

**REGIONAL AUTOMATIC AID AND MUTUAL AID INTERLOCAL AGREEMENT
FOR COOPERATIVE FIRE, RESCUE, EMERGENCY MEDICAL SERVICES, SPECIAL OPERATIONS,
AND EMERGENCY/DISASTER RELIEF RESPONSE THROUGH
MUTUAL AID, AUTOMATIC AID, AND CLOSEST UNIT RESPONSE**

This Interlocal Agreement (“Agreement”) is entered into between the Municipalities executing this Agreement, the Broward County Sheriff’s Office, and Broward County (each a “Party” and collectively referred to as the “Parties”).

RECITALS

A. Section 163.01, Florida Statutes, known as the “Florida Interlocal Cooperation Act of 1969,” authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population, and other factors influencing the needs and development of local communities.

B. The design, purpose and intention of this Agreement is to permit the Parties, individually and collectively, to make the most efficient use of their respective powers, resources and capabilities by cooperating in the use of their respective powers, resources and capabilities in regard to fire, rescue, emergency medical services (“EMS”), special operations, and emergency/disaster relief functions and, on a basis of mutual advantage, to provide services and facilities in a manner most consistent with the geographic, economic, demographic and other factors influencing their respective needs and the development of their respective and joint communities.

C. Each Party hereto maintains or contracts for the services, which may include paid or volunteer services, of a Fire Rescue Department with firefighting equipment, EMS equipment, and firefighting, EMS, and administrative personnel.

D. At times of fire, rescue, emergency medical services, special operations, and emergency/disaster relief, one or more of the Parties may have firefighting, EMS, rescue, emergency or disaster relief related demands made upon its equipment or personnel, or both, that exceed the capacity of the equipment or personnel available within its own department or that can be more expediently and efficiently met by, or supplemented by, the resources of another Party.

E. At such times, it would be advantageous to that Party to have available to it the equipment and personnel of one or more of the other Parties for backup purposes, direct active firefighting, rescue, emergency medical services, special operations, and emergency/disaster relief aid and assistance.

F. The Parties acknowledge that incidents requiring firefighting, rescue, emergency medical services, special operations, and emergency/disaster relief occur without prior warning, without a set pattern or frequency and without regard to life, limb or property.

G. The Parties further recognize that there is a great mutual advantage in providing in advance for mutual aid, automatic aid, closest unit response, and cooperative use of the resources available among the affected Parties, in order that lives and property be saved.

H. In 2002, the Broward County residents voted by charter amendment to provide for the funding and establishment of communications infrastructure to facilitate closest unit response for life-threatening emergencies and support for regional specialty teams.

I. Mutual aid, automatic aid, closest unit response, and cooperative use of resources benefits the community and all Parties involved, directly or indirectly.

J. By this Agreement, the Parties intend to provide for mutual aid and automatic aid between the Parties for unforeseen emergencies beyond the normal capabilities of each individual party, and do not intend to subsidize normal day-to-day operations of any other Party. By this Agreement, the Parties intend to provide for closest unit response as defined herein as part of the normal day-to-day operations of all of the Parties.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by the Parties, the Parties mutually covenant, promise, and agree as follows:

ARTICLE 1. PURPOSE AND INTENT

1.1. The Parties affirm the Recitals stated above as true and correct and incorporate them herein.

1.2. The Parties find that mutual cooperation in the delivery of fire, EMS, rescue, special operations, emergency or disaster relief service can best be accomplished within a cooperative, Interlocal configuration.

1.3. The stated purpose and intent of this Agreement is for the Parties to cooperate with each other on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population, and other factors influencing the needs and development of local communities.

1.4. Except to the extent inconsistent with this Agreement, nothing in this Agreement shall preclude or otherwise negate any existing sharing or mutual aid agreements, or agreements pertaining to the compensation or shared expenses of same, that may already exist or may be entered into between any of the Parties. The Parties may continue to enter into such sharing agreements and doing so will not constitute a violation or breach of this Agreement. To the extent anything in this Agreement is inconsistent with the provisions of any such sharing or mutual aid agreement or agreement pertaining to the compensation or shared expenses, the provisions of this Agreement shall govern.

ARTICLE 4. REQUEST FOR AID

4.1 A request for Mutual Aid to any other Party may be made by a Party’s Fire Chief, chief officer, shift commander, or the Incident Commander for a particular incident.

