**RE: FG Construction Past Performance Review
Solicitation No. PNC2120885B1 - General Roadway-Bridge Maint. & Repairs**

Highway and Bridge Maintenance (HBMD) concurs with the award of the above-referenced solicitation although there are four County evaluations reflecting scores of “2” on individual items due to the following reasons:

- The average score of 40 evaluations found in Contracts Central is 3.77 out of 5, this indicates overall good vendor performance (refer to attachments).
- Although four project evaluations contain items with score of “2”, the overall performance of the vendor in those projects was fair/good (refer to attachments). Project Managers indicated that some of the issues occurred at the beginning of the projects and were resolved or substantially improved throughout the course of the projects.
- No Notices of Non-Compliance were found in Contracts Central for the vendor.
- HBMD obtained excellent references from entities outside the County that had contracts with the vendor (refer to attachments).
- HBMD is currently utilizing the services of this vendor and although there is room for improvement on occasion, the vendor has a good overall performance.
