This Affiliation Agreement ("Agreement") is entered into by and between Grand Canyon University ("University") and Broward County, a political subdivision of the State of Florida, on behalf of its Human Services Department ("Broward County") (University and Broward County collectively referred to as the "Parties").

RECITALS

A. University, in its educational program for the development of counselors, also has responsibility for the training of students who require clinical experience in counseling.

B. Broward County Human Services Department ("Department") has opportunities for such clinical experience.

C. University sponsors undergraduate and graduate education programs.

D. University and Broward County recognize that their respective education programs would be enhanced by an agreement to affiliate and collaborate in an integrated relationship.

E. University and Broward County desire to develop and maintain cooperative education and research programs for their mutual benefit to enhance and advance the goals and objectives of each

NOW, THEREFORE, in consideration of mutual terms, conditions, promises, and covenants set forth below, the sufficiency of which are hereby acknowledged, the Parties agree as follows:

Article 1. Statement of Agreement

1.1. Broward County desires to serve as a site for training of students enrolled in University's professional counseling and addiction programs ("Students") and will accept Students for practical education and training ("Program") in accordance with the provisions set forth in this Agreement.

1.2. The Parties shall adhere to all terms identified in this Agreement.

1.3. Broward County and University shall cooperate in the placement of Students, each sharing responsibility for the final selection of Students.

Article 2. Responsibilities of University

2.2 University shall appoint and designate a University representative with appropriate professional and academic credentials ("University Representative"), who shall be

responsible for coordinating the Program for University and acting as the administrative liaison to Broward County.

2.3 University shall provide Broward County with the Program curriculum for Students.

2.4 University shall instruct its Students and faculty, if any, participating in the Program that they are to comply with the appropriate laws, policies, procedures, rules, and regulations, including but not limited to submitting to a physical examination, providing immunization records, background checks, and other preliminary screening, if required by Broward County.

2.5 University participants in the Program shall not be entitled to compensation from Broward County for performance of the duties described in this Agreement or as part of the Program. University and Students participating in the Program agree that participation in the Program is solely on a volunteer basis for educational benefit, without any compensation. Receipt of credit for an educational program shall not be considered compensation. Participation in the Program does not guarantee or secure employment with the County upon completion of the Program.

2.6 University shall assign all required grades for Students who participate in the Program.

2.7 University shall have the responsibility for determining the adequacy of the educational experience of students, and will assign to the Program only those students who have satisfactorily completed the required course of studies, both didactic and practical, as specified by the University's curricula.

Article 3. Responsibilities of Broward County

3.1 Broward County shall designate a staff member with appropriate professional and academic credentials to serve as liaison of the Program ("Program Representative"). The Program Representative shall also serve as the Contract Administrator for Broward County, and shall be responsible for cooperating with University and its designated University Representative regarding the Program. In the administration of this Agreement, as contrasted with matters of policy, all parties may rely on the instructions or determinations made by the Contract Administrator designated by Broward County; provided, however, that such instructions and determinations do not, change the scope or terms of this Agreement.

3.2 The Program Representative and other Broward County staff involved in the Program shall be employees of Broward County. Broward County shall supervise Students while engaged in Program activities at its facilities.

3.3 Broward County shall allow representatives of University and its accrediting bodies to visit Broward County office(s) and observe the operation of the Program at mutually agreed upon times.

3.4 Broward County staff who serve as teaching faculty shall include direct instruction and supervision of Students, as well as provide periodic evaluation of each Student's progress on forms provided by University, under the coordination of the Program Representative.

3.5 Broward County shall provide Students participating in the Program with information regarding the required adherence to applicable laws, regulations, policies, procedures, and rules, including 42 C.F.R. Part 2, as applicable.

3.6 Broward County may require that University remove any Student from the Program if the Student does not follow the appropriate laws, policies, procedures, rules, or regulations. Further, in such event, Broward County may immediately, without prior written or verbal notice to University, require that the Student leaves Broward County's premises, and Broward County will subsequently notify University in writing of such action and the reasons therefore.

3.7 Broward County shall inform Students of any requirements for background screening, drug testing, health screenings, or other requirements. Broward County will assist Students in either obtaining these requirements or informing the Student where any required screenings or testing may be obtained and will monitor Students' compliance. Broward County may remove any Student who fails to meet any applicable requirements.

3.8 Each Student must execute the Release and Waiver of Liability attached hereto as Exhibit A. Broward County shall maintain records of the executed documents.

3.9 Students participating in the Program are not employees of Broward County and are not entitled to financial remuneration during placement. Broward County is not responsible to ensure that any Student obtains academic or other credit for participation in the Program, but Broward County will provide reasonable cooperation to assist the Students in applying for any such available credit.

