Summary Explanation/Background

THE FINANCE AND ADMINISTRATIVE SERVICES DEPARTMENT AND THE RECORDS, TAXES AND TREASURY DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTION.

In balancing and closing the annual Tax Roll each year, there are a certain number of tax bills that have not been collected. These tax bills cannot be collected because of business closure where no assets remain to be attached, assets were auctioned but the revenue from the auction did not cover

the outstanding delinquency or pursuant to Chapter 95, Florida Statutes. Some accounts were also deemed exempt from taxation and need removal from the roll, while others cannot be collected due to reasons such as a declaration of bankruptcy, outstanding litigation, or receivership (Exhibit 1). Neither the Tax Collector nor the Property Appraiser may remove these items from the Tax Roll without notification to the Board of County Commissioners to ensure the entry of those reductions in the Tax Roll in the public records.

Fiscal Impact/Cost Summary

This action reconciles the year 2019 Tax Roll. It does not cause a net loss to any taxing entities since, by law, revenues are budgeted at 95%, and our average collection rate is 99%. Delinquent taxes are still subject to collection by further action of the Records, Taxes, and Treasury Division.
