RE: Persaud Acres (032-MP-19)
City of Plantation

DATE: November 19, 2019

The Future Land Use Element of the City of Plantation Comprehensive Plan is the effective land use plan for the City of Plantation. That plan designates the area covered by this plat for the uses permitted in the "Estate (1)" land use category. This plat is generally located on the east side of Flamingo Road, between Northwest 12 Street and Northwest 14 Street.

The density of the proposed development of 3 dwelling units on approximately 5.0 acres of land in the platted area, including the immediately adjacent right-of-way, is 0.6 dwelling units per gross acre, which is in compliance with the permitted uses and densities of the effective land use plan.

The effective land use plan shows the following land uses surrounding the plat:

North:	Estate (1)
South:	Estate (1)
East:	Estate (1)
West:	Irregular (2.94) Residential within a Dashed-Line Area (City of Sunrise)

The contents of this memorandum are not a judgment as to whether this development proposal complies with the Broward County Trafficways Plan, local zoning, other land development regulations or the development review requirements of the Broward County Land Use Plan including its concurrency requirements.
