Summary Explanation/Background

THE PURCHASING DIVISION AND THE AVIATION DEPARTMENT RECOMMEND APPROVAL OF THE ABOVE MOTION.

The Office of Economic and Small Business Development (OESBD) designated this a reserved project for County Business Enterprise (CBE) firms. The OESBD has determined that Dammel Cleaning Enterprise, Inc. DBA Palm Beach & Broward Building Maintenance meets the eligibility criteria of the CBE reserve program (Exhibit 2).

The purpose of this contract is to furnish all supplies, equipment, and labor for providing janitorial services to administrative buildings for the Broward County Aviation Department's (BCAD's) Facilities Maintenance Division.

This contract includes covered services in accordance with the Broward County Living Wage Ordinance, Section 26-101(k). For Group 2, Dammel Cleaning Enterprise, Inc. DBA Palm Beach & Broward Building Maintenance has agreed to be bound to the contractual obligations. The Group 2 three-year potential estimated amount of \$399,072 includes the health care benefit increase effective January 1, 2021.

For Group 2, ALJ Services LLC submitted a bid considered unbalanced as related to offered "future price effective January 1, 2021" for Item Response Form Lines 02-04 through 02-06 where services were offered at a unit price of \$1.00. Clarification regarding its price was requested from ALJ Services LLC, who responded by email, indicating that the unit prices were incorrect and offered corrected prices. In accordance with the Broward County Procurement Code, Section 21.30.f.2.(d), Unsuccessful Bidders Are Not Permitted To Correct Bid Mistakes, no bidder shall be permitted to correct a bid mistake, with the exception of mathematical computation, which would cause such bidder to have the low bid and receive an award which otherwise would go to another vendor bidder except in accordance with the provisions of Section 21.30.f.2.(b). In the event the corrected prices were considered, ALJ Services LLC would no longer be considered the apparent low bidder. The Director of Purchasing deemed ALJ Services LLC as non-responsive for providing an unbalanced bid. Upon review of the bids, OESBD determined that low bidders for Group 2 (ALJ Services LLC, BNB Distributors Co., Kelly Janitorial Systems, Inc., and Clean Freek's Janitorial Service LLC) did not meet the CBE program requirement; thus, the vendors were non-compliant to the bid's CBE program requirement. Based upon the determination of OESBD, the Director of Purchasing deemed that the low bidders for Group 2 (ALJ Services LLC, BNB Distributors Co., Kelly Janitorial Systems, Inc., and Clean Freek's Janitorial Service LLC) to be non-responsive to the solicitation's CBE program requirement (Exhibit 2).

The Director of Purchasing approved the requests for bid withdrawal on December 9, 2020 as a nonjudgmental mistake of fact pursuant to the Broward County Procurement Code, Section 21.30.f.4 (b)(1). MCJ Professional Cleaning Services, Corp. and Island Cleaning CC LLC requested to withdraw their bids for Group 2 for reasons of a misunderstanding of the scope of work and site

conditions as related to the Terminal 4 office location, Item Response Form Line No. 02-04. The Terminal 4 office location was unavailable for bidder site visits during the solicitation process as the location was under construction and not anticipated to be available to view prior to bid opening.

BCAD reviewed the bid submitted by Dammel Cleaning Enterprise, Inc. DBA Palm Beach & Broward Building Maintenance and concurs with the recommendation for award for Group 2 (Exhibit 3). Two vendor performance evaluations have been completed for Dammel Cleaning Enterprise, Inc. DBA Palm Beach & Broward Building Maintenance; they have an overall rating of 3.89 out of a possible rating of 5.0. Copies of the vendor performance evaluations are available upon request.

The Purchasing Division researched the prices submitted by the recommended bidder, Dammel Cleaning Enterprise, Inc. DBA Palm Beach & Broward Building Maintenance, for Group 2 and determined that the prices submitted are fair and reasonable in comparison to prices of the competing firms, current contract prices, and increase in the relevant Consumer Price Indices (Exhibit 4).
