Summary Explanation/Background

On May 7, 2019 (Item No. 70, Motion A), the Board directed the Office of the County Attorney to draft an Ordinance amending Section 31½-71, et seq., of the Broward County Code of Ordinances (Transportation Surtax Ordinance) to conform it to various substantive provisions and processes established pursuant to later-developed agreements with the Broward Metropolitan Planning Organization and the municipalities. The proposed revisions to the Transportation Surtax Ordinance prescribe the processes for: 1) submitting applications for funding; 2) review by the Independent Transportation Surtax Oversight Board of proposed projects and proposed expenditures; and 3) consideration for funding by the County Commission.

On May 7, 2019 (Item No. 70, Motion B), the Board also directed the Office of the County Attorney to draft an Administrative Code Resolution to codify certain procedures of the Transportation Surtax

Appointing Authority and the Oversight Board. The Appointing Authority and the Oversight Board each established procedures for their respective operations, which procedures are included in the proposed Administrative Code Resolution.

The public hearing on this item was initially set for December 3, 2019. It has been continued several times to allow for meetings to occur in an effort to address concerns raised by the Oversight Board, representatives of the Broward League of Cities, and the City of Sunrise. Proposed amendments developed in coordination with Commissioner Furr, the County Administrator, and the County Auditor will be considered by the Oversight Board on January 30, 2020. Most of the concerns raised by the Broward League of Cities and the City of Sunrise have been addressed; the Office of the County Attorney is continuing to work with them to resolve or narrow their remaining concerns.

It is anticipated that a new, standalone draft, sponsored by Commissioner Furr and tracking all changes from the current Code of Ordinances, will be distributed before individual Commissioner briefings. The draft is being withheld pending the referenced Oversight Board meeting and some limited remaining discussions with municipal stakeholders. A memorandum from this Office will accompany that draft to identify any concerns raised by the Oversight Board, Broward League of Cities, or the City of Sunrise that we have been unable to resolve.
