Motion A. The SHIP Program funds being recognized for the SHIP Fiscal Year 2019-2020 are in the amount of \$160,851 and represent additional funds from the Florida Housing Finance Corporation's ("Corporation") initial allocation of July 1, 2019.

The Corporation, as the State's administrator of SHIP funds, retains \$5,000,000 for natural disaster relief annually. No natural disaster occurred during July 1, 2019, through June 30, 2020; therefore, the Corporation allocated the \$5,000,000 to the 119 SHIP jurisdictions of which Broward County's portion is \$117,607, the City of Margate's portion is \$20,115, and the City of Weston's portion is \$23,129. Broward County's share of the allocated funds in the amount of \$117,607 will be available for the Purchase Assistance Strategy. The Cities of Margate and Weston have entered into interlocal agreements with the County to implement and administer their respective allocated SHIP Program funds. The City of Margate's share of \$20,115 will be available for the Special Needs/Barrier Free Housing Strategy. The City of Weston's share of \$23,129 will be available for the Purchase Assistance Strategy.

Ten percent (10%) or \$16,085 of the combined allocation of Broward County's allocation of \$117,607 plus the City of Margate's allocation of \$20,115 and the City of Weston's allocation of \$23,129 for SHIP Fiscal Year 2019-2020 funding is allocated for administration.
