submitted a Trafficway Plan amendment with the Broward County Planning Council to designate this area of Davie Road as a Context Sensitive Corridor which would discourage turn lane and bus bay dedications that are the antithesis to the creation of a pedestrian-oriented destination with a large plaza for gatherings and outdoor special events.
