SUBMITTED AT THE REQUEST OF

COMMISSIONER NAN RICH

There are affordable housing programs and projects that add to the affordable housing stock of the County but that do not avail themselves of Policy 2.16.4 of the Broward County Comprehensive Plan because the property's existing land use allows the development of affordable housing thereon ("Consistent Projects"). I request that staff limit the additional points or other scoring consideration for Policy 2.16.4 projects so as not to affect the existing ability of developers of Consistent Projects to continue to receive such funding.
