Summary Explanation/Background

Ms. Alverine Brihm is a member of the Central County Community Advisory Board (CCCAB) and is an employee with the Broward County School Board that has a contractual relationship with the County. Her employment involves providing educational services.

Pursuant to Section 112.313(7)(a), Florida Statutes, public officers, including advisory board members, may not “have or hold any employment or contractual relationship with any business entity or any agency which is subject to the regulation of, or is doing business with, an agency of which he or she is an officer or employee.” The CCCAB serves in an advisory role to the Board. The CCCAB does not have final decision-making authority. Therefore, this waiver is sought in an abundance of caution.

A conflict under 112.313(7)(a) may be waived by a two-thirds vote of the County Commission after full disclosure of the conflicting relationship. Form 4A, Disclosure of Business Transaction, Relationship or Interest, is attached hereto as Exhibit 1 and constitutes full disclosure of any existing conflicts.
