Summary Explanation/Background

The proposed Resolution amends the Broward County Administrative Code to update cross-references that would be made obsolete if the proposed Ordinance before the Board on a related item on May 10, 2022, is enacted. On March 1, 2022, the Board directed the Office of the County Attorney to draft an Ordinance migrating the provisions related to site plan review procedures and requirements within the unincorporated area from the Land Development Code to the Zoning Code. If the Board makes any changes to the proposed Ordinance at the time of enactment, the proposed Resolution will need to be reviewed to ensure that the cross-references comport with the proposed Ordinance.