4.2 An arrangement for Automatic Aid between two or more Parties to this Agreement shall be memorialized as an Automatic Aid Addendum (AAA). Any existing automatic aid agreements in place as of the Effective Date of this Agreement as to all parties to such existing automatic aid agreement that provides equal or greater automatic aid than stated herein shall automatically be considered to be an AAA under this Agreement without further action unless the Parties to that agreement agree otherwise in writing. Each AAA shall, at a minimum, specify the applicable apparatus and personnel to be provided and the designated areas for such aid.

4.3 By execution of this Agreement, each Party consents and commits to accept requests for Closest Unit Response from any applicable public safety answering point (PSAP). For any calls for service originating from within the geographical boundaries of any Party, that Party shall be deemed the Requesting Party and the applicable PSAP shall dispatch units based upon Closest Unit Response.

ARTICLE 5. RESPONSE TO REQUEST FOR AID

5.1 The Parties agree to provide Mutual Aid to each other by responding to the fire, rescue situations, EMS calls, special operations emergencies, other emergencies, and disasters as requested by the Requesting Party subject to the terms, conditions, and understandings contained in this Agreement and any applicable agreement(s) between the relevant Parties (subject to Section 1.4 above).

5.2 Any Parties executing an AAA for Automatic Aid further agree to provide Automatic Aid as set forth in such AAA.

5.3 For any call for service originating from outside the geographical boundaries of a particular Party for which call that Party has Available Units, that Party shall constitute the Responding Party and shall accept and respond to a dispatch request for Closest Unit Response from the PSAP. Each Party shall accept and respond to any dispatch request of its Party's Available Units from a PSAP on behalf of a Requesting Party in the same manner as a call for service with the jurisdiction of the Responding Party, except as otherwise modified by this Agreement.

5.4 The Parties recognize and agree that if, for any reason beyond the reasonable control of the Responding Party, the Available Unit or other requested resources is/are unable to respond to the request for aid, the Responding Party shall not be liable or responsible in any regard whatsoever for such inability to respond. Any Party may request such other Party provide written documentation of the grounds for any determination that the Available Unit or other requested resources were unable to respond to the request for aid, which documentation shall be made available to all Parties to this Agreement. In the event any Party demonstrates a repeated inability, defined as 12 or more incidents of being unable to respond with an Available Unit or other requested resources within a calendar year, to respond to requests for aid, upon written approval of the majority of the municipalities that both share a geographical boundary with that Party and are a Party to this Agreement, the Party demonstrating the failure to respond may be terminated as a Party to this Agreement upon sixty (60) days' prior written notice. Any financial or other liabilities that accrued prior to the effective date of termination shall survive termination of this Agreement.

5.5 Grounds justifying an inability to respond to a request for aid include, but are not limited to, the following, provided that upon the resolution or removal of any of these grounds justifying an inability to respond, the Responding Party promptly contacts the PSAP and offers to provide the requested assistance:

(a) The Party's Fire Chief, chief officer, shift commander, or the Incident Commander of the Responding Party's service at the time of request for response determines that the Responding Party would suffer undue jeopardy and be left inadequately protected if the Responding Party respond as requested;

(b) The requested unit(s) were inoperative;

- (c) The requested unit(s) were being utilized on another emergency call; or
- (d) The requested unit(s) are prohibited as matter of federal or state law from providing aid outside the territorial limitations of their jurisdiction.

**ARTICLE 6. CONTROL OF FIRE, RESCUE, EMS, SPECIAL OPERATIONS,
EMERGENCY OR DISASTER SCENE**

6.1 The Parties to this Agreement understand and agree that the Incident Command System (ICS), as defined by the National Incident Management System (NIMS), is the framework for controlling and managing emergency incidents within a given jurisdiction. The Incident Command (IC), as defined within ICS under NIMS, is in charge of the incident and responsible for tactical coordination of all personnel and equipment used to control an active incident.

6.2 Control of each Responding Party's personnel shall remain with each Responding Party as to the rendition of service, standards of performance, discipline of officers and employees, and other matters incident to the performance of services by the Responding Party's personnel.

6.3 The personnel of the Responding Party shall not be obligated to obey any order that said officer reasonably believes to be either in violation of the laws of the State of Florida, United States, or of the Responding Party. The senior officer of the Responding Party may, in his or her judgment, instruct the personnel of the Responding Party that they are not obligated to comply with any order issued by another Party's personnel which said senior officer believes will unnecessarily result in the likelihood or unreasonable risk of death or bodily injury to the agents, officers, or employees of the Responding Party, or in a significant and substantial loss or damage to the Responding Party's equipment.

