#### Summary Explanation/Background

THE LIBRARIES DIVISION RECOMMENDS APPROVAL OF THE ABOVE MOTION.

This item supports the Board's Goal to "Enhance funding for Library programs and various life-long-learning opportunities for our residents and visitors."

The State Aid to Libraries Grant Program is administered by the State of Florida and is awarded to qualifying governing bodies throughout the State, pursuant to Florida Statutes Chapter 257 and the Florida Administrative Code Chapter IB-2.001, for the purpose of operating and maintaining libraries. The Libraries Division has been receiving State Aid funds since 1974. As in past years, a definite award amount is not yet available, the State has provided an estimate of the award \$1,256,649. In

2021, Broward County received \$1,474,796; in 2020, \$1,435,461; in 2019, \$1,398,383; and, in 2018, \$1,590,545.

The State Aid to Libraries Grant agreement (Exhibit 1) must be submitted annually with certification of local expenditures for the previous year. The State prepares the forms and requires that the governing authority for the grantee sign first. The Agreement and the accompanying Certification of Credentials (Exhibit 2) and Certification of Hours, Free Library Service and Access to Material form (Exhibit 3) with the signature of the governing body must be electronically submitted to the State by October 1, 2021.

This Agreement is a State form, which has been published in Florida's Administrative Code. The State will provide the Exhibit B referenced in the grant agreement once the final award amount has been determined and the State fully executes the agreement. In the event of a dispute, please note that the venue for any litigation that may arise from this agreement is Leon County.

The Office of the County Attorney has reviewed and approved as to form.
