RE: NOTICE OF BREACH – Extension to Cure

Dear Ms.Olivito:

This letter is a follow-up to the letter dated February 3, 2021 informing Vibe Direct LLC d/b/a Vibe Rides (“Vibe”) that it was in breach of the terms of the agreement for Transportation Network Services between Broward County and Vibe (the “Notice of Breach Letter”) (a copy of which is enclosed for your convenience). Please accept this letter as written notice that an extension to cure the breach as described in the Notice of Breach Letter has been granted. The extension to cure is due to the wintry weather that crossed much of the United States resulting in a declaration a state of emergency in the state Texas with widespread road closures, power outages and water shortages.

The Security Deposit, Company Report, and Fees must be received by County no later than close of business (5:00 P.M.) eastern standard time (“EST”) on Monday, March 22, 2021. Should VIBE fail to cure these items by Monday, March 22, 2021, the County will pursue all available remedies, including but not limited, termination of the Agreement.

If you have any questions, please free to contact me at 954-359-2318.

Sincerely,

A handwritten signature in black ink, appearing to read "Karolynn Willman", with a long horizontal flourish extending to the right.
