

**LICENSE AGREEMENT BETWEEN
BALFOUR BEATTY CONSTRUCTION, LLC AND BROWARD COUNTY**

This License Agreement (“License” or “Agreement”) between Balfour Beatty Construction, LLC, a Florida limited liability company (“Licensor”), and Broward County, a political subdivision of the State of Florida (“County”), is entered into and effective as of the date this License is fully executed by the Parties (“Effective Date”). Licensor and County are hereinafter referred to collectively as the “Parties,” and individually referred to as a “Party.”

RECITALS

- A. Licensor leases the property and improvements located at 1799 SE 17th Street, Fort Lauderdale, Florida 33316 (“Contractor Property”), in order to support certain construction projects on and around the County’s property located at 1950 Eisenhower Boulevard, Fort Lauderdale, Florida 33316, on which is located, *inter alia*, the Broward County Convention Center and related improvements (“County Construction”).
- B. County requires a license from Licensor to access and use a portion of the Contractor Property for certain purposes related to the County Construction.
- C. Licensor is willing to grant County a license to access and use the Premises, as specifically defined in Section 1 below, pursuant to the terms and conditions stated in this Agreement.

In consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Description; Term; Renewal; and Fee.

- 1.1 Licensor hereby grants to County the right, privilege, and permission to utilize the portions of the Contractor Property more particularly described on the attached **Exhibit A** (“Premises”) and located at the Contractor Property for any purpose related to the County Construction for a term commencing on the Effective Date and terminating five (5) years hereafter (“Initial Term”), unless the underlying lease for the Contractor Property (“Lease”) is terminated for any reason, in which event this Agreement shall be terminated.
- 1.2 Provided that the Lease has been extended and is in full force and effect, this License may be renewed by County for five (5) successive period(s) of one (1) year each (each 1-year extension shall be referred to as an “Extension Term”), which option shall be deemed to have been automatically exercised unless and until County provides written notice of

its intent not to extend at least thirty (30) calendar days prior to the commencement of an Extension Term. Each Extension Term shall be on the same terms and conditions as provided in this License for the Initial Term. The Initial Term, and each Extension Term exercised by County, are collectively referred to in this License as the "Term."

- 1.3 On the Effective Date and on each anniversary of the Effective Date until termination, County shall pay to Licensor an annual license fee of Ten Dollars (\$10.00). Such payment shall be made without demand or invoice from Licensor at the address provided in Section 17.

2. Use of Premises.

- 2.1 County may use the Premises for any purpose related to the County Construction ("Permitted Uses"). County covenants that no nuisance or hazardous trade or occupation shall be permitted or carried on in or upon said Premises, no act or thing shall be permitted and no thing shall be kept in or about said Premises which will increase the risk of hazard or fire, no waste shall be permitted or committed upon or any damage done to said Premises, and County shall not use or occupy or permit the Premises to be used or occupied in any manner that will violate any laws or regulations of any governmental authority. This License does not entitle the County to any possessory interest in the Premises.
- 2.2 Licensor will permit County reasonable access to the Premises during normal working hours (7:00 a.m. to 9:00 p.m., Mondays through Fridays; 7:00 a.m. to 7:00 p.m., Saturdays and Sundays).

3. Alterations and Improvements.

Unless otherwise prohibited by the terms of this License, County may, at its own expense, make such non-structural changes, alterations, additions, and improvements to the Premises as it may deem necessary or expedient, upon fifteen (15) calendar days' prior written notice to and written consent from Licensor. All non-structural alterations shall, at the sole option of County, be considered personalty and remain the exclusive property of County. County may, in its sole discretion and at its own cost, remove all such personalty from the Premises upon the termination of this License. If necessary, County may make structural alterations or modifications to the Premises ("Improvements") with Licensor's prior written consent, which shall not be unreasonably withheld, delayed, or conditioned. Licensor shall provide a written response within ten (10) business days after County's request to make any Improvements. Any Improvements shall immediately, upon being added to or incorporated in the Premises, be and remain the exclusive property of the Licensor unless the Parties agree otherwise in writing.

4. Holdover by County.

County may hold over and remain in possession of the Premises after the expiration of this License only with the approval of Licensor and to the extent the Lease is in full force and effect and such hold over shall, in no event, be deemed or construed to be a renewal or extension of this License but shall only operate to create a month-to-month license upon the same terms and conditions as are set forth in this License, which may be terminated by either Party upon sixty (60) calendar days' prior written notice to the other Party.

