#### Requested Action

MOTION TO ADOPT supplemental budget Resolution within the Capital Funds in the amount of <\$38,278,767> to adjust fund balance and other budgeted revenues and appropriate funds to reserves and other project commitments.

#### Why Action is Necessary

Supplemental budgets are required whenever existing revenue sources are increased or decreased, resulting in a change to the total appropriation of a fund or for the creation of a new capital project over \$25,000.

#### What Action Accomplishes

The primary purpose of this supplemental budget is to recognize the difference between the preliminary fund balance and the current budgeted fund balance of each fund. This budget amendment also includes a number of proposed appropriations to address issues that have arisen since the adoption of the Fiscal Year 2022 budget.

#### Is this Action Goal Related

No

#### Previous Action Taken

None
