#### Summary Explanation/Background

THE PORT EVERGLADES DEPARTMENT RECOMMENDS APPROVAL.

This action supports the Broward County Board of County Commissioners' ("Board") Value of "Ensuring economic opportunities for Broward's diverse population and businesses" and the Goal to "Increase the economic strength and impact of revenue-generating County enterprises balancing economic, environmental, and community needs."

Cemex Construction Materials Florida, LLC ("Cemex") and its predecessors have provided cargo handler services at Port Everglades under a series of approved franchise agreements since 1991. On September 11, 2012 (Item No. 6-PH), the Board granted renewal of a nonexclusive franchise to

Cemex to provide cargo handler services at Port Everglades for a ten-year term, from September 16, 2012, through September 15, 2022. Cemex has applied for renewal of the franchise. Cemex has also applied for renewal of the company's stevedore franchise which is the subject of a separate agenda item.

Staff reviewed the cargo handler franchise renewal application against the enumerated renewal criteria outlined in Chapter 32 of the Administrative Code. Staff's due diligence included, among other things: (a) corresponding with Cemex's representative to clarify franchise requirements; (b) reviewing Cemex's corporate status, resumes of executive staff, list of managerial personnel, business history/experience, litigation history, insurance certificate(s), financial documents and creditworthiness, discharge of previous financial obligations to the County, compliance with all franchise terms and conditions and established rules and regulations of the County, required licenses and certificates, company programs and policies, list of equipment to be used at Port Everglades, statement of activities and actions indicating that Cemex has maintained a favorable service performance record in Port Everglades during the term of its prior franchise agreements; and (c) ensuring that Cemex has promoted and developed growth in the business activities, projects, or facilities of Port Everglades. Staff also reviewed Cemex's safety and environmental history, and one citation for improper storage of used batteries at Cemex's Brooksville, FL facility was reported in February 2022 but corrected to the satisfaction of the Florida Department of Environmental Protection without penalty.

Cemex has agreed to comply with all franchise conditions outlined in Section 32.24 of the Administrative Code by submitting the signed franchise application.

Based on the review of information provided in the franchise renewal application, staff recommends renewing the cargo handler franchise. Per Section 32.16 of the Administrative Code, the County may grant cargo handler franchises for up to ten years. Therefore, consistent with past practice, staff recommends renewing the franchise for a ten-year term.

The complete application and supporting documents are on file in the Port Everglades Business Development Division's office.