5. Assignment; Sublicensing.

County may not assign, sublicense, or otherwise transfer all or any of its interests under this License without the prior written approval of Licensor, which approval shall not be unreasonably delayed, withheld, or conditioned. Notwithstanding the forgoing, County may assign or sublicense all or a part of its interests under this License to any government agency without the consent of Licensor.

6. Default.

If either Party defaults in the performance of a material provision of this License and fails to cure such default within thirty (30) calendar days after receipt of written notice specifying the nature of such default, or if such default cannot be cured within thirty (30) calendar days and the defaulting Party fails to commence such cure within such time and diligently pursue such cure to completion, then the non-defaulting Party may terminate this License and pursue all other remedies available to it at law or in equity.

7. Termination.

7.1 This License may be terminated for convenience by the Board of County Commissioners of Broward County, Florida ("Board"). Termination for convenience by the Board shall be effective on the termination date stated in written notice provided by County, which termination date shall be not less than sixty (60) days after the date of such written notice.

7.2 This License may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances in the event the County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience and shall be effective sixty (60) days after such notice of termination for cause is provided.

8. Surrender Upon Termination.

Upon expiration or termination of this License, County will peaceably surrender and deliver the Premises to Licensor, its agents or assigns. County further agrees that, subject to Section 3 herein, it will leave the Premises in the condition existing at the commencement of this License, reasonable wear and tear excepted. County further agrees to allow a representative of Licensor to inspect the Premises to determine that, subject to Section 3 herein, the Premises is in the same state and repair as it was at the time it was licensed to County, reasonable wear and tear excepted.

9. Damage to Premises.

County shall give Licensor prompt written notice of any accident to or defect in the Premises, and the same shall be remedied by Licensor with due diligence, unless caused by County or its agents.

10. Inspection.

Licensor or its agents may enter the Premises upon reasonable notice to County to examine same or to make needed repairs to said Premises.

11. Fire or Other Casualty.

In the event of damage to the Premises or any part thereof by fire or other cause during the Term of the License, County shall give immediate written notice thereof to Licensor. The Premises shall be repaired immediately at the expense of Licensor, unless the damage was due to the intentional acts or negligence of County or County's employees, officers, agents, or contractors, in which event County shall be liable for the reasonable costs of such repairs. If the Premises shall be destroyed by the elements, acts of God, or any other cause, or so nearly destroyed as to require substantial rebuilding, this License shall terminate, and County and Licensor shall have no further obligations or liability under the License.

12. Maintenance and Repairs.

12.1 Licensor shall keep the Premises in good structural repair, so far as concerns County's use of the Premises, and in compliance with all applicable laws, ordinances, orders, or regulations of any federal, state, County or municipal authority now or hereafter in effect.

12.2 County shall, at all times during this License, and at County's sole cost and expense, comply (and shall cause its officers and employees to comply) with all laws, codes, statutes, ordinances, and regulations in connection with the Permitted Uses of the Premises. Any and all costs, expenses, fees, or assessments arising out of or relating to the Permitted Uses of the Premises shall be borne by County including, without limitation, taxes and permit or approval fees.

13. Subordination.

This License is subject and subordinate to all ground and underlying leases affecting the real property and to all mortgages which may now or later affect such leases or such real property.

14. No Waiver of Breach.

Either Party's failure to enforce any provision of this License shall not be deemed a waiver of such provision or modification of this License. A waiver of any breach of a provision of this License shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this License.

15. Insurance.

Licensor agrees that during the term hereof it will, at its expense, keep the Premises insured against loss or damage by fire, together with extended coverage to the extent of replacement value thereof.

County is a self-insured governmental entity subject to the limitations of Section 768.28, Florida Statutes. County shall maintain a fiscally sound and prudent risk management program with regard to its obligations under this License in accordance with the provisions of Section 768.28, Florida Statutes. Upon request, County shall provide written verification of liability protection in accordance with state law.

16. Radon Gas.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risk to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from the Broward County Public Health Unit.

For a notice to a Party to be effective under this License, notice must be sent by U.S. first-class mail or commercial express carrier with acknowledgment of delivery, each with a contemporaneous copy via electronic mail (email), to the addresses listed below and shall be effective upon mailing (provided that the contemporaneous e-mail is also sent).
