**What Action Accomplishes**

Motion A: Permits Board discussion of the referenced solicitation.

Motion B: Waives the Broward County Procurement Code and awards the referenced contract to the stated vendor.

**Is this Action Goal Related**

No

**Previous Action Taken**

**Summary Explanation/Background**

The competitive solicitation for Call Center Services for Paratransit Transportation Services, No. GEN2119730B1, opened on October 18, 2019, and closed on November 6, 2019. Three vendors submitted bids in response to the solicitation. On March 3, 2020, the Purchasing Division issued a recommendation to reject all bids for failure to meet the specifications. In reaching that conclusion, the Purchasing Division relied upon the determination by the using agency that the vendors' proposals were not consistent with the specifications, including that the staffing levels proposed were insufficient to meet the specifications.

B&L Service, Inc. (B&L) has been operating a ground transportation dispatch Call Center in Broward County, Florida for the past six decades. Currently dispatching over 600 vehicles in three major markets, roughly 30% of the trips dispatched are paratransit trips for either governmental entities or brokers with governmental contracts.

B&L's call center staff handles over 24,000 calls per week. The average hold time is less than ten seconds. B&L currently dispatches vehicles 24 hours a day, seven days a week. B&L's staffing level for its current call center is 35 full and part-time employees, total. These include managers, dispatchers and call takers. B&L's proposed staffing levels are based upon decades of experience answering requests for calls and dispatching vehicles in Broward County.

The existing contract for call center services for paratransit transportation services is with Inktel Government BPO Services LLC, and was originally approved on October 28, 2014, for a total of five years (with all options exercised). On December 30, 2019, the Inktel contract was extended for 90 days through March 30, 2020, to allow time for completing a new competitive solicitation. On March 10, 2020 (Item 11), the Board is scheduled to consider approving a further extension on an unlimited month to month basis (with a right to terminate for convenience on 30 days notice upon completion of the pending solicitation).

Motion A allows Board discussion of the timing and any issues relating to the award of the competitive solicitation.

Motion B, if approved, would waive the Broward County Procurement Code to the extent necessary to permit an award of the competitive solicitation to B & L Service, Inc.