Article 4. Indemnification

University shall indemnify, hold harmless, and defend Broward County and all of Broward County's officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any intentional, reckless, or negligent act or omission of University, its officers, employees, agents, or servants, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). In the event any Claim is brought against an Indemnified Party, University shall, upon written notice from Broward County, defend each Indemnified Party against each such Claim by counsel satisfactory to Broward County or, at Broward County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

Article 5. Insurance

5.1 University Insurance. University shall maintain professional liability insurance in amounts not less than \$1,000,000 per occurrence or claim and \$3,000,000 in the aggregate and general liability insurance in amounts not less than \$1,000,000 per occurrence or claim and \$2,000,000 in the aggregate. Broward County may ask for proof of said insurance policy and/or coverage at any time during the term of this Agreement. University shall ensure that insurance coverages required by this Agreement remain in full force and effect for the duration of this Agreement and shall insure that there is no lapse in coverage. University shall provide notice to Broward County of any cancellation or modification of any insurance policy or self-insurance coverage required by this Agreement at least thirty (30) days prior to the effective date of cancellation or modification. All required insurance coverages under this Agreement shall provide primary coverage and shall not require contribution from any County insurance, self-insurance or otherwise. University shall be solely responsible for the payment of any deductible or self-insurance retention.

5.2 Each Student while participating in the Program at Broward County is required to obtain and maintain professional liability insurance coverage, at the Student's own expense, in the amounts of not less than \$1,000,000 million per occurrence or claim and \$3,000,000 in the aggregate. Each student must provide proof of such insurance to the University and Broward County prior to starting in the Program.

5.3 University shall, at a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement (unless otherwise provided) the minimum insurance coverage or valid self-insurance in accordance with the terms and conditions required by this Agreement. University shall maintain insurance coverage or valid self-insurance against claims relating to any act or omission in connection with this Agreement by University, including its agents, representatives, employees, and subcontractors.

5.4 Within seven (7) days after the execution of this Agreement and upon request, University shall provide to County a copy of all Certificates of Insurance or other written documentation sufficient to demonstrate insurance for the coverage types and limits required in this Agreement.

5.5 University shall ensure that all insurance coverages required by this Agreement remain in full force and effect for the duration of this Agreement and shall ensure that there is no lapse of coverage. University shall provide notice to County of any cancellation or modification of any insurance policy or self-insurance coverage required by this Agreement at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of cancellation if due to nonpayment, and shall concurrently provide County with updated Certificates of Insurance or other documentation evidencing continuation of the required coverages.

5.6 For insurance policies maintained by the University for coverages required in this Agreement, the University shall endorse "Broward County," 115 South Andrews Avenue, Fort Lauderdale, Florida 33301, as an additional insured and Certificate Holder on Certificates of Insurance. University shall ensure that all such insurance policies are issued by insurers: (1) assigned an A. M. Best Rating of at least "A-" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida, or (3) a qualified eligible surplus lines insurer pursuant to Florida Statutes Sections 626.917 or 626.918 approved by County, unless otherwise accepted by the County.

5.7 University waives any right to subrogation that any of its insurers may acquire against County, and agrees to obtain same in an endorsement of its insurance policies for coverages required in this Agreement.

5.8 If University maintains broader coverage or higher limits than the minimum insurance required, County shall be entitled to such coverage. All required insurance coverages under this Agreement shall provide primary coverage and shall not require contribution from any County insurance, self-insurance or otherwise. University shall be solely responsible for the payment of any deductible or self-insured retention.

5.9 County reserves the right to periodically review insurance policies and to reasonably adjust the limits and/or types of coverage required herein.

5.10 Broward County's Insurance. Broward County is a self-insured political subdivision of the State of Florida, in accordance with Florida Statutes, Section 768.28. Broward County shall provide to University a letter of self-insurance as verification of its self-insurance program upon request.

6.1 Term. The term of this Agreement shall begin on the date it is fully executed by the Parties, and shall continue for a period of five (5) years from that date.

6.2. Termination. This Agreement may be terminated as follows:

6.2.1 For convenience at any time by either party providing at least thirty (30) days prior written notice of termination to the other party as provided for in the Notices section below. Upon any such termination for convenience, Students then in the Program shall be allowed to complete the Program;

6.2.2 Upon the mutual agreement, in writing, of Broward County and University;

6.2.3 By the nondefaulting party upon default by the other party of any material term, covenant, or condition of this Agreement, where such default continues for a period of twenty (20) days after the defaulting party received written notice of the default in the manner provided for in the Notices section from the other party specifying the existence of such default; or

6.2.4 By the Broward County Administrator, in the event the Broward County Administrator determines that termination is necessary to protect the public health, safety, or welfare.