6.4 Communications at each incident to which a Responding Party is rendering aid shall be in accordance with the Fire Chiefs' Association of Broward County's Communications Plan, unless otherwise agreed by the applicable Parties.

ARTICLE 7. REIMBURSEMENT

7.1 All costs associated with providing Mutual Aid or Automatic Aid or Closest Unit Response under this Agreement shall be the responsibility of the Responding Party except as otherwise expressly stated in this Agreement, an AAA, or another written agreement between the applicable Parties, or, for a declared emergency only, the applicable respective funding responsibilities per Federal Emergency Management Agency requirements. Any other agreements relating to payment for fire protection, special operations, and emergency medical services shall remain in effect.

7.2 Except as otherwise expressly provided in this Agreement, each Party is solely responsible for the wages, salaries, cost of worker's compensation or other insurance premiums and benefits, and retirement and other job benefits to any of its employees or contractors, whether or not said persons provide any services to any other Party under this this Agreement.

7.3 The Responding Party may invoice, collect, and retain from those persons receiving hazardous materials mitigation the applicable costs and fees.

7.4 Except as otherwise expressly provided in this Agreement, the Responding Party furnishing any equipment pursuant to this Agreement shall bear the cost of any loss or damage to its equipment, and shall be solely responsible for any expenses incurred in the operation or maintenance of such equipment.

7.5 Any Responding Party that provides transport service may require reimbursement for the transport service from the patient to the extent permitted by law. The Responding Party will handle billing, insurance claims and collection in accordance with their policies and procedures and any applicable laws and regulations, including the latest Federal Medicare guidelines if applicable. The Requesting Party shall receive, upon request to the Responding Party, a copy of any such invoices or other documentation, provided that neither Party shall use or disclose Protected Health Information (“PHI”) or Electronic Protected Health Information (“e- PHI”) except as permitted by the Health Insurance Portability and Accountability Act, as amended, and the regulations promulgated thereunder (collectively “HIPAA”), and any other applicable laws and regulations, all as may be amended from time to time.

ARTICLE 8. INDEMNIFICATION

8.1 The Parties shall each individually defend any action or proceeding brought against their respective agency and shall be individually responsible for all its own costs, attorney’s fees, expenses and liabilities incurred as a result of any such claims, demands suites, actions, damages and courses of action, including the investigation of the defense thereof, and from and against any orders, judgments or decrees which may be entered as a result thereof.

8.2 Each Party shall bear its own responsibility and be liable for any claims, demands, suits, actions, damages and causes of actions arising out of or occurring during travel to or from its own emergency or disaster site or from an emergency or disaster site covered by this Agreement.

8.3 The Parties agree that no indemnification or hold harmless agreement shall be in effect concerning any claims, demands, damages and causes of action which may be brought against any Party pursuant to this Agreement.

8.4 All of the privileges and immunities and limitations from liability exemptions from laws, ordinances and rules, and all pensions and relief, disability, workers’ compensation and other benefits which apply to the activity of officers, agents or employees of the Parties hereto when performing their respective functions within their respective territorial limits for their respective agencies, shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents or employees extraterritorially under the provisions of this Agreement.

ARTICLE 9. EFFECTIVE DATE; TERMINATION

9.1 This Agreement shall be effective as to each Party on the first day of the first calendar month after execution of this Agreement by that Party.

9.2 This Agreement may be terminated by any Party upon no less than sixty (60) days' prior written notice by the provision of such written notice to the entities stated in the Notices provision of this Agreement. Upon receipt of any notice of termination, the Fire Chiefs' Association of Broward County shall promptly serve such notice upon all other Parties to this Agreement.

ARTICLE 10. GENERAL CONDITIONS

10.1 **No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity or of any rights or limits to liability existing under Section 768.28, Florida Statutes, by any agency or political subdivision to which sovereign immunity or such rights or limitations may be applicable, nor shall nor anything included herein be construed as consent by any Party to be sued by third parties in any matter arising out of or relating to this Agreement. This section shall survive the termination of this Agreement.

10.2 **No Third-Party Beneficiaries.** The Parties do not intend to create or confer any rights or obligations in or upon any third party by this Agreement. None of the Parties intend to directly or substantially benefit a third party by this Agreement. The Parties therefore acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the Parties based upon this Agreement.

