Summary Explanation/Background

This proposed amendment was requested as a result of recent amendments to Chapter 16½ of the Broward County Human Rights Act. Section 16½-158(c) of the Broward County Domestic Partnership Act of 1999 (the "Act") provides registered domestic partners with certain rights to make health care decisions for their partners. The proposed amendment makes no substantive changes to the Act, but clarifies the rights afforded domestic partners under the Act to ensure consistency with state law. The proposed amendment clarifies that a domestic partner of a patient or resident at a licensed facility is authorized to make health care decisions for the patient or resident to the extent the patient or resident authorized the domestic partner to act as his or her health proxy on a declaration of domestic partnership and did not subsequently execute a health care power of attorney providing otherwise.
