Re: Cruise Terminal 4 and Accompanying Berth

Dear Director Daniels:

Please let this letter serve as a formal request from Magical Cruise Company, Limited d/b/a Disney Cruise Line, seeking authorization to engage in formal discussions and negotiations with Broward County – Port Everglades, regarding a berth and terminal agreement for CT-4 for use by Disney Cruise Line ships.

As you may know, there are three new ships joining the Disney Cruise Line fleet through 2025, with the first being the *Disney Wish* which is scheduled to set sail in Summer 2022. All three ships will be powered by liquefied natural gas and, at approximately 144,000 gross tons and 1,250 guest staterooms, will be slightly larger than the *Disney Dream* and *Disney Fantasy*, currently sailing out of Port Canaveral. As a result of this fleet expansion, Disney Cruise Line has intentions to homeport a ship capable of carrying approximately 3,500 guests on a year round basis in South Florida.

We look forward to hearing from you regarding our request, and hope to engage in such negotiations upon receipt of a positive position from the Board of County Commissioners.

Respectfully,