10.3 **Independent Contractor.** The Parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. No party or any agent, employee, subcontractor, or assignee of any Party may represent to another that it has the authority to bind the other Party unless specifically authorized in writing to do so. No right to any Party's retirement, leave benefits, or any other benefits of a Party's employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. Parties shall not be responsible for social security withholding taxes, contributions to unemployment compensation funds, or insurance for any other Party or any other Party's officers, employees, agents, subcontractors or assignees.

10.4 **Equal Opportunity; Discrimination.** The Parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the Parties' respective duties, responsibilities, and obligations under this interagency agreement.

10.5 **Notices.** In order for a notice to a party to be effective under this Agreement, notice must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via e-mail, to the addresses listed on the signature pages below and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent).

The addresses for notice shall remain as provided in this section unless and until changed by providing notice of such change in accordance with the provisions of this section.

10.6 Public Records. Pursuant to Section 119.0701, Florida Statutes, all Parties required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and the conditions that the Party normally provides such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) keep and maintain such public records consistent with the requirements of applicable law or, upon termination of this Agreement and at the request of any Party, make such records available to the requesting Party at no cost and destroy any duplicate public record that are exempt or confidential and exempt from public records disclosure requirements. All of such records stored electronically must be provided to Parties upon request in a generally accessible format. Each Party shall maintain its own respective records and document associated with this Agreement for at least the duration required for such records under the General Records Schedule GS1-SL for State and Local Government Agencies. Each Party shall be responsible, pursuant to Chapter 119, Florida Statutes, for compliance with any public documents request served upon it and any resultant damages, including costs and attorneys' fees, for noncompliance with any applicable legal requirements. Each Party acknowledges that this Agreement is a public record and does not constitute a trade secret. Notwithstanding the foregoing, any and all statutory exclusions from Chapter 119 that apply to any Party are not deemed waived solely by entry into this Agreement.

IF ANY PARTY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PARTY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, THAT PARTY SHALL CONTACT ANY OTHER APPLICABLE PARTY'S CONTACT PERSON AS DESIGNATED PER SECTION 10.5 OF THIS AGREEMENT.

10.7 Compliance with Law. Each Party shall comply with all applicable federal and state laws, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement. This Agreement does not and shall not be deemed to relieve any Party of any of its obligations or responsibilities imposed by law except to the extent of the actual and timely performance of those obligations or responsibilities by one or more of the other Parties to this Agreement, in which case performance provided hereunder may be offered in satisfaction of the obligation or responsibility.

10.8 Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this Agreement must be litigated in federal court, the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy

Court for the Southern District of Florida. **BY ENTERING INTO THIS AGREEMENT, THE PARTIES HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.**

10.9 Entirety of Agreement. Except as to any AAA or other Automatic Aid or Mutual Aid agreement between any of the Parties to this Agreement and the CUR Project Charter, this document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understanding applicable to the matters contained herein and the Parties agree that there are no commitments, agreements or understanding concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written, unless expressly permitted herein.

10.10 Severability. In the event any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

10.11 Assignment. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any Party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from any other Party. Any attempt to assign this Agreement or any interest or obligation under this Agreement shall be null and void ab initio.

10.12 Interpretation. The titles and headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include the other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as “herein,” “hereof,” “hereunder,” and “hereinafter” refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a section or article of this Agreement, such reference is to the section or article as a whole, including all of the subsections of such section, unless the reference is made to a particular subsection or subparagraph of such section or article. Any reference to “days” means calendar days, unless otherwise expressly stated.

10.13 Preparation of Agreement. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than the other.

10.14 Authority. Each person signing this Agreement on behalf of any Party warrants that he or she has full legal power and authority to execute this Agreement on behalf of that Party.

10.15 Materiality; Waiver. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term of this Agreement. A Party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party.

10.16 Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document, addendum, or exhibit attached to, referenced by, or incorporated in this Agreement and any provision of Articles 1 through 10 of this Agreement, the provisions contained in Articles 1 through 10 shall prevail and be given effect.

10.17 Amendments; Entire Agreement. No modification, amendment, or alteration in the terms or conditions contained in this Agreement shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by duly authorized representatives of each Party. Any amendment to Automatic Aid Addendums (AAAs) shall require only the written approval by authorized representatives of the Parties to that particular AAA and shall not constitute an amendment to this Agreement. Except for any AAA or other Automatic Aid or Mutual Aid agreement that may exist between any of the Parties, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written.

10.18 Counterparts and Multiple Originals. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

10.19 Recording. This Agreement and any subsequent amendments shall be recorded in the Official Records of Broward County.
