Summary Explanation/Background

THE PURCHASING DIVISION AND THE FINANCE AND ADMINISTRATIVE SERVICES

DEPARTMENT RECOMMEND APPROVAL OF THE ABOVE MOTION.

The purpose of this item is for the Board to reaffirm the County's purchasing standardizations that were previously approved by the Board. It also ensures compliance with Procurement Code Section 21.53(a), that all standardized sole source and/or sole brand supplies and services purchases from the same supplier or manufacturer for a period exceeding five years in duration are properly documented and fully disclosed.

Staff from the Purchasing Division and various County agencies conducted extensive product review and market research and determined the necessity to continue the standardization of supplies and services as noted in Exhibit 1. Based on these findings, the vendors providing these supplies and services remain the only reasonable sources and/or brands that continue to meet the County's needs.
