Good morning and Happy Friday! As you know, we at Broward Days are so very appreciative of the partnership we have with the County. This year obviously has presented some difficult challenges in the planning process for our regularly scheduled event in Tallahassee in March. We initially thought we would have more information at this time to bring to the Commission for this upcoming agenda, however we understand there will be additional updates coming from the Capitol regarding access and protocol, which obviously will effect wether we do full virtual or a hybrid or actually what our options are at all. With that since we have a couple of months still I am requesting that we pull this item (item 40) off of the agenda for this Tuesday and once we have more information for planning purposes we will request the consideration. Should you, the Mayor, Vice Mayor or any of the Commissioners have any questions or would like to discuss please don't hesitate to call me at 954-648-1204. Again, thank you for your continued support and partnership. Have a wonderful weekend!

Sincerely,

Candice Ericks
