No

Previous Action Taken

None.

Summary Explanation/Background

THE FINANCE AND ADMINISTRATIVE SERVICES DEPARTMENT AND THE RECORDS, TAXES, AND TREASURY DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTION.

Since 2000, Iron Mountain Information Management, LLC has been the existing provider of records management and storage services and is the only company that can provide the full range of content retention services required by Broward County.

Currently, Iron Mountain Information Management, LLC provides multiple services to Broward County, which include the following:

- Underground Cold Storage (50° F) in Boyers, Pennsylvania
- Private Vault Underground Storage (70° F) in Boyers, Pennsylvania of the Official Records of Broward County (Microfilm, CDs and DVDs)
- Vault storage for permanent paper records (68° F) and 20 - 30% relative humidity
- Microfilm Auditing Services
- Microfilm to Digital Image Conversion Services (Image On Demand Services)
- Local Data Storage for Tape Backups

In addition to Records, Taxes, and Treasury Division, these services are utilized by several County agencies as well as the County's Constitutional Officers.

On December 14, 2010 (Item No. 22), the Board approved the sole source Master Services Agreement for content retention and protection services for the Records, Taxes, and Treasury Division and various other Broward County agencies in the estimated total amount of \$500,000.

On November 13, 2013, the Director of Purchasing executed the First Amendment to the Master Services Agreement adding Image on Demand, LiveVault Services, and a Business Associates Agreement for additional services.

On December 1, 2015 (Item No. 29), the Board approved the Second Amendment to Master Services Agreement to extend the agreement terms through September 30, 2020.

The Third Amendment to the Master Services Agreement extends the terms and conditions of the Agreement, for an additional six months, retroactive to October 1, 2020. An extension of the existing Agreement is necessary to complete the negotiations and provide time for approval of the new Agreement (Exhibit 2). Staff initially believed that the Third Amendment to the Master Services Agreement could be addressed administratively through the Director of Purchasing. However, based on further review, it was recently determined that the Third Amendment exceeds five years and pursuant to Section 21.43 of the Procurement Code, the Amendment must be approved by the Board, which is the reason for the retroactive application of this Amendment to October 1, 2020.

The Third Amendment to the Master Services Agreement has been reviewed and approved as to form by the Office of the County Attorney. There are no subject disclosures.
