Summary Explanation/Background

THE TRANSPORTATION DEPARTMENT RECOMMENDS APPROVAL OF THE ABOVE MOTIONS.

This item supports the Board's Value for "Cooperatively creating an efficient and accessible regional intermodal transportation network" by providing additional funding to improve and enhance the transit system.

The Transportation Department is requesting approval of a Florida Department of Transportation (FDOT) Public Transportation Grant Agreement that will provide \$1,400,000 in Fiscal Year 21 state funding for continued operations and maintenance of the I-95 Express Bus routes. The costs to operate and maintain the routes are funded by grants, as well as farebox revenue.

As background, BCT operates three 95 Express routes weekdays during peak morning and afternoon travel hours from four Park & Ride locations in western Broward County to downtown Miami and the Miami Civic Center Health District in Miami-Dade County. This premium express commuter transportation service features comfortable over-the-road coaches with high-back seats, WiFi, LED reading lights, electrical outlets and USB ports for passengers.

This PTGA has been reviewed and approved as to form by the Office of the County Attorney. County approval of the Resolution and execution of the supplemental PTGA is required prior to FDOT executing said agreements.
