Good afternoon,

County staff has been challenged with finding additional opportunities to achieve cost savings. Would your company be willing to reduce the prices on your subject solicitation? Please review the pricing on your bid submittal (attached) and let me know promptly if you can or simply cannot. If you can, please respond with your revised and initialed pricing on the attached document for verification and return to me by 10/11/19 or sooner.

The Broward County Procurement Code, Section 21.30.f.2(c), allows for a voluntary price reduction of the bid price if the reduction does not result in the modification or deletion of any condition of the bid.

In addition, please provide the following:

- Completed W9 Form (attached)
- The name and email address of a person/contact, that your firm wishes to received authorized Purchase Orders from Broward County.

Thanks,

Felicia L. McRae, CPPB
