Narrative explaining proposed changes in detail including the desired result and justification for the request (attach additional sheet if necessary): The plat was approved by BCC on 10/25/22 with a 45' right-of-way dedication for Powerline Rd. Broward Co has agreed to reduce the dedication to 39' since the Broward C. Trafficways Plan calls for that portion of Powerline Rd to be a maximum 155'. Therefore, we are requesting the right-of-way line to be shifted 6' to the west to be a 39' dedication, thereby increasing the size of the lot by 600'.

PLAT NOTE AMENDMENT-NARRATIVE**

Dear Ms. Sesodia,

We represent Flooring World J&K LLC in their application for a right-of-way dedication amendment. The plat known as ELWIRA was approved by the City of Pompano Beach 7/6/22. This plat was subsequently approved by Broward County Commission on 10/25/22. The plat has not been recorded. The plat was approved with a 45' right-of-way dedication as Broward County Traffic Ways Plan called for a 200' arterial on Powerline Road. It has now come to our attention that the section of Powerline Road at NW 16th Street calls for a maximum of 155'. We therefore are requesting a change in the right-of-way dedication to be 39'. This will shift the dedication line 6' to the West there by enlarging the site by 600'. This amendment was approved by the City of Pompano on 3/21/23. We now ask approval by Broward County.

This change in no way negatively impacts the City/County and/or the neighborhood. It is in line with the County's Traffic Ways Plan. We respectfully request you grant this amendment.

If you have any questions, or I can be of further assistance, please call me.

Thank you,
PULICE LAND SURVEYORS, INC.
