Summary Explanation/Background

COUNTY ADMINISTRATION RECOMMENDS APPROVAL OF THE ABOVE MOTIONS.

Section 3.03.B. of the Broward County Charter and Section 2.6 of the Administrative Code provide for the County Administrator to nominate all department heads subject to approval by a majority vote of the Commission. Consistent with these requirements, the County Administrator presents the nomination of Jonathan Daniels for appointment to the position of Director of Port Everglades with the recommendation that Mr. Daniel's appointment be approved as presented with a tentative start date of June 29, 2020.

A national recruitment conducted by the executive search firm Alliance Resource Consulting, LLC produced 122 applicants which were narrowed to a list of five finalists. The finalists were interviewed by a panel including the County Administrator, Deputy County Administrator, Director of Aviation, Director of GFLCVB, Director of Economic and Small Business Development, and President/CEO Greater Fort Lauderdale Alliance. These interviews have resulted in the County Administrator's selection of Jonathan Daniels for nomination to the Board for confirmation.

Mr. Daniels has almost 20 years of port management experience with the majority of experience being at the chief executive or managing director level. Most recently, Mr. Daniels is the Executive Director and Chief Executive Officer at the Mississippi State Port Authority, Port of Gulfport, where he has served for the last seven years. At Gulfport, he is responsible for all development activities at the port, including cargo (container, petroleum, dry bulk, military) and cruise development, as well as non-maritime development activities (such as tourism and education). Prior to Gulfport, Mr. Daniels worked at three other Ports with experience on the East Coast, Gulf Coast and Great Lakes where he was responsible for operations and economic development including joint responsibility for

development at Bangor International Airport. Mr. Daniels graduated from the Citadel, located in Charleston, South Carolina, with a Bachelor of Arts degree in Political Science - International Politics and Foreign Affairs.

Mr. Daniels meets the qualification requirements for the position as stated in Section 16.1 of the Administrative Code: "...an undergraduate or graduate degree from an accredited college or university and extensive progressively responsible experience in seaports, transportation, and/or business management, including several years of experience in an executive management or administrative capacity of complex governmental or private business organizations, or any equivalent combination of training and experience." Mr. Daniel's resume is attached for the Board's information.

Consistent with the County's past practices, as vacancies occur at the Department Director level of the organization, the salary range of the vacant position is reviewed to assist with the recruitment efforts and ensuring that the pay range is market competitive. The results of this analysis support the reallocation of the pay range for the Director of Port Everglades to a more competitive level as requested in Motion B. Mr. Daniels has agreed to a starting annual salary within the proposed pay range, subject to the Board's approval of his nomination. It is also recommended that the pay range for the Director of Aviation be reallocated at this time for consistency, internal equity, and market competitiveness. It is necessary to seek the Board's approval for the recommended range reallocations at this time in order to proceed with Mr. Daniel's nomination.
